Comments:

1. Mobile Opioid Treatment Services

Funding is provided for service subsidies for eight mobile opioid treatment service providers. This includes an increase in the amount of funding budgeted for annual services subsidies for five new providers from \$744,000 to \$840,000 and funding to extend these subsidies to three providers that were in operation prior to the current biennium. (General Fund-State; General Fund-Medicaid)

2. Opioid Treatment Facility

Funding is provided for a grant to a Seattle based opioid use disorder treatment provider that experienced a severe flooding event. The funding shall be used to provide support for increased per client costs resulting from temporarily delivering services to a smaller volume of clients while services are being re-established at the clinic and for efforts to provide transitional services for clients in other settings while the facility is being restored. (General Fund-State)

3. State and Tribal Opioid Task Force

Funding is provided for support of a state and tribal opioid task force. (General Fund-State)

4. Crisis Relief Facility Grants

Chapter 1, Laws of 2023, 1st sp.s. (2E2SSB 5536), amended provisions relating to criminal justice and substance use disorder treatment in response to the State v. Blake decision. The act included an appropriation for startup grants for crisis relief centers. An additional \$1 million is provided in FY 2025. (General Fund-State)

5. MTP - Foundational Comm Supports

Funding is provided through the Medicaid Quality Improvement Program to align appropriation authority with anticipated MTP spending for Initiative 3. (General Fund-Federal; General Fund-Local)

6. Addiction Medicine Training & TA

Funding is provided to enhance clinical best-practices in addiction medicine through contracted training and technical assistance for addiction medicine and other behavioral health providers. (General Fund-State)

7. Young Adult Discharge Program

Funding is provided for implementing a post-inpatient housing program for young adults in accordance with the provisions of Second Substitute House Bill 1929 (Postinpatient housing). (General Fund-State)

8. BH Occupational Therapy

Funding is provided for grants to support efforts to incorporate occupational therapists in behavioral health agency settings. (General Fund-State)

9. BH Comparison Rates Phase 3

The legislature has previously provided funding for the Health Care Authority (HCA) to contract for a study to establish benchmark behavioral health (BH) payment rates and a behavioral health fee schedule that can be used for assessing the costs associated with expansion of services, rate increases, and Medicaid managed care plan state directed payments. Funding is provided for a third phase of this work. An initial report is due to the Legislature by December 2024 and a final report is to be submitted in October 2025. (General Fund-State; General Fund-Medicaid)

10. Rural Behavioral Health Pilot

Funding is provided to increase a grant for a pilot program in Island County to improve behavioral health outcomes for young people in rural communities. (General Fund-State)

11. Strategic Plan Children & Youth

Chapter 76, Laws of 2022 (2SHB 1890), created an advisory group for the purpose of developing a behavioral health strategic plan for children, transitioning youth, and their caregivers. Funding for activities is adjusted and additional funding is provided for contracted services to support the development of the strategic plan. (General Fund-State)

12. Co-Responder Funding Model

Funding is provided to extend the scope of a study related to a funding model for crisis services to include co-responder services. A report is due to the Legislature on December 1, 2024. (General Fund-State)

13. CCBHC Bridge Funding

Funding is provided for grants to Certified Community Behavioral Health Clinics (CCBHCs) that received funding from the federal Substance Abuse and Mental Health Services Administration to continue operating in accordance with the CCBHC model after the end of their federal grant period. HCA is pursuing a state demonstration waiver to include these services in the Medicaid program by FY 2027. (General Fund-State)

14. COVID FMAP Increase

The Families First Coronavirus Response Act was enacted March 18, 2020. This act enhances the federal financial participation in the Medicaid program by 6.2 percent. The Consolidated Appropriations Act, 2023, begins to phase down the enhancement from 6.2 percent to 5.0 percent from April 1, 2023, to June 30, 2023; to 2.5 percent from July 1, 2023, to September 30, 2023; and to 1.5 percent from October 1, 2023, to December 31, 2023. The enhancement ended on December 31, 2023. (General Fund-State; General Fund-Medicaid)

15. Community Beds at OHBH

Funding is provided for HCA to contract for 40 community-operated beds at Olympic Heritage Behavior Health (OHBH) effective April 1, 2025. The authority must conduct a survey of provider interest and provide a summary of the results to the Office of Financial Management and the Legislature before issuing a request for proposals. A request for proposals must be issued by August 1, 2024. (General Fund-State)

16. Project ECHO and START Trainings

Funding is provided to increase contracts with the Project ECHO (Extension for Community Healthcare Outcomes) and the Systemic, Therapeutic, Assessment, Resources, and Training (START) program which provide training to support children with developmental disabilities and behavioral health needs. The additional funds shall allow for training related to the screening and diagnosis of autism spectrum disorder and applied behavioral analysis training, education, and consultation. (General Fund-State; General Fund-Medicaid)

17. Crisis Stabilization Facility

Funding is provided for mental health and substance use disorder crisis services that are not reimbursable under the Medicaid program at a crisis stabilization center in Island County. (General Fund-State)

18. Youth Stabilization Teams

Funding is provided to add 21 positions to 7 youth mobile crisis teams. The new positions will be used to provide stabilization services for youth. (General Fund-State; General Fund-Medicaid)

19. Digital Technologies RFI

Funding is provided for a contract to develop and issue a Request For Information (RFI) for digital behavioral health services for youth and young adults. The authority must convene a panel of experts to develop and evaluate responses to the RFI. (General Fund-State)

