 2 enrollment. The WMIP pilot projects shall not exceed a daily

 5 program may not exceed the average per capita cost assumed in this act  
 6 for individuals covered by that program, actuarially adjusted for the  
 7 health condition of persons enrolled, times the number of clients  
 8 enrolled. In implementing the WMIP, the department may: (a) Withhold  
 9 from calculations of "available resources" as set forth in RCW  
 10 71.24.025 a sum equal to the capitated rate for enrolled individuals;  
 11 and (b) employ capitation financing and risk-sharing arrangements in  
 12 collaboration with health care service contractors licensed by the  
 13 office of the insurance commissioner and qualified to participate in  
 14 both the medicaid and medicare programs. The department shall conduct  
 15 an evaluation of the WMIP, measuring changes in participant health  
 16 outcomes, changes in patterns of service utilization, participant  
 17 satisfaction, participant access to services, and the state fiscal  
 18 impact.

19 (4) The legislature finds that medicaid payment rates, as  
 20 calculated by the department pursuant to the appropriations in this  
 21 act, bear a reasonable relationship to the costs incurred by  
 22 efficiently and economically operated facilities for providing quality  
 23 services and will be sufficient to enlist enough providers so that care  
 24 and services are available to the extent that such care and services  
 25 are available to the general population in the geographic area. The  
 26 legislature finds that cost reports, payment data from the federal  
 27 government, historical utilization, economic data, and clinical input  
 28 constitute reliable data upon which to determine the payment rates.

1 TOTAL APPROPRIATION . . . . . \$1,100,756,000

2 The appropriations in this section are subject to the following  
3 conditions and limitations:

4 (1) Within amounts provided for the foster care and adoption  
5 support programs, the department shall control reimbursement decisions  
6 for foster care and adoption support cases such that the aggregate  
7 average cost per case for foster care and for adoption support does not  
8 exceed the amounts assumed in the projected caseload expenditures.

9 (2) \$80,872,000 of the general fund--state appropriation for fiscal  
10 year 2012, \$81,251,000 of the general fund--state appropriation for  
11 fiscal year 2013, and \$75,595,000 of the general fund--federal  
12 appropriation are provided solely for the department to utilize  
13 performance-based contracts as required under RCW 74.13.360(1) to  
14 obtain services for children and families.

15 (3) A maximum of \$6,460,000 of the general fund--state  
16 appropriation and \$3,540,000 of the general fund--federal appropriation  
17 for the 2011-2013 fiscal biennium are provided for a contingency  
18 reserve and these amounts are provided solely for this purpose. The  
19 contingency reserve in this subsection is established in the event that  
20 the client type composition and number of client referrals to  
21 supervising agency contractors under RCW 74.13.360 exceed appropriated  
22 amounts in subsection (2) of this section. The department shall first  
23 use any under-expenditures as a result of client type composition or  
24 number of client referrals prior to using the contingency reserve. The  
25 department shall only expend an amount equal to the over-expenditure,  
26 after using under-expenditures, and shall only be as a result of client  
27 type composition changes or the number of client referrals above  
28 appropriated amounts. Before the contingency funds can be used, the  
29 over-expenditure must be greater than one percent. The department  
30 shall manage these funds on a statewide basis and only provide funds  
31 from the contingency reserve in a monthly or quarterly basis. The  
32 department shall continually reevaluate client type composition and  
33 number of client referrals in order to shift funds between regions if  
34 necessary.

35 (4) To ensure expenditures remain within available funds  
36 appropriated in this section as required by RCW 74.13A.005 and  
37 74.13A.020, the secretary shall not set the amount of any adoption  
38 assistance payment or payments, made pursuant to RCW 26.33.320 and

1 74.13A.005 through 74.13A.080, to more than ninety percent of the  
2 foster care maintenance payment for that child had he or she remained  
3 in a foster family home during the same period. This subsection does  
4 not apply to adoption assistance agreements in existence on the  
5 effective date of this section.

6 (5) \$5,139,000 of the general fund--state appropriation for fiscal  
7 year 2012 and \$5,140,000 of the general fund--state appropriation for  
8 fiscal year 2013 are provided solely for the department to contract for  
9 services pursuant to RCW 13.32A.030 and 74.15.220. The department  
10 shall contract and collaborate with service providers in a manner that  
11 maintains the availability and geographic representation of secure and  
12 semi-secure crisis residential centers and HOPE centers. To achieve  
13 efficiencies and increase utilization, the department shall allow the  
14 co-location of these centers, except that a youth may not be placed in  
15 a secure facility or the secure portion of a co-located facility except  
16 as specifically authorized by chapter 13.32A RCW. The reductions to  
17 appropriations in this subsection reflect a reduction to the number of  
18 beds for semi-secure crisis residential centers and/or secure crisis  
19 residential centers and not a reduction to the cost per bed for the  
20 semi-secure crisis residential centers. The department is to exercise  
21 its discretion in reducing the number of beds but to do so in a manner  
22 that maintains availability and geographic representation of semi-  
23 secure and secure crisis residential centers.

24 (6) \$564,000 of the general fund--federal appropriation is provided  
25 solely to implement Second Substitute House Bill No. 1128 (extended  
26 foster care). If the bill is not enacted by June 30, 2011, the amount  
27 provided in this subsection shall lapse.

28 (7) The appropriations in this section reflect reductions in the  
29 appropriations for the children's administration administrative  
30 expenses. It is the intent of the legislature that these reductions  
31 shall be achieved, to the greatest extent possible, by reducing those  
32 administrative costs that do not affect direct client services or  
33 direct service delivery or programs.

34 (8) \$47,000 of the general fund--state appropriation for fiscal  
35 year 2012, \$14,000 of the general fund--state appropriation for fiscal  
36 year 2013, and \$40,000 of the general fund--federal appropriation are  
37 provided solely to implement Substitute House Bill No. 1697 (dependency

4 rehabilitation administration and the juvenile courts, who will also  
5 have the ability to change members of the committee as needed to  
6 achieve its purpose. Initial members will include one juvenile court  
7 representative from the finance committee, the community juvenile  
8 accountability act committee, the risk assessment quality assurance  
9 committee, the executive board of the Washington association of  
10 juvenile court administrators, the Washington state center for court  
11 research, and a representative of the superior court judges  
12 association; two representatives from the juvenile rehabilitation  
13 administration headquarters program oversight staff, two  
14 representatives of the juvenile rehabilitation administration regional  
15 office staff, one representative of the juvenile rehabilitation  
16 administration fiscal staff and a juvenile rehabilitation  
17 administration division director. The committee may make changes to  
18 the formula categories other than the evidence-based program and  
19 disposition alternative categories if it is determined the changes will  
20 increase statewide service delivery or effectiveness of evidence-based  
21 program or disposition alternative resulting in increased cost benefit  
22 savings to the state. Long-term cost benefit must be considered.  
23 Percentage changes may occur in the evidence-based program or  
24 disposition alternative categories of the formula should it be  
25 determined the changes will increase evidence-based program or  
26 disposition alternative delivery and increase the cost benefit to the  
27 state. These outcomes will also be considered in determining when  
28 evidence-based expansion or special sex offender disposition  
29 alternative funds should be included in the block grant or left  
30 separate.

31 (8) The juvenile courts and administrative office of the courts  
32 shall collect and distribute information related to program outcome and  
33 provide access to these data systems to the juvenile rehabilitation  
34 administration and Washington state institute for public policy.  
35 Consistent with chapter 13.50 RCW, all confidentiality agreements  
36 necessary to implement this information-sharing shall be approved  
37 within 30 days of the effective date of this section. The agreements  
38 between administrative office of the courts, the juvenile courts, and

1 the juvenile rehabilitation administration shall be executed to ensure  
 2 that the juvenile rehabilitation administration receives the data that  
 3 the juvenile rehabilitation administration identifies as needed to  
 4 comply with this subsection. This includes, but is not limited to,  
 5 information by program at the statewide aggregate level, individual  
 6 court level, and individual client level for the purpose of the  
 7 juvenile rehabilitation administration providing quality assurance and  
 8 oversight for the locally committed youth block grant and associated  
 9 funds and at times as specified by the juvenile rehabilitation  
 10 administration as necessary to carry out these functions. The data  
 11 shall be provided in a manner that reflects the collaborative work the  
 12 juvenile rehabilitation administration and juvenile courts have  
 13 developed regarding program outcomes that reinforce the greatest cost  
 14 benefit to the state in the implementation of evidence-based practices  
 15 and disposition alternatives.

 17 **SERVICES--MENTAL HEALTH PROGRAM**

18 (1) COMMUNITY SERVICES/REGIONAL SUPPORT NETWORKS

19	General Fund--State Appropriation (FY 2012) . . . . .	\$322,859,000
20	General Fund--State Appropriation (FY 2013) . . . . .	\$327,898,000
21	General Fund--Federal Appropriation . . . . .	\$469,451,000
22	General Fund--Private/Local Appropriation . . . . .	\$18,719,000
23	Hospital Safety Net Assessment Fund--State	
24	Appropriation . . . . .	\$6,802,000
25	TOTAL APPROPRIATION . . . . .	\$1,145,729,000

26 The appropriations in this subsection are subject to the following  
 27 conditions and limitations:

28 (a) \$104,994,000 of the general fund--state appropriation for  
 29 fiscal year 2012 and \$104,994,000 of the general fund--state  
 30 appropriation for fiscal year 2013 are provided solely for persons and  
 31 services not covered by the medicaid program. This is a reduction of  
 32 \$8,695,000 each fiscal year from the nonmedicaid funding that was  
 33 allocated for expenditure by regional support networks during fiscal  
 34 year 2011 prior to supplemental budget reductions. This \$8,695,000  
 35 reduction shall be distributed among regional support networks  
 36 proportional to each network's share of the total state population. To  
 37 the extent possible, levels of regional support network spending shall

1 be maintained in the following priority order: (i) Crisis and  
2 commitment services; (ii) community inpatient services; and (iii)  
3 residential care services, including personal care and emergency  
4 housing assistance.

5 (b) \$6,590,000 of the general fund--state appropriation for fiscal  
6 year 2012, \$6,590,000 of the general fund--state appropriation for  
7 fiscal year 2013, and \$7,620,000 of the general fund--federal  
8 appropriation are provided solely for the department and regional  
9 support networks to continue to contract for implementation of high-  
10 intensity programs for assertive community treatment (PACT) teams. In  
11 determining the proportion of medicaid and nonmedicaid funding provided  
12 to regional support networks with PACT teams, the department shall  
13 consider the differences between regional support networks in the  
14 percentages of services and other costs associated with the teams that  
15 are not reimbursable under medicaid. The department may allow regional  
16 support networks which have nonmedicaid reimbursable costs that are  
17 higher than the nonmedicaid allocation they receive under this section  
18 to supplement these funds with local dollars or funds received under  
19 section 204(1)(a) of this act. The department and regional support  
20 networks shall maintain consistency with all essential elements of the  
21 PACT evidence-based practice model in programs funded under this  
22 section.

23 (c) \$5,850,000 of the general fund--state appropriation for fiscal  
24 year 2012, \$5,850,000 of the general fund--state appropriation for  
25 fiscal year 2013, and \$1,300,000 of the general fund--federal  
26 appropriation are provided solely for the western Washington regional  
27 support networks to provide either community- or hospital campus-based  
28 services for persons who require the level of care previously provided  
29 by the program for adaptive living skills (PALS) at western state  
30 hospital.

31 (d) The number of nonforensic beds allocated for use by regional  
32 support networks at eastern state hospital shall be 192 per day. The  
33 number of nonforensic beds allocated for use by regional support  
34 networks at western state hospital shall be 557 per day.

35 (e) From the general fund--state appropriations in this subsection,  
36 the secretary of social and health services shall assure that regional  
37 support networks reimburse the aging and disability services

1 administration for the general fund--state cost of medicaid personal  
2 care services that enrolled regional support network consumers use  
3 because of their psychiatric disability.

4 (f) \$4,582,000 of the general fund--state appropriation for fiscal  
5 year 2012 and \$4,582,000 of the general fund--state appropriation for  
6 fiscal year 2013 are provided solely for mental health services for  
7 mentally ill offenders while confined in a county or city jail and for  
8 facilitating access to programs that offer mental health services upon  
9 release from confinement.

10 (g) The department is authorized to continue to contract directly,  
11 rather than through contracts with regional support networks, for  
12 children's long-term inpatient facility services.

13 (h) \$750,000 of the general fund--state appropriation for fiscal  
14 year 2012 and \$750,000 of the general fund--state appropriation for  
15 fiscal year 2013 are provided solely to continue performance-based  
16 incentive contracts to provide appropriate community support services  
17 for individuals with severe mental illness who were discharged from the  
18 state hospitals as part of the expanding community services initiative.  
19 These funds will be used to enhance community residential and support  
20 services provided by regional support networks through other state and  
21 federal funding.

22 (i) \$1,125,000 of the general fund--state appropriation for fiscal  
23 year 2012 and \$1,125,000 of the general fund--state appropriation for  
24 fiscal year 2013 are provided solely for the Spokane regional support  
25 network to implement services to reduce utilization and the census at  
26 eastern state hospital. Such services shall include:

27 (i) High intensity treatment team for persons who are high  
28 utilizers of psychiatric inpatient services, including those with co-  
29 occurring disorders and other special needs;

31 community individuals in crisis who are at risk of requiring inpatient  
32 care or jail services;

33 (iii) Mental health services provided in nursing facilities to  
34 individuals with dementia, and consultation to facility staff treating  
35 those individuals; and

36 (iv) Services at the sixteen-bed evaluation and treatment facility.

37 At least annually, the Spokane regional support network shall

1 assess the effectiveness of these services in reducing utilization at  
2 eastern state hospital, identify services that are not optimally  
3 effective, and modify those services to improve their effectiveness.

4 (j) \$1,529,000 of the general fund--state appropriation for fiscal  
5 year 2012 and \$1,529,000 of the general fund--state appropriation for  
6 fiscal year 2013 are provided solely to reimburse Pierce and Spokane  
7 counties for the cost of conducting 180-day commitment hearings at the  
8 state psychiatric hospitals. Pierce and Spokane counties shall not  
9 bill the patients' regional support networks of origin for the cost of  
10 such hearings.

11 (k) Regional support networks may use local funds to earn  
12 additional federal medicaid match, provided the locally matched rate  
13 does not exceed the upper-bound of their federally allowable rate  
14 range, and provided that the enhanced funding is used only to provide  
15 medicaid state plan or waiver services to medicaid clients.  
16 Additionally, regional support networks may use a portion of the state  
17 funds allocated in accordance with (a) of this subsection to earn  
18 additional medicaid match, but only to the extent that the application  
19 of such funds to medicaid services does not diminish the level of  
20 crisis and commitment, community inpatient, residential care, and  
21 outpatient services presently available to persons not eligible for  
22 medicaid.

23 (l) \$1,015,000 of the general fund--private/local appropriation and  
24 \$4,031,000 of the general fund--federal appropriation are provided  
25 solely to design and implement community-based projects for improving  
26 integration and coordination of behavioral health and medical care for  
27 persons with serious and persistent mental illness. The projects,  
28 which shall be developed and implemented in partnership with community  
29 mental health centers, regional support networks, and the medical  
30 assistance program, shall develop and test strategies for improving  
31 health and reducing medical costs for people with serious and  
32 persistent mental illness through better coordination of physical and  
33 behavioral health care. Funding shall be used for initial project  
34 start-up and training; for provision of access to electronic data for  
35 tracking and predicting participants' medical utilization; for project  
36 evaluation; and as state matching funds for the enhanced federal  
37 funding available for coordinated care management under section 2703 of  
38 the federal patient protection and affordable care act. The department

1 shall report to appropriate committees of the legislature on project  
2 status, performance, and outcomes by November 15th of each year. For  
3 purposes of this effort, the department shall enter into an interagency  
4 agreement with the office of the attorney general for expenditure of  
5 \$1,015,000 of the state's proceeds of the *cy pres* settlement in *State*  
6 *of Washington vs. AstraZeneca* (Seroquel).

7 (m) \$200,000 of the general fund--state appropriation for fiscal  
8 year 2012 and \$200,000 of the general fund--state appropriation for  
9 fiscal year 2013 are provided solely for the north central Washington  
10 regional support network to maintain crisis response, involuntary  
11 commitment, and other essential nonmedicaid services.

12 (n) Given the recent approval of federal medicaid matching funds  
13 for the disability lifeline and the alcohol and drug abuse treatment  
14 support act programs, the department shall charge regional support  
15 networks for only the state share rather than the total cost of  
16 community psychiatric hospitalization for persons enrolled in those  
17 programs.

18 (o) \$750,000 of the general fund--state appropriation for fiscal  
19 year 2012, \$750,000 of the general fund--state appropriation for fiscal  
20 year 2013, and \$1,500,000 of the general fund--federal appropriation  
21 are provided solely to adjust regional support network capitation rates  
22 to account for the per diem rates actually paid for psychiatric care  
23 provided at hospitals participating in the certified public expenditure  
24 program operated pursuant to section 209 of this act.

22	General Fund--State Appropriation (FY 2012) . . . . .	\$423,295,000
23	General Fund--State Appropriation (FY 2013) . . . . .	\$427,309,000
24	General Fund--Federal Appropriation . . . . .	\$754,715,000
25	General Fund--Private/Local Appropriation . . . . .	\$349,000
26	State Efficiency and Restructuring Account--State	
27	Appropriation . . . . .	\$13,659,000
28	Community Residential Investment Account--State	
29	Appropriation . . . . .	\$12,300,000
30	TOTAL APPROPRIATION . . . . .	\$1,631,627,000

31 The appropriations in this subsection are subject to the following  
 32 conditions and limitations:

33 (a) Individuals receiving services as supplemental security income  
 34 (SSI) state supplemental payments shall not become eligible for medical  
 35 assistance under RCW 74.09.510 due solely to the receipt of SSI state  
 36 supplemental payments.

1 (b) Amounts appropriated in this section reflect a reduction to  
2 funds appropriated for in-home care. The department shall reduce the  
3 number of in-home hours authorized. The reduction shall be scaled  
4 based on the acuity level of care recipients. The largest hour  
5 reductions shall be to lower acuity patients and the smallest hour  
6 reductions shall be to higher acuity patients.

7 (c) Amounts appropriated in this section are sufficient to develop  
8 and implement the use of a consistent, statewide outcome-based vendor  
9 contract for employment and day services by July 1, 2012. The rates  
10 paid to vendors under this contract shall also be made consistent. In  
11 its description of activities, the agency shall include activity  
12 listings and dollars appropriated for: Employment services, day  
13 services, child development services, and county administration of  
14 services to the developmentally disabled. The department shall begin  
15 reporting to the office of financial management on these activities in  
16 fiscal year 2010.

17 (d) \$14,241,000 of the general fund--state appropriation for fiscal  
18 year 2012, \$14,928,000 of the general fund--state appropriation for  
19 fiscal year 2013, and \$29,169,000 of the general fund--federal  
20 appropriation are provided solely for state contributions for  
21 individual provider health care benefits. Pursuant to the collective  
22 bargaining agreement negotiated with the exclusive bargaining  
23 representative of individual providers established under RCW  
24 74.39A.270, the state shall contribute to the multiemployer health  
25 benefits trust fund \$1.96 per paid hour worked by individual providers.

26 (e)(i) \$1,508,000 of the general fund--state appropriation for  
27 fiscal year 2012, \$1,608,000 of the general fund--state appropriation  
28 for fiscal year 2013, and \$3,117,000 of the general fund--federal  
29 appropriation are provided solely for home care agencies to purchase  
30 health coverage for home care providers. In order to negotiate the  
31 most comprehensive health benefits package for its employees, each  
32 agency may determine benefit levels according to the hours an employee  
33 works to provide state-funded personal care. At a minimum, employees  
34 who work 35 hours per week or greater must receive a comprehensive  
35 medical benefit. The department shall not pay an agency for benefits  
36 provided to an employee who otherwise receives health care coverage  
37 through other family members, other employment-based coverage, or  
38 military or veteran's coverage. The department shall require each home

1 care agency to annually review each of its employee's available health  
2 coverage and to provide a written declaration to the department  
3 verifying that health benefits purchased with public funds are solely  
4 for employees that do not have other available coverage. Home care  
5 agencies may determine a reasonable employee copremium not to exceed 20  
6 percent of the total benefit cost.

7 (ii) As an alternative, an agency provider who works a minimum of  
8 35 hours per week may select coverage in the basic health plan provided  
9 they meet all other eligibility requirements of the basic health plan.  
10 The department shall work cooperatively with the health care authority  
11 to facilitate enrollment of eligible home care agency providers. For  
12 eligible providers who chose coverage in the basic health plan, the  
13 department shall transfer the state's share of the premium to the  
14 health care authority on behalf of the provider.

15 (f) \$1,127,000 of the general fund--state appropriation for fiscal  
16 year 2012, \$1,199,000 of the general fund--state appropriation for  
17 fiscal year 2013, and \$2,322,000 of the general fund--federal  
18 appropriation are provided solely for the state's contribution to the  
19 training partnership, as provided in RCW 74.39A.360, for instructional  
20 costs associated with the training of individual providers. House Bill  
21 No. 1548 and Senate Bill No. 5473 (long-term care worker requirements)  
22 make statutory changes to the increased training requirements and  
23 therefore the state shall contribute to the partnership \$0.17 per paid  
24 hour worked by all home care workers. This amount is pursuant to the  
25 collective bargaining agreement negotiated with the exclusive  
26 bargaining representative of individual providers established under RCW  
27 74.39A.270. Expenditures for the purposes specified in this subsection  
28 shall not exceed the amounts provided in this subsection.

29 (g) \$475,000 of the general fund--state appropriation for fiscal  
30 year 2012, \$490,000 of the general fund--state appropriation for fiscal  
31 year 2013, and \$967,000 of the general fund--federal appropriation are  
32 provided solely to compensate individual providers who are not related  
33 to their clients and agency providers for time required to participate  
34 in enhanced mandatory basic training.

35 (h)(i) Within the amounts appropriated in this section, the  
36 department shall revise the current working age adult policy to allow  
37 clients to choose between employment and community access activities.  
38 Clients age 21 and older who are receiving services through a home- and

1 community-based medicaid waiver shall be offered the choice to  
2 transition to a community access program after nine months of  
3 enrollment in an employment program, and the option to transition from  
4 a community access program to an employment program at any time. The  
5 department shall inform clients and their legal representatives of all  
6 available options for employment and day services. Information  
7 provided to the client and the client's legal representative shall  
8 include the types of activities each service option provides, and the  
9 amount, scope, and duration of service for which the client would be  
10 eligible under each service option. An individual client may be  
11 authorized for only one service option, either employment services or  
12 community access services. Clients may not participate in more than  
13 one of these services at any given time.

14 (ii) The department shall work with counties and stakeholders to  
15 strengthen and expand the existing community access program. The  
16 program must emphasize support for the client so they are able to  
17 participate in activities that integrate them into their community and  
18 support independent living and skills.

19 (iii) The appropriation in this subsection includes funding to  
20 provide employment or community access services to 168 young adults  
21 with developmental disabilities living with their families who need  
22 employment opportunities and assistance after high school graduation.

23 (i) The department shall assess and determine whether it would be  
24 cost-efficient for the state to exercise the option made available  
25 under section 1915(k) of the federal social security act (42 U.S.C.  
26 Sec. 1396n(k)). If the department determines that it would be cost-  
27 efficient for the state to exercise the federal option, it shall  
28 prepare a proposal to provide home- and community-based attendant  
29 services and supports that include assistance with activities of daily  
30 living (ADL's), instrumental activities of daily living (IADL's), and  
31 health-related tasks pursuant to section 1915(k) of the federal social  
32 security act (42 U.S.C. Sec. 1396n(k)) and submit that plan to the  
33 legislature during the next legislative session.

34 (j) The division of developmental disabilities may transfer funds  
35 between the community services and institutional services programs for  
36 the purpose of facilitating the consolidation and closure of  
37 residential habilitation centers pursuant to Substitute Senate Bill No.

1 5459 (concerning transition services for people with developmental  
2 disabilities).

3 (k) \$3,000,000 of the general fund--state appropriation for fiscal

10 residential habilitation centers into the community. The funds may be  
11 used to provide community residential start-up costs, community  
12 provider payments, expansion of the current state operated living  
13 alternatives program, establishing new community residential capacity,  
14 providing crisis and respite services in the community, and other  
15 services and supports as necessary to facilitate transition.

16 (m) \$6,150,000 of the community residential investment account--  
17 state appropriation and \$6,150,000 of the general fund--federal  
18 appropriation are provided solely for increasing enrollment on the  
19 community-based medicaid waivers operated by the department and  
20 providing additional short-term crisis respite and regular respite for  
21 individuals with developmental disabilities and their families. Of the  
22 community residential investment account--state appropriation specified  
23 in this subsection, up to \$150,000 may be expended for a study that  
24 examines potential public use of the residential habilitation centers

35 increase of \$0.32 per medicaid patient day in fiscal year 2012 and  
36 \$0.91 per medicaid patient day in fiscal year 2013 to cover the license  
37 fee increase for publicly funded beds.

11           The appropriations in this section are subject to the following  
12 conditions and limitations:

13           (1) For purposes of implementing chapter 74.46 RCW, the weighted  
14 average nursing facility payment rate shall not exceed \$160.18 for  
15 fiscal year 2012 and shall not exceed \$165.36 for fiscal year 2013,  
16 except as provided in (a) of this subsection.

17           (a) The legislature assumes that any necessary state plan  
18 amendments and waivers requested from the federal centers for medicare  
19 and medicaid services in relation to the safety net assessment created  
20 by House Bill No. 1722 or Substitute Senate Bill No. 5581 (nursing home  
21 safety net assessment) will be approved and implemented. Accordingly,  
22 the weighted average nursing facility payment rate shall not exceed  
23 \$182.66 for fiscal year 2012 and shall not exceed \$188.63 for fiscal  
24 year 2013 including the rate add-ons described in (c), (d), and (e) of  
25 this subsection. However, if the safety net assessment created by  
26 House Bill No. 1722 or Substitute Senate Bill No. 5581 (nursing home  
27 safety net assessment) is not approved and implemented, the rate  
28 ceilings specified in this subsection (1)(a) are void.

29           (b) There will be no adjustments for economic trends and conditions  
30 in fiscal years 2012 and 2013. The economic trends and conditions  
31 factor or factors defined in the biennial appropriations act shall not  
32 be compounded with the economic trends and conditions factor or factors  
33 defined in any other biennial appropriations acts before applying it to  
34 the component rate allocations established in accordance with chapter  
35 74.46 RCW. When no economic trends and conditions factor for either  
36 fiscal year is defined in a biennial appropriations act, no economic  
37 trends and conditions factor or factors defined in any earlier biennial

1 appropriations act shall be applied solely or compounded to the  
2 component rate allocations established in accordance with chapter 74.46  
3 RCW.

4 (d) Within the funds provided, the department shall continue to  
5 provide an add-on per medicaid resident day per facility not to exceed  
6 \$1.57. The add-on shall be used to increase wages, benefits, and/or  
7 staffing levels for certified nurse aides; or to increase wages and/or  
8 benefits for dietary aides, housekeepers, laundry aides, or any other  
9 category of worker whose statewide average dollars-per-hour wage was  
10 less than \$15 in calendar year 2008, according to cost report data.  
11 The add-on may also be used to address resulting wage compression for  
12 related job classes immediately affected by wage increases to low-wage  
13 workers. The department shall continue reporting requirements and a  
14 settlement process to ensure that the funds are spent according to this  
15 subsection.

