25 **PART II - VEHICLE WEIGHT FEES**

26 NEW SECTION. Sec. 201. A new section is added to chapter 46.16
27 RCW to read as follows:

28 (1) There shall be paid and collected annually for motor vehicles
29 subject to the fee under RCW 46.16.0621 a vehicle scale weight fee.
30 The vehicle scale weight fee is imposed to provide funds to mitigate
31 the impact of vehicle loads on the state roads and highways and is
32 separate and distinct from other vehicle license fees. Proceeds from
33 the fee may be used for maintenance, repair, renovation, reconstruction
34 and replacement of state roads and highways, or for facilities and
35 activities that reduce the number of vehicles or load weights on the

1 state roads and highways. The vehicle scale weight fee shall be that
2 portion of the fee as reflected on the scale weight set forth in
3 schedule B provided in RCW 46.16.070 that is in excess of the fee
4 imposed under RCW 46.16.0621.

5 (2) For the purposes of this section, the department shall rely on
6 the vehicle empty scale weights as provided by vehicle manufacturers,
7 or other sources defined by the department, to determine the weight of
8 each vehicle. The department shall adopt rules for determining weight
9 for vehicles without manufacturer empty scale weights.

10 (3) When the scale weight of a motor home is 6,667 pounds or
11 greater, the scale weight shall be multiplied by one hundred fifty
12 percent to determine the annual vehicle scale weight fee. The annual
13 vehicle scale weight fee applicable to a motor home of 6,667 pounds or
14 greater may be paid for any full registration month or months at one-
15 twelfth of the usual annual fee plus two dollars, this sum to be
16 multiplied by the number of months for which the fees are paid if less
17 than a full year.

18 (4) If the resultant weight according to this section is not listed
19 in schedule B provided in RCW 46.16.070, it shall be increased to the
20 next higher weight pursuant to chapter 46.44 RCW.

21 (5) Proceeds from the fees collected under this section shall be
22 distributed into the multimodal transportation account.

23 NEW SECTION. **Sec. 202.** A new section is added to chapter 46.16
24 RCW to read as follows:

25 In lieu of the license tab fees provided in RCW 46.16.0621, private
26 use single-axle trailers of two thousand pounds scale weight or less
27 may be licensed upon the payment of a license fee in the sum of fifteen
28 dollars, but only if the trailer is operated upon public highways. The
29 license fee must be collected annually for each registration year or
30 fraction of a registration year. This reduced license fee applies only
31 to trailers operated for personal use of the owners, and not trailers
32 held for rental to the public or used in any commercial or business
33 endeavor. The proceeds from the fees collected under this section
34 shall be distributed in accordance with RCW 46.68.035.

 4 annually for each truck, motor truck, truck tractor, road tractor,
 5 tractor, bus, auto stage, or for hire vehicle with seating capacity of
 6 more than six, based upon the declared combined gross weight or
 7 declared gross weight under chapter 46.44 RCW, the following licensing

27 Every truck, motor truck, truck tractor, and tractor exceeding
28 6,000 pounds empty scale weight registered under chapter 46.16, 46.87,
29 or 46.88 RCW shall be licensed for not less than one hundred fifty
30 percent of its empty weight unless the amount would be in excess of the
31 legal limits prescribed for such a vehicle in RCW 46.44.041 or
32 46.44.042, in which event the vehicle shall be licensed for the maximum
33 weight authorized for such a vehicle or unless the vehicle is used only

35 (ii) twenty-five dollars per vehicle between January 1, 2010, and

1 December 31, 2014; and (iii) thirty dollars per vehicle for all fees
2 imposed after December 31, 2014. This fee applies to each vehicle that
3 is subject to license fees under RCW 46.16.0621 and for each vehicle
4 that is subject to gross weight fees under RCW 46.16.070 with an
5 unladen weight of ten thousand pounds or less, and that is determined
6 by the department of licensing to be registered within the boundaries
7 of the county imposing the fee.

8 (b) The following vehicles registered within the county boundaries
9 are exempt from annual vehicle fees under this section: (i) Farm
10 equipment as defined in RCW 46.04.181; (ii) vehicles licensed under RCW
11 46.16.374; and (iii) small trailers with an empty scale weight under

16 election.

17 (2) The department of licensing shall administer and annually
18 collect the fee on behalf of the county at the time of registration
19 renewal and remit the fee to the custody of the state treasurer for

24 costs to the department of licensing for the collection and
25 administration of the fee.

26 (3) A county imposing a vehicle licensing fee or initiating an
27 exemption process under this section shall delay the effective date of
28 the fee or exemption at least six months from the date the ordinance is
29 enacted to allow the department of licensing to administer the fee or
30 exemption.

31 (4) A county may develop and initiate an exemption process for the
32 registered owners of vehicles residing within the boundaries of the
33 county: (a) Who are sixty-two years of age or older at the time
34 payment of the fee is due and whose household income for the previous
35 calendar year is less than an amount prescribed by the county; or (b)
36 who have a physical disability.

37 (5) Revenues generated by the fee authorized under this section
38 must be distributed to the levying county, and cities and towns

1 contained in the county, based on the relative per capita population.
2 County population under this section is equal to one and one-quarter
3 multiplied by the unincorporated population of the county. In
4 calculating the distributions, the county shall use the population
5 estimates prepared by the state office of financial management.

6 (6)(a) If a county does not impose an annual vehicle fee under this
7 section within one year of the effective date of this section, then a
8 city or town may fix and impose an annual vehicle fee of (i) twenty
9 dollars per vehicle between July 1, 2007, and December 31, 2009; (ii)
10 twenty-five dollars per vehicle between January 1, 2010, and December
11 31, 2014; and (iii) thirty dollars per vehicle for all fees imposed
12 after December 31, 2014. This fee applies to each vehicle that is
13 subject to license fees under RCW 46.16.0621 and for each vehicle that
14 is subject to gross weight fees under RCW 46.16.070 with an unladen
15 weight of ten thousand pounds or less, and that is determined by the
16 department of licensing to be registered within the boundaries of the
17 county imposing the fee.

18 (b) The following vehicles registered within the city or town
19 boundaries are exempt under this section: (i) Farm equipment as
20 defined in RCW 46.04.181; (ii) vehicles licensed under RCW 46.16.374;
21 and (iii) small trailers with an empty scale weight under one thousand
22 pounds.

24 city or town legislative authority, or upon approval by a majority of
25 the voters in the city voting on a proposition at a general or special
26 election.

27 (7) The department of licensing shall administer and annually
28 collect the fee on behalf of the city or town at the time of
29 registration renewal and remit the fee to the custody of the state
30 treasurer for monthly distribution to the city or town imposing the
31 fee.

