

LEAP DOCUMENT 4

SALARY INCREASES AND PENALTY PROVISIONS

In the original Budget, Leap Document 2 specified the maximum salary increase which each school district was authorized to give for school years 1981-82 and 1982-83.

If a school district granted greater salary increases than provided in LEAP Document 2, the Superintendent was required to withhold 5% of a district's basic education allocation.

Data used to generate LEAP Document 2 was updated through April 10, 1981. Shortly thereafter various districts indicated that their data needed to be revised. Revisions to the data base were made through September 18, 1981 and on the basis of this data LEAP Document 4 was generated.

LEAP Document 2 served two purposes in the original budget. The first being allocation of funds and the second salary compliance. The April amendments to the budget act specify LEAP 4 for compliance purposes and LEAP 2 for allocation of funds purposes.

For the 1981-82 school year, the penalty provision was revised from 5% of a district's basic education allocation to the lesser of 5% or the amount by which a district exceeded the authorized increases.