16 (d) \$15,903,000 of the skilled nursing facility safety net  
17 assessment fund--state appropriation and \$15,903,000 of the general  
18 fund--federal appropriation are provided solely for an acuity-based  
19 add-on to the direct care rate. The department shall determine the  
20 resident acuity add-on pursuant to House Bill No. 1722 or Substitute  
21 Senate Bill No. 5581 (nursing home safety net assessment) using a nine  
22 percent add-on for facilities in the highest acuity quartile, a six  
23 percent add-on for facilities in the next quartile, three percent for  
24 facilities in the next quartile, and a negative one percent add-on for  
25 facilities in the lowest acuity quartile.

26 (e) \$34,444,000 of the skilled nursing facility safety net  
27 assessment fund--state appropriation and \$34,444,000 of the general  
28 fund--federal appropriation are provided solely for a rate enhancement  
29 available to all nursing facilities participating in the state's  
30 medicaid program. The add-on shall be calculated as follows: Seven  
31 percent add-on to the direct care rate and five percent add-on to each  
32 of the therapy care, support services, and operations components. If  
33 House Bill No. 1722 or Substitute Senate Bill No. 5581 (nursing home  
34 safety net assessment) is not enacted, the amounts provided in this  
35 subsection shall lapse.

36 (f) The department shall provide a medicaid rate add-on to  
37 reimburse the medicaid share of the skilled nursing facility safety net

1 assessment as a medicaid allowable cost. The nursing facility safety  
2 net rate add-on may not be included in the calculation of the annual  
3 statewide weighted average nursing facility payment rate.

4 (g) If the waiver requested from the federal centers for medicare  
5 and medicaid services in relation to the safety net assessment created  
6 by House Bill No. 1722 or Substitute Senate Bill No. 5581 (nursing home  
7 safety net assessment) is for any reason not approved and implemented,  
8 (d), (e), and (f) of this subsection do not apply.

9 (h) The rate add-ons provided in (d) and (e) of this subsection are  
10 discretionary and are provided in addition to the base nursing facility  
11 rate. The legislature has examined actual nursing facility cost  
12 information and the legislature finds that the nursing facility rates  
13 funded pursuant to the budget dials specified in this subsection (1),  
14 excluding (a) of this subsection (1), are sufficient to reimburse  
15 efficient and economically operating homes. The legislature's choice  
16 to fund the add-ons specified in subsections (d) and (e) of this  
17 subsection in any year is not indicative of an obligation to fund the  
18 add-ons in any subsequent year.

19 (2) In accordance with chapter 74.46 RCW, the department shall  
20 issue no additional certificates of capital authorization for fiscal  
21 year 2012 and no new certificates of capital authorization for fiscal  
22 year 2013 and shall grant no rate add-ons to payment rates for capital  
23 improvements not requiring a certificate of need and a certificate of  
24 capital authorization for fiscal years 2012 and 2013.

25 (3) The long-term care program may develop and pay enhanced rates  
26 for exceptional care to nursing homes for persons with traumatic brain  
27 injuries who are transitioning from hospital care. The cost per  
28 patient day for caring for these clients in a nursing home setting may  
29 be equal to or less than the cost of caring for these clients in a  
30 hospital setting.

31 (4) Amounts appropriated in this section reflect a reduction to  
32 funds appropriated for in-home care. The department shall reduce the  
33 number of in-home hours authorized. The reduction shall be scaled  
34 based on the acuity level of care recipients. The largest hour  
35 reductions shall be to lower acuity patients and the smallest hour  
36 reductions shall be to higher acuity patients.

37 (5) \$27,279,000 of the general fund--state appropriation for fiscal  
38 year 2012, \$28,827,000 of the general fund--state appropriation for

1 fiscal year 2013, and \$56,106,000 of the general fund--federal  
2 appropriation are provided solely for state contributions for  
3 individual provider health care benefits. Pursuant to the collective  
4 bargaining agreement negotiated with the exclusive bargaining  
5 representative of individual providers established under RCW  
6 74.39A.270, the state shall contribute to the multiemployer health  
7 benefits trust fund \$1.96 per paid hour worked by individual providers.

8 (6)(a) \$13,575,000 of the general fund--state appropriation for  
9 fiscal year 2012, \$14,476,000 of the general fund--state appropriation  
10 for fiscal year 2013, and \$28,053,000 of the general fund--federal  
11 appropriation are provided solely for health coverage for home care  
12 agency providers. In order to negotiate the most comprehensive health  
13 benefits package for its employees, each agency may determine benefit  
14 levels according to the hours an employee works to provide state-funded  
15 personal care. At a minimum, employees who work 35 hours a week or  
16 greater must receive a comprehensive medical benefit. The department  
17 shall not pay an agency for benefits provided to an employee who  
18 otherwise receives health care coverage through other family members,  
19 other employment-based coverage, or military or veteran's coverage.  
20 The department shall require annually, each home care agency to review  
21 each of its employee's available health coverage and to provide a  
22 written declaration to the department verifying that health benefits  
23 purchased with public funds are solely for employees that do not have  
24 other available coverage. Home care agencies may determine a  
25 reasonable employee copremium not to exceed 20 percent of the total  
26 benefit cost.

27 (b) As an alternative, an agency provider who works a minimum of 35  
28 hours per week may select coverage in the basic health plan provided  
29 they meet all other eligibility requirements for the basic health plan.  
30 The department of social and health services shall work cooperatively  
31 with the health care authority to facilitate enrollment of eligible  
32 home care agency providers. For eligible providers who chose coverage  
33 in the basic health plan, the department shall transfer the state's  
34 share of the premium to the health care authority on behalf of the  
35 provider.

36 (7) \$2,063,000 of the general fund--state appropriation for fiscal  
37 year 2012, \$2,195,000 of the general fund--state appropriation for  
38 fiscal year 2013, and \$4,260,000 of the general fund--federal

1 appropriation are provided solely for the state's contribution to the  
2 training partnership, as provided in RCW 74.39A.360, for instructional  
3 costs associated with the training of individual providers. House Bill  
4 No. 1548 and Senate Bill No. 5473 (long-term care worker requirements)  
5 make statutory changes to the increased training requirements and  
6 therefore the state shall contribute to the partnership \$0.17 per paid  
7 hour worked by all home care workers. This amount is pursuant to the  
8 collective bargaining agreement negotiated with the exclusive  
9 bargaining representative of individual providers established under RCW  
10 74.39A.270. Expenditures for the purposes specified in this subsection  
11 shall not exceed the amounts provided in this subsection.

12 (8) \$1,775,000 of the general fund--state appropriation for fiscal  
13 year 2012, \$1,866,000 of the general fund--state appropriation for  
14 fiscal year 2013, and \$3,642,000 of the general fund--federal  
15 appropriation are provided solely to compensate individual providers  
16 who are not related to their clients and agency providers for time  
17 required to participate in enhanced mandatory basic training.

18 (9) Individuals receiving services as supplemental security income  
19 (SSI) state supplemental payments shall not become eligible for medical  
20 assistance under RCW 74.09.510 due solely to the receipt of SSI state  
21 supplemental payments.

22 (10) The department shall assess and determine whether it would be  
23 cost-efficient for the state to exercise the option made available  
24 under section 1915(k) of the federal social security act (42 U.S.C.  
25 Sec. 1396n(k)). If the department determines that it would be cost  
26 efficient for the state to exercise the federal option, it shall  
27 prepare a proposal to provide home- and community-based attendant  
28 services and supports that include assistance with activities of daily  
29 living (ADL's), instrumental activities of daily living (IADL's), and  
30 health-related tasks pursuant to section 1915(k) of the federal social  
31 security act (42 U.S.C. Sec. 1396n(k)) and submit that plan to the  
32 legislature during the subsequent legislative session.

33 (11) The department shall eliminate the adult day health program  
34 under the state plan 1915(i) option and shall reestablish it under the  
35 long-term care home and community-based waiver. The department shall  
36 also establish a day services option under the developmental  
37 disabilities home and community-based service waivers.

1 (12) \$4,588,000 of the general fund--state appropriation for fiscal  
2 year 2012, \$4,559,000 of the general fund--state appropriation for  
3 fiscal year 2013, and \$9,237,000 of the general fund--federal  
4 appropriation are provided solely for the continued operation of  
5 community residential and support services for persons who are older  
6 adults or who have co-occurring medical and behavioral disorders and  
7 who have been discharged or diverted from a state psychiatric hospital.  
8 These funds shall be used to serve individuals whose treatment needs  
9 constitute substantial barriers to community placement, who no longer  
10 require active psychiatric treatment at an inpatient hospital level of  
11 care, and who no longer meet the criteria for inpatient involuntary  
12 commitment.

13 (13) \$1,840,000 of the general fund--state appropriation for fiscal  
14 year 2012 and \$1,877,000 of the general fund--state appropriation for  
15 fiscal year 2013 are provided solely for operation of the volunteer  
16 services program. Funding shall be prioritized towards serving  
17 populations traditionally served by long-term care services to include  
18 senior citizens and persons with disabilities.

19 (14) In accordance with Substitute Senate Bill No. 5092 (licensed  
20 settings for vulnerable adults) nursing facility and adult family home  
21 fees are increased in fiscal years 2012 and 2013 as specified in this  
22 subsection to support the costs of conducting licensure, inspection,  
23 and regulatory programs.

24 (a) The current annual renewal license fee for nursing facilities  
25 shall be increased to \$359 per bed beginning in fiscal year 2012 and  
26 assumes \$517,000 of the general fund--private/local appropriation.  
27 Nursing facilities shall receive a vendor rate increase of \$0.08 per  
28 medicaid patient day to cover the license fee increase for publicly  
29 funded beds.

30 (b) The current annual renewal license fee for adult family homes  
31 shall be increased to \$136 per bed in fiscal year 2012 and \$350 per bed  
32 in fiscal year 2013. Adult family homes shall receive a corresponding  
33 vendor rate increase of \$0.32 per medicaid patient day in fiscal year  
34 2012 and \$0.91 per medicaid patient day in fiscal year 2013 to cover  
35 the license fee increase for publicly funded beds.

36 (c) \$338,000 of the general fund--state appropriation for fiscal  
37 year 2012, \$370,000 of the general fund--state appropriation for fiscal  
38 year 2013, and \$708,000 of the general fund--federal appropriation are

1 provided solely for sections 501, 502, and 503 of Second Substitute  
2 Senate Bill No. 5092 (licensed settings for vulnerable adults) for  
3 additional investigative resources to address complaints about provider  
4 practices as well as alleged abuse, neglect, abandonment, and  
5 exploitation of residents in adult family homes. The department shall  
6 develop a statewide internal quality review and accountability program  
7 to improve the accountability of staff and the consistent application  
8 of investigative activities, and shall provide information and support  
9 to the long-term care ombudsman's adult family home quality assurance  
10 panel. If Second Substitute Senate Bill No. 5092 (licensed settings  
11 for vulnerable adults) is not enacted by June 30, 2011, the amounts  
12 provided in this subsection shall lapse.

13 (15) \$3,316,000 of the traumatic brain injury account--state  
14 appropriation is provided solely to continue services for persons with  
15 traumatic brain injury (TBI) as defined in Substitute House Bill No.  
16 1614 (traumatic brain injury strategic partnership).

17 (16) The department is authorized to place long-term care clients  
18 residing in nursing homes and paid for with state only funds into less  
19 restrictive community care settings while continuing to meet the  
20 client's care needs.

17 jointly coordinate referrals and eligibility for the disability  
18 lifeline--expedited housing component clients.

19 (6) To ensure expenditures remain within available funds  
20 appropriated in this section, the legislature establishes the benefit  
21 under the state food assistance program, pursuant to RCW 74.08A.120, to  
22 be fifty percent of the federal supplemental nutrition assistance  
23 program benefit amount.

24 (7) The appropriations in this section reflect reductions in the  
25 appropriations for the economic services administration's  
26 administrative expenses. It is the intent of the legislature that  
27 these reductions shall be achieved, to the greatest extent possible, by  
28 reducing those administrative costs that do not affect direct client  
29 services or direct service delivery or program.

34	General Fund--Federal Appropriation . . . . .	\$139,221,000
35	General Fund--Private/Local Appropriation . . . . .	\$2,086,000

1 Problem Gambling Account--State Appropriation . . . . . \$1,455,000  
2 TOTAL APPROPRIATION . . . . . \$311,148,000

3 The appropriations in this section are subject to the following  
4 conditions and limitations:

5 (1) Within the amounts appropriated in this section, the department  
6 may contract with the University of Washington and community-based  
7 providers for the provision of the parent-child assistance program.  
8 For all contractors, indirect charges for administering the program  
9 shall not exceed ten percent of the total contract amount.

10 (2) Within the amounts appropriated in this section, the department  
11 shall continue to provide for chemical dependency treatment services  
12 for adult medicaid eligible, pregnant and parenting women, disability  
13 lifeline, and alcoholism and drug addiction treatment and support act  
14 patients.

15 (3) In accordance with RCW 70.96A.090 and 43.135.055, the  
16 department is authorized to increase fees for the review and approval  
17 of treatment programs in fiscal years 2012 and 2013 as necessary to  
18 support the costs of the regulatory program. The department's fee

21 have substantially equivalent standards to those of the department,  
22 including but not limited to the joint commission on accreditation of  
23 health care organizations, the commission on accreditation of  
24 rehabilitation facilities, and the council on accreditation. To  
25 reflect the reduced costs associated with regulation of accredited  
26 programs, the department's fees for organizations with such proof of  
27 accreditation must reflect the lower cost of licensing for these  
28 programs than for other organizations which are not accredited.

29 (4) \$3,500,000 of the general fund--federal appropriation (from the  
30 substance abuse prevention and treatment federal block grant) is  
31 provided solely for the continued funding of existing county drug and  
32 alcohol use prevention programs.

36 General Fund--State Appropriation (FY 2013) . . . . . \$2,208,403,000  
37 General Fund--Federal Appropriation . . . . . \$5,519,072,000

1	General Fund--Private/Local Appropriation . . . . .	\$57,771,000

5	Appropriation . . . . .	\$404,438,000
6	Medicaid Fraud Penalty Account--State Appropriation . . . .	\$15,182,000
7	TOTAL APPROPRIATION . . . . .	\$10,362,483,000

8       The appropriations in this section are subject to the following  
9 conditions and limitations:

10       (1) Based on quarterly expenditure reports and caseload forecasts,  
11 if the department estimates that expenditures for the medical  
12 assistance program will exceed the appropriations, the department shall  
13 take steps including but not limited to reduction of rates or  
14 elimination of optional services to reduce expenditures so that total  
15 program costs do not exceed the annual appropriation authority.

16       (2) In determining financial eligibility for medicaid-funded  
17 services, the department is authorized to disregard recoveries by  
18 Holocaust survivors of insurance proceeds or other assets, as defined  
19 in RCW 48.104.030.

20       (3) The legislature affirms that it is in the state's interest for  
21 Harborview medical center to remain an economically viable component of  
22 the state's health care system.

23       (4) When a person is ineligible for medicaid solely by reason of  
24 residence in an institution for mental diseases, the department shall  
25 provide the person with the same benefits as he or she would receive if  
26 eligible for medicaid, using state-only funds to the extent necessary.

27       (5) \$7,102,000 of the general fund--state appropriation for fiscal  
28 year 2012, \$7,102,000 of the general fund--state appropriation for  
29 fiscal year 2013, and \$14,204,000 of the general fund--federal  
30 appropriation are provided solely for low-income care disproportionate  
31 share hospital payments under RCW 74.09.730(1)(a). In the formula by  
32 which this appropriation is distributed, the department shall  
33 discontinue use of the case mix adjustment factor.

34       (6) \$6,000,000 of the general fund--federal appropriation is  
35 provided solely for supplemental payments to nursing homes operated by  
36 public hospital districts. The public hospital district shall be  
37 responsible for providing the required nonfederal match for the  
38 supplemental payment, and the payments shall not exceed the maximum

1 allowable under federal rules. It is the legislature's intent that the  
2 payments shall be supplemental to and shall not in any way offset or  
3 reduce the payments calculated and provided in accordance with part E  
4 of chapter 74.46 RCW. It is the legislature's further intent that  
5 costs otherwise allowable for rate-setting and settlement against  
6 payments under chapter 74.46 RCW shall not be disallowed solely because  
7 such costs have been paid by revenues retained by the nursing home from  
8 these supplemental payments. The supplemental payments are subject to  
9 retrospective interim and final cost settlements based on the nursing  
10 homes' as-filed and final medicare cost reports. The timing of the  
11 interim and final cost settlements shall be at the health care  
12 authority's discretion. During either the interim cost settlement or  
13 the final cost settlement, the department shall recoup from the public  
14 hospital districts the supplemental payments that exceed the medicaid  
15 cost limit and/or the medicare upper payment limit. The health care  
16 authority shall apply federal rules for identifying the eligible  
17 incurred medicaid costs and the medicare upper payment limit.

18 (7) The department shall continue the inpatient hospital certified  
19 public expenditures program for the 2011-2013 fiscal biennium. The  
20 program shall apply to all public hospitals, including those owned or  
21 operated by the state, except those classified as critical access  
22 hospitals or state psychiatric institutions. The department shall  
23 submit reports to the governor and legislature by November 1, 2011, and  
24 by November 1, 2012, that evaluate whether savings continue to exceed  
25 costs for this program. If the certified public expenditures (CPE)  
26 program in its current form is no longer cost-effective to maintain,  
27 the department shall submit a report to the governor and legislature  
28 detailing cost-effective alternative uses of local, state, and federal  
29 resources as a replacement for this program. During fiscal year 2012  
30 and fiscal year 2013, hospitals in the program shall be paid and shall  
31 retain one hundred percent of the federal portion of the allowable  
32 hospital cost for each medicaid inpatient fee-for-service claim payable  
33 by medical assistance and one hundred percent of the federal portion of  
34 the maximum disproportionate share hospital payment allowable under  
35 federal regulations. Inpatient medicaid payments shall be established  
36 using an allowable methodology that approximates the cost of claims  
37 submitted by the hospitals. Payments made to each hospital in the  
38 program in each fiscal year of the biennium shall be compared to a

1 baseline amount. The baseline amount will be determined by the total  
2 of (a) the inpatient claim payment amounts that would have been paid  
3 during the fiscal year had the hospital not been in the CPE program  
4 based on the reimbursement rates developed, implemented, and consistent  
5 with policies approved in the 2011-13 biennial operating appropriations  
6 act and in effect on July 1, 2011, (b) one half of the indigent  
7 assistance disproportionate share hospital payment amounts paid to and  
8 retained by each hospital during fiscal year 2005, and (c) all of the  
9 other disproportionate share hospital payment amounts paid to and  
10 retained by each hospital during fiscal year 2005 to the extent the  
11 same disproportionate share hospital programs exist in the 2011-13  
12 biennium. If payments during the fiscal year exceed the hospital's  
13 baseline amount, no additional payments will be made to the hospital  
14 except the federal portion of allowable disproportionate share hospital  
15 payments for which the hospital can certify allowable match. If  
16 payments during the fiscal year are less than the baseline amount, the  
17 hospital will be paid a state grant equal to the difference between  
18 payments during the fiscal year and the applicable baseline amount.  
19 Payment of the state grant shall be made in the applicable fiscal year  
20 and distributed in monthly payments. The grants will be recalculated  
21 and redistributed as the baseline is updated during the fiscal year.  
22 The grant payments are subject to an interim settlement within eleven  
23 months after the end of the fiscal year. A final settlement shall be  
24 performed. To the extent that either settlement determines that a  
25 hospital has received funds in excess of what it would have received as  
26 described in this subsection, the hospital must repay the excess  
27 amounts to the state when requested. \$32,673,000 of the general  
28 fund--state appropriation for fiscal year 2012, of which \$6,570,000 is  
29 appropriated in section 204(1) of this act, and \$29,693,000 of the  
30 general fund--state appropriation for fiscal year 2013, of which  
31 \$6,570,000 is appropriated in section 204(1) of this act, are provided  
32 solely for state grants for the participating hospitals. CPE hospitals  
33 will receive the inpatient and outpatient reimbursement rate  
34 restorations in RCW 74.60.080 and rate increases in RCW 74.60.090  
35 funded through the hospital safety net assessment fund rather than  
36 through the baseline mechanism specified in this subsection.

37 (8) The contract with the managed care plan to provide services for  
38 disability lifeline clients shall be designed to incentivize care in

1 the most appropriate setting, including maximizing primary care- based  
2 services and optimizing appropriate hospital utilization and savings.  
3 The department may include shared savings or other risk sharing  
4 arrangements in the contract with the managed care plan in order to  
5 incentivize aggressive management of hospital services, including prior  
6 authorization, concurrent review, and discharge planning. In  
7 determining the allocation of shared savings, the health care authority  
8 shall consider the appropriate balance between incentivizing aggressive  
9 management of hospital services by the managed care plan and realizing  
10 budgetary savings from the state's investment in the inclusion of care  
11 management and mental health services in the managed care contract.

12 (9) The department shall evaluate the impact of the use of a  
13 managed care delivery and financing system on state costs and outcomes  
14 for lifeline medical clients. Outcomes measured shall include state  
15 costs, utilization, changes in mental health status and symptoms, and  
16 involvement in the criminal justice system.

17 (10) The department shall seek public-private partnerships and  
18 federal funds that are or may become available to provide on-going  
19 support for outreach and education efforts under the federal children's  
20 health insurance program reauthorization act of 2009.

21 (11) The department shall target funding for maternity support  
22 services towards pregnant women with factors that lead to higher rates  
23 of poor birth outcomes, including hypertension, a preterm or low birth  
24 weight birth in the most recent previous birth, a cognitive deficit or  
25 developmental disability, substance abuse, severe mental illness,  
26 unhealthy weight or failure to gain weight, tobacco use, or African  
27 American or Native American race. The department shall prioritize  
28 evidence-based practices for delivery of maternity support services.  
29 To the extent practicable, the department shall develop a mechanism to  
30 increase federal funding for maternity support services by leveraging  
31 local public funding for those services.

33 federal poverty level in the state-funded children's health program for  
34 children who are not eligible for coverage under the federally funded  
35 children's health insurance program, premiums shall be set every two  
36 years in an amount equal to the average state-only share of the per  
37 capita cost of coverage in the state-funded children's health program

1 for children in families with incomes at or less than two hundred  
2 percent of the federal poverty level.

24 atypical antipsychotics and other medications commonly used in the  
25 treatment of severe and persistent mental illnesses among adults. The

27 centers, other major prescribers of atypical antipsychotic medications

30 Washington department of psychiatry and/or other research universities.

35 their prescriptive practices and their patients' medication use and  
36 adherence relative to evidence-based practices guidelines, other  
37 prescribers, and patients at other clinics; and in-service seminars at  
38 which participants can share and increase their knowledge of evidence-

1 based and other effective prescriptive practices. The department shall  
2 enter into an interagency agreement with the office of the attorney  
3 general for expenditure of \$300,000 of the state's proceeds of the cy

3 utilization to less expensive, equally effective formulations.

30 materials, equipment, or other nonconsumable supplies for students' use  
31 in ALE programs if the purchase is consistent with laws and rules and  
32 made in the same manner as such purchases are made for students in the  
33 district's non-ALE program. Items so purchased remain the property of  
34 the school district upon ALE program completion. These requirements in  
35 this subsection extend to private and multidistrict cooperative ALE  
36 providers, and each district shall be responsible for monitoring the  
37 compliance of its ALE providers with this subsection.

1 (c) The superintendent of public instruction shall require all  
2 districts receiving general apportionment funding for alternative  
3 learning experience (ALE) programs as defined in WAC 392-121-182 to  
4 provide separate financial accounting of expenditures for the ALE  
5 programs offered in district or with a provider, including but not  
6 limited to private companies and multidistrict cooperatives, as well as  
7 accurate, monthly headcount and FTE enrollment claimed for basic  
8 education, including separate counts of resident and nonresident  
9 students.

10 (d) Beginning in the 2011-12 school year, school districts are  
11 exempt from the requirements of RCW 28A.150.100(2) for that portion of  
12 their annual average full-time equivalent enrollment in ALE programs as  
13 defined in WAC 392-121-182.

14 (11) ADDITIONAL FUNDING FOR SMALL SCHOOL DISTRICTS AND REMOTE AND  
15 NECESSARY PLANTS

16 For small school districts and remote and necessary school plants  
17 within any district which have been judged to be remote and necessary  
18 by the state board of education, and based on funding allocations per  
19 annual average full-time equivalent student additional staff units are  
20 provided to ensure a minimum level of staffing support. Additional  
21 administrative and certificated instructional staff units provided to  
22 districts in this subsection shall be reduced by the staff units  
23 otherwise provided in subsections (2) through (5) of this section on a  
24 per district basis.

25 (a) For districts enrolling not more than twenty-five average  
26 annual full-time equivalent students in grades K-8, and for small  
27 school plants within any school district which have been judged to be  
28 remote and necessary by the state board of education and enroll not  
29 more than twenty-five average annual full-time equivalent students in  
30 grades K-8:

31 (i) For those enrolling no students in grades 7 and 8, 1.76  
32 certificated instructional staff units and 0.24 certificated  
33 administrative staff units for enrollment of not more than five  
34 students, plus one-twentieth of a certificated instructional staff unit  
35 for each additional student enrolled; and

36 (ii) For those enrolling students in grades 7 or 8, 1.68  
37 certificated instructional staff units and 0.32 certificated

1 administrative staff units for enrollment of not more than five  
2 students, plus one-tenth of a certificated instructional staff unit for  
3 each additional student enrolled;

4 (b) For specified enrollments in districts enrolling more than  
5 twenty-five but not more than one hundred average annual full-time  
6 equivalent students in grades K-8, and for small school plants within  
7 any school district which enroll more than twenty-five average annual  
8 full-time equivalent students in grades K-8 and have been judged to be  
9 remote and necessary by the state board of education:

10 (i) For enrollment of up to sixty annual average full-time  
11 equivalent students in grades K-6, 2.76 certificated instructional  
12 staff units and 0.24 certificated administrative staff units; and

13 (ii) For enrollment of up to twenty annual average full-time  
14 equivalent students in grades 7 and 8, 0.92 certificated instructional  
15 staff units and 0.08 certificated administrative staff units;

16 (c) For districts operating no more than two high schools with  
17 enrollments of less than three hundred average annual full-time  
18 equivalent students, for enrollment in grades 9-12 in each such school,  
19 other than alternative schools:

20 (i) For remote and necessary schools enrolling students in any  
21 grades 9-12 but no more than twenty-five average annual full-time  
22 equivalent students in grades K-12, four and one-half certificated  
23 instructional staff units and one-quarter of a certificated  
24 administrative staff unit;

25 (ii) For all other small high schools under this subsection, nine  
26 certificated instructional staff units and one-half of a certificated  
27 administrative staff unit for the first sixty average annual full-time  
28 equivalent students, and additional staff units based on a ratio of  
29 0.8732 certificated instructional staff units and 0.1268 certificated  
30 administrative staff units per each additional forty-three and one-half  
31 average annual full-time equivalent students;

32 (d) For each nonhigh school district having an enrollment of more  
33 than seventy annual average full-time equivalent students and less than  
34 one hundred eighty students, operating a grades K-8 program or a grades  
35 1-8 program, an additional one-half of a certificated instructional  
36 staff unit;

37 (e) For each nonhigh school district having an enrollment of more  
38 than fifty annual average full-time equivalent students and less than

1 one hundred eighty students, operating a grades K-6 program or a grades

7 (ii) For each nonhigh school district with an enrollment of more  
8 than fifty annual average full-time equivalent students and less than  
9 one hundred eighty students, an additional one-half of a classified  
10 staff unit; and

11 (g) School districts receiving additional staff units to support  
12 small student enrollments and remote and necessary plants under this  
13 subsection (11) shall generate additional MSOC allocations consistent  
14 with the nonemployee related costs (NERC) allocation formula in place  
15 for the 2010-11 school year as provided section 502, chapter 37, Laws  
16 of 2010 1st sp. sess. (2010 supplemental budget), adjusted annually for  
17 inflation.