32 (8) A city or town imposing a vehicle licensing fee or initiating
33 an exemption process under this section shall delay the effective date
34 of the fee or exemption at least six months from the date the ordinance
35 is enacted to allow the department of licensing to administer the fee
36 or exemption.

37 (9) A city or town may develop and initiate an exemption process
38 for the registered owners of vehicles residing within the boundaries of

1 the city or town: (a) Who are sixty-two years of age or older at the
2 time payment of the fee is due and whose household income for the
3 previous calendar year is less than an amount prescribed by the county;
4 or (b) who have a physical disability.

5 (10) If a county imposes an annual vehicle fee under this section
6 after a city or town has begun imposing this fee, the city or town fee
7 shall be reduced or eliminated so the combined fee does not exceed the
8 amount authorized under subsection (1) of this section. Cities or
9 towns within a county imposing a fee under this section may not impose
10 the fee at a rate that, when combined with the county rate, would
11 exceed the total rate authorized under subsection (1) of this section.

12 (11) The proceeds of a vehicle license fee imposed under this
13 section shall be used strictly for transportation purposes in
14 accordance with RCW 82.80.070.

15 NEW SECTION. **Sec. 302.** A new section is added to chapter 82.80
16 RCW to read as follows:

17 (1) A county, city, or town may fix and impose an excise tax for
18 the privilege of occupying a housing unit within the county, city, or
19 town in such amounts as shall be fixed and determined by the county,
20 city, or town; however, the excise tax may not exceed four dollars per
21 month for each occupied housing unit. For the purposes of this
22 section, "housing unit" means a building or portion thereof designed
23 for or used as the residence or living quarters of one or more persons
24 living together, or of one family. The excise tax may be authorized
25 under this section by the county, city, or town legislative authority,
26 or upon approval by a majority of the voters in the county, city, or
27 town voting on a proposition at a general or special election. A
28 county, city, or town imposing the tax provided for in this section may
29 provide for its payment on a monthly, quarterly, or annual basis. Each
30 local government may develop by ordinance or resolution rules for
31 administering the tax including the reporting thereof. A county, city,
32 or town imposing the tax authorized in this section may develop by
33 ordinance or resolution rules that provide for exemptions from the tax
34 for certain persons as the county, city, or town deems appropriate.

35 (2)(a) If a county imposes this excise tax after a city or town has
36 begun collecting this tax, the city or town tax shall be reduced or
37 eliminated so the combined tax does not exceed the amount authorized

1 under subsection (1) of this section. Cities or towns within a county
2 imposing a tax under this section may not impose the tax at a rate
3 that, when combined with the county rate, would exceed the total rate
4 authorized under subsection (1) of this section; and

5 (b) If the excise tax is county-wide, then revenues generated by
6 the tax authorized under this section must be distributed to the
7 levying county, and cities and towns contained in the county, based on
8 the relative per capita population. County population under this
9 section is equal to one and one-quarter multiplied by the
10 unincorporated population of the county. In calculating the
11 distributions, the county shall use the population estimates prepared
12 by the state office of financial management.

13 (3) The tax authorized under this section shall be used strictly
14 for transportation purposes in accordance with RCW 82.80.070.

15 NEW SECTION. **Sec. 303.** A new section is added to chapter 82.80
16 RCW to read as follows:

17 (1) A county, city, or town may impose an excise tax, for the
18 privilege of engaging in business, of up to two dollars per employee
19 per month on all employers or any class or classes of employers, public
20 and private, measured by the number of full-time equivalent employees.
21 In no event may the total taxes imposed under this section exceed two
22 dollars per employee per month for any single employer. The county,
23 city, or town imposing the tax authorized in this section may provide
24 for exemptions from the tax for such educational, cultural, health,
25 charitable, or religious organizations as it deems appropriate.

26 (2) The excise tax may be authorized under this section by the
27 county, city, or town legislative authority, or upon approval by a
28 majority of the voters in the county, city, or town voting on a
29 proposition at a general or special election. A county, city, or town
30 imposing the tax provided for in this section may provide for its
31 payment on a monthly, quarterly, or annual basis. Each local
32 government may develop by ordinance or resolution rules for
33 administering the tax including the reporting thereof.

34 (3)(a) Counties, cities, or towns may contract with the state
35 department of revenue or other appropriate entities for administration
36 and collection of the tax if the exemptions authorized in subsection
37 (1) of this section are uniform among the jurisdictions imposing the

1 tax within a county. The contract shall provide for deduction of an
2 amount for administration and collection expenses. If the excise tax
3 is imposed county-wide, the department shall remit the tax to the
4 custody of the state treasurer for monthly distribution under
5 subsection (4)(b) of this section. If the excise tax is levied by a
6 city or town, the department shall remit the tax to the custody of the
7 state treasurer for monthly distribution to the city or town imposing
8 the tax.

9 (b) If the department of revenue is contracted for administration
10 and collection of the tax, all provisions of chapter 82.32 RCW shall be
11 applicable to the tax imposed under this section. The employment
12 security department shall provide to the department of revenue such
13 information necessary for the department of revenue to administer the
14 tax. The department of revenue must receive at least seventy-five
15 days' notice of the imposition of the tax, and collection can begin
16 only on the first day of January, April, July, or October.

17 (4)(a) If a county imposes this excise tax after a city or town has
18 begun collecting this tax, the city or town tax shall be reduced or
19 eliminated so the combined tax does not exceed the amount authorized
20 under subsection (1) of this section. Cities or towns within a county
21 imposing a tax under this section may not impose the tax at a rate
22 that, when combined with the county rate, would exceed the total rate
23 authorized under subsection (1) of this section; and

24 (b) If the excise tax is county-wide, revenues generated by the tax
25 authorized under this section must be distributed to the levying
26 county, and cities and towns contained in the county, based on the
27 relative per capita population. County population under this section
28 is equal to one and one-quarter multiplied by the unincorporated
29 population of the county. In calculating the distributions, the county
30 shall use the population estimates prepared by the state office of
31 financial management.

32 (5) The proceeds of this tax shall be used strictly for
33 transportation purposes in accordance with RCW 82.80.070.

34 (6) For purposes of this section, "employer" has the same meaning
35 as defined in RCW 50.04.080.

36 NEW SECTION. **Sec. 304.** A new section is added to chapter 82.80
37 RCW to read as follows:

1 (1) A county, city, or town may impose special assessments on all
2 property within the county to support transportation improvements that
3 benefit county, city, or town property owners. The assessments shall
4 not exceed fifty dollars annually per parcel. The assessment rate
5 authorized or adopted shall be uniformly applied to all parcels within
6 the county, city, or town. The assessments may be authorized under
7 this section by the county, city, or town legislative authority, or
8 upon approval by a majority of the voters in the county, city, or town
9 voting on a proposition at a general or special election.