20. Stanwood Commitment Facility Beds

Under a tax sharing compact between the Tulalip Tribes and the state, a civil commitment facility is being developed in Stanwood. The Tribes are responsible for the siting, design, and construction of the facility. The state is responsible for supporting the Tribes in identifying an appropriate site, acquiring permits, and for the ongoing operations and maintenance of the facility. Funding levels are adjusted to reflect updated estimates of the opening date and utilization at the facility in FY 2025. (General Fund-State; General Fund-Medicaid)

21. Civil Conversion Rate Enhancement

Funding for rate enhancements for civil conversion patients is adjusted to reflect current utilization estimates. (General Fund-State; General Fund-Medicaid)

22. Outreach/Intensive Case Management

Funding is provided to increase Recovery Navigator Program (RNP) services established in Chapter 311, Laws of 2021, Partial Veto (ESB 5476). The Authority must prioritize allocating this funding to regions where the combined FY 2025 RNP allocations and RNP reserve balances are inadequate to cover estimated FY 2025 expenditures. (General Fund-State)

23. High Intensity OUD Treatment Svcs

Funding is provided to establish high intensity community-based teams to serve people with opioid use disorders. It is assumed these services shall be funded through the end of FY 2026. (Opioid Abatement Settlement Account-State)

24. Maple Lane Facility Rates

Funding was provided in the 2023-25 Biennial Appropriations Act for HCA to contract for a 16-bed residential treatment facility on the grounds of the Maple Lane campus. HCA will no longer be involved in the contracting of services for these beds which will instead be fully administered through the Department of Social and Health Services. (General Fund-State; General Fund-Medicaid)

25. Community Resource Coordinator

Funding is provided for a grant to the city of Maple Valley to support a community resource coordinator that works to develop programs, projects, and training that specifically address mental health awareness and education and facilitate access to school-based and community resources. (General Fund-State)

26. High THC Cannabis

Funding is provided for implementation of Second Substitute House Bill 2320 (High THC cannabis products) which requires HCA to contract for services to develop, implement, test, and evaluate guidance and health interventions for health care providers and patients at risk for developing serious complications due to cannabis consumption. (General Fund-State; General Fund-Medicaid)

27. Indian Behavioral Health System

Funding is provided for implementation of Second Substitute House Bill 1877 (Behavioral health/tribes) which makes changes to the involuntary treatment act related to tribal providers and entities and requires HCA to develop guidelines and consult with tribal governments on designated crisis responder protocols. (General Fund-State; General Fund-Medicaid)

28. Innovative Care

Funding is provided for HCA to contract with a nonprofit organization to provide education on innovative care for individuals with mental illnesses. (General Fund-State)

29. CCBHC Planning Grant

\$600,000 in FY 2024 appropriations for planning efforts related to the Certified Community Behavioral Health Clinic (CCBHC) model is shifted to FY 2025. HCA must develop an implementation plan for implementing the CCBHC model by FY 2027. (General Fund-State)

30. King County ITA Court Costs

Funding is provided for the King County Behavioral Health Administrative Services Organization for expected increases in long-term involuntary treatment act court costs resulting from increases in community long-term involuntary treatment beds within King County. (General Fund-State)

31. Kitsap Recovery Cafe

Funding is provided for HCA to contract for recovery cafe services in Kitsap County. (General Fund-State)

32. Behavioral Health Application

Funding is provided for a digital behavioral health services pilot program for school-aged children. The HCA must conduct a request for proposals for these services. It is assumed the pilot runs through the end of FY 2026. (General Fund-State; General Fund-Medicaid)

33. 1915i Adult Family Home Agreement

The 2021-23 biennial budget required HCA to submit a 1915i state plan to transform the way the state pays for Behavioral Health Personal Care (BHPC) services needed by individuals with mental health needs. In August 2023, the HCA negotiated a Memorandum of Understanding (MOU) for a supportive supervision and oversight tiered rate structure to be included in the 1915i state plan with the Adult Family Home (AFH) Council. Funding is provided to implement the 1915i supportive supervision and oversight services in AFH settings beginning in July 2024 and in accordance with the phase in and rates included in the MOU. (General Fund-State; General Fund-Medicaid)

34. Community LT Inpatient Rates

Funding is provided to enhance reimbursement rates paid to community long-term involuntary treatment providers. This includes an increase to \$1,250 per day for free-standing psychiatric hospitals and evaluation and treatment centers serving long-term patients and a rate enhancement of \$500 per day for approximately 30 beds in settings serving clients with complex behavioral health conditions. (General Fund-State; General Fund-Medicaid)

35. Long-Acting OUD Medication

Funding is provided to increase access to long-acting injectable opioid use disorder medications. This includes one time funding to support efforts for small providers serving publicly funded clients to begin providing these medications and ongoing support for low income uninsured individuals that do not qualify for other state or federal health insurance programs. (Opioid Abatement Settlement Account-State)

36. Opioid Recovery & Care Access Ctr.

Funding is provided to support a new Opioid Recovery and Care Access (ORCA) Center that will provide post-overdose medical stabilization, rapid initiation of evidence-based medications for opioid use disorder and harm reduction services. (General Fund-Medicaid; Opioid Abatement Settlement Account-State)