18 (12) Any school district board of directors may petition the  
19 superintendent of public instruction by submission of a resolution  
20 adopted in a public meeting to reduce or delay any portion of its basic  
21 education allocation for any school year. The superintendent of public  
22 instruction shall approve such reduction or delay if it does not impair  
23 the district's financial condition. Any delay shall not be for more  
24 than two school years. Any reduction or delay shall have no impact on  
25 levy authority pursuant to RCW 84.52.0531 and local effort assistance  
26 pursuant to chapter 28A.500 RCW.

27 (13) The superintendent may distribute a maximum of \$2,060,000  
28 outside the basic education formula during fiscal years 2012 and 2013  
29 as follows:

30 (a) \$589,000 of the general fund--state appropriation for fiscal  
31 year 2012 and \$599,000 of the general fund--state appropriation for  
32 fiscal year 2013 are provided solely for fire protection for school  
33 districts located in a fire protection district as now or hereafter  
34 established pursuant to chapter 52.04 RCW.

35 (b) \$436,000 of the general fund--state appropriation for fiscal  
36 year 2012 and \$436,000 of the general fund--state appropriation for  
37 fiscal year 2013 are provided solely for programs providing skills  
38 training for secondary students who are enrolled in extended day

1 school-to-work programs, as approved by the superintendent of public  
2 instruction. The funds shall be allocated at a rate not to exceed \$500  
3 per full-time equivalent student enrolled in those programs.

4 (c) Funding in this section is sufficient to fund adjustments to  
5 school districts' allocations resulting from the implementation of the  
6 prototypical school funding formula, pursuant to chapter 236, Laws of  
7 2010 (K-12 education funding). The funding in this section is intended  
8 to hold school districts harmless in total for funding changes  
9 resulting from conversion to the prototypical school formula in the  
10 general apportionment program, the learning assistance program, the  
11 transitional bilingual program, and the highly capable program, after  
12 adjustment for changes in enrollment and other caseload adjustments.

13 (14) \$208,000 of the general fund--state appropriation for fiscal  
14 year 2012 and \$211,000 of the general fund--state appropriation for  
15 fiscal year 2013 are provided solely for school district emergencies as  
16 certified by the superintendent of public instruction. At the close of  
17 the fiscal year the superintendent of public instruction shall report  
18 to the office of financial management and the appropriate fiscal  
19 committees of the legislature on the allocations provided to districts  
20 and the nature of the emergency.

21 (15) Amounts in this section include adjustments made by the  
22 superintendent of public instruction for the repayment of financial  
23 contingency funds allocated in fiscal year 2011, as specified in  
24 section 1402(14) of this act. For any amount allocated to a district  
25 in state fiscal year 2011, the superintendent of public instruction  
26 shall deduct in state fiscal year 2012 from the district's general  
27 apportionment the amount of the emergency contingency allocation and  
28 any earnings by the school district on the investment of a temporary  
29 cash surplus due to the emergency contingency allocation. Repayments  
30 or advances will be accomplished by a reduction in the school  
31 district's apportionment payments on or before June 30th of the school  
32 year following the distribution of the emergency contingency  
33 allocation. All disbursements, repayments, and outstanding allocations  
34 to be repaid of the emergency contingency pool shall be reported to the  
35 office of financial management and the appropriate fiscal committees of  
36 the legislature on July 1st and January 1st of each year.

37 (16) \$5,000,000 of the general fund--state appropriation for fiscal  
38 year 2012 and \$5,000,000 of the general fund--state appropriation for

1 fiscal year 2013 are provided solely for a K-12 salary reduction  
2 mitigation pool for public school employees allocated an annual base  
3 state funded salary, not including benefits, of less than or equal to  
4 \$30,000 per full-time equivalent staff. To the extent appropriations  
5 in this subsection are sufficient, funds shall be distributed to  
6 proportionately to restore state-funded base allocations, but in no  
7 case shall distributions exceed \$900 per year per full-time equivalent  
8 staff.

9 (17) Funding in this section is sufficient to fund a maximum of 1.6  
10 FTE enrollment for skills center students pursuant to chapter 463, Laws  
11 of 2007.

12 (18) Beginning in the 2011-12 school year, students participating  
13 in running start programs may be funded up to a combined maximum  
14 enrollment of 1.2 FTE including school district and institution of  
15 higher education enrollment. Additionally, the office of the  
16 superintendent of public instruction, in consultation with the state  
17 board for community and technical colleges, the higher education  
18 coordinating board, and the education data center, shall annually track  
19 and report to the fiscal committees of the legislature on the combined  
20 FTE experience of students participating in the running start program,  
21 including course load analyses at both the high school and community  
22 and technical college system.

23 (19) If two or more school districts consolidate and each district  
24 was receiving additional basic education formula staff units pursuant  
25 to subsection (11) of this section, the following apply:

26 (a) For three school years following consolidation, the number of  
27 basic education formula staff units shall not be less than the number  
28 of basic education formula staff units received by the districts in the  
29 school year prior to the consolidation; and

30 (b) For the fourth through eighth school years following  
31 consolidation, the difference between the basic education formula staff  
32 units received by the districts for the school year prior to  
33 consolidation and the basic education formula staff units after  
34 consolidation pursuant to subsection (11) of this section shall be  
35 reduced in increments of twenty percent per year.

36 (20)(a) Indirect cost charges by a school district to approved  
37 career and technical education middle and secondary programs shall not  
38 exceed 15 percent of the combined basic education and career and

1 technical education program enhancement allocations of state funds.  
2 Middle and secondary career and technical education programs are  
3 considered separate programs for funding and financial reporting  
4 purposes under this section.

5 (b) Career and technical education program full-time equivalent  
6 enrollment shall be reported on the same monthly basis as the  
7 enrollment for students eligible for basic support, and payments shall  
8 be adjusted for reported career and technical education program  
9 enrollments on the same monthly basis as those adjustments for  
10 enrollment for students eligible for basic support.

11 NEW SECTION. **Sec. 503. FOR THE SUPERINTENDENT OF PUBLIC**  
12 **INSTRUCTION--BASIC EDUCATION EMPLOYEE COMPENSATION**

13 (1) The following calculations determine the salaries used in the  
14 state allocations for certificated instructional, certificated  
15 administrative, and classified staff units as provided in RCW  
16 28A.150.280 and under section 503 of this act:

17 (a) Salary allocations for certificated instructional staff units  
18 are determined for each district by multiplying the district's  
19 certificated instructional total base salary shown on LEAP Document 2  
20 by the district's average staff mix factor for certificated  
21 instructional staff in that school year, computed using LEAP document  
22 1; and

23 (b) Salary allocations for certificated administrative staff units  
24 and classified staff units for each district are determined based on  
25 the district's certificated administrative and classified salary  
26 allocation amounts shown on LEAP Document 2.

27 (2) For the purposes of this section:

28 (a) "LEAP Document 1" means the staff mix factors for certificated  
29 instructional staff according to education and years of experience, as  
30 developed by the legislative evaluation and accountability program  
31 committee on April 11, 2011, at 11:11 hours; and

32 (b) "LEAP Document 2" means the school year salary allocations for  
33 certificated administrative staff and classified staff and derived and  
34 total base salaries for certificated instructional staff as developed  
35 by the legislative evaluation and accountability program committee on  
36 April 11, 2011, at 11:11 hours.

1 (3) Incremental fringe benefit factors are applied to salary  
 2 adjustments at a rate of 15.66 percent for school year 2011-12 and  
 3 15.66 percent for school year 2012-13 for certificated instructional  
 4 and certificated administrative staff and 15.19 percent for school year  
 5 2011-12 and 15.20 percent for the 2012-13 school year for classified  
 6 staff.

7 (4)(a) Pursuant to RCW 28A.150.410, the following state-wide salary  
 8 allocation schedules for certificated instructional staff are  
 9 established for basic education salary allocations:

20 NEW SECTION.      **Sec. 504.      FOR THE SUPERINTENDENT OF PUBLIC**

21 **INSTRUCTION--FOR SCHOOL EMPLOYEE COMPENSATION ADJUSTMENTS**

22	General Fund--State Appropriation (FY 2012) . . . . .	\$2,170,000
23	General Fund--State Appropriation (FY 2013) . . . . .	\$6,481,000
24	General Fund--Federal Appropriation . . . . .	\$2,000
25	TOTAL APPROPRIATION . . . . .	\$8,653,000

26 The appropriations in this section are subject to the following

27 conditions and limitations:

28 (1)(a) Additional salary adjustments as necessary to fund the base

29 salaries for certificated instructional staff as listed for each

30 district in LEAP Document 2, defined in section 503(2)(b) of this act.

31 Allocations for these salary adjustments shall be provided to all

32 districts that are not grandfathered to receive salary allocations

33 above the statewide salary allocation schedule, and to certain

34 grandfathered districts to the extent necessary to ensure that salary

35 allocations for districts that are currently grandfathered do not fall

36 below the statewide salary allocation schedule.

1 (b) Additional salary adjustments to certain districts as necessary  
2 to fund the per full-time-equivalent salary allocations for  
3 certificated administrative staff as listed for each district in LEAP  
4 Document 2, defined in section 503(2)(b) of this act.

5 (c) Additional salary adjustments to certain districts as necessary  
6 to fund the per full-time-equivalent salary allocations for classified  
7 staff as listed for each district in LEAP Document 2, defined in  
8 section 503(2)(b) of this act.

9 (d) The appropriations in this subsection (1) include associated  
10 incremental fringe benefit allocations at 15.66 percent for the 2011-12  
11 school year and 15.66 percent for the 2012-13 school year for  
12 certificated instructional and certificated administrative staff and  
13 15.19 percent for the 2011-12 school year and 15.20 percent for the  
14 2012-13 school year for classified staff.

15 (e) The appropriations in this section include the increased or  
16 decreased portion of salaries and incremental fringe benefits for all  
17 relevant state-funded school programs in part V of this act. Changes  
18 for general apportionment (basic education) are based on the salary  
19 allocation schedules and methodology in sections 503 and 504 of this  
20 act. Changes for special education result from changes in each  
21 district's basic education allocation per student. Changes for  
22 educational service districts and institutional education programs are  
23 determined by the superintendent of public instruction using the  
24 methodology for general apportionment salaries and benefits in sections

12 department of personnel for inclusion in the department's data  
13 warehouse. Uniform reporting procedures shall be established by the

34 short- and longer-term accomplishment of institutional mission.  
35 Institutions are encouraged to utilize strategies such as reduced work-

1 hours per day or week, voluntary leave without pay, and temporary  
2 furloughs that enable employees to maintain permanent employment

4 strategies in ways that will enable employees to maintain full  
5 insurance benefits, full retirement service credit, and a living wage.

6 (6)(a) For institutions receiving appropriations in section 605 of

27 institution's salary base for future state funding. It is the intent  
28 of the legislature that state general fund support for an institution  
29 shall not increase during the current or any future biennium as a  
30 result of any salary increases authorized under this subsection  
31 (6)(c)(ii).

35 public ceremonies at times and places determined by the workforce  
36 training and education coordinating board in cooperation with the  
37 office of the governor.

1           **Sec. 925.** RCW 36.22.175 and 2008 c 328 s 6006 are each amended to  
2 read as follows:

3           (1)(a) In addition to any other charge authorized by law, the  
4 county auditor shall charge a surcharge of one dollar per instrument  
5 for each document recorded. Revenue generated through this surcharge  
6 shall be transmitted monthly to the state treasurer for deposit in the  
7 local government archives account under RCW 40.14.024. These funds  
8 shall be used solely for providing records scheduling, security  
9 microfilm inspection and storage, archival preservation, cataloging,  
10 and indexing for local government records and digital data and access  
11 to those records and data through the regional branch archives of the  
12 division of archives and records management.

13           (b) The division of archives and records management within the  
14 office of the secretary of state shall provide records management  
15 training for local governments and shall establish a competitive grant  
16 program to solicit and prioritize project proposals from local  
17 governments for potential funding to be paid for by funds from the  
18 auditor surcharge and tax warrant surcharge revenues. Application for  
19 specific projects may be made by local government agencies only. The  
20 state archivist in consultation with the advisory committee established  
21 under RCW 40.14.027 shall adopt rules governing project eligibility,  
22 evaluation, awarding of grants, and other criteria including  
23 requirements for records management training for grant recipients.

24           (2) The advisory committee established under RCW 40.14.027 shall  
25 review grant proposals and establish a prioritized list of projects to  
26 be considered for funding by January 1st of each even-numbered year,  
27 beginning in 2002. The evaluation of proposals and development of the  
28 prioritized list must be developed through open public meetings.  
29 Funding for projects shall be granted according to the ranking of each  
30 application on the prioritized list and projects will be funded only to  
31 the extent that funds are available. A grant award may have an  
32 effective date other than the date the project is placed on the  
33 prioritized list.

34           (3)(a) In addition to any other surcharge authorized by law, the  
35 county auditor shall charge a surcharge of one dollar per instrument  
36 for every document recorded after January 1, 2002. Revenue generated  
37 through this surcharge shall be transmitted to the state treasurer  
38 monthly for deposit in the local government archives account under RCW

1 40.14.024 to be used exclusively for: (i) The construction and  
2 improvement of a specialized regional facility located in eastern  
3 Washington designed to serve the archives, records management, and  
4 digital data management needs of local government; and (ii) payment of  
5 the certificate of participation issued for the Washington state  
6 heritage center to the extent there is an excess fund balance in the  
7 account and fees generated under RCW 36.18.010 and 43.07.128 are  
8 insufficient to meet debt service payments on the certificate of  
9 participation.

10 (b) To the extent the facilities are used for the storage and  
11 retrieval of state agency records and digital data, that portion of the  
12 construction of such facilities used for state government records and  
13 data shall be supported by other charges and fees paid by state  
14 agencies and shall not be supported by the surcharge authorized in this  
15 subsection, except that to the extent there is an excess fund balance  
16 in the account and fees generated under RCW 36.18.010 and 43.07.128 are  
17 insufficient to meet debt service payments for the Washington state  
18 heritage center, the local government archives account under RCW  
19 40.14.024 may be used for the Washington state heritage center.

20 (c) At such time that all debt service from construction of the  
21 specialized regional archive facility located in eastern Washington has  
22 been paid, fifty percent of the surcharge authorized by this subsection  
23 shall be reverted to the centennial document preservation and  
24 modernization account as prescribed in RCW 36.22.170 and fifty percent  
25 of the surcharge authorized by this section shall be reverted to the  
26 state treasurer for deposit in the ((~~archives and records management~~))  
27 public records efficiency, preservation, and access account to serve  
28 the archives, records management, and digital data management needs of  
29 local government, except that the state treasurer shall not revert  
30 funds to the centennial document preservation and modernization account  
31 and to the ((~~archives and records management~~)) public records  
32 efficiency, preservation, and access account if fees generated under  
33 RCW 36.18.010 and 43.07.128 are insufficient to meet debt service  
34 payments on the Washington state heritage center.

35 **Sec. 926.** RCW 40.14.025 and 2003 c 163 s 1 are each amended to  
36 read as follows:

37 (1) The secretary of state and the director of financial management

1 shall jointly establish a procedure and formula for allocating the  
2 costs of services provided by the division of archives and records  
3 management to state agencies. The total amount allotted for services  
4 to state agencies shall not exceed the appropriation to the archives  
5 and records management account during any allotment period.

6 (2) There is created the (~~archives and records management~~) public  
7 records efficiency, preservation, and access account in the state  
8 treasury which shall consist of all fees and charges collected under  
9 this section. The account shall be appropriated exclusively for the  
10 payment of costs and expenses incurred in the operation of the division  
11 of archives and records management as specified by law.

12 **Sec. 927.** RCW 40.14.027 and 2003 c 163 s 4 are each amended to  
13 read as follows:

14 State agencies shall collect a surcharge of twenty dollars from the  
15 judgment debtor upon the satisfaction of a warrant filed in superior  
16 court for unpaid taxes or liabilities. The surcharge is imposed on the  
17 judgment debtor in the form of a penalty in addition to the filing fee  
18 provided in RCW 36.18.012(10). The surcharge revenue shall be  
19 transmitted to the state treasurer for deposit in the (~~archives and~~  
20 ~~records management~~) public records efficiency, preservation, and  
21 access account.

22 Surcharge revenue deposited in the local government archives  
23 account under RCW 40.14.024 shall be expended by the secretary of state  
24 exclusively for disaster recovery, essential records protection  
25 services, and records management training for local government agencies  
26 by the division of archives and records management. The secretary of  
27 state shall, with local government representatives, establish a  
28 committee to advise the state archivist on the local government  
29 archives and records management program.

30 **Sec. 928.** RCW 41.50.110 and 2009 c 564 s 924 are each amended to  
31 read as follows:

32 (1) Except as provided by RCW 41.50.255 and subsection (6) of this  
33 section, all expenses of the administration of the department, the  
34 expenses of administration of the retirement systems, and the expenses  
35 of the administration of the office of the state actuary created in

1 chapters 2.10, 2.12, 41.26, 41.32, 41.40, 41.34, 41.35, 41.37, 43.43,  
2 and 44.44 RCW shall be paid from the department of retirement systems  
3 expense fund.

4 (2) In order to reimburse the department of retirement systems  
5 expense fund on an equitable basis the department shall ascertain and  
6 report to each employer, as defined in RCW 41.26.030, 41.32.010,  
7 41.35.010, 41.37.010, or 41.40.010, the sum necessary to defray its  
8 proportional share of the entire expense of the administration of the  
9 retirement system that the employer participates in during the ensuing  
10 biennium or fiscal year whichever may be required. Such sum is to be  
11 computed in an amount directly proportional to the estimated entire  
12 expense of the administration as the ratio of monthly salaries of the  
13 employer's members bears to the total salaries of all members in the  
14 entire system. It shall then be the duty of all such employers to  
15 include in their budgets or otherwise provide the amounts so required.

16 (3) The department shall compute and bill each employer, as defined  
17 in RCW 41.26.030, 41.32.010, 41.35.010, 41.37.010, or 41.40.010, at the  
18 end of each month for the amount due for that month to the department  
19 of retirement systems expense fund and the same shall be paid as are  
20 its other obligations. Such computation as to each employer shall be  
21 made on a percentage rate of salary established by the department.  
22 However, the department may at its discretion establish a system of  
23 billing based upon calendar year quarters in which event the said  
24 billing shall be at the end of each such quarter.

25 (4) The director may adjust the expense fund contribution rate for  
26 each system at any time when necessary to reflect unanticipated costs  
27 or savings in administering the department.

28 (5) An employer who fails to submit timely and accurate reports to  
29 the department may be assessed an additional fee related to the  
30 increased costs incurred by the department in processing the deficient  
31 reports. Fees paid under this subsection shall be deposited in the  
32 retirement system expense fund.

33 (a) Every six months the department shall determine the amount of  
34 an employer's fee by reviewing the timeliness and accuracy of the  
35 reports submitted by the employer in the preceding six months. If  
36 those reports were not both timely and accurate the department may  
37 prospectively assess an additional fee under this subsection.

1 (b) An additional fee assessed by the department under this  
2 subsection shall not exceed fifty percent of the standard fee.

3 (c) The department shall adopt rules implementing this section.

4 (6) Expenses other than those under RCW 41.34.060(3) shall be paid  
5 pursuant to subsection (1) of this section.

6 (7) During the (~~2007-2009 and~~) 2009-2011 and 2011-2013 fiscal  
7 biennia, the legislature may transfer from the department of retirement  
8 systems' expense fund to the state general fund such amounts as reflect  
9 the excess fund balance of the fund.

10 **Sec. 929.** RCW 41.60.050 and 1991 sp.s. c 16 s 918 are each amended  
11 to read as follows:

12 The legislature shall appropriate from the department of personnel  
13 service fund for the payment of administrative costs of the  
14 productivity board. However, during the (~~1991-93~~) 2011-2013 fiscal  
15 biennium, the (~~administrative costs~~) operations of the productivity  
16 board shall be (~~appropriated from the savings recovery account~~)  
17 suspended.

18 **Sec. 930.** RCW 41.80.010 and 2010 c 104 s 1 are each amended to  
19 read as follows:

20 (1) For the purpose of negotiating collective bargaining agreements  
21 under this chapter, the employer shall be represented by the governor  
22 or governor's designee, except as provided for institutions of higher  
23 education in subsection (4) of this section.

24 (2)(a) If an exclusive bargaining representative represents more  
25 than one bargaining unit, the exclusive bargaining representative shall  
26 negotiate with each employer representative as designated in subsection  
27 (1) of this section one master collective bargaining agreement on  
28 behalf of all the employees in bargaining units that the exclusive  
29 bargaining representative represents. For those exclusive bargaining  
30 representatives who represent fewer than a total of five hundred  
31 employees each, negotiation shall be by a coalition of all those  
32 exclusive bargaining representatives. The coalition shall bargain for  
33 a master collective bargaining agreement covering all of the employees  
34 represented by the coalition. The governor's designee and the  
35 exclusive bargaining representative or representatives are authorized  
36 to enter into supplemental bargaining of agency-specific issues for

1 inclusion in or as an addendum to the master collective bargaining  
2 agreement, subject to the parties' agreement regarding the issues and  
3 procedures for supplemental bargaining. This section does not prohibit  
4 cooperation and coordination of bargaining between two or more  
5 exclusive bargaining representatives.

6 (b) This subsection (2) does not apply to exclusive bargaining  
7 representatives who represent employees of institutions of higher  
8 education, except when the institution of higher education has elected  
9 to exercise its option under subsection (4) of this section to have its  
10 negotiations conducted by the governor or governor's designee under the  
11 procedures provided for general government agencies in subsections (1)  
12 through (3) of this section.

13 (c) If five hundred or more employees of an independent state  
14 elected official listed in RCW 43.01.010 are organized in a bargaining  
15 unit or bargaining units under RCW 41.80.070, the official shall be  
16 consulted by the governor or the governor's designee before any  
17 agreement is reached under (a) of this subsection concerning  
18 supplemental bargaining of agency specific issues affecting the  
19 employees in such bargaining unit.

20 (3) The governor shall submit a request for funds necessary to  
21 implement the compensation and fringe benefit provisions in the master  
22 collective bargaining agreement or for legislation necessary to  
23 implement the agreement. Requests for funds necessary to implement the  
24 provisions of bargaining agreements shall not be submitted to the  
25 legislature by the governor unless such requests:

26 (a) Have been submitted to the director of the office of financial  
27 management by October 1 prior to the legislative session at which the  
28 requests are to be considered; and

29 (b) Have been certified by the director of the office of financial  
30 management as being feasible financially for the state.

31 The legislature shall approve or reject the submission of the  
32 request for funds as a whole. The legislature shall not consider a  
33 request for funds to implement a collective bargaining agreement unless  
34 the request is transmitted to the legislature as part of the governor's  
35 budget document submitted under RCW 43.88.030 and 43.88.060. If the  
36 legislature rejects or fails to act on the submission, either party may  
37 reopen all or part of the agreement or the exclusive bargaining

1 representative may seek to implement the procedures provided for in RCW  
2 41.80.090.

3 (4)(a)(i) For the purpose of negotiating agreements for  
4 institutions of higher education, the employer shall be the respective  
5 governing board of each of the universities, colleges, or community  
6 colleges or a designee chosen by the board to negotiate on its behalf.

7 (ii) A governing board of a university or college may elect to have  
8 its negotiations conducted by the governor or governor's designee under  
9 the procedures provided for general government agencies in subsections  
10 (1) through (3) of this section, except that:

11 (A) The governor or the governor's designee and an exclusive  
12 bargaining representative shall negotiate one master collective  
13 bargaining agreement for all of the bargaining units of employees of a  
14 university or college that the representative represents; or

15 (B) If the parties mutually agree, the governor or the governor's  
16 designee and an exclusive bargaining representative shall negotiate one  
17 master collective bargaining agreement for all of the bargaining units  
18 of employees of more than one university or college that the  
19 representative represents.

20 (iii) A governing board of a community college may elect to have  
21 its negotiations conducted by the governor or governor's designee under  
22 the procedures provided for general government agencies in subsections  
23 (1) through (3) of this section.

24 (b) Prior to entering into negotiations under this chapter, the  
25 institutions of higher education or their designees shall consult with  
26 the director of the office of financial management regarding financial  
27 and budgetary issues that are likely to arise in the impending  
28 negotiations.

29 (c)(i) If appropriations are necessary to implement the  
30 compensation and fringe benefit provisions of the bargaining agreements  
31 reached between institutions of higher education and exclusive  
32 bargaining representatives agreed to under the provisions of this  
33 chapter, the governor shall submit a request for such funds to the  
34 legislature according to the provisions of subsection (3) of this  
35 section, except as provided in (c)(ii) of this subsection.

36 (ii) In the case of a bargaining unit of employees of institutions  
37 of higher education in which the exclusive bargaining representative is  
38 certified during or after the conclusion of a legislative session, the

1 legislature may act upon the compensation and fringe benefit provisions  
2 of the unit's initial collective bargaining agreement if those  
3 provisions are agreed upon and submitted to the office of financial  
4 management and legislative budget committees before final legislative  
5 action on the biennial or supplemental operating budget by the sitting  
6 legislature.

7 (5) There is hereby created a joint committee on employment  
8 relations, which consists of two members with leadership positions in  
9 the house of representatives, representing each of the two largest  
10 caucuses; the chair and ranking minority member of the house  
11 appropriations committee, or its successor, representing each of the  
12 two largest caucuses; two members with leadership positions in the  
13 senate, representing each of the two largest caucuses; and the chair  
14 and ranking minority member of the senate ways and means committee, or  
15 its successor, representing each of the two largest caucuses. The  
16 governor shall periodically consult with the committee regarding  
17 appropriations necessary to implement the compensation and fringe  
18 benefit provisions in the master collective bargaining agreements, and  
19 upon completion of negotiations, advise the committee on the elements  
20 of the agreements and on any legislation necessary to implement the  
21 agreements.

22 (6) If, after the compensation and fringe benefit provisions of an  
23 agreement are approved by the legislature, a significant revenue  
24 shortfall occurs resulting in reduced appropriations, as declared by  
25 proclamation of the governor or by resolution of the legislature, both  
26 parties shall immediately enter into collective bargaining for a  
27 mutually agreed upon modification of the agreement.

28 (7) After the expiration date of a collective bargaining agreement  
29 negotiated under this chapter, all of the terms and conditions  
30 specified in the collective bargaining agreement remain in effect until  
31 the effective date of a subsequently negotiated agreement, not to  
32 exceed one year from the expiration date stated in the agreement.  
33 Thereafter, the employer may unilaterally implement according to law.

34 (8) For the 2011-2013 fiscal biennium, a collective bargaining  
35 agreement related to employee health care benefits negotiated between  
36 the employer and coalition pursuant to RCW 41.80.020(3) regarding the  
37 dollar amount expended on behalf of each employee shall be a separate  
38 agreement for which the governor may request funds necessary to

1 implement the agreement. If such an agreement is negotiated and funded  
2 by the legislature, this agreement will supersede any terms and  
3 conditions of an expired 2009-2011 biennial master collective  
4 bargaining agreement under this chapter regarding health care benefits.

5 **Sec. 931.** RCW 41.80.020 and 2010 c 283 s 16 are each amended to  
6 read as follows:

7 (1) Except as otherwise provided in this chapter, the matters  
8 subject to bargaining include wages, hours, and other terms and  
9 conditions of employment, and the negotiation of any question arising  
10 under a collective bargaining agreement.

11 (2) The employer is not required to bargain over matters pertaining  
12 to:

13 (a) Health care benefits or other employee insurance benefits,  
14 except as required in subsection (3) of this section;

15 (b) Any retirement system or retirement benefit; or

16 (c) Rules of the director of personnel or the Washington personnel  
17 resources board adopted under section 203, chapter 354, Laws of 2002.