10 (2) The amount of the assessment constitutes a lien against the
11 property. The assessments shall be subject to the same provisions as
12 those for property tax collections, as provided in RCW 84.56.020, and
13 shall be billed and collected by the county treasurer under the
14 authority in RCW 84.56.035.

15 (3)(a) If a county imposes this tax after a city or town has begun
16 collecting this tax, the city or town tax shall be reduced or
17 eliminated so the combined tax does not exceed the amount authorized
18 under subsection (1) of this section. Cities or towns within a county
19 imposing a tax under this section may not impose the tax at a rate
20 that, when combined with the county rate, would exceed the total rate
21 authorized under subsection (1) of this section; and

22 (b) If the tax is county-wide, revenues generated by the tax
23 authorized under this section must be distributed to the levying
24 county, and cities and towns contained in the county, based on the
25 relative per capita population. County population under this section
26 is equal to one and one-quarter multiplied by the unincorporated
27 population of the county. In calculating the distributions, the county
28 shall use the population estimates prepared by the state office of
29 financial management.

30 (4) The proceeds of this assessment shall be used strictly for
31 transportation purposes in accordance with RCW 82.80.070.

32 **PART IV - MISCELLANEOUS FEES**

33 **Sec. 401.** RCW 46.16.237 and 1987 c 52 s 1 are each amended to read
34 as follows:

35 All vehicle license number plates issued after January 1, 1968, or
36 such earlier date as the director may prescribe with respect to plates

1 issued in any county, shall be treated with fully reflectorized
2 materials designed to increase the visibility and legibility of such
3 plates at night. In addition to all other fees prescribed by law,
4 there shall be paid and collected for each vehicle license number plate
5 treated with such materials, the sum of (~~(fifty cents)~~) two dollars and
6 for each set of two plates, the sum of (~~(one dollar: PROVIDED,~~
7 ~~HOWEVER,~~) four dollars. However, one plate is available only to those
8 vehicles that by law require only one plate. Such fees shall be
9 deposited in the motor vehicle fund.

10 **Sec. 402.** RCW 46.16.270 and 1997 c 291 s 3 are each amended to
11 read as follows:

12 The total replacement plate fee shall be deposited in the motor
13 vehicle fund.

14 Upon the loss, defacement, or destruction of one or both of the
15 vehicle license number plates issued for any vehicle where more than
16 one plate was originally issued or where one or both have become so
17 illegible or in such a condition as to be difficult to distinguish, or
18 upon the owner's option, the owner of the vehicle shall make
19 application for new vehicle license number plates upon a form furnished
20 by the director. The application shall be filed with the director or
21 the director's authorized agent, accompanied by the certificate of
22 license registration of the vehicle and a fee in the amount of
23 (~~(three)~~) ten dollars per plate, whereupon the director, or the
24 director's authorized agent, shall issue new vehicle license number
25 plates to the applicant. It shall be accompanied by a fee of two
26 dollars for a new motorcycle license number plate. In the event the
27 director has issued license period tabs or a windshield emblem instead
28 of vehicle license number plates, and upon the loss, defacement, or
29 destruction of the tabs or windshield emblem, application shall be made
30 on a form provided by the director and in the same manner as above
31 described, and shall be accompanied by a fee of one dollar for each
32 pair of tabs or for each windshield emblem, whereupon the director
33 shall issue to the applicant a duplicate pair of tabs, year tabs, and
34 when necessary month tabs or a windshield emblem to replace those lost,
35 defaced, or destroyed. For vehicles owned, rented, or leased by the
36 state of Washington or by any county, city, town, school district, or
37 other political subdivision of the state of Washington or United States

1 government, or owned or leased by the governing body of an Indian tribe
2 as defined in RCW 46.16.020, a fee shall be charged for replacement of
3 a vehicle license number plate only to the extent required by the
4 provisions of RCW 46.16.020, (~~(46.16.061,)~~) 46.16.237, and 46.01.140.
5 For vehicles owned, rented, or leased by foreign countries or
6 international bodies to which the United States government is a
7 signatory by treaty, the payment of any fee for the replacement of a
8 vehicle license number plate shall not be required.

9 **Sec. 403.** RCW 46.20.055 and 2004 c 249 s 3 are each amended to
10 read as follows:

11 (1) **Driver's instruction permit.** The department may issue a
12 driver's instruction permit with or without a photograph to an
13 applicant who has successfully passed all parts of the examination
14 other than the driving test, provided the information required by RCW
15 46.20.091, paid a fee of (~~(fifteen)~~) twenty dollars, and meets the
16 following requirements:

- 17 (a) Is at least fifteen and one-half years of age; or
18 (b) Is at least fifteen years of age and:
19 (i) Has submitted a proper application; and
20 (ii) Is enrolled in a traffic safety education program offered,
21 approved, and accredited by the superintendent of public instruction or
22 offered by a driver training school licensed and inspected by the
23 department of licensing under chapter 46.82 RCW, that includes practice
24 driving.

25 (2) **Waiver of written examination for instruction permit.** The
26 department may waive the written examination, if, at the time of
27 application, an applicant is enrolled in:

- 28 (a) A traffic safety education course as defined by RCW
29 28A.220.020(2); or
30 (b) A course of instruction offered by a licensed driver training
31 school as defined by RCW 46.82.280(1).

32 The department may require proof of registration in such a course
33 as it deems necessary.

34 (3) **Effect of instruction permit.** A person holding a driver's
35 instruction permit may drive a motor vehicle, other than a motorcycle,
36 upon the public highways if:

- 37 (a) The person has immediate possession of the permit; and

1 (b) An approved instructor, or a licensed driver with at least five
2 years of driving experience, occupies the seat beside the driver.

3 (4) **Term of instruction permit.** A driver's instruction permit is
4 valid for one year from the date of issue.

5 (a) The department may issue one additional one-year permit.

6 (b) The department may issue a third driver's permit if it finds
7 after an investigation that the permittee is diligently seeking to
8 improve driving proficiency.

9 (c) A person applying to renew an instruction permit must submit
10 the application to the department in person.

11 **Sec. 404.** RCW 46.20.070 and 2004 c 249 s 4 are each amended to
12 read as follows:

13 (1) **Agricultural driving permit authorized.** The director may issue
14 a juvenile agricultural driving permit to a person under the age of
15 eighteen years if:

16 (a) The application is signed by the applicant and the applicant's
17 father, mother, or legal guardian;

18 (b) The applicant has passed the driving examination required by
19 RCW 46.20.120;

20 (c) The department has investigated the applicant's need for the
21 permit and determined that the need justifies issuance;

22 (d) The department has determined the applicant is capable of
23 operating a motor vehicle without endangering himself or herself or
24 other persons and property; and

25 (e) The applicant has paid a fee of (~~fifteen~~) twenty dollars.