37. Public Health Dispensing Machines

Funding is provided for HCA to pilot 20 public health dispensing machines that can be used to distribute a variety of items such as naloxone, fentanyl test strips and other public health supplies. HCA will pilot these machines with jails, behavioral health administrative service organizations, local health departments, harm reduction programs, and others that may be interested in partnering. (General Fund-State)

38. Youth Residential Services

\$3 million in funding for youth residential services in Clark and Spokane counties is shifted from FY 2024 to FY 2025. Of the \$6 million now available in FY 2025, \$5 million is provided to re-establish youth residential services in a facility in Clark county and \$1 million is provided for behavioral health stabilization and support services for homeless youth in Spokane. 39. PACT Teams

Program for Assertive Community Treatment (PACT) teams provide intensive services for persons who have the most severe and persistent mental illnesses and who have not benefited from traditional outpatient programs. Funding is provided for two new PACT teams and to increase the average monthly caseload of 21 current PACT teams to levels established by Washington's PACT program standards. An additional \$1.7 million in total funding is provided for a directed payment increase for 21 current PACT teams. HCA shall contract for an assessment on the access of young adults to assertive community treatment team services and alternative models for providing wraparound services to this population with a report to the Legislature due on December 1, 2024. (General Fund-State; General Fund-Medicaid)

40. 1915i Assisted Living/EARC

The 2021-23 biennial budget required HCA to submit a 1915i state plan to transform the way the state pays for BHPC services needed by individuals with mental health needs. Funding is provided to implement the 1915i supportive supervision and oversight services in assisted living and other long-term care settings beginning in July 2024. Phase in and rates assumed for assisted living providers are the same as negotiated in a MOU with the AFH council for services covered under the AFH agreement. (General Fund-State; General Fund-Medicaid)

41. 1915i Skills Development

The 2021-23 biennial budget required HCA to submit a 1915i state plan to transform the way the state pays for BHPC services needed by individuals with mental health needs. Funding is provided for implementing skills development and restoration services established in the 1915i state plan beginning in January 2025. (General Fund-State; General Fund-Medicaid)

42. 1915i Administrative Costs

The 2021-23 biennial budget required HCA to submit a 1915i state plan to transform the way the state pays for BHPC services needed by individuals with mental health needs. Funding is provided for administrative costs associated with implementing the 1915i state plan program. (General Fund-State; General Fund-Medicaid)

43. Crisis and ITA Staff

Funding is provided to make three temporary behavioral health positions into ongoing, permanent roles and to provide administrative assistance for existing activities. (General Fund-State; General Fund-Medicaid)

44. MOUD/MAUD in Jails

Funding is provided to increase amounts contracted with current jails to provide medications for opioid use disorders (MOUD) and to extend contracts to additional jails in FY 2025. The funds may be used to provide medications for alcohol use disorders (MAUD) as well as for MOUD. (General Fund-Medicaid; Opioid Abatement Settlement Account-State)

45. Peer Bridger Program

For several biennia, the legislature has directed HCA to use \$1.8 million of its annual mental health block grant award for a program that offers peer services to individuals transitioning from state hospitals and other community settings. State funding is provided to increase rates for the 27 peer bridger programs and expand the number of peer bridgers to 35. In addition, \$240,000 per year of federal mental health block grant spending on peer bridger services is shifted to the state general fund. (General Fund-State; General Fund-Federal)

46. Problem Gambling Program

Legislation enacted in the 2023 session increased revenues into the program gambling treatment account that have not been fully appropriated. Appropriation authority is provided to HCA to increase spending on treatment services with these increased revenues. (Problem Gambling Account-State)

47. Parent Portal

State funding is provided for HCA to continue to work with the convener of the Washington State Children's Behavioral Health Statewide Family Network known as BH360. Federal funding authority for this project is removed. (General Fund-State; General Fund-Federal)

48. Health Engagement Hubs

Chapter 1, Laws of 2023, 1st. sp.s. (2E2SSB 5536) included an appropriation for HCA to establish a health home pilot program by July 2023 with one site in an urban location and an additional site in a rural location. The act established that health engagement hubs are intended to serve as an all-in-one location where people 18 years of age or older who use drugs can access a range of medical, harm reduction, treatment, social services; and referrals for access to methadone or other medications for opioid addiction. Funding is provided to add three additional health engagement hubs in FY 2025. In selecting new sites, HCA shall consider geographic distribution across the state, and prioritize proposals that demonstrate an ability to serve communities disproportionately impacted by overdose, health issues, and other harms related to drugs as well as communities impacted by the criminal-legal system. (Opioid Abatement Settlement Account-State)

49. Rapid Methadone Induction Pilot

Funding is provided for a pilot program to provide rapid methadone induction services to clients in hospitals electing to provide these services on an inpatient basis. (General Fund-State)

50. Youth Inpatient Navigators

Prior budgets have provided funding for HCA to phase in youth inpatient navigator teams throughout the state. Funding is provided to increase resources available in FY 2024 for this initiative. (General Fund-State)

51. Street Medicine Pilot

Funding is provided for three pilot programs of health care professionals that will assess and address the acute and chronic physical and behavioral health needs of people living in encampments and on the streets. This includes funding for pilot sites in Seattle and Spokane and a third site to be determined. (General Fund-State)