18 (3) Matters subject to bargaining include the number of names to be  
19 certified for vacancies, promotional preferences, and the dollar amount  
20 expended on behalf of each employee for health care benefits. However,  
21 except as provided otherwise in this subsection for institutions of  
22 higher education, negotiations regarding the number of names to be  
23 certified for vacancies, promotional preferences, and the dollar amount  
24 expended on behalf of each employee for health care benefits shall be  
25 conducted between the employer and one coalition of all the exclusive  
26 bargaining representatives subject to this chapter. The exclusive  
27 bargaining representatives for employees that are subject to chapter  
28 47.64 RCW shall bargain the dollar amount expended on behalf of each  
29 employee for health care benefits with the employer as part of the  
30 coalition under this subsection. Any such provision agreed to by the  
31 employer and the coalition shall be included in all master collective  
32 bargaining agreements negotiated by the parties. For institutions of  
33 higher education, promotional preferences and the number of names to be  
34 certified for vacancies shall be bargained under the provisions of RCW  
35 41.80.010(4). For agreements covering the 2011-2013 fiscal biennium,  
36 any agreement between the employer and the coalition regarding the

1 dollar amount expended on behalf of each employee for health care  
2 benefits is a separate agreement and shall not be included in the  
3 master collective bargaining agreements negotiated by the parties.

4 (4) The employer and the exclusive bargaining representative shall  
5 not agree to any proposal that would prevent the implementation of  
6 approved affirmative action plans or that would be inconsistent with  
7 the comparable worth agreement that provided the basis for the salary  
8 changes implemented beginning with the 1983-1985 biennium to achieve  
9 comparable worth.

10 (5) The employer and the exclusive bargaining representative shall  
11 not bargain over matters pertaining to management rights established in  
12 RCW 41.80.040.

13 (6) Except as otherwise provided in this chapter, if a conflict  
14 exists between an executive order, administrative rule, or agency  
15 policy relating to wages, hours, and terms and conditions of employment  
16 and a collective bargaining agreement negotiated under this chapter,  
17 the collective bargaining agreement shall prevail. A provision of a  
18 collective bargaining agreement that conflicts with the terms of a  
19 statute is invalid and unenforceable.

20 (7) This section does not prohibit bargaining that affects  
21 contracts authorized by RCW 41.06.142.

22 **Sec. 932.** RCW 43.08.190 and 2010 c 222 s 3 are each amended to  
23 read as follows:

24 There is hereby created a fund within the state treasury to be  
25 known as the "state treasurer's service fund." Such fund shall be used  
26 solely for the payment of costs and expenses incurred in the operation  
27 and administration of the state treasurer's office.

28 Moneys shall be allocated monthly and placed in the state  
29 treasurer's service fund equivalent to a maximum of one percent of the  
30 trust and treasury average daily cash balances from the earnings  
31 generated under the authority of RCW 43.79A.040 and 43.84.080 other  
32 than earnings generated from investment of balances in funds and  
33 accounts specified in RCW 43.79A.040(4)(c). The allocation shall  
34 precede the distribution of the remaining earnings as prescribed under  
35 RCW 43.79A.040 and 43.84.092. The state treasurer shall establish a  
36 uniform allocation rate for all funds and accounts; except that the  
37 state treasurer may negotiate a different allocation rate with any

1 state agency that has independent authority over funds not statutorily  
2 required to be held in the state treasury or in the custody of the  
3 state treasurer. In no event shall the rate be less than the actual  
4 costs incurred by the state treasurer's office. If no rate is  
5 separately negotiated, the default rate for any funds held shall be the  
6 rate set for funds held pursuant to statute.

7 During the 2009-2011 fiscal biennium and the 2011-2013 fiscal  
8 biennium, the legislature may transfer from the state treasurer's  
9 service fund to the state general fund such amounts as reflect the  
10 excess fund balance of the fund.

11 **Sec. 933.** RCW 43.09.475 and 2009 c 564 s 929 are each amended to  
12 read as follows:

13 The performance audits of government account is hereby created in  
14 the custody of the state treasurer. Revenue identified in RCW  
15 82.08.020(5) and 82.12.0201 shall be deposited in the account. Money  
16 in the account shall be used to fund the performance audits and follow-  
17 up performance audits under RCW 43.09.470 and shall be expended by the  
18 state auditor in accordance with chapter 1, Laws of 2006. Only the  
19 state auditor or the state auditor's designee may authorize  
20 expenditures from the account. The account is subject to allotment  
21 procedures under chapter 43.88 RCW, but an appropriation is not  
22 required for expenditures. During the 2009-2011 fiscal biennium, the  
23 legislature may transfer from the performance audits of government  
24 account to the state general fund such amounts as deemed to be  
25 appropriate or necessary. During 2011-2013 fiscal biennium, the  
26 performance audits of government account may be appropriated for fraud  
27 investigations in the state auditor's office and the department of  
28 social and health services, audit and collection functions in the  
29 department of revenue, and audits of school districts. In addition,  
30 during the 2011-2013 fiscal biennium the account may be used to fund  
31 the office of financial management's contract for the compliance audit  
32 of the state auditor.

33 **Sec. 934.** RCW 43.19.501 and 2009 c 564 s 932 are each amended to  
34 read as follows:

35 The Thurston county capital facilities account is created in the  
36 state treasury. The account is subject to the appropriation and

1 allotment procedures under chapter 43.88 RCW. Moneys in the account  
2 may be expended for capital projects in facilities owned and managed by  
3 the department of general administration in Thurston county. For the  
4 2007-2009 biennium, moneys in the account may be used for predesign  
5 identified in section 1037, chapter 328, Laws of 2008.

6 During the 2009-2011 and 2011-2013 fiscal (~~biennium~~) biennia, the  
7 legislature may transfer from the Thurston county capital facilities  
8 account to the state general fund such amounts as reflect the excess

10 **Sec. 935.** RCW 43.20A.725 and 2010 1st sp.s. c 37 s 921 are each  
11 amended to read as follows:

12 (1) The department, through the sole authority of the office or its  
13 successor organization, shall maintain a program whereby an individual  
14 of school age or older who possesses a hearing or speech impairment is  
15 provided with telecommunications equipment, software, and/or peripheral  
16 devices, digital or otherwise, that is determined by the office to be  
17 necessary for such a person to access and use telecommunications  
18 transmission services effectively.

19 (2) The department, through the sole authority of the office or its  
20 successor organization, shall maintain a program where  
21 telecommunications relay services of a human or electronic nature will  
22 be provided to connect hearing impaired, deaf-blind, or speech impaired  
23 persons with persons who do not have a hearing or speech impairment.  
24 Such telecommunications relay services shall provide the ability for an  
25 individual who has a hearing or speech impairment to engage in voice,  
26 tactile, or visual communication by wire or radio with a hearing  
27 individual in a manner that is functionally equivalent to the ability  
28 of an individual who does not have a hearing or speech impairment to  
29 communicate using voice or visual communication services by wire or  
30 radio subject to subsection (4)(b) of this section.

31 (3) The telecommunications relay service and equipment distribution  
32 program may operate in such a manner as to provide communications  
33 transmission opportunities that are capable of incorporating new  
34 technologies that have demonstrated benefits consistent with the intent  
35 of this chapter and are in the best interests of the citizens of this  
36 state.

1 (4) The office shall administer and control the award of money to  
2 all parties incurring costs in implementing and maintaining  
3 telecommunications services, programs, equipment, and technical support  
4 services according to this section. The relay service contract shall  
5 be awarded to an individual company registered as a telecommunications  
6 company by the utilities and transportation commission, to a group of  
7 registered telecommunications companies, or to any other company or  
8 organization determined by the office as qualified to provide relay  
9 services, contingent upon that company or organization being approved  
10 as a registered telecommunications company prior to final contract  
11 approval. The relay system providers and telecommunications equipment  
12 vendors shall be selected on the basis of cost-effectiveness and  
13 utility to the greatest extent possible under the program and technical  
14 specifications established by the office.

15 (a) To the extent funds are available under the then-current rate  
16 and not otherwise held in reserve or required for other purposes  
17 authorized by this chapter, the office may award contracts for  
18 communications and related services and equipment for hearing impaired  
19 or speech impaired individuals accessing or receiving services provided  
20 by, or contracted for, the department to meet access obligations under  
21 Title 2 of the federal Americans with disabilities act or related  
22 federal regulations.

23 (b) The office shall perform its duties under this section with the  
24 goal of achieving functional equivalency of access to and use of  
25 telecommunications services similar to the enjoyment of access to and  
26 use of such services experienced by an individual who does not have a  
27 hearing or speech impairment only to the extent that funds are  
28 available under the then-current rate and not otherwise held in reserve  
29 or required for other purposes authorized by this chapter.

30 (5) The program shall be funded by a telecommunications relay  
31 service (TRS) excise tax applied to each switched access line provided  
32 by the local exchange companies. The office shall determine, in  
33 consultation with the office's program advisory committee, the budget  
34 needed to fund the program on an annual basis, including both  
35 operational costs and a reasonable amount for capital improvements such  
36 as equipment upgrade and replacement. The budget proposed by the  
37 office, together with documentation and supporting materials, shall be  
38 submitted to the office of financial management for review and

1 approval. The approved budget shall be given by the department in an  
2 annual budget to the department of revenue no later than March 1st  
3 prior to the beginning of the fiscal year. The department of revenue  
4 shall then determine the amount of telecommunications relay service  
5 excise tax to be placed on each switched access line and shall inform  
6 local exchange companies and the utilities and transportation  
7 commission of this amount no later than May 1st. The department of  
8 revenue shall determine the amount of telecommunications relay service  
9 excise tax to be collected in the following fiscal year by dividing the  
10 total of the program budget, as submitted by the office, by the total  
11 number of switched access lines in the prior calendar year, as reported  
12 to the department of revenue under chapter 82.14B RCW, and shall not  
13 exercise any further oversight of the program under this subsection  
14 other than administering the collection of the telecommunications relay  
15 service excise tax as provided in RCW 82.72.010 through 82.72.090. The  
16 telecommunications relay service excise tax shall not exceed nineteen  
17 cents per month per access line. The telecommunications relay service  
18 excise tax shall be separately identified on each ratepayer's bill with  
19 the following statement: "Funds federal ADA requirement." All  
20 proceeds from the telecommunications relay service excise tax shall be  
21 put into a fund to be administered by the office through the  
22 department. During the 2009-2011 and 2011-2013 fiscal (~~biennium~~)  
23 biennia, the funds may also be used to provide individualized  
24 employment services and employment-related counseling to people with  
25 disabilities, and technical assistance to employers about the  
26 employment of people with disabilities. "Switched access line" has the  
27 meaning provided in RCW 82.14B.020.

28 (6) The telecommunications relay service program and equipment  
29 vendors shall provide services and equipment consistent with the  
30 requirements of federal law for the operation of both interstate and  
31 intrastate telecommunications services for the hearing impaired or  
32 speech impaired. The department and the utilities and transportation  
33 commission shall be responsible for ensuring compliance with federal  
34 requirements and shall provide timely notice to the legislature of any  
35 legislation that may be required to accomplish compliance.

36 (7) The department shall adopt rules establishing eligibility  
37 criteria, ownership obligations, financial contributions, and a program  
38 for distribution to individuals requesting and receiving such

1 telecommunications devices distributed by the office, and other rules  
2 necessary to administer programs and services consistent with this  
3 chapter.

16 amount of petty cash as fixed by the board within the authority of law  
17 shall be deposited each day in a depository approved by the state  
18 treasurer and transferred to the state treasurer to be credited to the  
19 liquor revolving fund. During the 2009-2011 fiscal biennium, the  
20 legislature may transfer funds from the liquor revolving account [fund]  
21 to the state general fund and may direct an additional amount of liquor  
22 profits to be distributed to local governments. Neither the transfer  
23 of funds nor the additional distribution of liquor profits to local  
24 governments during the 2009-2011 fiscal biennium may reduce the excess  
25 fund distributions that otherwise would occur under RCW 66.08.190.  
26 During the 2011-2013 fiscal biennium, the state treasurer shall  
27 transfer from the liquor revolving fund to the state general fund  
28 forty-two million five hundred thousand dollars for fiscal year 2012  
29 and forty-two million five hundred thousand dollars for fiscal year  
30 2013. The transfer during the 2011-2013 fiscal biennium may not reduce  
31 the excess fund distributions that otherwise would occur under RCW  
32 66.08.190. Sales to licensees are exempt from any liquor price  
33 increases that may result from the transfer of funds from the liquor  
34 revolving fund to the state general fund during the 2011-2013 fiscal  
35 biennium. Disbursements from the revolving fund shall be on  
36 authorization of the board or a duly authorized representative thereof.  
37 In order to maintain an effective expenditure and revenue control the

1 liquor revolving fund shall be subject in all respects to chapter 43.88  
2 RCW but no appropriation shall be required to permit expenditures and  
3 payment of obligations from such fund.

4 **Sec. 950.** RCW 66.08.190 and 2003 1st sp.s. c 25 s 927 are each  
5 amended to read as follows:

6 (1) Except for revenues generated by the 2003 surcharge of  
7 \$0.42/liter on retail sales of spirits that (~~shall~~) must be  
8 distributed to the state general fund during the 2003-2005 biennium,  
9 when excess funds are distributed, all moneys subject to distribution  
10 (~~shall~~) must be disbursed as follows:

11 (a) Three-tenths of one percent to border areas under RCW  
12 66.08.195; and

13 (b) Except as provided in subsection (4) of this section, from the  
14 amount remaining after distribution under (a) of this subsection, (i)  
15 fifty percent to the general fund of the state, (ii) ten percent to the  
16 counties of the state, and (iii) forty percent to the incorporated  
17 cities and towns of the state.

18 (2) During the months of June, September, December, and March of  
19 each year, prior to disbursing the distribution to incorporated cities  
20 and towns under subsection (1)(b) of this section, the treasurer  
21 (~~shall~~) must deduct from that distribution an amount that will fund  
22 that quarter's allotments under RCW 43.88.110 from any legislative  
23 appropriation from the city and town research services account. The  
24 treasurer (~~shall~~) must deposit the amount deducted into the city and  
25 town research services account.

26 (3) The governor may notify and direct the state treasurer to  
27 withhold the revenues to which the counties and cities are entitled  
28 under this section if the counties or cities are found to be in  
29 noncompliance pursuant to RCW 36.70A.340.

30 (4) During the 2011-2013 fiscal biennium, from the amount remaining  
31 after distribution under subsection (1)(a) of this section, (a) 51.7  
32 percent to the general fund of the state, (b) 9.7 percent to the  
33 counties of the state, and (c) 38.6 percent to the incorporated cities  
34 and towns of the state.

35 **Sec. 951.** RCW 66.08.235 and 2005 c 151 s 4 are each amended to  
36 read as follows:

1 The liquor control board construction and maintenance account is  
2 created within the state treasury. The liquor control board shall  
3 deposit into this account a portion of the board's markup, as  
4 authorized by chapter 66.16 RCW, placed upon liquor as determined by  
5 the board. Moneys in the account may be spent only after  
6 appropriation. The liquor control board shall use deposits to this  
7 account to fund construction and maintenance of a centralized  
8 distribution center for liquor products intended for sale through the  
9 board's liquor store and contract liquor store system. During the  
10 ((2001-2003)) 2011-2013 fiscal biennium, the legislature may transfer  
11 from the liquor control board construction and maintenance account to  
12 the state general fund such amounts as reflect the ((~~appropriations~~  
13 ~~reductions made by the 2002 supplemental appropriations act for~~  
14 ~~administrative efficiencies and savings~~)) excess fund balance of the  
15 account.

16 **Sec. 952.** RCW 67.70.260 and 2002 c 371 s 919 are each amended to  
17 read as follows:

18 There is hereby created the lottery administrative account in the  
19 state treasury. The account shall be managed, controlled, and  
20 maintained by the director. The legislature may appropriate from the  
21 account for the payment of costs incurred in the operation and  
22 administration of the lottery. During the 2001-2003 fiscal biennium,  
23 the legislature may transfer from the lottery administrative account to  
24 the state general fund such amounts as reflect the appropriations  
25 reductions made by the 2002 supplemental appropriations act for  
26 administrative efficiencies and savings. During the 2011-2013 fiscal  
27 biennium, the lottery administrative account may also be used to fund  
28 an independent forecast of the lottery revenues conducted by the  
29 economic and revenue forecast council.

30 **Sec. 953.** RCW 70.93.180 and 2010 1st sp.s. c 37 s 945 are each  
31 amended to read as follows:

32 (1) There is hereby created an account within the state treasury to  
33 be known as the "waste reduction, recycling, and litter control  
34 account". Moneys in the account may be spent only after appropriation.  
35 Expenditures from the waste reduction, recycling, and litter control  
36 account shall be used as follows:

1 (a) Fifty percent to the department of ecology, for use by the  
2 departments of ecology, natural resources, revenue, transportation, and  
3 corrections, and the parks and recreation commission, for use in litter  
4 collection programs, to be distributed under RCW 70.93.220. The amount  
5 to the department of ecology shall also be used for a central  
6 coordination function for litter control efforts statewide, for the  
7 biennial litter survey under RCW 70.93.200(8), and for statewide public  
8 awareness programs under RCW 70.93.200(7). The amount to the  
9 department shall also be used to defray the costs of administering the  
10 funding, coordination, and oversight of local government programs for  
11 waste reduction, litter control, and recycling, so that local  
12 governments can apply one hundred percent of their funding to achieving  
13 program goals. The amount to the department of revenue shall be used  
14 to enforce compliance with the litter tax imposed in chapter 82.19 RCW;

15 (b) Twenty percent to the department for local government funding  
16 programs for waste reduction, litter control, and recycling activities  
17 by cities and counties under RCW 70.93.250, to be administered by the  
18 department of ecology; and

19 (c) Thirty percent to the department of ecology for waste reduction  
20 and recycling efforts.

21 (2) All taxes imposed in RCW 82.19.010 and fines and bail  
22 forfeitures collected or received pursuant to this chapter shall be  
23 deposited in the waste reduction, recycling, and litter control account  
24 and used for the programs under subsection (1) of this section.

25 (3) Not less than five percent and no more than ten percent of the  
26 amount appropriated into the waste reduction, recycling, and litter  
27 control account every biennium shall be reserved for capital needs,  
28 including the purchase of vehicles for transporting crews and for  
29 collecting litter and solid waste. Capital funds shall be distributed  
30 among state agencies and local governments according to the same  
31 criteria provided in RCW 70.93.220 for the remainder of the funds, so  
32 that the most effective waste reduction, litter control, and recycling  
33 programs receive the most funding. The intent of this subsection is to  
34 provide funds for the purchase of equipment that will enable the  
35 department to account for the greatest return on investment in terms of  
36 reaching a zero litter goal.

37 (4) During the 2009-2011 fiscal biennium, the legislature may  
38 transfer from the waste reduction, recycling, and litter control

1 account to the state general fund such amounts as reflect the excess  
2 fund balance of the account. Additionally, during the 2009-2011 fiscal  
3 biennium, subsection (1)(a), (b), and (c) of this section is suspended.

4 (5) During the 2011-2013 fiscal biennium, the legislature may  
5 transfer from the waste reduction, recycling, and litter control  
6 account to the state general fund such amounts as reflect the excess  
7 fund balance of the account. Additionally, during the 2011-2013 fiscal  
8 biennium, subsection (1)(a), (b), and (c) of this section is suspended.

9 **Sec. 954.** RCW 70.105D.070 and 2010 1st sp.s. c 37 s 942 are each  
10 amended to read as follows:

11 (1) The state toxics control account and the local toxics control  
12 account are hereby created in the state treasury.

13 (2) The following moneys shall be deposited into the state toxics  
14 control account: (a) Those revenues which are raised by the tax  
15 imposed under RCW 82.21.030 and which are attributable to that portion  
16 of the rate equal to thirty-three one-hundredths of one percent; (b)  
17 the costs of remedial actions recovered under this chapter or chapter  
18 70.105A RCW; (c) penalties collected or recovered under this chapter;  
19 and (d) any other money appropriated or transferred to the account by  
20 the legislature. Moneys in the account may be used only to carry out  
21 the purposes of this chapter, including but not limited to the  
22 following activities:

30 chapter;

31 (iv) State matching funds required under the federal cleanup law;

32 (v) Financial assistance for local programs in accordance with  
33 chapters 70.95, 70.95C, 70.95I, and 70.105 RCW;

34 (vi) State government programs for the safe reduction, recycling,  
35 or disposal of hazardous wastes from households, small businesses, and  
36 agriculture;

37 (vii) Hazardous materials emergency response training;

1 (viii) Water and environmental health protection and monitoring  
2 programs;

3 (ix) Programs authorized under chapter 70.146 RCW;

4 (x) A public participation program, including regional citizen  
5 advisory committees;

6 (xi) Public funding to assist potentially liable persons to pay for  
7 the costs of remedial action in compliance with cleanup standards under  
8 RCW 70.105D.030(2)(e) but only when the amount and terms of such  
9 funding are established under a settlement agreement under RCW  
10 70.105D.040(4) and when the director has found that the funding will  
11 achieve both (A) a substantially more expeditious or enhanced cleanup  
12 than would otherwise occur, and (B) the prevention or mitigation of  
13 unfair economic hardship;

14 (xii) Development and demonstration of alternative management  
15 technologies designed to carry out the hazardous waste management  
16 priorities of RCW 70.105.150;

17 (xiii) During the 2009-2011 and 2011-2013 fiscal ~~((biennium))~~  
18 biennia, shoreline update technical assistance; ~~((and))~~

19 (xiv) During the 2009-2011 fiscal biennium, multijurisdictional  
20 permitting teams; and

21 (xv) During the 2011-2013 fiscal biennium, actions for reducing  
22 public exposure to toxic air pollution.

23 (3) The following moneys shall be deposited into the local toxics  
24 control account: Those revenues which are raised by the tax imposed  
25 under RCW 82.21.030 and which are attributable to that portion of the  
26 rate equal to thirty-seven one-hundredths of one percent.

27 (a) Moneys deposited in the local toxics control account shall be  
28 used by the department for grants or loans to local governments for the  
29 following purposes in descending order of priority:

30 (i) Remedial actions;

31 (ii) Hazardous waste plans and programs under chapter 70.105 RCW;

32 (iii) Solid waste plans and programs under chapters 70.95, 70.95C,  
33 70.95I, and 70.105 RCW;

34 (iv) Funds for a program to assist in the assessment and cleanup of  
35 sites of methamphetamine production, but not to be used for the initial  
36 containment of such sites, consistent with the responsibilities and  
37 intent of RCW 69.50.511; and

1 (v) Cleanup and disposal of hazardous substances from abandoned or  
2 derelict vessels, defined for the purposes of this section as vessels  
3 that have little or no value and either have no identified owner or  
4 have an identified owner lacking financial resources to clean up and  
5 dispose of the vessel, that pose a threat to human health or the  
6 environment.

7 (b) Funds for plans and programs shall be allocated consistent with  
8 the priorities and matching requirements established in chapters  
9 70.105, 70.95C, 70.95I, and 70.95 RCW, except that any applicant that  
10 is a Puget Sound partner, as defined in RCW 90.71.010, along with any  
11 project that is referenced in the action agenda developed by the Puget  
12 Sound partnership under RCW 90.71.310, shall, except as conditioned by  
13 RCW 70.105D.120, receive priority for any available funding for any  
14 grant or funding programs or sources that use a competitive bidding  
15 process. During the 2007-2009 fiscal biennium, moneys in the account  
16 may also be used for grants to local governments to retrofit public  
17 sector diesel equipment and for storm water planning and implementation  
18 activities.

19 (c) To expedite cleanups throughout the state, the department shall  
20 partner with local communities and liable parties for cleanups. The  
21 department is authorized to use the following additional strategies in  
22 order to ensure a healthful environment for future generations:

23 (i) The director may alter grant-matching requirements to create  
24 incentives for local governments to expedite cleanups when one of the  
25 following conditions exists:

26 (A) Funding would prevent or mitigate unfair economic hardship  
27 imposed by the clean-up liability;

28 (B) Funding would create new substantial economic development,  
29 public recreational, or habitat restoration opportunities that would  
30 not otherwise occur; or

31 (C) Funding would create an opportunity for acquisition and  
32 redevelopment of vacant, orphaned, or abandoned property under RCW  
33 70.105D.040(5) that would not otherwise occur;

34 (ii) The use of outside contracts to conduct necessary studies;

35 (iii) The purchase of remedial action cost-cap insurance, when  
36 necessary to expedite multiparty clean-up efforts.

37 (d) To facilitate and expedite cleanups using funds from the local  
38 toxics control account, during the 2009-2011 fiscal biennium the

1 director may establish grant-funded accounts to hold and disperse local  
2 toxics control account funds and funds from local governments to be  
3 used for remedial actions.

4 (4) Except for unanticipated receipts under RCW 43.79.260 through  
5 43.79.282, moneys in the state and local toxics control accounts may be  
6 spent only after appropriation by statute.

7 (5) Except during the 2009-2011 and 2011-2013 fiscal (~~biennium~~)  
8 biennia, one percent of the moneys deposited into the state and local  
9 toxics control accounts shall be allocated only for public  
10 participation grants to persons who may be adversely affected by a  
11 release or threatened release of a hazardous substance and to not-for-  
12 profit public interest organizations. During the 2011-2013 fiscal  
13 biennium, one-half of one percent of the moneys deposited in the state  
14 and local toxics control accounts shall be allocated only for public  
15 participation grants. The primary purpose of these grants is to  
16 facilitate the participation by persons and organizations in the  
17 investigation and remedying of releases or threatened releases of  
18 hazardous substances and to implement the state's solid and hazardous  
19 waste management priorities. No grant may exceed sixty thousand  
20 dollars. Grants may be renewed annually. Moneys appropriated for  
21 public participation from either account which are not expended at the  
22 close of any biennium shall revert to the state toxics control account.

23 (6) No moneys deposited into either the state or local toxics  
24 control account may be used for solid waste incinerator feasibility  
25 studies, construction, maintenance, or operation, or, after January 1,  
26 2010, for projects designed to address the restoration of Puget Sound,  
27 funded in a competitive grant process, that are in conflict with the  
28 action agenda developed by the Puget Sound partnership under RCW  
29 90.71.310.

30 (7) The department shall adopt rules for grant or loan issuance and  
31 performance.

32 (8) During the 2007-2009 and 2009-2011 fiscal biennia, the  
33 legislature may transfer from the local toxics control account to  
34 either the state general fund or the oil spill prevention account, or  
35 both such amounts as reflect excess fund balance in the account.

36 (9) During the 2009-2011 fiscal biennium, the local toxics control  
37 account may also be used for a standby rescue tug at Neah Bay, local

1 government shoreline update grants, private and public sector diesel  
2 equipment retrofit, and oil spill prevention, preparedness, and  
3 response activities.

4 (10) During the 2009-2011 fiscal biennium, the legislature may  
5 transfer from the state toxics control account to the state general  
6 fund such amounts as reflect the excess fund balance in the account.

7 (11) During the 2011-2013 fiscal biennium, the local toxics control  
8 account may also be used for local government shoreline update grants  
9 and actions for reducing public exposure to toxic air pollution.

10 **Sec. 955.** RCW 70.105D.130 and 2010 1st sp.s. c 37 s 947 are each  
11 amended to read as follows:

12 (1) The cleanup settlement account is created in the state  
13 treasury. The account is not intended to replace the state toxics  
14 control account established under RCW 70.105D.070. All receipts from  
15 the sources identified in subsection (2) of this section must be  
16 deposited into the account. Moneys in the account may be spent only  
17 after appropriation. Expenditures from the account may be used only as  
18 identified in subsection (4) of this section.