26 The permit must contain a photograph of the person.

27 (2) **Effect of agricultural driving permit.** (a) The permit
28 authorizes the holder to:

29 (i) Drive a motor vehicle on the public highways of this state in
30 connection with farm work. The holder may drive only within a
31 restricted farming locality described on the permit; and

32 (ii) Participate in the classroom portion of a traffic safety
33 education course authorized under RCW 28A.220.030 or the classroom
34 portion of a traffic safety education course offered by a driver
35 training school licensed and inspected by the department of licensing
36 under chapter 46.82 RCW offered in the community where the holder
37 resides.

1 (b) The director may transfer the permit from one farming locality
2 to another. A transfer is not a renewal of the permit.

3 (3) **Term and renewal of agricultural driving permit.** An
4 agricultural driving permit expires one year from the date of issue.

5 (a) A person under the age of eighteen who holds a permit may renew
6 the permit by paying a fee of fifteen dollars.

7 (b) A person applying to renew an agricultural driving permit must
8 submit the application to the department in person.

9 (c) An agricultural driving permit is invalidated when a permittee
10 attains age eighteen. In order to drive a motor vehicle on a highway
11 he or she must obtain a motor vehicle driver's license under this
12 chapter.

13 (4) **Suspension, revocation, or cancellation.** The director has sole
14 discretion to suspend, revoke, or cancel a juvenile agricultural
15 driving permit if:

16 (a) The permittee has been found to have committed an offense that
17 requires mandatory suspension or revocation of a driver's license; or

18 (b) The director is satisfied that the permittee has violated the
19 permit's restrictions.

20 **Sec. 405.** RCW 46.20.117 and 2004 c 249 s 5 are each amended to
21 read as follows:

22 (1) **Issuance.** The department shall issue an identicard, containing
23 a picture, if the applicant:

24 (a) Does not hold a valid Washington driver's license;

25 (b) Proves his or her identity as required by RCW 46.20.035; and

26 (c) Pays the required fee. The fee is (~~fifteen~~) twenty dollars
27 unless an applicant is a recipient of continuing public assistance
28 grants under Title 74 RCW, who is referred in writing by the secretary
29 of social and health services. For those persons the fee must be the
30 actual cost of production of the identicard.

31 (2) **Design and term.** The identicard must:

32 (a) Be distinctly designed so that it will not be confused with the
33 official driver's license; and

34 (b) Expire on the fifth anniversary of the applicant's birthdate
35 after issuance.

36 (3) **Renewal.** An application for identicard renewal may be
37 submitted by means of:

- 1 (a) Personal appearance before the department; or
2 (b) Mail or electronic commerce, if permitted by rule of the
3 department and if the applicant did not renew his or her identicard by
4 mail or by electronic commerce when it last expired. However, the
5 department may accept an application for renewal of an identicard
6 submitted by means of mail or electronic commerce only if specific
7 authority and funding is provided for this purpose by June 30, 2004, in
8 the omnibus transportation appropriations act.

9 An identicard may not be renewed by mail or by electronic commerce
10 unless the renewal issued by the department includes a photograph of
11 the identicard holder.

12 (4) **Cancellation.** The department may cancel an identicard if the
13 holder of the identicard used the card or allowed others to use the
14 card in violation of RCW 46.20.0921.

15 **Sec. 406.** RCW 46.20.120 and 2004 c 249 s 6 are each amended to
16 read as follows:

17 An applicant for a new or renewed driver's license must
18 successfully pass a driver licensing examination to qualify for a
19 driver's license. The department shall give examinations at places and
20 times reasonably available to the people of this state.

21 (1) **Waiver.** The department may waive:

22 (a) All or any part of the examination of any person applying for
23 the renewal of a driver's license unless the department determines that
24 the applicant is not qualified to hold a driver's license under this
25 title; or

26 (b) The actual demonstration of the ability to operate a motor
27 vehicle if the applicant:

28 (i) Surrenders a valid driver's license issued by the person's
29 previous home state; and

30 (ii) Is otherwise qualified to be licensed.

31 (2) **Fee.** Each applicant for a new license must pay an examination
32 fee of (~~ten~~) twenty dollars.

33 (a) The examination fee is in addition to the fee charged for
34 issuance of the license.

35 (b) "New license" means a license issued to a driver:

36 (i) Who has not been previously licensed in this state; or

1 (ii) Whose last previous Washington license has been expired for
2 more than five years.

3 (3) An application for driver's license renewal may be submitted by
4 means of:

5 (a) Personal appearance before the department; or

6 (b) Mail or electronic commerce, if permitted by rule of the
7 department and if the applicant did not renew his or her license by
8 mail or by electronic commerce when it last expired. However, the
9 department may accept an application for renewal of a driver's license
10 submitted by means of mail or electronic commerce only if specific
11 authority and funding is provided for this purpose by June 30, 2004, in
12 the omnibus transportation appropriations act.

13 (4) A person whose license expired or will expire while he or she
14 is living outside the state, may:

15 (a) Apply to the department to extend the validity of his or her
16 license for no more than twelve months. If the person establishes to
17 the department's satisfaction that he or she is unable to return to
18 Washington before the date his or her license expires, the department
19 shall extend the person's license. The department may grant
20 consecutive extensions, but in no event may the cumulative total of
21 extensions exceed twelve months. An extension granted under this
22 section does not change the expiration date of the license for purposes
23 of RCW 46.20.181. The department shall charge a fee of five dollars
24 for each license extension;

25 (b) Apply to the department to renew his or her license by mail or,
26 if permitted by rule of the department, by electronic commerce even if
27 subsection (3)(b) of this section would not otherwise allow renewal by
28 that means. If the person establishes to the department's satisfaction
29 that he or she is unable to return to Washington within twelve months
30 of the date that his or her license expires, the department shall renew
31 the person's license by mail or, if permitted by rule of the
32 department, by electronic commerce.

33 (5) If a qualified person submits an application for renewal under
34 subsection (3)(b) or (4)(b) of this section, he or she is not required
35 to pass an examination nor provide an updated photograph. A license
36 renewed by mail or by electronic commerce that does not include a
37 photograph of the licensee must be labeled "not valid for
38 identification purposes."

1 **Sec. 407.** RCW 46.20.308 and 2004 c 187 s 1 and 2004 c 95 s 2 are
2 each reenacted and amended to read as follows:

3 (1) Any person who operates a motor vehicle within this state is
4 deemed to have given consent, subject to the provisions of RCW
5 46.61.506, to a test or tests of his or her breath or blood for the
6 purpose of determining the alcohol concentration or presence of any
7 drug in his or her breath or blood if arrested for any offense where,
8 at the time of the arrest, the arresting officer has reasonable grounds
9 to believe the person had been driving or was in actual physical
10 control of a motor vehicle while under the influence of intoxicating
11 liquor or any drug or was in violation of RCW 46.61.503. Neither
12 consent nor this section precludes a police officer from obtaining a
13 search warrant for a person's breath or blood.