52. Trueblood Diversion Programs

The Trueblood Diversion Program was launched in 2018 to provide assessments, mental health services, substance abuse treatment, case management, employment assistance, and social services to reduce recidivism and improve the lives of the Trueblood class members. These services were originally funded with contempt fines paid by the state. Funding shifted to the operating budget in FY 2023 and FY 2024 on a one-time basis. This item provides ongoing funding for the program in the operating budget beginning in FY 2025. (General Fund-State)

53. Health Care for Uninsured Adults

Additional funding is provided to expand health coverage for Washington residents with incomes at or below 138 percent of the federal poverty level, regardless of immigration status, beginning July 1, 2024. (General Fund-State)

54. UW 90/180 Beds

Federal funding authority is adjusted to reflect current estimates of federal match available at the University of Washington Behavioral Health Teaching Facility based on estimated case mix for 75 long-term civil commitment beds effective July 1, 2024. (General Fund-Medicaid)

55. BH Data Collection & Management

Funding is provided to improve behavioral health (BH) data collection, validation, and reporting abilities. This includes funding for 7 FTES, one-time costs for efforts to facilitate data submission by tribal providers; and ongoing costs for software licenses. (General Fund-State; General Fund-Medicaid)

56. Community & School Prevention

The Community Prevention and Wellness Initiative (CPWI) provides community and school-based prevention services in diverse sites across the state. Prevention services include youth education and skill building, parenting education, public education and awareness, and student prevention/intervention services. Funding is provided for increases to contracts effective January 2025. (General Fund-State)

57. Tribal Supports - Icelandic Model

The Icelandic Prevention Model focuses on the four domains of youth life: family, peer group, school and leisure time. It is based on the idea that substance use is primarily a social and environmental problem, rather than an individual problem. Funding is provided to support implementation of the model in tribal communities. (General Fund-State)

58. Tribal Fentanyl Summit

Funding is provided for a summit to bring Tribal leaders, the governor, and state agency leaders together to discuss the impact of the opioid crisis on Native communities across Washington State. (General Fund-Medicaid; Opioid Abatement Settlement Account-State)

59. Tribal Opioid Fentanyl Campaign

Funds are provided for Native Lives, a campaign to inform and educate tribal communities about opioid misuse prevention, overdose response, and treatment. The campaign, geared to multiple age groups including youth, provides Tribes with education on using naloxone, finding drug treatment, helping people who are in recovery, and preventing addiction. 2. WA Cares Information Technology

Funding is provided to continue technological development for the Washington Cares Fund program. (Long-Term Services and Supports Trust Account-State)

3. WA Cares Digital Access Tool

Funding is provided to develop a digital platform aiding WA Cares participants in locating and utilizing registered service providers. (Long-Term Services and Supports Trust Account-State)

4. WA Cares Outreach

Funding is provided for public outreach concerning WA Cares program design and benefits. (Long-Term Services and Supports Trust Account-State)

5. RCS Certification Program

Funding is provided to establish a new certification program within Residential Care Services (RCS) for short-term, non-intermediate care settings serving individuals with developmental disabilities. (General Fund-State; General Fund-Medicaid)

6. LTSS Program Statements

Funding is provided to implement Substitute House Bill 2271 (LTSS Program Statements), which requires DSHS to create a secure online portal. The portal will allow program participants to view a summary statement of their benefits. Additionally, DSHS will work in partnership with ESD to determine data requirements and facilitate data sharing to support the statements. (Long-Term Services and Supports Trust Account-State)

7. Agency Provider Mileage

Funding is provided to increase the labor component of the home care agency rate in the amount of \$0.10 per hour, to recognize increased mileage costs within home care agencies. (General Fund-State; General Fund-Medicaid)

8. Behavioral Health Personal Care

Funding is provided for the Health Care Authority to implement a 1915i waiver, establishing a tiered rate structure for exceptional Behavioral Health Personal Care services in assisted living facilities and adult family homes. (General Fund-Medicaid)

Comments:			
1. ACES Mainframe Transition			
Funding is provided to transition the Automated Client Eligibility System (ACES) mainframe hardware operations to cloud technologies, using a WaTech enterprise contracted service, called Mainframe as a Service. (General Fund-State; General Fund-Federal; General Fund-Medicaid)			
2. Asset Verification System			
Funding and staff are provided to fully integrate the Asset Verification System (AVS) into the Automated Client Eligibility System (ACES) to move toward automated asset verification during Medicaid eligibility determinations. (General Fund-State; General Fund-Federal)			
3. Community Services Div Staffing			
Funding is provided for staffing to help reduce the wait times experienced by customers of the Community Services Division when they call or come into a community service office. (General Fund-State; General Fund-Federal)			
4. Continuous Enrollment for Children			
Funding is provided for ACES systems changes to implement continuous enrollment for Medicaid-eligible children ages zero to six enrolled in the State Children's Health Insurance Program (SCHIP, Title 21 of the Social Security Act). (General Fund-State; General Fund-Federal; General Fund-Medicaid; other accounts)			
5. Child Support Pass Through			
Funding is provided to pass through all child support for families on the Temporary Assistance for Needy Families (TANF) program, except arrears, effective January 1, 2026. Engrossed Substitute House Bill 1652 (Child support pass through) also disregards child support payments for the purposes of TANF eligibility and benefits. (General Fund-State)			
6. Domestic Violence Shelters			
Funding is provided for seven domestic violence shelters in specified counties that are experiencing a reduction in funding. This funding is provided to maintain current service levels at these shelters. (General Fund-State)			
7. Summer EBT			
Funding is provided for the administrative expenses associated with implementing the Summer Electronic Benefit Transfer (Summer EBT) program by the summer of 2024. This program will increase food benefits by \$40 per child during the summer months for families that are at or below 185 percent of the federal poverty level and who have school-aged children that would typically receive free or reduced priced meals during the school year. This program is expected to serve approximately 550,000 children during the three-month summer break. (General Fund-State; General Fund-Federal)