19 (2) The following receipts must be deposited into the cleanup  
20 settlement account:

21 (a) Receipts from settlements or court orders that direct payment  
22 to the account and resolve a person's liability or potential liability  
23 under this chapter for either or both of the following:

24 (i) Conducting future remedial action at a specific facility, if it  
25 is not feasible to require the person to conduct the remedial action  
26 based on the person's financial insolvency, limited ability to pay, or  
27 insignificant contribution under RCW 70.105D.040(4)(a);

28 (ii) Assessing or addressing the injury to natural resources caused  
29 by the release of a hazardous substance from a specific facility; and

30 (b) Receipts from investment of the moneys in the account.

31 (3) If a settlement or court order does not direct payment of  
32 receipts described in subsection (2)(a) of this section into the  
33 cleanup settlement account, then the receipts from any payment to the  
34 state must be deposited into the state toxics control account.

35 (4) Expenditures from the cleanup settlement account may only be  
36 used to conduct remedial actions at the specific facility or to assess  
37 or address the injury to natural resources caused by the release of

1 hazardous substances from that facility for which the moneys were  
2 deposited in the account. Conducting remedial actions or assessing or  
3 addressing injury to natural resources includes direct expenditures and  
4 indirect expenditures such as department oversight costs. During the  
5 2009-2011 and 2011-2013 fiscal (~~biennium~~) biennia, the legislature  
6 may transfer excess fund balances in the account into the state  
7 efficiency and restructuring account. Transfers of excess fund  
8 balances made under this section shall be made only to the extent  
9 amounts transferred with required repayments do not impair the ten-year  
10 spending plan administered by the department of ecology for  
11 environmental remedial actions dedicated for any designated clean-up  
12 site associated with the Everett smelter and Tacoma smelter, including  
13 plumes, or former Asarco mine sites. The cleanup settlement account  
14 must be repaid with interest under provisions of the state efficiency  
15 and restructuring account.

16 (5) The department shall track moneys received, interest earned,  
17 and moneys expended separately for each facility.

18 (6) After the department determines that all remedial actions at a  
19 specific facility, and all actions assessing or addressing injury to  
20 natural resources caused by the release of hazardous substances from  
21 that facility, are completed, including payment of all related costs,  
22 any moneys remaining for the specific facility must be transferred to  
23 the state toxics control account established under RCW 70.105D.070.

24 (7) The department shall provide the office of financial management  
25 and the fiscal committees of the legislature with a report by October  
26 31st of each year regarding the activity within the cleanup settlement  
27 account during the previous fiscal year.

28 **Sec. 956.** RCW 79.64.040 and 2009 c 564 s 957 are each amended to  
29 read as follows:

30 (1) The board shall determine the amount deemed necessary in order  
31 to achieve the purposes of this chapter and shall provide by rule for  
32 the deduction of this amount from the moneys received from all leases,  
33 sales, contracts, licenses, permits, easements, and rights-of-way  
34 issued by the department and affecting state lands and aquatic lands,  
35 provided that no deduction shall be made from the proceeds from  
36 agricultural college lands.

1 (2) Moneys received as deposits from successful bidders, advance  
2 payments, and security under RCW 79.15.100, 79.15.080, and 79.11.150  
3 prior to December 1, 1981, which have not been subjected to deduction  
4 under this section are not subject to deduction under this section.

5 (3) Except as otherwise provided in subsection (5) of this section,  
6 the deductions authorized under this section shall not exceed twenty-  
7 five percent of the moneys received by the department in connection  
8 with any one transaction pertaining to state lands and aquatic lands  
9 other than second-class tide and shore lands and the beds of navigable  
10 waters, and fifty percent of the moneys received by the department  
11 pertaining to second-class tide and shore lands and the beds of  
12 navigable waters.

13 (4) In the event that the department sells logs using the contract  
14 harvesting process described in RCW 79.15.500 through 79.15.530, the  
15 moneys received subject to this section are the net proceeds from the  
16 contract harvesting sale.

17 (5) During the 2009-2011 fiscal biennium and fiscal year 2012, the  
18 twenty-five percent limitation on deductions set in subsection (3) of  
19 this section may be increased (~~((up))~~) to (~~((thirty))~~) twenty-seven percent  
20 by the board.

21 **Sec. 957.** RCW 79.105.150 and 2010 1st sp.s. c 37 s 949 are each  
22 amended to read as follows:

23 (1) After deduction for management costs as provided in RCW  
24 79.64.040 and payments to towns under RCW 79.115.150(2), all moneys  
25 received by the state from the sale or lease of state-owned aquatic  
26 lands and from the sale of valuable material from state-owned aquatic  
27 lands shall be deposited in the aquatic lands enhancement account which  
28 is hereby created in the state treasury. After appropriation, these  
29 funds shall be used solely for aquatic lands enhancement projects; for  
30 the purchase, improvement, or protection of aquatic lands for public  
31 purposes; for providing and improving access to the lands; and for  
32 volunteer cooperative fish and game projects. During the 2009-2011 and  
33 2011-2013 fiscal (~~((biennium))~~) biennia, the aquatic lands enhancement  
34 account may also be used for scientific research as part of the  
35 adaptive management process and for developing a planning report for  
36 McNeil Island. During the 2009-2011 (~~((fiscal biennium))~~) and 2011-2013

1 fiscal biennia, the legislature may transfer from the aquatic lands  
2 enhancement account to the state general fund such amounts as reflect  
3 excess fund balance of the account.

4 (2) In providing grants for aquatic lands enhancement projects, the  
5 recreation and conservation funding board shall:

6 (a) Require grant recipients to incorporate the environmental  
7 benefits of the project into their grant applications;

8 (b) Utilize the statement of environmental benefits, consideration,  
9 except as provided in RCW 79.105.610, of whether the applicant is a  
10 Puget Sound partner, as defined in RCW 90.71.010, whether a project is  
11 referenced in the action agenda developed by the Puget Sound

31 transfer by the fiscal growth factor, as defined in RCW 43.135.025,  
32 forecast for that fiscal year by the office of financial management in  
33 November of the preceding year.

34 (2) The moneys deposited in the county criminal justice assistance

3 factor as determined under this subsection.

4 (a) A county's funding factor is the sum of:

5 (i) The population of the county, divided by one thousand, and  
6 multiplied by two-tenths;

22 office of the courts;

23 (iv) Distributions and eligibility for distributions in the (~~1989-~~  
24 ~~91~~) 1989-1991 biennium (~~shall~~) must be based on 1988 figures for  
25 both the crime rate as described under (ii) of this subsection and the

29 of this subsection and the annual number of criminal cases that are  
30 filed as described under (iii) of this subsection.

31 (3) Moneys distributed under this section (~~shall~~) must be

10 receiving the services, and major nonrecurring capital expenditures.

11 (4) Not more than five percent of the funds deposited to the county  
12 criminal justice assistance account (~~shall~~) may be available for  
13 appropriations for enhancements to the state patrol crime laboratory  
14 system and the continuing costs related to these enhancements. Funds  
15 appropriated from this account for such enhancements (~~shall~~) may not  
16 supplant existing funds from the state general fund.

17 (5) During the 2011-2013 fiscal biennium, the amount that would  
18 otherwise be transferred into the county criminal justice assistance  
19 account from the general fund under subsection (1) of this section must  
20 be reduced by 3.4 percent.

21 **Sec. 961.** RCW 82.14.320 and 1998 c 321 s 12 are each amended to  
22 read as follows:

23 (1) The municipal criminal justice assistance account is created in  
24 the state treasury. Beginning in fiscal year 2000, the state treasurer

31 RCW 43.135.025, forecast for that fiscal year by the office of  
32 financial management in November of the preceding year.

33 (2) No city may receive a distribution under this section from the  
34 municipal criminal justice assistance account unless:

35 (a) The city has a crime rate in excess of one hundred twenty-five  
36 percent of the statewide average as calculated in the most recent

1 annual report on crime in Washington state as published by the  
2 Washington association of sheriffs and police chiefs;

3 (b) The city has levied the tax authorized in RCW 82.14.030(2) at  
4 the maximum rate or the tax authorized in RCW 82.46.010(3) at the  
5 maximum rate; and

6 (c) The city has a per capita yield from the tax imposed under RCW  
7 82.14.030(1) at the maximum rate of less than one hundred fifty percent  
8 of the statewide average per capita yield for all cities from such  
9 local sales and use tax.

10 (3) The moneys deposited in the municipal criminal justice  
11 assistance account for distribution under this section, less any moneys  
12 appropriated for purposes under subsection (7) of this section,  
13 (~~shall~~) must be distributed at such times as distributions are made  
14 under RCW 82.44.150. The distributions (~~shall~~) must be made as  
15 follows:

16 (a) Unless reduced by this subsection, thirty percent of the moneys  
17 (~~shall~~) must be distributed ratably based on population as last  
18 determined by the office of financial management to those cities  
19 eligible under subsection (2) of this section that have a crime rate  
20 determined under subsection (2)(a) of this section which is greater  
21 than one hundred seventy-five percent of the statewide average crime  
22 rate. No city may receive more than fifty percent of any moneys  
23 distributed under this subsection (a) but, if a city distribution is  
24 reduced as a result of exceeding the fifty percent limitation, the  
25 amount not distributed (~~shall~~) must be distributed under (b) of this  
26 subsection.

27 (b) The remainder of the moneys, including any moneys not  
28 distributed in subsection (2)(a) of this section, (~~shall~~) must be  
29 distributed to all cities eligible under subsection (2) of this section  
30 ratably based on population as last determined by the office of  
31 financial management.

32 (4) No city may receive more than thirty percent of all moneys  
33 distributed under subsection (3) of this section.

34 (5) Notwithstanding other provisions of this section, the  
35 distributions to any city that substantially decriminalizes or repeals  
36 its criminal code after July 1, 1990, and that does not reimburse the  
37 county for costs associated with criminal cases under RCW 3.50.800 or

2 located.

3 (6) Moneys distributed under this section (~~shall~~) must be  
4 expended exclusively for criminal justice purposes and (~~shall~~) may  
5 not be used to replace or supplant existing funding. Criminal justice  
6 purposes are defined as activities that substantially assist the  
7 criminal justice system, which may include circumstances where  
8 ancillary benefit to the civil justice system occurs, and which  
9 includes domestic violence services such as those provided by domestic  
10 violence programs, community advocates, and legal advocates, as defined  
11 in RCW 70.123.020, and publications and public educational efforts  
12 designed to provide information and assistance to parents in dealing  
13 with runaway or at-risk youth. Existing funding for purposes of this  
14 subsection is defined as calendar year 1989 actual operating  
15 expenditures for criminal justice purposes. Calendar year 1989 actual  
16 operating expenditures for criminal justice purposes exclude the  
17 following: Expenditures for extraordinary events not likely to  
18 reoccur, changes in contract provisions for criminal justice services,  
19 beyond the control of the local jurisdiction receiving the services,

22 municipal criminal justice assistance account (~~shall~~) may be  
23 available for appropriations for enhancements to the state patrol crime  
24 laboratory system and the continuing costs related to these  
25 enhancements. Funds appropriated from this account for such  
26 enhancements (~~shall~~) may not supplant existing funds from the state  
27 general fund.

28 (8) During the 2011-2013 fiscal biennium, the amount that would  
29 otherwise be transferred into the municipal criminal justice assistance  
30 account from the general fund under subsection (1) of this section must  
31 be reduced by 3.4 percent.

32 **Sec. 962.** RCW 82.14.330 and 2003 c 90 s 1 are each amended to read  
33 as follows:

34 (1)(a) Beginning in fiscal year 2000, the state treasurer (~~shall~~)  
35 must transfer into the municipal criminal justice assistance account  
36 for distribution under this section from the general fund the sum of  
37 four million six hundred thousand dollars divided into four equal

1 deposits occurring on July 1, October 1, January 1, and April 1. For  
2 each fiscal year thereafter, the state treasurer (~~shall~~) must  
3 increase the total transfer by the fiscal growth factor, as defined in  
4 RCW 43.135.025, forecast for that fiscal year by the office of  
5 financial management in November of the preceding year. The moneys

9 distributed to the cities of the state as follows:

10 ~~((a))~~ (i) Twenty percent appropriated for distribution (~~shall~~)  
11 must be distributed to cities with a three-year average violent crime  
12 rate for each one thousand in population in excess of one hundred fifty  
13 percent of the statewide three-year average violent crime rate for each  
14 one thousand in population. The three-year average violent crime rate  
15 (~~shall~~) must be calculated using the violent crime rates for each of  
16 the preceding three years from the annual reports on crime in  
17 Washington state as published by the Washington association of sheriffs  
18 and police chiefs. Moneys (~~shall~~) must be distributed under this  
19 subsection (1)(a) ratably based on population as last determined by the  
20 office of financial management, but no city may receive more than one  
21 dollar per capita. Moneys remaining undistributed under this  
22 subsection at the end of each calendar year (~~shall~~) must be  
23 distributed to the criminal justice training commission to reimburse  
24 participating city law enforcement agencies with ten or fewer full-time  
25 commissioned patrol officers the cost of temporary replacement of each  
26 officer who is enrolled in basic law enforcement training, as provided  
27 in RCW 43.101.200.

28 ~~((b))~~ (ii) Sixteen percent (~~shall~~) must be distributed to

30 financial management, but no city may receive less than one thousand  
31 dollars.

32 (b) The moneys deposited in the municipal criminal justice  
33 assistance account for distribution under this subsection (~~shall~~) (1)  
34 must be distributed at such times as distributions are made under RCW  
35 82.44.150.

36 (c) Moneys distributed under this subsection (~~shall~~) (1) must be  
37 expended exclusively for criminal justice purposes and (~~shall~~) may  
38 not be used to replace or supplant existing funding. Criminal justice

1 purposes are defined as activities that substantially assist the  
2 criminal justice system, which may include circumstances where  
3 ancillary benefit to the civil justice system occurs, and which  
4 includes domestic violence services such as those provided by domestic  
5 violence programs, community advocates, and legal advocates, as defined  
6 in RCW 70.123.020. Existing funding for purposes of this subsection is  
7 defined as calendar year 1989 actual operating expenditures for  
8 criminal justice purposes. Calendar year 1989 actual operating  
9 expenditures for criminal justice purposes exclude the following:  
10 Expenditures for extraordinary events not likely to reoccur, changes in  
11 contract provisions for criminal justice services, beyond the control  
12 of the local jurisdiction receiving the services, and major  
13 nonrecurring capital expenditures.

14 (2)(a) In addition to the distributions under subsection (1) of  
15 this section:

16 ((+a)) (i) Ten percent ((shall)) must be distributed on a per  
17 capita basis to cities that contract with another governmental agency  
18 for the majority of the city's law enforcement services. Cities that  
19 subsequently qualify for this distribution ((shall)) must notify the  
20 department of ((community, trade, and economic development)) commerce  
21 by November 30th for the upcoming calendar year. The department of  
22 ((community, trade, and economic development shall)) commerce must  
23 provide a list of eligible cities to the state treasurer by December  
24 31st. The state treasurer ((shall)) must modify the distribution of  
25 these funds in the following year. Cities have the responsibility to  
26 notify the department of ((community, trade, and economic development))  
27 commerce of any changes regarding these contractual relationships.  
28 Adjustments in the distribution formula to add or delete cities may be  
29 made only for the upcoming calendar year; no adjustments may be made  
30 retroactively.

31 ((+b)) (ii) The remaining fifty-four percent ((shall)) must be  
32 distributed to cities and towns by the state treasurer on a per capita  
33 basis. These funds ((shall)) must be used for: ((+i)) (A) Innovative  
34 law enforcement strategies; ((+ii)) (B) programs to help at-risk  
35 children or child abuse victim response programs; and ((+iii)) (C)  
36 programs designed to reduce the level of domestic violence or to  
37 provide counseling for domestic violence victims.

1       **(b)** The moneys deposited in the municipal criminal justice  
2 assistance account for distribution under this subsection (2), less any  
3 moneys appropriated for purposes under subsection (4) of this section,  
4 (~~shall~~) must be distributed at the times as distributions are made  
5 under RCW 82.44.150. Moneys remaining undistributed under this  
6 subsection at the end of each calendar year (~~shall~~) must be  
7 distributed to the criminal justice training commission to reimburse  
8 participating city law enforcement agencies with ten or fewer full-time  
9 commissioned patrol officers the cost of temporary replacement of each  
10 officer who is enrolled in basic law enforcement training, as provided  
11 in RCW 43.101.200.

12       **(c)** If a city is found by the state auditor to have expended funds  
13 received under this subsection (2) in a manner that does not comply  
14 with the criteria under which the moneys were received, the city  
15 (~~shall be~~) is ineligible to receive future distributions under this  
16 subsection (2) until the use of the moneys are justified to the  
17 satisfaction of the director or are repaid to the state general fund.

18       **(3)** Notwithstanding other provisions of this section, the  
19 distributions to any city that substantially decriminalizes or repeals  
20 its criminal code after July 1, 1990, and that does not reimburse the  
21 county for costs associated with criminal cases under RCW 3.50.800 or  
22 3.50.805(2), (~~shall~~) must be made to the county in which the city is  
23 located.

24       **(4)** Not more than five percent of the funds deposited to the  
25 municipal criminal justice assistance account (~~shall~~) may be  
26 available for appropriations for enhancements to the state patrol crime  
27 laboratory system and the continuing costs related to these  
28 enhancements. Funds appropriated from this account for such  
29 enhancements (~~shall~~) may not supplant existing funds from the state  
30 general fund.

31       **(5)** During the 2011-2013 fiscal biennium, the amount that would  
32 otherwise be transferred into the municipal criminal justice assistance  
33 account from the general fund under subsection (1) of this section must  
34 be reduced by 3.4 percent.

38 its determinations to public facilities districts. Determinations by

1 the department of a public facilities district's sales and use tax  
2 collection net losses as a result of RCW 82.14.490 and the chapter 6,  
3 Laws of 2007 amendments to RCW 82.14.020 are final and not appealable.

4 (c) A public facilities district may increase its rate of tax after  
5 it has received written notice from the department as provided in (b)  
6 of this subsection. The increase in the rate of tax must be made in  
7 0.001 percent increments and must be the least amount necessary to  
8 mitigate the net loss in sales and use tax collections as a result of  
9 RCW 82.14.490 and the chapter 6, Laws of 2007 amendments to RCW  
10 82.14.020. The increase in the rate of tax is subject to RCW  
11 82.14.055.

12 (3) The tax imposed under subsection (1) of this section (~~shall~~)  
13 must be deducted from the amount of tax otherwise required to be  
14 collected or paid over to the department of revenue under chapter 82.08  
15 or 82.12 RCW. The department of revenue (~~shall~~) must perform the  
16 collection of such taxes on behalf of the county at no cost to the  
17 public facilities district. During the 2011-2013 fiscal biennium,  
18 distributions by the state to a public facilities district based on the  
19 additional rate authorized in subsection (2) of this section must be  
20 reduced by 3.4 percent.

21 (4) No tax may be collected under this section before August 1,  
22 2000. The tax imposed in this section (~~shall~~) expires when the bonds  
23 issued for the construction of the regional center and related parking  
24 facilities are retired, but not more than twenty-five years after the  
25 tax is first collected.

26 (5) Moneys collected under this section (~~shall~~) may only be used  
27 for the purposes set forth in RCW 35.57.020 and must be matched with an  
28 amount from other public or private sources equal to thirty-three  
29 percent of the amount collected under this section(~~provided that~~);  
30 however, amounts generated from nonvoter approved taxes authorized  
31 under chapter 35.57 RCW or nonvoter approved taxes authorized under  
32 chapter 36.100 RCW (~~shall~~) do not constitute a public or private  
33 source. For the purpose of this section, public or private sources  
34 includes, but is not limited to cash or in-kind contributions used in  
35 all phases of the development or improvement of the regional center,  
36 land that is donated and used for the siting of the regional center,  
37 cash or in-kind contributions from public or private foundations, or

1 amounts attributed to private sector partners as part of a public and  
2 private partnership agreement negotiated by the public facilities  
3 district.

4 (6) The combined total tax levied under this section (~~shall~~) may  
5 not be greater than 0.037 percent. If both a public facilities  
6 district created under chapter 35.57 RCW and a public facilities  
7 district created under chapter 36.100 RCW impose a tax under this  
8 section, the tax imposed by a public facilities district created under  
9 chapter 35.57 RCW (~~shall~~) must be credited against the tax imposed by  
10 a public facilities district created under chapter 36.100 RCW.

11 (7) A public facilities district created under chapter 36.100 RCW  
12 is not eligible to impose the tax under this section if the legislative  
13 authority of the county where the public facilities district is located  
14 has imposed a sales and use tax under RCW 82.14.0485 or 82.14.0494.

15 **Sec. 964.** RCW 82.14.500 and 2007 c 6 s 903 are each amended to  
16 read as follows:

17 (1)(a) In order to mitigate local sales tax revenue net losses as  
18 a result of the sourcing provisions of the streamlined sales and use  
19 tax agreement under this title, the state treasurer (~~shall~~), on July  
20 1, 2011, and each July 1st thereafter, must transfer into the  
21 streamlined sales and use tax mitigation account from the general fund  
22 (~~the sum of thirty one million six hundred thousand dollars on July 1,~~  
23 ~~2008. On July 1, 2009, and each July 1st thereafter, the state~~  
24 ~~treasurer shall transfer into the streamlined sales and use tax~~  
25 ~~mitigation account from the general fund)) the sum required to mitigate  
26 actual net losses as determined under this section.~~

27 (b) During the 2011-2013 fiscal biennium, the amount that would  
28 otherwise be transferred under (a) of this subsection must be reduced  
29 by 3.4 percent.

30 (2) Beginning July 1, 2008, and continuing until the department  
31 determines annual losses under subsection (3) of this section, the  
32 department (~~shall~~) must determine the amount of local sales tax net  
33 loss each local taxing jurisdiction experiences as a result of the  
34 sourcing provisions of the streamlined sales and use tax agreement  
35 under this title each calendar quarter. The department (~~shall~~) must  
36 determine losses by analyzing and comparing data from tax return  
37 information and tax collections for each local taxing jurisdiction

1 before and after July 1, 2008, on a calendar quarter basis. The  
2 department's analysis may be revised and supplemented in consultation  
3 with the oversight committee as provided in subsection (4) of this  
4 section. To determine net losses, the department (~~shall~~) must reduce  
5 losses by the amount of voluntary compliance revenue for the calendar  
6 quarter analyzed. Beginning December 31, 2008, distributions (~~shall~~)  
7 must be made quarterly from the streamlined sales and use tax  
8 mitigation account by the state treasurer, as directed by the  
9 department, to each local taxing jurisdiction, other than public  
10 facilities districts for losses in respect to taxes imposed under the  
11 authority of RCW 82.14.390, in an amount representing its net losses  
12 for the previous calendar quarter. Distributions (~~shall~~) must be  
13 made on the last working day of each calendar quarter and (~~shall~~)  
14 must cease when distributions under subsection (3) of this section  
15 begin.

16 (3)(a) By December 31, 2009, or such later date the department in  
17 consultation with the oversight committee determines that sufficient  
18 data is available, the department (~~shall~~) must determine each local  
19 taxing jurisdiction's annual loss. The department (~~shall~~) must  
20 determine annual losses by comparing at least twelve months of data  
21 from tax return information and tax collections for each local taxing  
22 jurisdiction before and after July 1, 2008. The department (~~shall~~)  
23 is not (~~be~~) required to determine annual losses on a recurring basis,  
24 but may make any adjustments to annual losses as it deems proper as a  
25 result of the annual reviews provided in (b) of this subsection.  
26 Beginning the calendar quarter in which the department determines  
27 annual losses, and each calendar quarter thereafter, distributions  
28 (~~shall~~) must be made from the streamlined sales and use tax  
29 mitigation account by the state treasurer on the last working day of  
30 the calendar quarter, as directed by the department, to each local  
31 taxing jurisdiction, other than public facilities districts for losses  
32 in respect to taxes imposed under the authority of RCW 82.14.390, in an  
33 amount representing one-fourth of the jurisdiction's annual loss  
34 reduced by voluntary compliance revenue reported during the previous  
35 calendar quarter.

36 (b) The department's analysis of annual losses (~~shall~~) must be  
37 reviewed by December 1st of each year and may be revised and

1 supplemented in consultation with the oversight committee as provided  
2 in subsection (4) of this section.

3 (4) The department (~~shall~~) must convene an oversight committee to  
4 assist in the determination of losses. The committee (~~shall~~)  
5 includes one representative of one city whose revenues are increased,  
6 one representative of one city whose revenues are reduced, one  
7 representative of one county whose revenues are increased, one  
8 representative of one county whose revenues are decreased, one  
9 representative of one transportation authority under RCW 82.14.045  
10 whose revenues are increased, and one representative of one  
11 transportation authority under RCW 82.14.045 whose revenues are  
12 reduced, as a result of RCW 82.14.490 and the chapter 6, Laws of 2007  
13 amendments to RCW 82.14.020. Beginning July 1, 2008, the oversight  
14 committee (~~shall~~) must meet quarterly with the department to review  
15 and provide additional input and direction on the department's analyses  
16 of losses. Local taxing jurisdictions may also present to the  
17 oversight committee additional information to improve the department's  
18 analyses of the jurisdiction's loss. Beginning January 1, 2010, the  
19 oversight committee (~~shall~~) must meet at least annually with the  
20 department by December 1st.

21 (5) The rule-making provisions of chapter 34.05 RCW do not apply to

24 read as follows:

25 There is imposed an excise tax upon each sale of real property at  
26 the rate of one and twenty-eight one-hundredths percent of the selling  
27 price. An amount equal to six and one-tenth percent of the proceeds of  
28 this tax to the state treasurer (~~shall~~) must be deposited in the  
29 public works assistance account created in RCW 43.155.050. Except as  
30 otherwise provided in this section, an amount equal to one and six-  
31 tenths percent of the proceeds of this tax to the state treasurer  
32 (~~shall~~) must be deposited in the city-county assistance account  
33 created in RCW 43.08.290. During the 2011-2013 fiscal biennium, 1.546  
34 percent of the proceeds of this tax to the state treasurer must be  
35 deposited in the city-county assistance account.

4 state treasury. At the beginning of the 2005-2007 fiscal biennium, the  
5 state treasurer shall transfer three million dollars from the general  
6 fund to the flood control assistance account. Each biennium thereafter

14       The appropriations in this section are subject to the following

16       (1) \$1,800,000 of the general fund--state appropriation for fiscal  
17 year 2010 and \$1,387,000 of the general fund--state appropriation for

19 to juvenile court for truant students as provided in RCW 28A.225.030  
20 and 28A.225.035. The office of the administrator for the courts shall

6 county shall report the number of petitions processed and the total  
7 actual costs of processing truancy, children in need of services, and  
8 at-risk youth petitions. Counties shall submit the reports to the  
9 administrator for the courts no later than 45 days after the end of the

**PART XI**  
**HUMAN SERVICES**

**Sec. 1101.** 2010 1st sp.s. c 37 s 201 (uncodified) is amended to read as follows:

**FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES. (1)**

Appropriations made in this act to the department of social and health services shall initially be allotted as required by this act. Subsequent allotment modifications shall not include transfers of moneys between sections of this act except as expressly provided in this act, nor shall allotment modifications permit moneys that are provided solely for a specified purpose to be used for other than that purpose.

(2) The department of social and health services shall not initiate any services that require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(3) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act.