14 (2) The test or tests of breath shall be administered at the
15 direction of a law enforcement officer having reasonable grounds to
16 believe the person to have been driving or in actual physical control
17 of a motor vehicle within this state while under the influence of
18 intoxicating liquor or any drug or the person to have been driving or
19 in actual physical control of a motor vehicle while having alcohol in
20 a concentration in violation of RCW 46.61.503 in his or her system and
21 being under the age of twenty-one. However, in those instances where
22 the person is incapable due to physical injury, physical incapacity, or
23 other physical limitation, of providing a breath sample or where the
24 person is being treated in a hospital, clinic, doctor's office,
25 emergency medical vehicle, ambulance, or other similar facility or
26 where the officer has reasonable grounds to believe that the person is
27 under the influence of a drug, a blood test shall be administered by a
28 qualified person as provided in RCW 46.61.506(5). The officer shall
29 inform the person of his or her right to refuse the breath or blood
30 test, and of his or her right to have additional tests administered by
31 any qualified person of his or her choosing as provided in RCW
32 46.61.506. The officer shall warn the driver, in substantially the
33 following language, that:

34 (a) If the driver refuses to take the test, the driver's license,
35 permit, or privilege to drive will be revoked or denied for at least
36 one year; and

37 (b) If the driver refuses to take the test, the driver's refusal to
38 take the test may be used in a criminal trial; and

1 (c) If the driver submits to the test and the test is administered,
2 the driver's license, permit, or privilege to drive will be suspended,
3 revoked, or denied for at least ninety days if the driver is age
4 twenty-one or over and the test indicates the alcohol concentration of
5 the driver's breath or blood is 0.08 or more, or if the driver is under
6 age twenty-one and the test indicates the alcohol concentration of the
7 driver's breath or blood is 0.02 or more, or if the driver is under age
8 twenty-one and the driver is in violation of RCW 46.61.502 or
9 46.61.504.

10 (3) Except as provided in this section, the test administered shall
11 be of the breath only. If an individual is unconscious or is under
12 arrest for the crime of vehicular homicide as provided in RCW 46.61.520
13 or vehicular assault as provided in RCW 46.61.522, or if an individual
14 is under arrest for the crime of driving while under the influence of
15 intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest
16 results from an accident in which there has been serious bodily injury
17 to another person, a breath or blood test may be administered without
18 the consent of the individual so arrested.

19 (4) Any person who is dead, unconscious, or who is otherwise in a
20 condition rendering him or her incapable of refusal, shall be deemed
21 not to have withdrawn the consent provided by subsection (1) of this
22 section and the test or tests may be administered, subject to the
23 provisions of RCW 46.61.506, and the person shall be deemed to have
24 received the warnings required under subsection (2) of this section.

25 (5) If, following his or her arrest and receipt of warnings under
26 subsection (2) of this section, the person arrested refuses upon the
27 request of a law enforcement officer to submit to a test or tests of
28 his or her breath or blood, no test shall be given except as authorized
29 under subsection (3) or (4) of this section.

30 (6) If, after arrest and after the other applicable conditions and
31 requirements of this section have been satisfied, a test or tests of
32 the person's blood or breath is administered and the test results
33 indicate that the alcohol concentration of the person's breath or blood
34 is 0.08 or more if the person is age twenty-one or over, or 0.02 or
35 more if the person is under the age of twenty-one, or the person
36 refuses to submit to a test, the arresting officer or other law
37 enforcement officer at whose direction any test has been given, or the

1 department, where applicable, if the arrest results in a test of the
2 person's blood, shall:

3 (a) Serve notice in writing on the person on behalf of the
4 department of its intention to suspend, revoke, or deny the person's
5 license, permit, or privilege to drive as required by subsection (7) of
6 this section;

7 (b) Serve notice in writing on the person on behalf of the
8 department of his or her right to a hearing, specifying the steps he or
9 she must take to obtain a hearing as provided by subsection (8) of this
10 section;

11 (c) Mark the person's Washington state driver's license or permit
12 to drive, if any, in a manner authorized by the department;

13 (d) Serve notice in writing that the marked license or permit, if
14 any, is a temporary license that is valid for sixty days from the date
15 of arrest or from the date notice has been given in the event notice is
16 given by the department following a blood test, or until the
17 suspension, revocation, or denial of the person's license, permit, or
18 privilege to drive is sustained at a hearing pursuant to subsection (8)
19 of this section, whichever occurs first. No temporary license is valid
20 to any greater degree than the license or permit that it replaces; and

21 (e) Immediately notify the department of the arrest and transmit to
22 the department within seventy-two hours, except as delayed as the
23 result of a blood test, a sworn report or report under a declaration
24 authorized by RCW 9A.72.085 that states:

25 (i) That the officer had reasonable grounds to believe the arrested
26 person had been driving or was in actual physical control of a motor
27 vehicle within this state while under the influence of intoxicating
28 liquor or drugs, or both, or was under the age of twenty-one years and
29 had been driving or was in actual physical control of a motor vehicle
30 while having an alcohol concentration in violation of RCW 46.61.503;

31 (ii) That after receipt of the warnings required by subsection (2)
32 of this section the person refused to submit to a test of his or her
33 blood or breath, or a test was administered and the results indicated
34 that the alcohol concentration of the person's breath or blood was 0.08
35 or more if the person is age twenty-one or over, or was 0.02 or more if
36 the person is under the age of twenty-one; and

37 (iii) Any other information that the director may require by rule.

1 (7) The department of licensing, upon the receipt of a sworn report
2 or report under a declaration authorized by RCW 9A.72.085 under
3 subsection (6)(e) of this section, shall suspend, revoke, or deny the
4 person's license, permit, or privilege to drive or any nonresident
5 operating privilege, as provided in RCW 46.20.3101, such suspension,
6 revocation, or denial to be effective beginning sixty days from the
7 date of arrest or from the date notice has been given in the event
8 notice is given by the department following a blood test, or when
9 sustained at a hearing pursuant to subsection (8) of this section,
10 whichever occurs first.