8. ACES M&O Increase

Funding is provided to help cover the increased costs associated with the maintenance and operations of the Automated Client Eligibility System (ACES). Cost increases include a one-time expense for a vendor transition and other new ongoing maintenance and operation services. (General Fund-State; General Fund-Federal; General Fund-Medicaid)

9. IE&E Roadmap Continuation

Funding is provided for the continuation of the Integrated Eligibility and Enrollment (IE&E) IT project, including the design and implementation of a human-centered portal for people to use when accessing benefits across multiple health and human service agencies. This item also supports the expansion of the project office for program leadership, project governance, organizational change management, communications, contract and vendor management, and other core program office functions. (General Fund-State; General Fund-Federal; General Fund-Medicaid)

10. Pandemic Emergency Assistance

Federal funding is provided for the administration of an additional one-time cash benefit made available through the Pandemic Emergency Assistance Fund. Federal funds cover the one-time cash benefit for Temporary Assistance for Needy Families (TANF) and Supplemental Nutrition Assistance Program (SNAP) recipients. State funds are provided to cover the benefit for recipients of the State Family Assistance (SFA) and Food Assistance Program (FAP). (General Fund-State; General Fund-Federal)

11. Expand TANF Time Limit Exemptions

Funding is provided for Substitute House Bill 2007 (Cash assistance time limits), which waives the 60-month time limit in the Temporary Assistance for Needy Families (TANF) program for households that are exempt from WorkFirst participation. (General Fund-State)

12. Skimmed Benefits Replacement

Funding is provided to replace skimmed or cloned cash assistance benefits up to two times each federal fiscal year effective July 1, 2024. In addition, this funding covers the replacement of Food Assistance Program (FAP) benefits in alignment with the replacement efforts outlined in the Consolidated Appropriations Act of 2023 for the Supplemental Nutrition Assistance Program (SNAP). (General Fund-State; General Fund-Federal)

13. State Supplemental Payment Increase

Funding is provided to increase the State Supplemental Payment (SSP) for clients receiving Supplemental Security Income (SSI) and who are served in medical institutions or in residential settings, effective July 1, 2023. This funding also assumes an annual cost-of-living adjustment beginning on January 1, 2024 to align with inflation adjustments made to benefits under Old-Age, Survivors, and Disability Insurance provided by the Social Security Administration. (General Fund-State)

14. ORIA Support Services

Funding is provided to the Office of Refugee and Immigrant Assistance (ORIA) to expand support services for individuals newly arriving to the United States who do not qualify for federal refugee resettlement program services. (General Fund-State)

15. Fiscal Responsibility Act Impacts

The federal Fiscal Responsibility Act of 2023 made several changes to the Supplemental Nutrition Assistance Program (SNAP) work requirements for Able-Bodied Adults Without Dependents (ABAWDs). The changes include work requirements for participants aged 50-54 and work requirement exemptions for individuals who are homeless, Veterans, and/or former foster care youth. Overall, more individuals are expected to receive an exemption from work requirements. Therefore, funding is provided for additional staff to serve increased SNAP and Food Assistance Program (FAP) caseloads, additional food benefits associated with an increased FAP caseload, and IT costs. (General Fund-State; General Fund-Federal)

16. Apple Health for Uninsured

Funding is provided for the staff necessary to process additional medical assistance cases resulting from the July 1, 2024 implementation of the Apple Health Expansion program. (General Fund-State)

17. Service Delivery Enhancements

Funding is provided for technology enhancements and the project governance to reduce call center and lobby wait times for customers. Enhancements include chatbot, robotic process automation, interactive voice response, and document upload. (General Fund-State; General Fund-Federal; General Fund-Fam Supt; other accounts)

18. Facility One-Time Costs

Funding is provided for one-time relocation and project costs relating to the Department of Social and Health Services' leased facilities strategic plan. (General Fund-State; General Fund-Federal)

19. WorkFirst Housing Suprt Fund Shift

Spending authority is adjusted from FY 2024 to FY 2025 for certain services including housing assistance for WorkFirst participants. (General Fund-TANF)

20. WIN 211

Funding is provided for Washington 211. This program responds to inquiries from the public about available social services. This funding is in addition to the \$1.5 million provided in FY 2025. (General Fund-State)

21. Compression and Inversion

Funding is provided to address salary inversion and compression issues arising from recent recruitment and retention adjustments made in Chapter 475, Laws of 2023 (ESSB 5187). (General Fund-State; General Fund-Federal)

22. Salary Funding Impact

Funding is provided to cover the compounded costs of wage increases for DSHS positions included in the Compensation Impact Model for the 2023-25 biennium. (General Fund-State; General Fund-Federal)

Comments:

1. Polychlorinated Biphenyls

Funding provided in the 2023-25 budget for Chapter 399, Laws of 2023 (SB 5369), related to polychlorinated biphenyls (PCBs) in consumer products, is reduced to match the final fiscal note for the bill. (Model Toxics Control Operating Account-State)

2. Carbon Dioxide Removal

Funding is provided, beginning January 2025, to contract for a study of the extent to which carbon dioxide removal is needed to meet Washington's statutory greenhouse gas emissions reduction targets. (Climate Commitment Account-State)

3. CCA Communications

Funding is provided to communicate with the public in multiple languages on the use and benefits of Climate Commitment Act (CCA) funding, as well as how communities can access CCA grant funding. (Climate Investment Account-State)

4. Dissolved Oxygen Review

Funding is provided to contract with the Washington State Academy of Sciences for a literature review of the causes and impacts of low dissolved oxygen on organisms in the Salish Sea. Ecology must incorporate the results of the literature review into Ecology's work on nutrient loading in Puget Sound. (General Fund-State)

5. Solid Waste Dumping

Funding is provided for an increase in Public Participation Grants funded by the Hazardous Substance Tax, pursuant to Engrossed Substitute House Bill 2207 (Solid waste dumping). (Model Toxics Control Operating Account-State)

6. Federal Waters of the U.S.

The federal Clean Water Act's scope was narrowed following a 2023 U.S. Supreme Court decision. However, state protections for wetlands and other water bodies were not affected by the decision. Funding is provided to process additional state authorizations for projects that would previously have required federal permits. (Model Toxics Control Operating Account-State)

7. Refrigerant Gases

Funding is provided for Engrossed Second Substitute House Bill 2401 (Refrigerant gases), which creates a stewardship program for refrigerant gases. (Model Toxics Control Operating Account-State)

8. Food Waste Reduction Grants

Funding is provided for five new food waste management grant programs created in Engrossed Second Substitute House Bill 2301 (Waste material management), including \$8.0 million for grants and \$0.2 million for related grant management. (Climate Commitment Account-State)

2023-25 Omnibus Operating Budget -- 2024 Supplemental
Passed House (ESSB 5950 w/Hse AMD)

(Dollars in Thousands)

9. Water Quality Permit Systems

One-time funding was provided in the 2022 supplemental budget to improve IT systems for water quality permits. Similar funding is provided on an ongoing basis. (Water Quality Permit Account-State)

10. CCA Program Linkage

Ecology has decided to pursue linkage between Washington's CCA program and the similar programs in California and Quebec. Funding is provided for Engrossed Second Substitute Senate Bill 6058 (Carbon market linkage), which authorizes Ecology to modify rules for linkage, to develop greenhouse gas reporting methodologies for linkage, and to make other technical changes. (Climate Investment Account-State)

11. Certifying Financial Responsibility

To operate in Washington, vessels and facilities handling large volumes of oil must demonstrate they can pay for the costs of a spill. Funding is provided to establish a related Certificate of Financial Responsibility program. (Oil Spill Prevention Account-State)

12. Federal Stormwater Funding

The U.S. Environmental Protection Agency provides funding through the National Estuary Program's (NEP) Stormwater Strategic Initiative for research, monitoring, and projects to address stormwater pollution and support recovery efforts in Puget Sound. Federal spending authority is provided for an increase in NEP funding. (General Fund-Federal)

13. Hanford Dangerous Waste Permit

Ecology took over the management of the Hanford dangerous waste permit in 2015. Funding is provided for two staff positions to meet a 2026 deadline for the permit's reissuance and to manage new responsibilities related to the Perma-Fix Northwest dangerous waste permit and Hanford air operating permit. (General Fund-Federal; Radioactive Mixed Waste Account-State; Air Operating Permit Account-State)

14. WCC EJ Program

Following a pilot funded in the 2022 supplemental budget, funding is provided for five Washington Conservation Corps crews with no partner-provided cost-share for projects that meet criteria related to environmental health disparities and similar factors. (Model Toxics Control Operating Account-State)

15. Surface Water Mapping

Funding is provided to remap the state's surface water over the next five years, prioritized by the location of salmon streams and with input from stakeholder groups, and provide technical assistance to local governments. (Natural Climate Solutions Account-State)

16. PFAS in Products

Funding is provided to identify consumer products containing per-and polyfluoroalkyl substances (PFAS) and issue orders to manufacturers to obtain ingredient information. (Model Toxics Control Operating Account-State)

2023-25 Omnibus Operating Budget -- 2024 Supplemental
Passed House (ESSB 5950 w/Hse AMD)
Department of Ecology
(Dollars in Thousands)

17. Nutrient Credit Trading

Ecology received one-time funding in the 2022 supplemental budget to develop recommendations on how to establish a nutrient credit trading program for discharges from wastewater treatment plants in Puget Sound. Funding is provided for the near-term actions identified in the report, including analysis and outreach to further inform a potential nutrient credit trading program. (Model Toxics Control Operating Account-State)

18. BIL/IRA Grants

Federal spending authority is provided for grants resulting from the Bipartisan Infrastructure Law (BIL) and Inflation Reduction Act (IRA), including grants on water infrastructure, pollution cleanup, and climate change. (General Fund-Federal)

19. Climate Pollution Reduction

Funding is provided for additional staff and contracts to implement the CCA, Clean Fuels Program, and other work of Ecology's new Climate Pollution Reduction Program. Funding from the Climate Investment Account is assumed to begin January 1, 2025. (General Fund-State; Air Pollution Control Account-State; Model Toxics Control Operating Account-State; other accounts)