(4) The department is authorized to develop an integrated health care program designed to slow the progression of illness and disability and better manage medicaid expenditures for the aged and disabled population. Under this Washington medicaid integration partnership

1 (WMIP), the department may combine and transfer such medicaid funds  
2 appropriated under sections 204, 206, 208, and 209 of this act as may  
3 be necessary to finance a unified health care plan for the WMIP program  
4 enrollment. The WMIP pilot projects shall not exceed a daily  
5 enrollment of 6,000 persons, nor expand beyond one county, during the  
6 2009-2011 biennium. The amount of funding assigned to the pilot  
7 projects from each program may not exceed the average per capita cost  
8 assumed in this act for individuals covered by that program,  
9 actuarially adjusted for the health condition of persons enrolled in  
10 the pilot project, times the number of clients enrolled in the pilot  
11 project. In implementing the WMIP pilot projects, the department may:  
12 (a) Withhold from calculations of "available resources" as set forth in  
13 RCW 71.24.025 a sum equal to the capitated rate for individuals  
14 enrolled in the pilots; and (b) employ capitation financing and risk-  
15 sharing arrangements in collaboration with health care service  
16 contractors licensed by the office of the insurance commissioner and  
17 qualified to participate in both the medicaid and medicare programs.  
18 The department shall conduct an evaluation of the WMIP, measuring  
19 changes in participant health outcomes, changes in patterns of service  
20 utilization, participant satisfaction, participant access to services,  
21 and the state fiscal impact.

22 (5)(a) The appropriations to the department of social and health  
23 services in this act shall be expended for the programs and in the  
24 amounts specified in this act. However, after May 1, (~~(2010)~~) 2011,  
25 unless specifically prohibited by this act, the department may transfer  
26 general fund--state appropriations for fiscal year (~~(2010)~~) 2011 among  
27 programs after approval by the director of financial management.  
28 However, the department shall not transfer state moneys that are  
29 provided solely for a specified purpose except as expressly provided in  
30 (b) of this subsection.

31 (b) To the extent that transfers under (a) of this subsection are  
32 insufficient to fund actual expenditures in excess of fiscal year  
33 (~~(2010)~~) 2011 caseload forecasts and utilization assumptions in the  
34 medical assistance, long-term care, foster care, adoptions support, and  
35 child support programs, the department may transfer state moneys that  
36 are provided solely for a specified purpose. The department shall not  
37 transfer funds, and the director of financial management shall not  
38 approve the transfer, unless the transfer is consistent with the

1 objective of conserving, to the maximum extent possible, the  
2 expenditure of state funds. The director of financial management shall  
3 notify the appropriate fiscal committees of the senate and house of  
4 representatives in writing seven days prior to approving any allotment  
5 modifications or transfers under this subsection. The written  
6 notification shall include a narrative explanation and justification of  
7 the changes, along with expenditures and allotments by budget unit and  
8 appropriation, both before and after any allotment modifications or  
9 transfers.

10 (6) The legislature finds that medicaid payment rates, as  
11 calculated by the department pursuant to the appropriations in this  
12 act, bear a reasonable relationship to the costs incurred by  
13 efficiently and economically operated facilities for providing quality  
14 services and will be sufficient to enlist enough providers so that care  
15 and services are available to the extent that such care and services  
16 are available to the general population in the geographic area. The  
17 legislature finds that cost reports, payment data from the federal  
18 government, historical utilization, economic data, and clinical input  
19 constitute reliable data upon which to determine the payment rates.

20 **Sec. 1102.** 2011 c 5 s 201 (uncodified) is amended to read as

36 The appropriations in this section are subject to the following  
37 conditions and limitations:

1 (1) \$937,000 of the general fund--state appropriation for fiscal  
2 year 2010 and \$696,000 of the general fund--state appropriation for  
3 fiscal year 2011 are provided solely to contract for the operation of  
4 one pediatric interim care facility. The facility shall provide  
5 residential care for up to thirteen children through two years of age.  
6 Seventy-five percent of the children served by the facility must be in  
7 need of special care as a result of substance abuse by their mothers.  
8 The facility shall also provide on-site training to biological,  
9 adoptive, or foster parents. The facility shall provide at least three  
10 months of consultation and support to parents accepting placement of  
11 children from the facility. The facility may recruit new and current  
12 foster and adoptive parents for infants served by the facility. The  
13 department shall not require case management as a condition of the  
14 contract.

15 (2) \$369,000 of the general fund--state appropriation for fiscal  
16 year 2010, \$343,000 of the general fund--state appropriation for fiscal  
17 year 2011, and \$306,000 of the general fund--federal appropriation are  
18 provided solely for up to three nonfacility-based programs for the  
19 training, consultation, support, and recruitment of biological, foster,  
20 and adoptive parents of children through age three in need of special  
21 care as a result of substance abuse by their mothers, except that each  
22 program may serve up to three medically fragile nonsubstance-abuse-  
23 affected children. In selecting nonfacility-based programs, preference  
24 shall be given to programs whose federal or private funding sources  
25 have expired or that have successfully performed under the existing  
26 pediatric interim care program.

27 (3) \$2,500,000 of the general fund--state appropriation for fiscal  
28 year 2010 and \$46,000 of the general fund--state appropriation for  
29 fiscal year 2011, and \$2,098,000 of the home security fund--state  
30 appropriation are provided solely for secure crisis residential  
31 centers. Within appropriated amounts, the department shall collaborate  
32 with providers to maintain no less than forty-five beds that are  
33 geographically representative of the state. The department shall  
34 examine current secure crisis residential staffing requirements,  
35 flexible payment options, center specific waivers, and other  
36 appropriate methods to accomplish this outcome.

37 (4) A maximum of \$69,190,000 of the general fund--state  
38 appropriations and \$54,443,000 of the general fund--federal

1 appropriations for the 2009-11 biennium shall be expended for  
2 behavioral rehabilitative services and these amounts are provided  
3 solely for this purpose. The department shall work with behavioral  
4 rehabilitative service providers to safely keep youth with emotional,  
5 behavioral, or medical needs at home, with relatives, or with other  
6 permanent placement resources and decrease the length of service  
7 through improved emotional, behavioral, or medical outcomes for  
8 children in behavioral rehabilitative services in order to achieve the  
9 appropriated levels.

10 (a) Contracted providers shall act in good faith and accept the  
11 hardest to serve children, to the greatest extent possible, in order to  
12 improve their emotional, behavioral, or medical conditions.

13 (b) The department and the contracted provider shall mutually agree  
14 and establish an exit date for when the child is to exit the behavioral  
15 rehabilitative service provider. The department and the contracted  
16 provider should mutually agree, to the greatest extent possible, on a  
17 viable placement for the child to go to once the child's treatment  
18 process has been completed. The child shall exit only when the  
19 emotional, behavioral, or medical condition has improved or if the  
20 provider has not shown progress toward the outcomes specified in the  
21 signed contract at the time of exit. This subsection (b) does not  
22 prevent or eliminate the department's responsibility for removing the  
23 child from the provider if the child's emotional, behavioral, or  
24 medical condition worsens or is threatened.

25 (c) The department is encouraged to use performance-based contracts  
26 with incentives directly tied to outcomes described in this section.  
27 The contracts should incentivize contracted providers to accept the  
28 hardest to serve children and incentivize improvement in children's  
29 emotional, mental, and medical well-being within the established exit  
30 date. The department is further encouraged to increase the use of  
31 behavioral rehabilitative service group homes, wrap around services to  
32 facilitate and support placement of youth at home with relatives, or  
33 other permanent resources, and other means to control expenditures.

34 (d) The total foster care per capita amount shall not increase more  
35 than four percent in the 2009-11 biennium and shall not include  
36 behavioral rehabilitative service.

37 (5) Within amounts provided for the foster care and adoption  
38 support programs, the department shall control reimbursement decisions

1 for foster care and adoption support cases such that the aggregate  
2 average cost per case for foster care and for adoption support does not  
3 exceed the amounts assumed in the projected caseload expenditures.

4 (6) \$13,387,000 of the general fund--state appropriation for fiscal  
5 year 2011 and \$6,231,000 of the general fund--federal appropriation are  
6 provided solely for the department to provide contracted prevention and  
7 early intervention services. The legislature recognizes the need for  
8 flexibility as the department transitions to performance-based  
9 contracts. The following services are included in the prevention and  
10 early intervention block grant: Crisis family intervention services,  
11 family preservation services, intensive family preservation services,  
12 evidence-based programs, public health nurses, and early family support  
13 services. The legislature intends for the department to maintain and  
14 build on existing evidence-based and research-based programs with the  
15 goal of utilizing contracted prevention and intervention services to  
16 keep children safe at home and to safely reunify families. Priority  
17 shall be given to proven intervention models, including evidence-based  
18 prevention and early intervention programs identified by the Washington  
19 state institute for public policy and the department. The department  
20 shall include information on the number, type, and outcomes of the  
21 evidence-based programs being implemented in its reports on child  
22 welfare reform efforts and shall provide the legislature and governor  
23 a report regarding the allocation of resources in this subsection by  
24 September 30, 2010. The department shall expend federal funds under  
25 this subsection in compliance with federal regulations.

26 (7) \$36,000 of the general fund--state appropriation for fiscal  
27 year 2010, \$34,000 of the general fund--state appropriation for fiscal  
28 year 2011, and \$29,000 of the general fund--federal appropriation are  
29 provided solely for the implementation of chapter 465, Laws of 2007  
30 (child welfare).

31 (8) \$125,000 of the general fund--state appropriation for fiscal  
32 year 2010 and \$118,000 of the general fund--state appropriation for  
33 fiscal year 2011 are provided solely for continuum of care services.  
34 \$100,000 of this amount is for Casey family partners and \$25,000 of  
35 this amount is for volunteers of America crosswalk in fiscal year 2010.  
36 \$95,000 of this amount is for Casey family partners and \$23,000 of this  
37 amount is for volunteers of America crosswalk in fiscal year 2011.

1 (9) \$1,904,000 of the general fund--state appropriation for fiscal  
2 year 2010, \$1,441,000 of the general fund--state appropriation for  
3 fiscal year 2011, and \$335,000 of the general fund--federal  
4 appropriation are provided solely to contract with medical  
5 professionals for comprehensive safety assessments of high-risk  
6 families and for foster care assessments. The safety assessments will  
7 use validated assessment tools to guide intervention decisions through  
8 the identification of additional safety and risk factors. The  
9 department will maintain the availability of comprehensive foster care  
10 assessments and follow up services for children in out-of-home care who  
11 do not have permanent plans, comprehensive safety assessments for  
12 families receiving in-home child protective services or family  
13 voluntary services, and comprehensive safety assessments for families  
14 with an infant age birth to fifteen days where the infant was, at  
15 birth, diagnosed as substance exposed and the department received an  
16 intake referral related to the infant due to the substance exposure.  
17 The department must consolidate contracts, streamline administration,  
18 and explore efficiencies to achieve savings.

19 (10) \$7,679,000 of the general fund--state appropriation for fiscal  
20 year 2010, \$6,226,000 of the general fund--state appropriation for  
21 fiscal year 2011, and \$4,658,000 of the general fund--federal  
22 appropriation are provided solely for court-ordered supervised visits  
23 between parents and dependent children and for sibling visits. The  
24 department shall work collaboratively with the juvenile dependency  
25 courts and revise the supervised visit reimbursement procedures to stay  
26 within appropriations without impeding reunification outcomes between  
27 parents and dependent children. The department shall report to the  
28 legislative fiscal committees on September 30, 2010, and December 30,  
29 2010, the number of children in foster care who receive supervised  
30 visits, their frequency, length of time of each visit, and whether  
31 reunification is attained.

32 (11) \$145,000 of the general fund--state appropriation for fiscal  
33 year 2010, \$817,000 of the general fund--state appropriation for fiscal  
34 year 2011, and \$668,000 of the home security fund--state appropriation  
35 is provided solely for street youth program services.

36 (12) \$1,522,000 of the general fund--state appropriation for fiscal  
37 year 2010, \$1,256,000 of the general fund--state appropriation for  
38 fiscal year 2011, and \$1,372,000 of the general fund--federal

1 appropriation are provided solely for the department to recruit foster  
2 parents. The recruitment efforts shall include collaborating with  
3 community-based organizations and current or former foster parents to  
4 recruit foster parents.

5 (13) \$493,000 of the general fund--state appropriation for fiscal  
6 year 2010, \$102,000 of the general fund--state appropriation for fiscal  
7 year 2011, \$466,000 of the general fund--private/local appropriation,  
8 \$182,000 of the general fund--federal appropriation, and \$725,000 of  
9 the education legacy trust account--state appropriation are provided  
10 solely for children's administration to contract with an educational  
11 advocacy provider with expertise in foster care educational outreach.  
12 Funding is provided solely for contracted education coordinators to  
13 assist foster children in succeeding in K-12 and higher education  
14 systems. Funding shall be prioritized to regions with high numbers of  
15 foster care youth and/or regions where backlogs of youth that have  
16 formerly requested educational outreach services exist. The department  
17 shall utilize private matching funds to maintain educational advocacy  
18 services.

19 (14) \$1,273,000 of the home security fund account--state  
20 appropriation is provided solely for HOPE beds.

21 (15) \$4,234,000 of the home security fund account--state  
22 appropriation is provided solely for the crisis residential centers.

23 (16) The appropriations in this section reflect reductions in the  
24 appropriations for the children's administration administrative  
25 expenses. It is the intent of the legislature that these reductions  
26 shall be achieved, to the greatest extent possible, by reducing those  
27 administrative costs that do not affect direct client services or  
28 direct service delivery or programs.

29 (17) Within the amounts appropriated in this section, the  
30 department shall contract for a pilot project with family and community  
31 networks in Whatcom county and up to four additional counties to  
32 provide services. The pilot project shall be designed to provide a  
33 continuum of services that reduce out-of-home placements and the  
34 lengths of stay for children in out-of-home placement. The department  
35 and the community networks shall collaboratively select the additional  
36 counties for the pilot project and shall collaboratively design the  
37 contract. Within the framework of the pilot project, the contract  
38 shall seek to maximize federal funds. The pilot project in each county

1 shall include the creation of advisory and management teams which  
2 include members from neighborhood-based family advisory committees,  
3 residents, parents, youth, providers, and local and regional department  
4 staff. The Whatcom county team shall facilitate the development of  
5 outcome-based protocols and policies for the pilot project and develop  
6 a structure to oversee, monitor, and evaluate the results of the pilot  
7 projects. The department shall report the costs and savings of the  
8 pilot project to the appropriate committees of the legislature by  
9 November 1 of each year.

10 (18) \$157,000 of the general fund--state appropriation for fiscal  
11 year 2010 and \$78,000 of the general fund--state appropriation for  
12 fiscal year 2011 are provided solely for the department to contract  
13 with a nonprofit entity for a reunification pilot project in Whatcom  
14 and Skagit counties. The contract for the reunification pilot project  
15 shall include a rate of \$46.16 per hour for evidence-based  
16 interventions, in combination with supervised visits, to provide 3,564  
17 hours of services to reduce the length of stay for children in the  
18 child welfare system. The contract shall also include evidence-based  
19 intensive parenting skills building services and family support case  
20 management services for 38 families participating in the reunification  
21 pilot project. The contract shall include the flexibility for the  
22 nonprofit entity to subcontract with trained providers.

23 (19) \$303,000 of the general fund--state appropriation for fiscal  
24 year 2010, \$392,000 of the general fund--state appropriation for fiscal  
25 year 2011, and \$241,000 of the general fund--federal appropriation are  
26 provided solely to implement Engrossed Substitute House Bill No. 1961  
27 (increasing adoptions act). If the bill is not enacted by June 30,  
28 2009, the amounts provided in this subsection shall lapse.

29 (20) \$98,000 of the general fund--state appropriation for fiscal  
30 year 2010 and \$49,000 of the general fund--state appropriation for  
31 fiscal year 2011 are provided solely for the department to contract  
32 with an agency that is working in partnership with, and has been  
33 evaluated by, the University of Washington school of social work to  
34 implement promising practice constellation hub models of foster care  
35 support.

36 (21) The legislature intends for the department to reduce the time  
37 a child remains in the child welfare system. The department shall  
38 establish a measurable goal and report progress toward meeting that

1 goal to the legislature by January 15 of each fiscal year of the  
2 2009-11 fiscal biennium. To the extent that actual caseloads exceed  
3 those assumed in this section, it is the intent of the legislature to  
4 address those issues in a manner similar to all other caseload  
5 programs.

6 (22) \$715,000 of the general fund--state appropriation for fiscal  
7 year 2010 and \$671,000 of the general fund--state appropriation for  
8 fiscal year 2011 are provided solely for services provided through  
9 children's advocacy centers.

10 (23) \$10,000 of the general fund--state appropriation for fiscal  
11 year 2011 and \$3,000 of the general fund--federal appropriation are  
12 provided solely for implementation of chapter 224, Laws of 2010  
13 (confinement alternatives). If the bill is not enacted by June 30,  
14 2010, the amounts provided in this subsection shall lapse.

15 (24) \$1,867,000 of the general fund--state appropriation for fiscal  
16 year 2010, \$1,677,000 of the general fund--state appropriation for  
17 fiscal year 2011, and \$4,379,000 of the general fund--federal  
18 appropriation are provided solely for the department to contract for  
19 medicaid treatment child care (MTCC) services. Children's  
20 administration case workers, local public health nurses and case  
21 workers from the temporary assistance for needy families program shall  
22 refer children to MTCC services, as long as the children meet the  
23 eligibility requirements as outlined in the Washington state plan for  
24 the MTCC services.

25 (25) The department shall contract for at least one pilot project  
26 with adolescent services providers to deliver a continuum of short-term  
27 crisis stabilization services. The pilot project shall include  
28 adolescent services provided through secure crisis residential centers,  
29 crisis residential centers, and hope beds. The department shall work  
30 with adolescent service providers to maintain availability of  
31 adolescent services and maintain the delivery of services in a  
32 geographically representative manner. The department shall examine  
33 current staffing requirements, flexible payment options, center-  
34 specific licensing waivers, and other appropriate methods to achieve  
35 savings and streamline the delivery of services. The legislature  
36 intends for the pilot project to provide flexibility to the department  
37 to improve outcomes and to achieve more efficient utilization of  
38 existing resources, while meeting the statutory goals of the adolescent

1 services programs. The department shall provide an update to the  
2 appropriate legislative committees and governor on the status of the  
3 pilot project implementation by December 1, 2010.

4 (26) To ensure expenditures remain within available funds  
5 appropriated in this section as required by RCW 74.13A.005 and  
6 74.13A.020, the secretary shall not set the amount of any adoption  
7 assistance payment or payments, made pursuant to RCW 26.33.320 and  
8 74.13A.005 through 74.13A.080, to more than ninety percent of the  
9 foster care maintenance payment for that child had he or she remained  
10 in a foster family home during the same period. This subsection does  
11 not apply to adoption assistance agreements in existence on the  
12 effective date of this section.

13 (27) Receipts from fees per chapter 289, Laws of 2010, as deposited  
14 into the prostitution prevention and intervention account for services  
15 provided to sexually exploited children as defined in RCW 13.32A.030 in  
16 secure and semi-secure crisis residential centers with access to staff  
17 trained to meet their specific needs shall be used to expand capacity  
18 for secure crisis residential centers and not supplant existing  
19 funding.

20 ~~((28) The appropriations in this section reflect reductions to the  
21 foster care maintenance payment rates during fiscal year 2011.))~~

6 (1) \$353,000 of the general fund--state appropriation for fiscal  
7 year 2010 and \$331,000 of the general fund--state appropriation for  
8 fiscal year 2011 are provided solely for deposit in the county criminal  
9 justice assistance account for costs to the criminal justice system  
10 associated with the implementation of chapter 338, Laws of 1997

16 year 2010 and \$2,716,000 of the general fund--state appropriation for  
17 fiscal year 2011 are provided solely for the implementation of chapter  
18 338, Laws of 1997 (juvenile code revisions). The amounts provided in  
19 this subsection are intended to provide funding for county impacts  
20 associated with the implementation of chapter 338, Laws of 1997 and  
21 shall be distributed to counties as prescribed in the current  
22 consolidated juvenile services (CJS) formula.

23 (3) \$3,716,000 of the general fund--state appropriation for fiscal  
24 year 2010 and \$3,482,000 of the general fund--state appropriation for  
25 fiscal year 2011 are provided solely to implement community juvenile  
26 accountability grants pursuant to chapter 338, Laws of 1997 (juvenile  
27 code revisions). Funds provided in this subsection may be used solely  
28 for community juvenile accountability grants, administration of the  
29 grants, and evaluations of programs funded by the grants.

30 (4) \$1,427,000 of the general fund--state appropriation for fiscal  
31 year 2010 and \$1,130,000 of the general fund--state appropriation for  
32 fiscal year 2011 are provided solely to implement alcohol and substance  
33 abuse treatment programs for locally committed offenders. The juvenile  
34 rehabilitation administration shall award these moneys on a competitive  
35 basis to counties that submitted a plan for the provision of services  
36 approved by the division of alcohol and substance abuse. The juvenile  
37 rehabilitation administration shall develop criteria for evaluation of

1 plans submitted and a timeline for awarding funding and shall assist  
2 counties in creating and submitting plans for evaluation.

3 (5) \$3,066,000 of the general fund--state appropriation for fiscal  
4 year 2010 and \$2,873,000 of the general fund--state appropriation for  
5 fiscal year 2011 are provided solely for grants to county juvenile  
6 courts for the following programs identified by the Washington state  
7 institute for public policy (institute) in its October 2006 report:  
8 "Evidence-Based Public Policy Options to Reduce Future Prison  
9 Construction, Criminal Justice Costs and Crime Rates": Functional  
10 family therapy, multi-systemic therapy, aggression replacement training  
11 and interagency coordination programs, or other programs with a  
12 positive benefit-cost finding in the institute's report. County  
13 juvenile courts shall apply to the juvenile rehabilitation  
14 administration for funding for program-specific participation and the  
15 administration shall provide grants to the courts consistent with the  
16 per-participant treatment costs identified by the institute.

17 (6) \$1,287,000 of the general fund--state appropriation for fiscal  
18 year 2010 and \$1,287,000 of the general fund--state appropriation for  
19 fiscal year 2011 are provided solely for expansion of the following  
20 treatments and therapies in juvenile rehabilitation administration

22 in its October 2006 report: "Evidence-Based Public Policy Options to  
23 Reduce Future Prison Construction, Criminal Justice Costs and Crime  
24 Rates": Multidimensional treatment foster care, family integrated  
25 transitions, and aggression replacement training. The administration  
26 may concentrate delivery of these treatments and therapies at a limited  
27 number of programs to deliver the treatments in a cost-effective  
28 manner.

29 (7)(a) For the fiscal year ending June 30, 2011, the juvenile  
30 rehabilitation administration shall administer a block grant, rather  
31 than categorical funding, of consolidated juvenile service funds,  
32 community juvenile accountability act grants, the chemical dependency  
33 disposition alternative funds, the mental health disposition  
34 alternative, and the sentencing disposition alternative for the purpose  
35 of serving youth adjudicated in the juvenile justice system. In making  
36 the block grant, the juvenile rehabilitation administration shall  
37 follow the following formula and will prioritize evidence-based  
38 programs and disposition alternatives and take into account juvenile

1 courts program-eligible youth in conjunction with the number of youth  
2 served in each approved evidence-based program or disposition  
3 alternative: (i) Thirty-seven and one-half percent for the at-risk  
4 population of youth ten to seventeen years old; (ii) fifteen percent  
5 for moderate and high-risk youth; (iii) twenty-five percent for  
6 evidence-based program participation; (iv) seventeen and one-half  
7 percent for minority populations; (v) three percent for the chemical  
8 dependency disposition alternative; and (vi) two percent for the mental  
9 health and sentencing dispositional alternatives. Funding for the  
10 special sex offender disposition alternative (SSODA) shall not be  
11 included in the block grant, but allocated on the average daily  
12 population in juvenile courts. Funding for the evidence-based  
13 expansion grants shall be excluded from the block grant formula. Funds  
14 may be used for promising practices when approved by the juvenile  
15 rehabilitation administration and juvenile courts, through the  
16 community juvenile accountability act committee, based on the criteria  
17 established in consultation with Washington state institute for public  
18 policy and the juvenile courts.

19 (b) It is the intent of the legislature that the juvenile  
20 rehabilitation administration phase the implementation of the formula  
21 provided in subsection (1) of this section by including a stop-loss  
22 formula of three percent in fiscal year 2011, five percent in fiscal  
23 year 2012, and five percent in fiscal year 2013. It is further the  
24 intent of the legislature that the evidence-based expansion grants be  
25 incorporated into the block grant formula by fiscal year 2013 and SSODA  
26 remain separate unless changes would result in increasing the cost  
27 benefit savings to the state as identified in (c) of this subsection.

28 (c) The juvenile rehabilitation administration and the juvenile  
29 courts shall establish a block grant funding formula oversight  
30 committee with equal representation from the juvenile rehabilitation  
31 administration and the juvenile courts. The purpose of this committee  
32 is to assess the ongoing implementation of the block grant funding  
33 formula, utilizing data-driven decision making and the most current  
34 available information. The committee will be cochaired by the juvenile  
35 rehabilitation administration and the juvenile courts, who will also  
36 have the ability to change members of the committee as needed to  
37 achieve its purpose. Initial members will include one juvenile court  
38 representative from the finance committee, the community juvenile

1 accountability act committee, the risk assessment quality assurance  
2 committee, the executive board of the Washington association of  
3 juvenile court administrators, the Washington state center for court  
4 research, and a representative of the superior court judges  
5 association; two representatives from the juvenile rehabilitation  
6 administration headquarters program oversight staff, two  
7 representatives of the juvenile rehabilitation administration regional  
8 office staff, one representative of the juvenile rehabilitation  
9 administration fiscal staff and a juvenile rehabilitation  
10 administration division director. The committee may make changes to  
11 the formula categories other than the evidence-based program and  
12 disposition alternative categories if it is determined the changes will  
13 increase statewide service delivery or effectiveness of evidence-based  
14 program or disposition alternative resulting in increased cost benefit  
15 savings to the state. Long-term cost benefit must be considered.  
16 Percentage changes may occur in the evidence-based program or  
17 disposition alternative categories of the formula should it be  
18 determined the changes will increase evidence-based program or  
19 disposition alternative delivery and increase the cost benefit to the  
20 state. These outcomes will also be considered in determining when  
21 evidence-based expansion or special sex offender disposition  
22 alternative funds should be included in the block grant or left  
23 separate.

24 (d) The juvenile courts and administrative office of the courts  
25 shall be responsible for collecting and distributing information and  
26 providing access to the data systems to the juvenile rehabilitation  
27 administration and the Washington state institute for public policy  
28 related to program and outcome data. The juvenile rehabilitation  
29 administration and the juvenile courts will work collaboratively to  
30 develop program outcomes that reinforce the greatest cost benefit to  
31 the state in the implementation of evidence-based practices and  
32 disposition alternatives.

33 (e) By December 1, 2010, the Washington state institute for public  
34 policy shall report to the office of financial management and  
35 appropriate committees of the legislature on the administration of the  
36 block grant authorized in this subsection. The report shall include  
37 the criteria used for allocating the funding as a block grant and the

1 participation targets and actual participation in the programs subject  
2 to the block grant.

3 (8) \$3,700,000 of the Washington auto theft prevention authority  
4 account--state appropriation is provided solely for competitive grants  
5 to community-based organizations to provide at-risk youth intervention  
6 services, including but not limited to, case management, employment  
7 services, educational services, and street outreach intervention  
8 programs. Projects funded should focus on preventing, intervening, and  
9 suppressing behavioral problems and violence while linking at-risk  
10 youth to pro-social activities. The department may not expend more  
11 than \$1,850,000 per fiscal year. The costs of administration must not  
12 exceed four percent of appropriated funding for each grant recipient.  
13 Each entity receiving funds must report to the juvenile rehabilitation  
14 administration on the number and types of youth served, the services  
15 provided, and the impact of those services upon the youth and the  
16 community.

17 (9) The appropriations in this section assume savings associated  
18 with the transfer of youthful offenders age eighteen or older whose  
19 sentences extend beyond age twenty-one to the department of corrections  
20 to complete their sentences. Prior to transferring an offender to the  
21 department of corrections, the juvenile rehabilitation administration  
22 shall evaluate the offender to determine the offender's physical and  
23 emotional suitability for transfer.

