**1. Current Year Variance** - Current year underexpenditures are removed from the Developmental Disabilities Services Administration. These underexpenditures otherwise would revert at the end of the 2013 fiscal year. (General Fund-State, General Fund-Federal)

**2. MR Exception to Rule** - Funding is provided for the workload impact, as well as the per capita cost impact, from an anticipated increase in exception-to-rule (ETR) requests. An ETR refers to additional paid service granted when a client presents a situation that differs from the majority, and is in the interest of both the overall economy and the client's welfare. The exception may not contradict a specific provision of federal law or state statute. (General Fund-State, General Fund-Federal)

**3. SOLA Needs** - The Department of Social and Health Services will create two new State Operated Living Alternative (SOLA) homes for people with developmental disabilities, one in the Spokane area and another in the Yakima area. SOLA homes provide an additional zero reject option for children who are not eligible for a Residential Habilitation Center placement. (General Fund-State, General Fund-Federal)

**4. Community Crisis Stabilization** - The Department of Social and Health Services will create and operate a community crisis stabilization home for children and a mobile treatment team that will operate statewide. These services will provide time-limited supports to preserve, maintain, and strengthen an individual's ability to remain in the community with his or her family, rather than move to a residential or institutional placement. **1. HealthPath Washington** - Washington was awarded a developmental grant to design improved coordination of services and manage costs for clients dually eligible for both Medicaid and Medicare. The final plan includes two strategies. The first will focus on incorporating high-risk dual eligibles into chronic care management Health Homes. The second, which is being negotiated with federal officials, county government and labor partners, will offer dual eligibles a combined Medicare and Medicaid managed care benefit package in selected counties. The design grants do not require a state match in the first year of development; however, there is a 25% state match in the second year and 50% match in subsequent years. (General Fund-Federal)

**2. In-Home Provider Arbitration** - Pursuant to the interest arbitration award between the Service Employees International Union Healthcare 775NW and the state of Washington for the 2013-15 biennium, additional funding is provided for new or increased wages; pay differentials; mileage reimbursements; comprehensive health benefits; training contributions; initial certification and testing fee subsidies; union presentations; and paid holidays. The Department of Social and Health Services will incur administrative costs in Fiscal Year 2013 to comply with the arbitration award. (General Fund-State, General Fund-Federal)

**3. Dual Eligibles Grant** - The Department of Social and Health Services (DSHS) will work with community partners to provide options counseling to Medicare-Medicaid individuals (dual eligibles) to ensure that these individuals have access to an unbiased and consumer friendly source of information. The funding for this effort has been awarded to DSHS by the Centers for Medicare and Medicaid Services and requires no state funds. (General Fund-Federal)

**1. Emergency Fire Suppression** - At the beginning of each biennium, the Department of Natural Resources (DNR) is appropriated a baseline amount of state general fund for emergency fire suppression costs. For FY 2013, this baseline amount was just over \$10 million. Any actual costs incurred by DNR in fighting fires that exceed the baseline are requested as additional appropriations in supplemental budgets. Over 700 fires during FY 2013 impacted nearly 54,000 acres of DNR protected lands and totaled \$43m in expenditures. Funding is provided to cover fire fighting costs incurred by DNR above the agency's baseline appropriation.

**1. Charter Schools (Initiative 1240)** - Voters approved Initiative 1240 in the 2012 General Election, which authorizes up to 40 publicly-funded charter schools in Washington state. The initiative established a State Charter Schools Commission to be housed within the Office of the Governor, and creates additional workload requirements for the State Board of Education and the Office of the Superintendent of Public Instruction.

**2. Financially Struggling Schools** - Funding is provided for the Office of the Superintendent of Public Instruction (OSPI) to provide one-time financial assistance to struggling nonhigh school districts located in educational service district 113. In order to receive the funds, the school district(s) must be experiencing budgetary shortfalls due to one or more of the following conditions: declining total enrollment; increased enrollment of students with special education needs; and, debts owed to school districts serving the nonhigh school districts' high school aged students. Funds provided through this one-time assistance must be repaid to the state. Additionally, as a condition of the loan, school districts receiving the funds must agree to budgetary oversight and supervision by the OSPI through the 2014-15 school year.