11 (8) A person receiving notification under subsection (6)(b) of this
12 section may, within thirty days after the notice has been given,
13 request in writing a formal hearing before the department. The person
14 shall pay a fee of (~~one~~) two hundred dollars as part of the request.
15 If the request is mailed, it must be postmarked within thirty days
16 after receipt of the notification. Upon timely receipt of such a
17 request for a formal hearing, including receipt of the required (~~one~~)
18 two hundred dollar fee, the department shall afford the person an
19 opportunity for a hearing. The department may waive the required
20 (~~one~~) two hundred dollar fee if the person is an indigent as defined
21 in RCW 10.101.010. Except as otherwise provided in this section, the
22 hearing is subject to and shall be scheduled and conducted in
23 accordance with RCW 46.20.329 and 46.20.332. The hearing shall be
24 conducted in the county of the arrest, except that all or part of the
25 hearing may, at the discretion of the department, be conducted by
26 telephone or other electronic means. The hearing shall be held within
27 sixty days following the arrest or following the date notice has been
28 given in the event notice is given by the department following a blood
29 test, unless otherwise agreed to by the department and the person, in
30 which case the action by the department shall be stayed, and any valid
31 temporary license marked under subsection (6)(c) of this section
32 extended, if the person is otherwise eligible for licensing. For the
33 purposes of this section, the scope of the hearing shall cover the
34 issues of whether a law enforcement officer had reasonable grounds to
35 believe the person had been driving or was in actual physical control
36 of a motor vehicle within this state while under the influence of
37 intoxicating liquor or any drug or had been driving or was in actual
38 physical control of a motor vehicle within this state while having

1 alcohol in his or her system in a concentration of 0.02 or more if the
2 person was under the age of twenty-one, whether the person was placed
3 under arrest, and (a) whether the person refused to submit to the test
4 or tests upon request of the officer after having been informed that
5 such refusal would result in the revocation of the person's license,
6 permit, or privilege to drive, or (b) if a test or tests were
7 administered, whether the applicable requirements of this section were
8 satisfied before the administration of the test or tests, whether the
9 person submitted to the test or tests, or whether a test was
10 administered without express consent as permitted under this section,
11 and whether the test or tests indicated that the alcohol concentration
12 of the person's breath or blood was 0.08 or more if the person was age
13 twenty-one or over at the time of the arrest, or 0.02 or more if the
14 person was under the age of twenty-one at the time of the arrest. The
15 sworn report or report under a declaration authorized by RCW 9A.72.085
16 submitted by a law enforcement officer is prima facie evidence that the
17 officer had reasonable grounds to believe the person had been driving
18 or was in actual physical control of a motor vehicle within this state
19 while under the influence of intoxicating liquor or drugs, or both, or
20 the person had been driving or was in actual physical control of a
21 motor vehicle within this state while having alcohol in his or her
22 system in a concentration of 0.02 or more and was under the age of
23 twenty-one and that the officer complied with the requirements of this
24 section.

25 A hearing officer shall conduct the hearing, may issue subpoenas
26 for the attendance of witnesses and the production of documents, and
27 shall administer oaths to witnesses. The hearing officer shall not
28 issue a subpoena for the attendance of a witness at the request of the
29 person unless the request is accompanied by the fee required by RCW
30 5.56.010 for a witness in district court. The sworn report or report
31 under a declaration authorized by RCW 9A.72.085 of the law enforcement
32 officer and any other evidence accompanying the report shall be
33 admissible without further evidentiary foundation and the
34 certifications authorized by the criminal rules for courts of limited
35 jurisdiction shall be admissible without further evidentiary
36 foundation. The person may be represented by counsel, may question
37 witnesses, may present evidence, and may testify. The department shall

1 order that the suspension, revocation, or denial either be rescinded or
2 sustained.

3 (9) If the suspension, revocation, or denial is sustained after
4 such a hearing, the person whose license, privilege, or permit is
5 suspended, revoked, or denied has the right to file a petition in the
6 superior court of the county of arrest to review the final order of
7 revocation by the department in the same manner as an appeal from a
8 decision of a court of limited jurisdiction. Notice of appeal must be
9 filed within thirty days after the date the final order is served or
10 the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ
11 1.1, or other statutes or rules referencing de novo review, the appeal
12 shall be limited to a review of the record of the administrative
13 hearing. The appellant must pay the costs associated with obtaining
14 the record of the hearing before the hearing officer. The filing of
15 the appeal does not stay the effective date of the suspension,
16 revocation, or denial. A petition filed under this subsection must
17 include the petitioner's grounds for requesting review. Upon granting
18 petitioner's request for review, the court shall review the
19 department's final order of suspension, revocation, or denial as
20 expeditiously as possible. The review must be limited to a
21 determination of whether the department has committed any errors of
22 law. The superior court shall accept those factual determinations
23 supported by substantial evidence in the record: (a) That were
24 expressly made by the department; or (b) that may reasonably be
25 inferred from the final order of the department. The superior court
26 may reverse, affirm, or modify the decision of the department or remand
27 the case back to the department for further proceedings. The decision
28 of the superior court must be in writing and filed in the clerk's
29 office with the other papers in the case. The court shall state the
30 reasons for the decision. If judicial relief is sought for a stay or
31 other temporary remedy from the department's action, the court shall
32 not grant such relief unless the court finds that the appellant is
33 likely to prevail in the appeal and that without a stay the appellant
34 will suffer irreparable injury. If the court stays the suspension,
35 revocation, or denial it may impose conditions on such stay.

36 (10)(a) If a person whose driver's license, permit, or privilege to
37 drive has been or will be suspended, revoked, or denied under
38 subsection (7) of this section, other than as a result of a breath or

1 blood test refusal, and who has not committed an offense for which he
2 or she was granted a deferred prosecution under chapter 10.05 RCW,
3 petitions a court for a deferred prosecution on criminal charges
4 arising out of the arrest for which action has been or will be taken
5 under subsection (7) of this section, the court may direct the
6 department to stay any actual or proposed suspension, revocation, or
7 denial for at least forty-five days but not more than ninety days. If
8 the court stays the suspension, revocation, or denial, it may impose
9 conditions on such stay. If the person is otherwise eligible for
10 licensing, the department shall issue a temporary license, or extend
11 any valid temporary license marked under subsection (6) of this
12 section, for the period of the stay. If a deferred prosecution
13 treatment plan is not recommended in the report made under RCW
14 10.05.050, or if treatment is rejected by the court, or if the person
15 declines to accept an offered treatment plan, or if the person violates
16 any condition imposed by the court, then the court shall immediately
17 direct the department to cancel the stay and any temporary marked
18 license or extension of a temporary license issued under this
19 subsection.

20 (b) A suspension, revocation, or denial imposed under this section,
21 other than as a result of a breath or blood test refusal, shall be
22 stayed if the person is accepted for deferred prosecution as provided
23 in chapter 10.05 RCW for the incident upon which the suspension,
24 revocation, or denial is based. If the deferred prosecution is
25 terminated, the stay shall be lifted and the suspension, revocation, or
26 denial reinstated. If the deferred prosecution is completed, the stay
27 shall be lifted and the suspension, revocation, or denial canceled.

28 (c) The provisions of (b) of this subsection relating to a stay of
29 a suspension, revocation, or denial and the cancellation of any
30 suspension, revocation, or denial do not apply to the suspension,
31 revocation, denial, or disqualification of a person's commercial
32 driver's license or privilege to operate a commercial motor vehicle.