20. Spirit Lake Collaborative

Funding is provided for a grant to the Spirit Lake/Toutle-Cowlitz River Collaborative for flood risk reduction, ecosystem recovery, scientific research, and other activities related to sediment management and flooding in the Spirit Lake/Toutle-Cowlitz river system. (General Fund-State)

21. Tribal Capacity Funding

Funding is provided to increase an existing Tribal grant program and expands its uses to more broadly support the ability of Tribes to engage in climate change resilience projects and clean energy development. The funding increase is assumed to begin January 1, 2025. (Climate Investment Account-State)

22. Walla Walla Cleanup Site

Funding is provided from the local portion of the Model Toxics Control Operating Account for cleanup costs at the Stillwater Holdings Chevron site in Walla Walla. (Model Toxics Control Operating Account-Local)

23. Water Resource Data

Funding is provided beginning January 2025 to develop a statewide web map tool to integrate Ecology water resources management databases and improve public access to water data. (Natural Climate Solutions Account-State)

24. Waste Material Management

Funding is provided for implementation Engrossed Second Substitute House Bill 2301 (Waste material management), including an assumed increase of \$500,000 per biennium for Waste Not Washington School Awards grants beginning in the 2025-27 biennium. Funding for food management grant programs created in the bill is provided in a separate item. (Model Toxics Control Operating Account-State)

2023-25 Omnibus Operating Budget -- 2024 Supplemental
Passed House (ESSB 5950 w/Hse AMD)
Department of Ecology
(Dollars in Thousands)

25. Offshore Wind Energy

The Governor's Office announced a project to convene Tribes, stakeholders, state agencies, and other governmental entities to develop recommendations on a Washington-specific consultation and public engagement process for offshore wind development. Funding is provided for two full-time positions to enhance data evaluation, engage coastal communities, and facilitate collaboration with federal and Tribal entities on potential offshore wind development. (Climate Commitment Account-State)

26. Waste Tires

Funding is provided for an analysis of how the disposal, distribution, and management of waste tires contributes to pollution from 6PPD-quinone. (Model Toxics Control Operating Account-State)

27. Wastewater Treatment Capacity

Funding is provided to contract with an association of local public health officials to conduct a state septage capacity and risk analysis. (General Fund-State)

4. Bear Creek Maintenance/Assessment

State Parks received a grant from the Recreation and Conservation Office to acquire the 110-acre Bear Creek Lodge property adjacent to Mt. Spokane State Park. Funding is provided for a facility assessment and ongoing property maintenance. (Parks Renewal and Stewardship Account-State)

5. Day Camp Counselor

Funding is provided for a grant to a park and recreation district in Blaine to provide youth mental health counselor services at day camps. (General Fund-State)

6. Data Privacy and Security

Funding is provided for a privacy officer and two information technology positions to manage confidential information, public records requests, data security, and backup. (General Fund-State)

7. Fort Warden Maintenance

Through a 50-year lease signed in 2013, the Fort Worden Lifelong Learning Center Public Development Authority (PDA) is the manager and operator of the Fort Worden campus. Funding is provided to State Parks for grounds and facilities maintenance costs as it develops a cost-recovery model with the PDA. (Parks Renewal and Stewardship Account-State)

8. HQ Relocation Costs

State Parks is relocating its headquarters from a leased Tumwater location to a state-owned facility in Lacey. Funding is provided for planning and design, tenant improvements, moving costs, and office equipment. (Parks Renewal and Stewardship Account-State)

9. Natural Resource Assessments

Funding is provided to collect and analyze ecological data, complete post-fire restoration and conduct an Environmental Impact Statement at Gingko State Park, and purchase survey equipment. (General Fund-State)

10. Automated Pay Station Replacement

Funding is provided to replace 19 automated pay stations that are no longer operational with a newer model. (Parks Renewal and Stewardship Account-State)

11. Climate and Clean Energy

Funding is provided for electric lawn mowers, energy assessments of historic buildings, and an assessment of climate change impacts on coastal parks. (Climate Commitment Account-State; Natural Climate Solutions Account-State)

12. Recreation Site Management

Spending authority is provided for revenue from a new recreation and land use management lease agreement to operate and maintain properties owned by the AVISTA Corporation and leased by Parks. (Parks Renewal and Stewardship Account-State)

(Parks Renewal and Stewardship Account-State)

15. Crosswalk Safety Lights at Twanoh

The Department of Transportation is conducting a road project on State Route 106 adjacent to Twanoh State Park, limiting access to camping and recreation from beach and boat launch sites. Funding is provided for a change order to install crosswalk flashing lights to improve pedestrian safety. (General Fund-State)

16. Tribal Relations Support

Funding is provided for a position to enhance tribal relations and increase outreach to tribal organizations. (Parks Renewal and Stewardship Account-State)

17. Outward Facing Website

Funding was provided in the 2022 supplemental budget to replace the State Parks public website. The project was started later than expected, resulting in some one-time costs being delayed until the 2023-25 biennium. (Parks Renewal and Stewardship Account-State)

Comments:

1. Wildfire Funding Adjustment

The Department of Fish and Wildlife's (DFW) appropriation for fire suppression costs for FY 2024 is higher than actual costs from the 2023 fire season. The FY 2024 appropriation is reduced to reflect actual expenditures incurred. (General Fund-State)