24 **Sec. 1104.** 2011 c 5 s 203 (uncodified) is amended to read as

36 Appropriation . . . . .	\$3,476,000
37 TOTAL APPROPRIATION . . . . .	<del>(( \$1,078,092,000 ))</del>

The appropriations in this subsection are subject to the following conditions and limitations:

(a) \$113,689,000 of the general fund--state appropriation for fiscal year 2010 and \$101,089,000 of the general fund--state appropriation for fiscal year 2011 are provided solely for persons and services not covered by the medicaid program. This is a reduction of \$11,606,000 each fiscal year from the nonmedicaid funding that was allocated for expenditure by regional support networks during fiscal year 2009 prior to supplemental budget reductions. This \$11,606,000 reduction shall be distributed among regional support networks proportional to each network's share of the total state population. To the extent possible, levels of regional support network spending shall be maintained in the following priority order: (i) Crisis and commitment services; (ii) community inpatient services; and (iii) residential care services, including personal care and emergency housing assistance.

(b) \$10,400,000 of the general fund--state appropriation for fiscal year 2010, \$8,814,000 of the general fund--state appropriation for fiscal year 2011, and \$1,300,000 of the general fund--federal appropriation are provided solely for the department and regional support networks to contract for implementation of high-intensity program for active community treatment (PACT) teams. The department shall work with regional support networks and the center for medicare and medicaid services to integrate eligible components of the PACT service delivery model into medicaid capitation rates no later than January 2011, while maintaining consistency with all essential elements of the PACT evidence-based practice model.

(c) \$6,500,000 of the general fund--state appropriation for fiscal year 2010 and \$6,091,000 of the general fund--state appropriation for fiscal year 2011 are provided solely for the western Washington regional support networks to provide either community- or hospital campus-based services for persons who require the level of care provided by the program for adaptive living skills (PALS) at western state hospital.

(d) The number of nonforensic beds allocated for use by regional support networks at eastern state hospital shall be 192 per day. The number of nonforensic beds allocated for use by regional support

1 networks at western state hospital shall be 617 per day during the  
2 first quarter of fiscal year 2010, 587 per day through the second  
3 quarter of fiscal year 2011, and 557 per day thereafter. Beds in the  
4 program for adaptive living skills (PALS) are not included in the  
5 preceding bed allocations. The department shall separately charge  
6 regional support networks for persons served in the PALS program.

7 (e) From the general fund--state appropriations in this subsection,  
8 the secretary of social and health services shall assure that regional  
9 support networks reimburse the aging and disability services  
10 administration for the general fund--state cost of medicaid personal  
11 care services that enrolled regional support network consumers use  
12 because of their psychiatric disability.

13 (f) \$4,582,000 of the general fund--state appropriation for fiscal  
14 year 2010 and \$4,582,000 of the general fund--state appropriation for  
15 fiscal year 2011 are provided solely for mental health services for  
16 mentally ill offenders while confined in a county or city jail and for  
17 facilitating access to programs that offer mental health services upon  
18 release from confinement.

19 (g) The department is authorized to continue to contract directly,  
20 rather than through contracts with regional support networks, for  
21 children's long-term inpatient facility services.

22 (h) \$750,000 of the general fund--state appropriation for fiscal  
23 year 2010 and \$703,000 of the general fund--state appropriation for  
24 fiscal year 2011 are provided solely to continue performance-based  
25 incentive contracts to provide appropriate community support services  
26 for individuals with severe mental illness who were discharged from the  
27 state hospitals as part of the expanding community services initiative.  
28 These funds will be used to enhance community residential and support  
29 services provided by regional support networks through other state and  
30 federal funding.

31 (i) \$1,500,000 of the general fund--state appropriation for fiscal  
32 year 2010 and \$1,500,000 of the general fund--state appropriation for  
33 fiscal year 2011 are provided solely for the Spokane regional support  
34 network to implement services to reduce utilization and the census at  
35 eastern state hospital. Such services shall include:

36 (i) High intensity treatment team for persons who are high  
37 utilizers of psychiatric inpatient services, including those with co-  
38 occurring disorders and other special needs;

1 (ii) Crisis outreach and diversion services to stabilize in the  
2 community individuals in crisis who are at risk of requiring inpatient  
3 care or jail services;

4 (iii) Mental health services provided in nursing facilities to  
5 individuals with dementia, and consultation to facility staff treating  
6 those individuals; and

7 (iv) Services at the sixteen-bed evaluation and treatment facility.

8 At least annually, the Spokane regional support network shall  
9 assess the effectiveness of these services in reducing utilization at  
10 eastern state hospital, identify services that are not optimally  
11 effective, and modify those services to improve their effectiveness.

12 (j) The department shall return to the Spokane regional support  
13 network fifty percent of the amounts assessed against the network  
14 during the last six months of calendar year 2009 for state hospital  
15 utilization in excess of its contractual limit. The regional support  
16 network shall use these funds for operation during its initial months  
17 of a new sixteen-bed evaluation and treatment facility that will enable  
18 the network to reduce its use of the state hospital, and for diversion  
19 and community support services for persons with dementia who would  
20 likely otherwise require care at the state hospital.

21 (k) The department is directed to identify and implement program  
22 efficiencies and benefit changes in its delivery of medicaid managed-  
23 care services that are sufficient to operate within the state and  
24 federal appropriations in this section. Such actions may include but  
25 are not limited to methods such as adjusting the care access standards;  
26 improved utilization management of ongoing, recurring, and high-  
27 intensity services; and increased uniformity in provider payment rates.  
28 The department shall ensure that the capitation rate adjustments  
29 necessary to accomplish these efficiencies and changes are distributed  
30 uniformly and equitably across all regional support networks statewide.  
31 The department is directed to report to the relevant legislative fiscal  
32 and policy committees at least thirty days prior to implementing rate  
33 adjustments reflecting these changes.

34 (l) In developing the new medicaid managed care rates under which  
35 the public mental health managed care system will operate during the  
36 five years beginning in fiscal year 2011, the department should seek to  
37 estimate the reasonable and necessary cost of efficiently and  
38 effectively providing a comparable set of medically necessary mental

1 health benefits to persons of different acuity levels regardless of  
2 where in the state they live. Actual prior period spending in a  
3 regional administrative area shall not be a key determinant of future  
4 payment rates. The department shall report to the office of financial  
5 management and to the relevant fiscal and policy committees of the  
6 legislature on its proposed new waiver and mental health managed care  
7 rate-setting approach by October 1, 2009, and again at least sixty days  
8 prior to implementation of new capitation rates.

9 (m) In implementing the new public mental health managed care  
10 payment rates for fiscal year 2011, the department shall to the maximum  
11 extent possible within each regional support network's allowable rate  
12 range establish rates so that there is no increase or decrease in the  
13 total state and federal funding that the regional support network would  
14 receive if it were to continue to be paid at its October 2009 through  
15 June 2010 rates. The department shall additionally revise the draft  
16 rates issued January 28, 2010, to more accurately reflect the lower  
17 practitioner productivity inherent in the delivery of services in  
18 extremely rural regions in which a majority of the population reside in  
19 frontier counties, as defined and designated by the national center for  
20 frontier communities.

21 (n) \$1,529,000 of the general fund--state appropriation for fiscal  
22 year 2010 and \$1,529,000 of the general fund--state appropriation for  
23 fiscal year 2011 are provided solely to reimburse Pierce and Spokane  
24 counties for the cost of conducting 180-day commitment hearings at the  
25 state psychiatric hospitals.

26 (o) The legislature intends and expects that regional support  
27 networks and contracted community mental health agencies shall make all  
28 possible efforts to, at a minimum, maintain current compensation levels  
29 of direct care staff. Such efforts shall include, but not be limited  
30 to, identifying local funding that can preserve client services and  
31 staff compensation, achieving administrative reductions at the regional  
32 support network level, and engaging stakeholders on cost-savings ideas  
33 that maintain client services and staff compensation. For purposes of  
34 this section, "direct care staff" means persons employed by community  
35 mental health agencies whose primary responsibility is providing direct  
36 treatment and support to people with mental illness, or whose primary  
37 responsibility is providing direct support to such staff in areas such

1 as client scheduling, client intake, client reception, client records-  
2 keeping, and facilities maintenance.

3 (p) Regional support networks may use local funds to earn  
4 additional federal medicaid match, provided the locally matched rate  
5 does not exceed the upper-bound of their federally allowable rate  
6 range, and provided that the enhanced funding is used only to provide  
7 medicaid state plan or waiver services to medicaid clients.  
8 Additionally, regional support networks may use a portion of the state  
9 funds allocated in accordance with (a) of this subsection to earn  
10 additional medicaid match, but only to the extent that the application  
11 of such funds to medicaid services does not diminish the level of  
12 crisis and commitment, community inpatient, residential care, and  
13 outpatient services presently available to persons not eligible for  
14 medicaid.

6 The appropriations in this subsection are subject to the following  
7 conditions and limitations:

8 (a) Individuals receiving services as supplemental security income  
9 (SSI) state supplemental payments shall not become eligible for medical  
10 assistance under RCW 74.09.510 due solely to the receipt of SSI state  
11 supplemental payments.

12 (b)(i) Amounts appropriated in this section reflect a reduction to  
13 funds appropriated for in-home care. The department shall reduce the  
14 number of in-home hours authorized. The reduction shall be scaled  
15 based on the acuity level of care recipients. The largest hour  
16 reductions shall be to lower acuity patients and the smallest hour  
17 reductions shall be to higher acuity patients. In doing so, the  
18 department shall comply with all maintenance of effort requirements  
19 contained in the American reinvestment and recovery act.

20 (ii) \$508,000 of the general fund--state appropriation for fiscal  
21 year 2011 and \$822,000 of the general fund--federal appropriation are  
22 provided solely for the department to partially restore the reductions  
23 to in-home care that are taken in (b)(i) of this subsection. The  
24 department will use the same formula to restore personal care hours  
25 that it used to reduce personal care hours.

26 (c) Amounts appropriated in this section are sufficient to develop  
27 and implement the use of a consistent, statewide outcome-based vendor  
28 contract for employment and day services by April 1, 2011. The rates  
29 paid to vendors under this contract shall also be made consistent. In  
30 its description of activities the agency shall include activity  
31 listings and dollars appropriated for: Employment services, day  
32 services, child development services and county administration of  
33 services to the developmentally disabled. The department shall begin  
34 reporting to the office of financial management on these activities  
35 beginning in fiscal year 2010.

36 (d) \$302,000 of the general fund--state appropriation for fiscal  
37 year 2010, \$831,000 of the general fund--state appropriation for fiscal

2 bargaining agreement negotiated with the exclusive bargaining  
3 representative of individual providers established under RCW  
4 74.39A.270.

5 (e)(i) \$682,000 of the general fund--state appropriation for fiscal  
6 year 2010, \$1,651,000 of the general fund--state appropriation for  
7 fiscal year 2011, and \$1,678,000 of the general fund--federal  
8 appropriation are provided solely for the state's contribution to the  
9 training partnership, as provided in RCW 74.39A.360, pursuant to a  
10 collective bargaining agreement negotiated with the exclusive  
11 bargaining representative of individual providers established under RCW  
12 74.39A.270.

13 (ii) The federal portion of the amounts in this subsection (~~((g))~~)  
14 is contingent upon federal approval of participation in contributions  
15 to the trust and shall remain unallotted and placed in reserve status  
16 until the office of financial management and the department of social  
17 and health services receive federal approval.

18 (iii) Expenditures for the purposes specified in this subsection  
19 (~~((g))~~) shall not exceed the amounts provided in this subsection.

20 (f) Within the amounts appropriated in this subsection (1), the  
21 department shall implement all necessary rules to facilitate the  
22 transfer to a department home and community-based services (HCBS)  
23 waiver of all eligible individuals who (i) currently receive services  
24 under the existing state-only employment and day program or the  
25 existing state-only residential program, and (ii) otherwise meet the  
26 waiver eligibility requirements. The amounts appropriated are  
27 sufficient to ensure that all individuals currently receiving services  
28 under the state-only employment and day and state-only residential  
29 programs who are not transferred to a department HCBS waiver will  
30 continue to receive services.

31 (g) In addition to other reductions, the appropriations in this  
32 subsection reflect reductions targeted specifically to state government  
33 administrative costs. These administrative reductions shall be  
34 achieved, to the greatest extent possible, by reducing those  
35 administrative costs that do not affect direct client services or  
36 direct service delivery or programs.

37 (h) The department shall not pay a home care agency licensed under

1 chapter 70.127 RCW for personal care services provided by a family  
2 member, pursuant to Substitute House Bill No. 2361 (modifying state  
3 payments for in-home care).

4 (i) Within the appropriations of this section, the department shall  
5 reduce all seventeen payment levels of the seventeen-level payment  
6 system from the fiscal year 2009 levels for boarding homes, boarding  
7 homes contracted as assisted living, and adult family homes. Excluded  
8 from the reductions are exceptional care rate add-ons. The long-term  
9 care program may develop add-ons to pay exceptional care rates to adult  
10 family homes and boarding homes with specialty contracts to provide  
11 support for the following specifically eligible clients:

12 (i) Persons with AIDS or HIV-related diseases who might otherwise  
13 require nursing home or hospital care;

14 (ii) Persons with Alzheimer's disease and related dementia who  
15 might otherwise require nursing home care; and

16 (iii) Persons with co-occurring mental illness and long-term care  
17 needs who are eligible for expanded community services and who might  
18 otherwise require state and local psychiatric hospital care.

19 Within amounts appropriated, exceptional add-on rates for AIDS/HIV,  
20 dementia specialty care, and expanded community services may be  
21 standardized within each program.

22 (j) The amounts appropriated in this subsection reflect a reduction  
23 in funds available for employment and day services. In administering  
24 this reduction the department shall negotiate with counties and their  
25 vendors so that this reduction, to the greatest extent possible, is  
26 achieved by reducing vendor rates and allowable contract administrative  
27 charges (overhead) and not through reductions to direct client services  
28 or direct service delivery or programs.

29 (k) As part of the needs assessment instrument, the department may  
30 collect data on family income for minor children with developmental  
31 disabilities and all individuals who are receiving state-only funded  
32 services. The department may ensure that this information is collected  
33 as part of the client assessment process.

34 (l) \$116,000 of the general fund--state appropriation for fiscal  
35 year 2010, \$2,133,000 of the general fund--state appropriation for  
36 fiscal year 2011, and \$1,772,000 of the general fund--federal  
37 appropriation are provided solely for employment services and required  
38 waiver services. Priority consideration for this new funding shall be

1 young adults with developmental disabilities living with their family  
2 who need employment opportunities and assistance after high school  
3 graduation. Services shall be provided for both waiver and nonwaiver  
4 clients.

5 (m) \$81,000 of the general fund--state appropriation for fiscal  
6 year 2010, \$599,000 of the general fund--state appropriation for fiscal  
7 year 2011, and \$1,111,000 of the general fund--federal appropriation  
8 are provided solely for the department to provide employment and day  
9 services for eligible students who are currently on a waiver and will  
10 graduate from high school during fiscal years 2010 and 2011.

11 (n) The automatic award of additional hours of personal care for  
12 people with special meal preparation or incontinence needs is  
13 eliminated. Authorization of service hours will be based upon the  
14 individual's assessed needs.

15 (o) \$75,000 of the general fund--state appropriation for fiscal  
16 year 2011 is provided solely for the restoration of direct support to  
17 local organizations that utilize parent-to-parent networks and  
18 communication to promote access and quality of care for individuals  
19 with developmental disabilities and their families.

16       The appropriations in this section are subject to the following  
17 conditions and limitations:

18       (1) For purposes of implementing chapter 74.46 RCW, the weighted  
19 average nursing facility payment rate shall not exceed \$169.85 for  
20 fiscal year 2010 and shall not exceed ((~~\$161.86~~)) \$167.02 for fiscal  
21 year 2011, including the rate add-on described in subsection (12) of  
22 this section. There will be no adjustments for economic trends and  
23 conditions in fiscal years 2010 and 2011. The economic trends and  
24 conditions factor or factors defined in the biennial appropriations act  
25 shall not be compounded with the economic trends and conditions factor  
26 or factors defined in any other biennial appropriations acts before  
27 applying it to the component rate allocations established in accordance  
28 with chapter 74.46 RCW. When no economic trends and conditions factor  
29 for either fiscal year is defined in a biennial appropriations act, no  
30 economic trends and conditions factor or factors defined in any earlier  
31 biennial appropriations act shall be applied solely or compounded to  
32 the component rate allocations established in accordance with chapter

34       (a) \$2,093,000 of the skilled nursing facility safety net  
35 assessment fund--state appropriation and \$2,609,000 of the general  
36 fund--federal appropriation are provided solely for an acuity based  
37 add-on to the direct care rate. The department shall determine the  
38 resident acuity add-on pursuant to House Bill No. 1722 or Substitute

1 Senate Bill No. 5581 (nursing home safety net assessment) using a nine  
2 percent add-on for facilities in the highest acuity quartile, a six  
3 percent add-on for facilities in the next quartile, three percent for  
4 facilities in the next quartile, and a negative one percent add-on for  
5 facilities in the lowest acuity quartile. If House Bill No. 1722 or  
6 Substitute Senate Bill No. 5581 (nursing home safety net assessment) is  
7 not enacted, the amounts provided in this subsection shall lapse. For  
8 fiscal year 2011, this add-on shall not be included in the rate limit  
9 specified in this subsection and shall not be included in settlement  
10 calculations for calendar year 2011.

11 (b) \$844,000 of the skilled nursing facility safety net assessment  
12 fund--state appropriation and \$1,053,000 of the general fund--federal  
13 appropriation are provided solely for a rate enhancement available to  
14 all nursing facilities participating in the state's medicaid program.  
15 The add-on shall be calculated as follows: Seven percent add-on to the  
16 direct care rate, three percent add-on to the therapy care rate, and  
17 five percent add-on to each of the support services, and operations  
18 components. If House Bill No. 1722 or Substitute Senate Bill No. 5581  
19 (nursing home safety net assessment) is not enacted, the amounts  
20 provided in this subsection shall lapse. For fiscal year 2011, this  
21 add-on shall not be included in the rate limit specified in this  
22 subsection and shall not be included in settlement calculations for  
23 calendar year 2011.

24 (c) The rate add-ons provided in (a) and (b) of this subsection are  
25 discretionary and are provided in addition to the base nursing facility  
26 rate. The legislature has examined actual nursing facility cost  
27 information and finds that the nursing facility rates funded pursuant  
28 to the budget dials specified in (a) of this subsection are sufficient  
29 to reimburse efficient and economically operating homes. The  
30 legislature's choice to fund the add-ons specified in (a) and (b) of  
31 this subsection in any year is not indicative of an obligation to fund  
32 the add-ons in any subsequent year.

33 (2) After examining actual nursing facility cost information, the  
34 legislature finds that the medicaid nursing facility rates calculated  
35 pursuant to Substitute House Bill No. 3202 or Substitute Senate Bill  
36 No. 6872 (nursing facility medicaid payments) provide sufficient  
37 reimbursement to efficient and economically operating nursing  
38 facilities and bears a reasonable relationship to costs.

1 (3) In accordance with chapter 74.46 RCW, the department shall  
2 issue no additional certificates of capital authorization for fiscal  
3 year 2010 and no new certificates of capital authorization for fiscal  
4 year 2011 and shall grant no rate add-ons to payment rates for capital  
5 improvements not requiring a certificate of need and a certificate of  
6 capital authorization for fiscal year 2011.

7 (4) The long-term care program may develop and pay enhanced rates  
8 for exceptional care to nursing homes for persons with traumatic brain  
9 injuries who are transitioning from hospital care. The cost per  
10 patient day for caring for these clients in a nursing home setting may  
11 be equal to or less than the cost of caring for these clients in a  
12 hospital setting.

13 (5) Within the appropriations of this section, the department shall  
14 reduce all seventeen payment levels of the seventeen-level payment  
15 system from the fiscal year 2009 levels for boarding homes, boarding  
16 homes contracted as assisted living, and adult family homes. Excluded  
17 from the reductions are exceptional care rate add-ons. The long-term  
18 care program may develop add-ons to pay exceptional care rates to adult  
19 family homes and boarding homes with specialty contracts to provide  
20 support for the following specifically eligible clients:

21 (a) Persons with AIDS or HIV-related diseases who might otherwise  
22 require nursing home or hospital care;

23 (b) Persons with Alzheimer's disease and related dementia who might  
24 otherwise require nursing home care; and

25 (c) Persons with co-occurring mental illness and long-term care  
26 needs who are eligible for expanded community services and who might  
27 otherwise require state and local psychiatric hospital care.

28 Within amounts appropriated, exceptional add-on rates for AIDS/HIV,  
29 dementia specialty care, and expanded community services may be  
30 standardized within each program.

31 (6)(a) Amounts appropriated in this section reflect a reduction to  
32 funds appropriated for in-home care. The department shall reduce the  
33 number of in-home hours authorized. The reduction shall be scaled  
34 based on the acuity level of care recipients. The largest hour  
35 reductions shall be to lower acuity patients and the smallest hour  
36 reductions shall be to higher acuity patients. In doing so, the  
37 department shall comply with all maintenance of effort requirements  
38 contained in the American reinvestment and recovery act.

29 category of worker whose statewide average dollars-per-hour wage was  
30 less than \$15 in calendar year 2008, according to cost report data.  
31 The add-on may also be used to address resulting wage compression for  
32 related job classes immediately affected by wage increases to low-wage  
33 workers. The department shall continue reporting requirements and a  
34 settlement process to ensure that the funds are spent according to this  
35 subsection. The department shall adopt rules to implement the terms of

6 implement two medicaid waiver programs for persons who do not qualify  
7 for such services as categorically needy, subject to federal approval  
8 and the following conditions and limitations:

16 nursing home residents, and enrollment and expenditures on each of the  
17 two medically needy waivers, on monthly management reports.

18 (d) If it is necessary to establish a waiting list for either  
19 waiver because the budgeted number of enrollment opportunities has been  
20 reached, the department shall track how the long-term care needs of  
21 applicants assigned to the waiting list are met.

22 (15) The department shall establish waiting lists to the extent  
23 necessary to assure that annual expenditures on the community options  
24 program entry systems (COPES) program do not exceed appropriated  
25 levels. In establishing and managing any such waiting list, the  
26 department shall assure priority access to persons with the greatest  
27 unmet needs, as determined by department assessment processes.

28 (16) The department shall contract for housing with service models,  
29 such as cluster care, to create efficiencies in service delivery and  
30 responsiveness to unscheduled personal care needs by clustering hours  
31 for clients that live in close proximity to each other.

32 (17) The department shall not pay a home care agency licensed under  
33 chapter 70.127 RCW for personal care services provided by a family

5 extraordinary medical placement program. The department shall  
6 collaborate with the department of corrections to identify and track  
7 cost savings to the department of corrections, including medical cost  
8 savings and to identify and track expenditures incurred by the aging  
9 and disability services program for community services and by the  
10 medical assistance program for medical expenses. A joint report  
11 regarding the identified savings and expenditures shall be provided to  
12 the office of financial management and the appropriate fiscal

29 traumatic brain injury (TBI) as defined in RCW 74.31.020 through  
30 74.31.050. The TBI advisory council shall provide a report to the  
31 legislature by December 1, 2010, on the effectiveness of the functions  
32 overseen by the council and shall provide recommendations on the  
33 development of critical services for individuals with traumatic brain  
34 injury.

35 (21) The automatic award of additional hours of personal care for  
36 people with special meal preparation or incontinence needs is  
37 eliminated. Authorization of service hours will be based upon the  
38 individual's assessed needs.

1 (22) For calendar year 2009, the department shall calculate split  
2 settlements covering two periods January 1, 2009, through June 30,  
3 2009, and July 1, 2009, through December 31, 2009. For the second  
4 period beginning July 1, 2009, the department may partially or totally  
5 waive settlements only in specific cases where a nursing home can  
6 demonstrate significant decreases in costs from the first period.

7 (23) \$72,000 of the traumatic brain injury account appropriation  
8 and \$116,000 of the general fund--federal appropriation are provided  
9 solely for a direct care rate add-on to any nursing facility  
10 specializing in the care of residents with traumatic brain injuries  
11 where more than 50 percent of residents are classified with this  
12 condition based upon the federal minimum data set assessment.

37 strategies incorporated into medicaid nursing home payment systems;

38 (b) The relevance of existing research to Washington state;

1 (c) A summary and review of suggestions for pay-for-performance  
2 strategies provided by nursing home stakeholders in Washington state;  
3 and

5 measures.

11 includes but is not limited to the budget, contracts, accounting,  
12 decision support, information technology, and rate development  
13 activities for programs administered by the aging and disability  
14 services administration. Nothing in this subsection is intended to  
15 exempt the management services division of the aging and disability

17 However, funds provided in this subsection shall not be transferred  
18 elsewhere within the department nor used for any other purpose.

19 (28) The department is authorized to place long-term care clients  
20 residing in nursing homes and paid for with state only funds into less

32 ((~~(d)~~)) (c) Provide quarterly fiscal reports to the office of  
33 financial management and the legislative fiscal committees detailing  
34 information on the amount expended from general fund--state and general

11 sustainability of the program. The funding in this subsection assumes  
12 that no other expenditure reductions will be made prior to January 2011  
13 other than those assumed in the appropriation levels in this act.

14       (~~(+4)~~) (5) \$94,322,000 of the general fund--state appropriation

19 (security lifeline act), including persons in the unemployable,  
20 expedited, and aged, blind, and disabled components of the program. It  
21 is the intent of the legislature that the lifeline incapacity  
22 determination and progressive evaluation process regulations be  
23 carefully designed to accurately identify those persons who have been  
24 or will be incapacitated for at least ninety days. The incapacity  
25 determination and progressive evaluation process regulations in effect  
26 on January 1, 2010, cannot be amended until at least September 30,  
27 2010; except that provisions related to the use of administrative  
28 review teams may be amended, and obsolete terminology and functional  
29 assessment language may be updated on or after July 1, 2010, in a  
30 manner that only minimally impacts the outcome of incapacity  
31 evaluations. After September 30, 2010, the incapacity determination  
32 and progressive evaluation process regulations may be amended only if  
33 the reports under (a) and (b) of this subsection have been submitted,  
34 and find that expenditures will exceed the appropriated level by three  
35 percent or more.

36       (a) The department and the caseload forecast council shall, by  
37 September 21, 2010, submit a report to the legislature based upon the  
38 most recent caseload forecast and actual expenditure data available, as

2 year 2011 will exceed \$69,648,000 for fiscal year 2011 in the 2010  
3 supplemental operating budget by three percent or more. If  
4 expenditures will exceed the appropriated amount for  
5 lifeline-unemployable grants by three percent or more, the department  
6 may adopt regulations modifying incapacity determination and  
7 progressive evaluation process regulations after September 30, 2010.

8 (b) On or before September 21, 2010, the department shall submit a  
9 report to the relevant policy and fiscal committees of the legislature  
10 that includes the following information regarding any regulations  
11 proposed for adoption that would modify the lifeline incapacity  
12 determination and progressive evaluation process:

13 (i) A copy of the proposed changes and a concise description of the  
14 changes;

15 (ii) A description of the persons who would likely be affected by  
16 adoption of the regulations, including their impairments, age,  
17 education, and work history;

18 (iii) An estimate of the number of persons who, on a monthly basis  
19 through June 2013, would be denied lifeline benefits if the regulations  
20 were adopted, expressed as a number, as a percentage of total  
21 applicants, and as a percentage of the number of persons granted  
22 lifeline benefits in each month;

23 (iv) An estimate of the number of persons who, on a monthly basis  
24 through June 2013, would have their lifeline benefits terminated  
25 following an eligibility review if the regulations were adopted,  
26 expressed as a number, as a percentage of the number of persons who  
27 have had an eligibility review in each month, and as a percentage of  
28 the total number of persons currently receiving lifeline-unemployable  
29 benefits in each month; and

30 (v) Intended improvements in employment or treatment outcomes among  
31 persons receiving lifeline benefits that could be attributable to the  
32 changes in the regulations.