33 (11) When it has been finally determined under the procedures of
34 this section that a nonresident's privilege to operate a motor vehicle
35 in this state has been suspended, revoked, or denied, the department
36 shall give information in writing of the action taken to the motor
37 vehicle administrator of the state of the person's residence and of any
38 state in which he or she has a license.

1 **Sec. 408.** RCW 46.20.311 and 2004 c 95 s 3 are each amended to read
2 as follows:

3 (1)(a) The department shall not suspend a driver's license or
4 privilege to drive a motor vehicle on the public highways for a fixed
5 period of more than one year, except as specifically permitted under
6 RCW 46.20.267, 46.20.342, or other provision of law.

7 (b) Except for a suspension under RCW 46.20.267, 46.20.289,
8 46.20.291(5), 46.61.740, or 74.20A.320, whenever the license or driving
9 privilege of any person is suspended by reason of a conviction, a
10 finding that a traffic infraction has been committed, pursuant to
11 chapter 46.29 RCW, or pursuant to RCW 46.20.291 or 46.20.308, the
12 suspension shall remain in effect until the person gives and thereafter
13 maintains proof of financial responsibility for the future as provided
14 in chapter 46.29 RCW.

15 (c) If the suspension is the result of a violation of RCW 46.61.502
16 or 46.61.504, the department shall determine the person's eligibility
17 for licensing based upon the reports provided by the alcoholism agency
18 or probation department designated under RCW 46.61.5056 and shall deny
19 reinstatement until enrollment and participation in an approved program
20 has been established and the person is otherwise qualified. If the
21 suspension is the result of a violation of RCW 46.61.502 or 46.61.504,
22 and the person is required pursuant to RCW 46.20.720 to drive only a
23 motor vehicle equipped with a functioning ignition interlock, the
24 department shall determine the person's eligibility for licensing based
25 upon written verification by a company doing business in the state that
26 it has installed the required device on a vehicle owned or operated by
27 the person seeking reinstatement. If, based upon notification from the
28 interlock provider or otherwise, the department determines that an
29 interlock required under RCW 46.20.720 is no longer installed or
30 functioning as required, the department shall suspend the person's
31 license or privilege to drive. Whenever the license or driving
32 privilege of any person is suspended or revoked as a result of
33 noncompliance with an ignition interlock requirement, the suspension
34 shall remain in effect until the person provides notice issued by a
35 company doing business in the state that a vehicle owned or operated by
36 the person is equipped with a functioning ignition interlock device.

37 (d) Whenever the license or driving privilege of any person is
38 suspended as a result of certification of noncompliance with a child

1 support order under chapter 74.20A RCW or a residential or visitation
2 order, the suspension shall remain in effect until the person provides
3 a release issued by the department of social and health services
4 stating that the person is in compliance with the order.

5 (e)(i) The department shall not issue to the person a new,
6 duplicate, or renewal license until the person pays a reissue fee of
7 (~~twenty~~) seventy-five dollars.

8 (ii) If the suspension is the result of a violation of RCW
9 46.61.502 or 46.61.504, or is the result of administrative action under
10 RCW 46.20.308, the reissue fee shall be one hundred fifty dollars.

11 (2)(a) Any person whose license or privilege to drive a motor
12 vehicle on the public highways has been revoked, unless the revocation
13 was for a cause which has been removed, is not entitled to have the
14 license or privilege renewed or restored until: (i) After the
15 expiration of one year from the date the license or privilege to drive
16 was revoked; (ii) after the expiration of the applicable revocation
17 period provided by RCW 46.20.3101 or 46.61.5055; (iii) after the
18 expiration of two years for persons convicted of vehicular homicide; or
19 (iv) after the expiration of the applicable revocation period provided
20 by RCW 46.20.265.

21 (b)(i) After the expiration of the appropriate period, the person
22 may make application for a new license as provided by law together with
23 a reissue fee in the amount of (~~twenty~~) seventy-five dollars.

24 (ii) If the revocation is the result of a violation of RCW
25 46.20.308, 46.61.502, or 46.61.504, the reissue fee shall be one
26 hundred fifty dollars. If the revocation is the result of a violation
27 of RCW 46.61.502 or 46.61.504, the department shall determine the
28 person's eligibility for licensing based upon the reports provided by
29 the alcoholism agency or probation department designated under RCW
30 46.61.5056 and shall deny reissuance of a license, permit, or privilege
31 to drive until enrollment and participation in an approved program has
32 been established and the person is otherwise qualified. If the
33 revocation is the result of a violation of RCW 46.61.502 or 46.61.504,
34 and the person is required pursuant to RCW 46.20.720 to drive only a
35 motor vehicle equipped with a functioning ignition interlock or other
36 biological or technical device, the department shall determine the
37 person's eligibility for licensing based upon written verification by
38 a company doing business in the state that it has installed the

1 required device on a vehicle owned or operated by the person applying
2 for a new license. If, following issuance of a new license, the
3 department determines, based upon notification from the interlock
4 provider or otherwise, that an interlock required under RCW 46.20.720
5 is no longer functioning, the department shall suspend the person's
6 license or privilege to drive until the department has received written
7 verification from an interlock provider that a functioning interlock is
8 installed.

9 (c) Except for a revocation under RCW 46.20.265, the department
10 shall not then issue a new license unless it is satisfied after
11 investigation of the driving ability of the person that it will be safe
12 to grant the privilege of driving a motor vehicle on the public
13 highways, and until the person gives and thereafter maintains proof of
14 financial responsibility for the future as provided in chapter 46.29
15 RCW. For a revocation under RCW 46.20.265, the department shall not
16 issue a new license unless it is satisfied after investigation of the
17 driving ability of the person that it will be safe to grant that person
18 the privilege of driving a motor vehicle on the public highways.

19 (3)(a) Whenever the driver's license of any person is suspended
20 pursuant to Article IV of the nonresident violators compact or RCW
21 46.23.020 or 46.20.289 or 46.20.291(5), the department shall not issue
22 to the person any new or renewal license until the person pays a
23 reissue fee of (~~twenty~~) seventy-five dollars.

24 (b) If the suspension is the result of a violation of the laws of
25 this or any other state, province, or other jurisdiction involving (i)
26 the operation or physical control of a motor vehicle upon the public
27 highways while under the influence of intoxicating liquor or drugs, or
28 (ii) the refusal to submit to a chemical test of the driver's blood
29 alcohol content, the reissue fee shall be one hundred fifty dollars.

30 NEW SECTION. **Sec. 409.** A new section is added to chapter 46.16
31 RCW to read as follows:

32 (1) The owner of a farm vehicle licensed under RCW 46.16.090
33 purchasing a monthly license under RCW 46.16.135 may, as an alternative
34 to the first partial month of the license registration, secure and
35 operate the vehicle under authority of a farm vehicle trip permit
36 issued by this state. The licensed gross weight may not exceed eighty

1 thousand pounds for a combination of vehicles nor forty thousand pounds
2 for a single unit vehicle with three or more axles.