2. Orca Monitoring and Research

Funding is provided for a grant to an orca research organization in Friday Harbor for monitoring and researching Southern Resident killer whales. (General Fund-State)

3. AutoFish Marking Trailers

DFW is required to clip the adipose fin of hatchery salmon and steelhead, and in some cases uses automatic trailers equipped with the AutoFish System. Funding is provided to rebuild one existing AutoFish System per fiscal year. (General Fund-State)

4. Capital Project Operating Costs

Funding is provided for operating costs related to maintaining completed capital projects. (General Fund-State)

5. Bear Wise

Funding is provided to conduct bear hazard assessments in communities with historically high levels of human-bear conflict. (General Fund-State)

6. Salmon ESA Regulatory Compliance

Under the Endangered Species Act, the federal government produces biological opinions on current hatchery operations to determine if additional measures must be taken to minimize impacts to listed species and critical habitat. Funding is provided for DFW to meet new federal terms and conditions. (General Fund-State)

7. Avian Predation/Salmon

Funding is provided for Substitute House Bill 2293 (Avian predation/salmon), which creates an avian salmon predation work group. (General Fund-State)

8. Colville Wolf Management

Funding is provided for a grant to the Confederated Tribes of the Colville Reservation to collaboratively manage grey wolves on the portion of land north of the Colville Reservation known as "the north half." (General Fund-State)

9. Hatchery Maintenance

Funding is provided for increased preventive maintenance at DFW hatcheries. (General Fund-State)

10. Coastal Salmonids Management

Funding is provided for additional monitoring and evaluation capacity to inform fisheries policy decisions for the Olympic Peninsula, Strait of Juan de Fuca, and southwest Washington rivers. (General Fund-State)

11. WCC Contract Increase from ECY

DFW uses a Washington Conservation Corps (WCC) crew for monitoring forage fish, and the Department of Ecology notified WDFW of a cost increase effective October 1, 2023. Funding is provided for this increase. (General Fund-State)

12. Skagit Elk Management

Funding is provided for elk management in the Skagit Valley in cooperation with affected tribes and landowners, including fencing, replacement seed and fertilizer, and elk deterrent equipment. (General Fund-State)

13. Post-Wildfire Habitat Recovery

Funding is provided for post-wildfire recovery on DFW land, including reestablishing native vegetation, preventing noxious weed infestations, and restoring infrastructure in impacted areas. (General Fund-State)

14. Forest Health, Fuel Reductions

Funding is provided for forest health and fuel reduction activities on DFW land. (Natural Climate Solutions Account-State)

15. Fish Health and Marking

Funding is provided for two positions to provide veterinary services for fish and maintenance support for the mass marking trailer fleet. (General Fund-State; General Fund-Local)

16. Lake Washington Predator Supp

Funding was provided in the 2023-25 budget for a demonstration project to contribute to rebuilding salmon runs in the Lake Washington basin through suppression of predatory fish species. Additional funding is provided for this purpose. (General Fund-State)

17. Invasive Mussels

Funding is provided for monitoring and response efforts for invasive quagga mussels, including coordination with other entities, inspections, decontamination, equipment, training, monitoring, and outreach. Matching federal funds are anticipated from the U.S. Army Corps of Engineers. (General Fund-State; General Fund-Federal)

18. Nature Play Toolkit

In the 2023-25 operating budget, \$125,000 was provided in FY 2024 to contract for an educators' toolkit for nature play programming. This item shifts \$24,000 of this funding from FY 2024 to FY 2025. (General Fund-State)

19. Non-lethal Wolf Deterrence

Funding is provided for range riders and cooperative cost-share agreements with landowners and livestock producers in areas outside of the four northeast counties where conflict funding has been primarily focused. (General Fund-State)

20. Ruckelshaus FY Shift

In the 2023-25 operating budget, \$300,000 was provided for a grant to the Ruckelshaus Center for a review of DFW in FY 2024. This item shifts \$95,000 of that funding from FY 2024 to FY 2025. (General Fund-State)

21. Squaxin Island Tribe

Additional funding is provided for a grant to the Squaxin Island Tribe for hatchery operations prioritized to increase prey for Southern Resident orcas. (General Fund-State)

22. Safety & Training Program Expansion

Funding is provided for additional safety and training, including additional safety capacity in each region, development of a technological solution to track employee safety and training, increased support for remote employees, and a third-party review of DFW's safety program. (General Fund-State; Limited Fish and Wildlife Account-State; Fish, Wildlife and Conservation Account-State)

23. Support of Tribal Hatcheries

In the 2021-23 biennium, one-time funding was provided for the Lummi Nation to make infrastructure updates at the Skookum Hatchery. Project costs occurred in the current and previous biennium. This reduction in appropriation aligns funding with final project expenditures. (General Fund-State)

24. Hatchery Wage Adjustments

Funding is provided for an increase in both hours and wages for contracted mass marking of fish. (General Fund-State; General Fund-Federal; General Fund-Local; other accounts)

25. Whidbey Basin Chinook Projects

Federal expenditure authority is provided for pass-through funding for Chinook recovery projects in the Whidbey Basin watersheds from a National Oceanic and Atmospheric Administration Infrastructure Investment and Jobs Act grant. (General Fund-Federal)