3 (2) If a monthly license previously issued has expired, the owner
4 of a farm vehicle may, as an alternative to purchasing a full monthly
5 license, secure and operate the vehicle under authority of a farm
6 vehicle trip permit issued by this state. The licensed gross weight
7 may not exceed eighty thousand pounds for a combination of vehicles nor
8 forty thousand pounds for a single unit vehicle with three or more
9 axles.

10 (3) Each farm vehicle trip permit shall authorize the operation of
11 a single vehicle at the maximum legal weight limit for the vehicle for
12 the period remaining in the first month of monthly license, commencing
13 with the day of first use. No more than four such permits may be used
14 for any one vehicle in any twelve-month period. Every permit shall
15 identify, as the department may require, the vehicle for which it is
16 issued and shall be completed in its entirety and signed by the
17 operator before operation of the vehicle on the public highways of this
18 state. Correction of data on the permit such as dates, license number,
19 or vehicle identification number invalidates the permit. The farm
20 vehicle trip permit shall be displayed on the vehicle to which it is
21 issued as prescribed by the department.

22 (4) Vehicles operating under authority of farm vehicle trip permits
23 are subject to all laws, rules, and regulations affecting the operation
24 of like vehicles in this state.

25 (5) Farm vehicle trip permits may be obtained from the department
26 of licensing or agents and subagents appointed by the department. The
27 fee for each farm vehicle trip permit is six dollars and twenty-five
28 cents. Farm vehicle trip permits sold by the department's agents or
29 subagents are subject to fees specified in RCW 46.01.140 (4)(a),
30 (5)(b), or (6).

31 (6) The proceeds from farm vehicle trip permits received by the
32 director shall be forwarded to the state treasurer to be distributed as
33 provided in RCW 46.68.035(2).

34 (7) No exchange, credits, or refunds may be given for farm vehicle
35 trip permits after they have been purchased.

36 (8) The department of licensing may adopt rules as it deems
37 necessary to administer this section.

1 **PART V - MISCELLANEOUS PROVISIONS**

2 **Sec. 501.** RCW 43.135.045 and 2003 1st sp.s. c 25 s 920 are each
3 amended to read as follows:

4 (1) The emergency reserve fund is established in the state
5 treasury. During each fiscal year, the state treasurer shall deposit
6 in the emergency reserve fund all general fund--state revenues in
7 excess of the state expenditure limit for that fiscal year. Deposits
8 shall be made at the end of each fiscal quarter based on projections of
9 state revenues and the state expenditure limit. The treasurer shall
10 make transfers between these accounts as necessary to reconcile actual
11 annual revenues and the expenditure limit for fiscal year 2000 and
12 thereafter.

13 (2) The legislature may appropriate moneys from the emergency
14 reserve fund only with approval of at least two-thirds of the members
15 of each house of the legislature, and then only if the appropriation
16 does not cause total expenditures to exceed the state expenditure limit
17 under this chapter.

18 (3) The emergency reserve fund balance shall not exceed five
19 percent of annual general fund--state revenues as projected by the
20 official state revenue forecast. Any balance in excess of five percent
21 shall be transferred on a quarterly basis by the state treasurer as
22 follows: Seventy-five percent to the student achievement fund hereby
23 created in the state treasury and twenty-five percent to the general
24 fund balance. The treasurer shall make transfers between these
25 accounts as necessary to reconcile actual annual revenues for fiscal
26 year 2000 and thereafter. When per-student state funding for the
27 maintenance and operation of K-12 education meets a level of no less
28 than ninety percent of the national average of total funding from all
29 sources per student as determined by the most recent published data
30 from the national center for education statistics of the United States
31 department of education, as calculated by the office of financial
32 management, further deposits to the student achievement fund shall be
33 required only to the extent necessary to maintain the ninety-percent
34 level. Remaining funds are part of the general fund balance and these
35 funds are subject to the expenditure limits of this chapter.

36 (4) The education construction fund is hereby created in the state
37 treasury.

1 (a) Funds may be appropriated from the education construction fund
2 exclusively for common school construction or higher education
3 construction.

4 (b) Funds may be appropriated for any other purpose only if
5 approved by a two-thirds vote of each house of the legislature and if
6 approved by a vote of the people at the next general election. An
7 appropriation approved by the people under this subsection shall result
8 in an adjustment to the state expenditure limit only for the fiscal
9 period for which the appropriation is made and shall not affect any
10 subsequent fiscal period.

11 (5) Funds from the student achievement fund shall be appropriated
12 to the superintendent of public instruction strictly for distribution
13 to school districts to meet the provisions set out in the student
14 achievement act. Allocations shall be made on an equal per full-time
15 equivalent student basis to each school district.

16 ~~((6) Earnings of the emergency reserve fund under RCW
17 43.84.092(4)(a) shall be transferred quarterly to the multimodal
18 transportation account, except for those earnings that are in excess of
19 thirty five million dollars each fiscal year. Within thirty days
20 following any fiscal year in which earnings transferred to the
21 multimodal transportation account under this subsection did not total
22 thirty five million dollars, the state treasurer shall transfer from
23 the emergency reserve fund an amount necessary to bring the total
24 deposited in the multimodal transportation account under this
25 subsection to thirty five million dollars. The revenues to the
26 multimodal transportation account reflected in this subsection provide
27 ongoing support for the transportation programs of the state. However,
28 it is the intent of the legislature that any new long term financial
29 support that may be subsequently provided for transportation programs
30 will be used to replace and supplant the revenues reflected in this
31 subsection, thereby allowing those revenues to be returned to the
32 purposes to which they were previously dedicated. No transfers from
33 the emergency reserve fund to the multimodal fund shall be made during
34 the 2003-05 fiscal biennium.))~~

35 NEW SECTION. **Sec. 502.** Sections 201 through 204, 401, and 402 of
36 this act apply to vehicle registrations that are due or become due on

1 or after January 1, 2006, except for section 409 of this act which
2 takes effect September 1, 2005.

3 NEW SECTION. **Sec. 503.** Section 108 of this act takes effect July
4 1, 2006.

5 NEW SECTION. **Sec. 504.** Sections 101 through 105, 107, 301 through
6 304, 403 through 408, and 501 of this act are necessary for the
7 immediate preservation of the public peace, health, or safety, or
8 support of the state government and its existing public institutions,
9 and take effect July 1, 2005.

10 NEW SECTION. **Sec. 505.** Section 107 of this act expires July 1,
11 2006.

12 NEW SECTION. **Sec. 506.** Part headings used in this act are not
13 part of the law.