33 (c) Within these amounts:

34 (i) The department shall aggressively pursue opportunities to  
35 transfer lifeline clients to general assistance expedited coverage and  
36 to facilitate client applications for federal supplemental security  
37 income when the client's incapacities indicate that he or she would be  
38 likely to meet the federal disability criteria for supplemental

1 security income. The department shall initiate and file the federal  
2 supplemental security income interim agreement as quickly as possible  
3 in order to maximize the recovery of federal funds;

4 (ii) The department shall review the lifeline caseload to identify  
5 recipients that would benefit from assistance in becoming naturalized  
6 citizens, and thus be eligible to receive federal supplemental security  
7 income benefits. Those cases shall be given high priority for  
8 naturalization funding through the department;

9 (iii) The department shall actively coordinate with local workforce  
10 development councils to expedite access to worker retraining programs  
11 for lifeline clients in those regions of the state with the greatest  
12 number of such clients;

13 (iv) By July 1, 2009, the department shall enter into an  
14 interagency agreement with the department of veterans' affairs to  
15 establish a process for referral of veterans who may be eligible for  
16 veteran's services. This agreement must include outstationing  
17 department of veterans' affairs staff in selected community service  
18 office locations in King and Pierce counties to facilitate applications  
19 for veterans' services; and

20 (v) In addition to any earlier evaluation that may have been  
21 conducted, the department shall intensively evaluate those clients who  
22 have been receiving lifeline benefits for twelve months or more as of  
23 July 1, 2009, or thereafter, if the available medical and incapacity  
24 related evidence indicates that the client is unlikely to meet the  
25 disability standard for federal supplemental security income benefits.  
26 The evaluation shall identify services necessary to eliminate or  
27 minimize barriers to employment, including mental health treatment,  
28 substance abuse treatment and vocational rehabilitation services. The  
29 department shall expedite referrals to chemical dependency treatment,  
30 mental health and vocational rehabilitation services for these clients.

31 (vi) The appropriations in this subsection reflect a change in the  
32 earned income disregard policy for lifeline clients. It is the intent  
33 of the legislature that the department shall adopt the temporary  
34 assistance for needy families earned income policy for the lifeline  
35 program.

36 ~~((+5))~~ (6) \$750,000 of the general fund--state appropriation for  
37 fiscal year 2010 and \$500,000 of the general fund--state appropriation  
38 for fiscal year 2011 are provided solely for naturalization services.

1        ~~((6))~~ (7) \$3,550,000 of the general fund--state appropriation for  
2 fiscal year 2010 is provided solely for refugee employment services, of

4 to statewide refugee assistance organizations for limited English  
5 proficiency pathway services; and \$2,050,000 of the general fund--state  
6 appropriation for fiscal year 2011 is provided solely for refugee  
7 employment services, of which \$1,540,000 is provided solely for the  
8 department to pass through to statewide refugee assistance  
9 organizations for limited English proficiency pathway services.

10        ~~((7))~~ (8) The appropriations in this section reflect reductions  
11 in the appropriations for the economic services administration's  
12 administrative expenses. It is the intent of the legislature that  
13 these reductions shall be achieved, to the greatest extent possible, by  
14 reducing those administrative costs that do not affect direct client  
15 services or direct service delivery or program.

16        ~~((8))~~ (9) \$855,000 of the general fund--state appropriation for  
17 fiscal year 2011, \$719,000 of the general fund--federal appropriation,  
18 and \$2,907,000 of the general fund--private/local appropriation are  
19 provided solely for the implementation of the opportunity portal, the  
20 food stamp employment and training program, and the disability lifeline  
21 program under Second Substitute House Bill No. 2782 (security lifeline  
22 act). If the bill is not enacted by June 30, 2010, the amounts  
23 provided in this subsection shall lapse.

25 fiscal year 2011 is provided solely for the department to award grants  
26 to small mutual assistance or small community-based organizations that  
27 contract with the department for immigrant and refugee assistance  
28 services. The funds shall be awarded to provide funding for community  
29 groups to provide transitional assistance, language skills, and other  
30 resources to improve refugees' economic self-sufficiency through the  
31 effective use of social services, financial services, and medical  
32 assistance.

33        ~~((10))~~ (11) To ensure expenditures remain within available funds  
34 appropriated in this section, the legislature establishes the benefit  
35 under the state food assistance program, made pursuant to RCW  
36 74.08A.120, to be fifty percent of the federal supplemental nutrition  
37 assistance program benefit amount.

18       (1) Within the amounts appropriated in this section, the department  
19 may contract with the University of Washington and community-based

24 shall continue to provide for chemical dependency treatment services

25 The appropriations in this section are subject to the following  
26 conditions and limitations:

27 (1) Based on quarterly expenditure reports and caseload forecasts,  
28 if the department estimates that expenditures for the medical  
29 assistance program will exceed the appropriations, the department shall  
30 take steps including but not limited to reduction of rates or  
31 elimination of optional services to reduce expenditures so that total  
32 program costs do not exceed the annual appropriation authority.

33 (2) In determining financial eligibility for medicaid-funded  
34 services, the department is authorized to disregard recoveries by  
35 Holocaust survivors of insurance proceeds or other assets, as defined  
36 in RCW 48.104.030.

1 (3) The legislature affirms that it is in the state's interest for  
2 Harborview medical center to remain an economically viable component of  
3 the state's health care system.

4 (4) When a person is ineligible for medicaid solely by reason of  
5 residence in an institution for mental diseases, the department shall  
6 provide the person with the same benefits as he or she would receive if  
7 eligible for medicaid, using state-only funds to the extent necessary.

8 (5) (~~In accordance with RCW 74.46.625,~~) \$6,000,000 of the general  
9 fund--federal appropriation is provided solely for supplemental  
10 payments to nursing homes operated by public hospital districts. The  
11 public hospital district shall be responsible for providing the  
12 required nonfederal match for the supplemental payment, and the  
13 payments shall not exceed the maximum allowable under federal rules.  
14 It is the legislature's intent that the payments shall be supplemental  
15 to and shall not in any way offset or reduce the payments calculated  
16 and provided in accordance with part E of chapter 74.46 RCW. It is the  
17 legislature's further intent that costs otherwise allowable for  
18 rate-setting and settlement against payments under chapter 74.46 RCW  
19 shall not be disallowed solely because such costs have been paid by  
20 revenues retained by the nursing home from these supplemental payments.  
21 The supplemental payments are subject to retrospective interim and  
22 final cost settlements based on the nursing homes' as-filed and final  
23 medicare cost reports. The timing of the interim and final cost  
24 settlements shall be at the department's discretion. During either the  
25 interim cost settlement or the final cost settlement, the department  
26 shall recoup from the public hospital districts the supplemental  
27 payments that exceed the medicaid cost limit and/or the medicare upper  
28 payment limit. The department shall apply federal rules for  
29 identifying the eligible incurred medicaid costs and the medicare upper  
30 payment limit.

31 (6) \$649,000 of the general fund--federal appropriation and  
32 \$644,000 of the general fund--state appropriation for fiscal year 2011  
33 are provided solely for grants to rural hospitals. The department  
34 shall distribute the funds under a formula that provides a relatively  
35 larger share of the available funding to hospitals that (a) serve a  
36 disproportionate share of low-income and medically indigent patients,  
37 and (b) have relatively smaller net financial margins, to the extent  
38 allowed by the federal medicaid program.

1 (7) \$5,729,000 of the general fund--state appropriation for fiscal  
2 year 2011, and \$5,776,000 of the general fund--federal appropriation  
3 are provided solely for grants to nonrural hospitals. The department  
4 shall distribute the funds under a formula that provides a relatively  
5 larger share of the available funding to hospitals that (a) serve a  
6 disproportionate share of low-income and medically indigent patients,  
7 and (b) have relatively smaller net financial margins, to the extent  
8 allowed by the federal medicaid program.

9 (8) The department shall continue the inpatient hospital certified  
10 public expenditures program for the 2009-11 biennium. The program  
11 shall apply to all public hospitals, including those owned or operated  
12 by the state, except those classified as critical access hospitals or  
13 state psychiatric institutions. The department shall submit reports to  
14 the governor and legislature by November 1, 2009, and by November 1,  
15 2010, that evaluate whether savings continue to exceed costs for this  
16 program. If the certified public expenditures (CPE) program in its  
17 current form is no longer cost-effective to maintain, the department  
18 shall submit a report to the governor and legislature detailing  
19 cost-effective alternative uses of local, state, and federal resources  
20 as a replacement for this program. During fiscal year 2010 and fiscal  
21 year 2011, hospitals in the program shall be paid and shall retain one  
22 hundred percent of the federal portion of the allowable hospital cost  
23 for each medicaid inpatient fee-for-service claim payable by medical  
24 assistance and one hundred percent of the federal portion of the  
25 maximum disproportionate share hospital payment allowable under federal  
26 regulations. Inpatient medicaid payments shall be established using an  
27 allowable methodology that approximates the cost of claims submitted by  
28 the hospitals. Payments made to each hospital in the program in each  
29 fiscal year of the biennium shall be compared to a baseline amount.  
30 The baseline amount will be determined by the total of (a) the  
31 inpatient claim payment amounts that would have been paid during the  
32 fiscal year had the hospital not been in the CPE program based on the  
33 reimbursement rates developed, implemented, and consistent with  
34 policies approved in the 2009-11 biennial operating appropriations act  
35 (chapter 564, Laws of 2009) and in effect on July 1, 2009, (b) one half  
36 of the indigent assistance disproportionate share hospital payment  
37 amounts paid to and retained by each hospital during fiscal year 2005,  
38 and (c) all of the other disproportionate share hospital payment

1 amounts paid to and retained by each hospital during fiscal year 2005  
2 to the extent the same disproportionate share hospital programs exist  
3 in the 2009-11 biennium. If payments during the fiscal year exceed the  
4 hospital's baseline amount, no additional payments will be made to the  
5 hospital except the federal portion of allowable disproportionate share  
6 hospital payments for which the hospital can certify allowable match.  
7 If payments during the fiscal year are less than the baseline amount,  
8 the hospital will be paid a state grant equal to the difference between  
9 payments during the fiscal year and the applicable baseline amount.  
10 Payment of the state grant shall be made in the applicable fiscal year  
11 and distributed in monthly payments. The grants will be recalculated  
12 and redistributed as the baseline is updated during the fiscal year.  
13 The grant payments are subject to an interim settlement within eleven  
14 months after the end of the fiscal year. A final settlement shall be  
15 performed. To the extent that either settlement determines that a  
16 hospital has received funds in excess of what it would have received as  
17 described in this subsection, the hospital must repay the excess  
18 amounts to the state when requested. \$20,403,000 of the general  
19 fund--state appropriation for fiscal year 2010, of which \$6,570,000 is  
20 appropriated in section ((204(1))) 1104(1) of this act, and  
21 (((\$29,480,000)) \$15,113,000 of the general fund--state appropriation  
22 for fiscal year 2011, of which \$6,570,000 is appropriated in section  
23 ((204(1))) 1104(1) of this act, are provided solely for state grants  
24 for the participating hospitals. CPE hospitals will receive the  
25 inpatient and outpatient reimbursement rate restorations in section 9  
26 and rate increases in section 10(1)(b) of Engrossed Second Substitute  
27 House Bill No. 2956 (hospital safety net assessment) funded through the  
28 hospital safety net assessment fund rather than through the baseline  
29 mechanism specified in this subsection.

30 (9) The department is authorized to use funds appropriated in this  
31 section to purchase goods and supplies through direct contracting with  
32 vendors when the department determines it is cost-effective to do so.

33 (10) \$93,000 of the general fund--state appropriation for fiscal  
34 year 2010 and \$93,000 of the general fund--federal appropriation are  
35 provided solely for the department to pursue a federal Medicaid waiver  
36 pursuant to Second Substitute Senate Bill No. 5945 (Washington health  
37 partnership plan). If the bill is not enacted by June 30, 2009, the  
38 amounts provided in this subsection shall lapse.

1 (11) The department shall require managed health care systems that  
2 have contracts with the department to serve medical assistance clients  
3 to limit any reimbursements or payments the systems make to providers  
4 not employed by or under contract with the systems to no more than the  
5 medical assistance rates paid by the department to providers for  
6 comparable services rendered to clients in the fee-for-service delivery  
7 system.

8 (12) A maximum of (~~(\$241,141,000)~~) \$247,809,000 in total funds from  
9 the general fund--state, general fund--federal, and tobacco and  
10 prevention control account--state appropriations may be expended in the  
11 fiscal biennium for the medical program pursuant to chapter 8, Laws of  
12 2010 1st sp. sess. (security lifeline act), and these amounts are  
13 provided solely for this program. Of these amounts, \$10,749,000 of the  
14 general fund--state appropriation for fiscal year 2010 and \$10,892,000  
15 of the general fund--federal appropriation are provided solely for  
16 payments to hospitals for providing outpatient services to low income  
17 patients who are recipients of lifeline benefits. Pursuant to RCW  
18 74.09.035, the department shall not expend for the lifeline medical  
19 care services program any amounts in excess of the amounts provided in  
20 this subsection.

21 (13) Mental health services shall be included in the services  
22 provided through the managed care system for lifeline clients under  
23 chapter 8, Laws of 2010 1st sp. sess. In transitioning lifeline  
24 clients to managed care, the department shall attempt to deliver care  
25 to lifeline clients through medical homes in community and migrant  
26 health centers. The department, in collaboration with the carrier,  
27 shall seek to improve the transition rate of lifeline clients to the  
28 federal supplemental security income program. The department shall  
29 renegotiate the contract with the managed care plan that provides  
30 services for lifeline clients to maximize state retention of future  
31 hospital savings as a result of improved care coordination. The  
32 department, in collaboration with stakeholders, shall propose a new  
33 name for the lifeline program.

34 (14) The department shall evaluate the impact of the use of a  
35 managed care delivery and financing system on state costs and outcomes  
36 for lifeline medical clients. Outcomes measured shall include state  
37 costs, utilization, changes in mental health status and symptoms, and  
38 involvement in the criminal justice system.

1 (15) The department shall report to the governor and the fiscal  
2 committees of the legislature by June 1, 2010, on its progress toward  
3 achieving a twenty percentage point increase in the generic  
4 prescription drug utilization rate.

5 (16) State funds shall not be used by hospitals for advertising  
6 purposes.

7 (17) \$24,356,000 of the general fund--private/local appropriation  
8 and \$35,707,000 of the general fund--federal appropriation are provided  
9 solely for the implementation of professional services supplemental  
10 payment programs. The department shall seek a medicaid state plan  
11 amendment to create a professional services supplemental payment  
12 program for University of Washington medicine professional providers no  
13 later than July 1, 2009. The department shall apply federal rules for  
14 identifying the shortfall between current fee-for-service medicaid  
15 payments to participating providers and the applicable federal upper  
16 payment limit. Participating providers shall be solely responsible for  
17 providing the local funds required to obtain federal matching funds.  
18 Any incremental costs incurred by the department in the development,  
19 implementation, and maintenance of this program will be the  
20 responsibility of the participating providers. Participating providers  
21 will retain the full amount of supplemental payments provided under  
22 this program, net of any potential costs for any related audits or  
23 litigation brought against the state. The department shall report to  
24 the governor and the legislative fiscal committees on the prospects for  
25 expansion of the program to other qualifying providers as soon as  
26 feasibility is determined but no later than December 31, 2009. The  
27 report will outline estimated impacts on the participating providers,  
28 the procedures necessary to comply with federal guidelines, and the  
29 administrative resource requirements necessary to implement the  
30 program. The department will create a process for expansion of the  
31 program to other qualifying providers as soon as it is determined  
32 feasible by both the department and providers but no later than June  
33 30, 2010.

34 (18) \$9,075,000 of the general fund--state appropriation for fiscal  
35 year 2010, \$8,588,000 of the general fund--state appropriation for  
36 fiscal year 2011, and \$39,747,000 of the general fund--federal  
37 appropriation are provided solely for development and implementation of

1 a replacement system for the existing medicaid management information  
2 system. The amounts provided in this subsection are conditioned on the  
3 department satisfying the requirements of section 902 of this act.

4 (19) \$506,000 of the general fund--state appropriation for fiscal  
5 year 2011 and \$657,000 of the general fund--federal appropriation are  
6 provided solely for the implementation of Second Substitute House Bill  
7 No. 1373 (children's mental health). If the bill is not enacted by  
8 June 30, 2009, the amounts provided in this subsection shall lapse.

9 (20) Pursuant to 42 U.S.C. Sec. 1396(a)(25), the department shall  
10 pursue insurance claims on behalf of medicaid children served through  
11 its in-home medically intensive child program under WAC 388-551-3000.  
12 The department shall report to the Legislature by December 31, 2009, on  
13 the results of its efforts to recover such claims.

14 (21) The department may, on a case-by-case basis and in the best  
15 interests of the child, set payment rates for medically intensive home  
16 care services to promote access to home care as an alternative to  
17 hospitalization. Expenditures related to these increased payments  
18 shall not exceed the amount the department would otherwise pay for  
19 hospitalization for the child receiving medically intensive home care  
20 services.

21 (22) \$425,000 of the general fund--state appropriation for fiscal  
22 year 2010 and \$790,000 of the general fund--federal appropriation are  
23 provided solely to continue children's health coverage outreach and  
24 education efforts under RCW 74.09.470. These efforts shall rely on  
25 existing relationships and systems developed with local public health  
26 agencies, health care providers, public schools, the women, infants,  
27 and children program, the early childhood education and assistance  
28 program, child care providers, newborn visiting nurses, and other  
29 community-based organizations. The department shall seek  
30 public-private partnerships and federal funds that are or may become  
31 available to provide on-going support for outreach and education  
32 efforts under the federal children's health insurance program  
33 reauthorization act of 2009.

34 (23) The department, in conjunction with the office of financial  
35 management, shall implement a prorated inpatient payment policy.

36 (24) The department will pursue a competitive procurement process  
37 for antihemophilic products, emphasizing evidence-based medicine and

1 protection of patient access without significant disruption in  
2 treatment.

3 (25) The department will pursue several strategies towards reducing  
4 pharmacy expenditures including but not limited to increasing generic  
5 prescription drug utilization by 20 percentage points and promoting  
6 increased utilization of the existing mail-order pharmacy program.

7 (26) The department shall reduce reimbursement for over-the-counter  
8 medications while maintaining reimbursement for those over-the-counter  
9 medications that can replace more costly prescription medications.

10 (27) The department shall seek public-private partnerships and  
11 federal funds that are or may become available to implement health  
12 information technology projects under the federal American recovery and  
13 reinvestment act of 2009.

14 (28) The department shall target funding for maternity support  
15 services towards pregnant women with factors that lead to higher rates  
16 of poor birth outcomes, including hypertension, a preterm or low birth  
17 weight birth in the most recent previous birth, a cognitive deficit or  
18 developmental disability, substance abuse, severe mental illness,  
19 unhealthy weight or failure to gain weight, tobacco use, or African  
20 American or Native American race. The department shall prioritize  
21 evidence-based practices for delivery of maternity support services.  
22 To the extent practicable, the department shall develop a mechanism to  
23 increase federal funding for maternity support services by leveraging  
24 local public funding for those services.

25 (29) \$260,036,000 of the hospital safety net assessment fund--state  
26 appropriation and \$255,448,000 of the general fund--federal  
27 appropriation are provided solely for the implementation of Engrossed  
28 Second Substitute House Bill No. 2956 (hospital safety net assessment).  
29 If the bill is not enacted by June 30, 2010, the amounts provided in  
30 this subsection shall lapse.

31 (30) \$79,000 of the general fund--state appropriation for fiscal  
32 year 2010 and \$53,000 of the general fund--federal appropriation are  
33 provided solely to implement Substitute House Bill No. 1845 (medical  
34 support obligations).

35 (31) \$63,000 of the general fund--state appropriation for fiscal  
36 year 2010, \$583,000 of the general fund--state appropriation for fiscal  
37 year 2011, and \$864,000 of the general fund--federal appropriation are  
38 provided solely to implement Engrossed House Bill No. 2194

1 (extraordinary medical placement for offenders). The department shall  
2 work in partnership with the department of corrections to identify  
3 services and find placements for offenders who are released through the  
4 extraordinary medical placement program. The department shall  
5 collaborate with the department of corrections to identify and track  
6 cost savings to the department of corrections, including medical cost  
7 savings, and to identify and track expenditures incurred by the aging  
8 and disability services program for community services and by the  
9 medical assistance program for medical expenses. A joint report  
10 regarding the identified savings and expenditures shall be provided to  
11 the office of financial management and the appropriate fiscal  
12 committees of the legislature by November 30, 2010. If this bill is  
13 not enacted by June 30, 2009, the amounts provided in this subsection  
14 shall lapse.

15 (32) \$73,000 of the general fund--state appropriation for fiscal  
16 year 2011 and \$50,000 of the general fund--federal appropriation is  
17 provided solely for supplemental services that will be provided to  
18 offenders in lieu of a prison sentence pursuant to chapter 224, Laws of  
19 2010 (Substitute Senate Bill No. 6639).

20 (33) Sufficient amounts are provided in this section to provide  
21 full benefit dual eligible beneficiaries with medicare part D  
22 prescription drug copayment coverage in accordance with RCW 74.09.520  
23 until December 31, 2010.

24 (34) In addition to other reductions, the appropriations in this  
25 section reflect reductions targeted specifically to state government  
26 administrative costs. These administrative reductions shall be  
27 achieved, to the greatest extent possible, by reducing those  
28 administrative costs that do not affect providers, direct client  
29 services, or direct service delivery or programs.

30 (35) \$331,000 of the general fund--state appropriation for fiscal  
31 year 2010, \$331,000 of the general fund--state appropriation for fiscal  
32 year 2011, and \$1,228,000 of the general fund--federal appropriation  
33 are provided solely for the department to support the activities of the  
34 Washington poison center. The department shall seek federal authority  
35 to receive matching funds from the federal government through the  
36 children's health insurance program.

37 (36) \$528,000 of the general fund--state appropriation and

1 \$2,955,000 of the general fund--federal appropriation are provided  
2 solely for the implementation of the lifeline program under chapter 8,  
3 Laws of 2010 1st sp. sess. (security lifeline act).

4 (37) Reductions in dental services are to be achieved by focusing  
5 on the fastest growing areas of dental care. Reductions in  
6 preventative care, particularly for children, will be avoided to the  
7 extent possible.

8 (38) \$1,307,000 of the general fund--state appropriation for fiscal  
9 year 2011 and \$1,770,000 of the general fund--federal appropriation are  
10 provided solely to continue to provide dental services in calendar year  
11 2011 for qualifying adults with developmental disabilities. Services  
12 shall include preventive, routine, and emergent dental care, and  
13 support for continued operation of the dental education in care of  
14 persons with disabilities (DECOD) program at the University of  
15 Washington.

16 (39) The department shall develop the capability to implement apple  
17 health for kids express lane eligibility enrollments for children  
18 receiving basic food assistance by June 30, 2011.

19 (40)(a) The department, in coordination with the health care

30 conditions and limitations:

31       (1) The department of health shall not initiate any services that  
32 will require expenditure of state general fund moneys unless expressly  
33 authorized in this act or other law. The department of health and the  
34 state board of health shall not implement any new or amended rules  
35 pertaining to primary and secondary school facilities until the rules  
36 and a final cost estimate have been presented to the legislature, and  
37 the legislature has formally funded implementation of the rules through  
38 the omnibus appropriations act or by statute. The department may seek,

1 receive, and spend, under RCW 43.79.260 through 43.79.282, federal  
2 moneys not anticipated in this act as long as the federal funding does  
3 not require expenditure of state moneys for the program in excess of  
4 amounts anticipated in this act. If the department receives  
5 unanticipated unrestricted federal moneys, those moneys shall be spent  
6 for services authorized in this act or in any other legislation that  
7 provides appropriation authority, and an equal amount of appropriated  
8 state moneys shall lapse. Upon the lapsing of any moneys under this  
9 subsection, the office of financial management shall notify the  
10 legislative fiscal committees. As used in this subsection,  
11 "unrestricted federal moneys" includes block grants and other funds  
12 that federal law does not require to be spent on specifically defined  
13 projects or matched on a formula basis by state funds.

14 (2) In accordance with RCW 43.70.250 and 43.135.055, the department  
15 is authorized to establish and raise fees in fiscal year 2011 as

17 appropriation levels in this section. This authorization applies to  
18 fees for the review of sewage tank designs, fees related to regulation  
19 and inspection of farmworker housing, and fees associated with the

26 authorized to establish fees by the amount necessary to fully support  
27 the cost of activities related to the administration of long-term care  
28 worker certification. The department is further authorized to increase  
29 fees by the amount necessary to implement the regulatory requirements  
30 of the following bills: House Bill No. 1414 (health care assistants),

2 year 2010 and \$54,000 of the general fund--state appropriation for

4 regulatory program to offset a reduction in revenue from fees. The  
5 department shall convene the midwifery advisory committee on a  
6 quarterly basis to address issues related to licensed midwifery. The  
7 appropriations in this section assume that the current application and  
8 renewal fee for midwives shall be increased by fifty dollars and all  
9 other fees for midwives be adjusted accordingly.

10 (6) Funding for the human papillomavirus vaccine shall not be  
11 included in the department's universal vaccine purchase program in  
12 fiscal year 2010. Remaining funds for the universal vaccine purchase  
13 program shall be used to continue the purchase of all other vaccines  
14 included in the program until May 1, 2010, at which point state funding  
15 for the universal vaccine purchase program shall be discontinued.

16 (7) Beginning July 1, 2010, the department, in collaboration with  
17 the department of social and health services, shall maximize the use of  
18 existing federal funds, including section 317 of the federal public  
19 health services act direct assistance as well as federal funds that may  
20 become available under the American recovery and reinvestment act, in  
21 order to continue to provide immunizations for low-income, nonmedicaid  
22 eligible children up to three hundred percent of the federal poverty  
23 level in state-sponsored health programs.

24 (8) The department shall eliminate outreach activities for the  
25 health care directives registry and use the remaining amounts to  
26 maintain the contract for the registry and minimal staffing necessary  
27 to administer the basic entry functions for the registry.

28 (9) Funding in this section reflects a temporary reduction of

32 authorized to adopt rules to establish a fee schedule to apply to  
33 applicants for initial certification surveys of health care facilities  
34 for purposes of receiving federal health care program reimbursement.  
35 The fees shall only apply when the department has determined that  
36 federal funding is not sufficient to compensate the department for the  
37 cost of conducting initial certification surveys. The fees for initial  
38 certification surveys may be established as follows: Up to \$1,815 for

1 ambulatory surgery centers, up to \$2,015 for critical access hospitals,

7 reduced in the expectation that federal funding shall become available  
8 to expand coverage of services for individuals through programs at the  
9 department of social and health services. In the event that such  
10 funding is not provided, the legislature intends to continue funding  
11 through a supplemental appropriation at fiscal year 2010 levels.

27 For any amount allocated to a district in state fiscal year 2011,

30 contingency allocation and any earnings by the school district on the  
31 investment of a temporary cash surplus due to the emergency contingency  
32 allocation. Repayments or advances will be accomplished by a reduction  
33 in the school district's apportionment payments on or before June 30th  
34 of the school year following the distribution of the emergency

(2) A maximum of \$878,000 of this fiscal year 2010 appropriation and a maximum of \$803,000 of the fiscal year 2011 appropriation may be expended for regional transportation coordinators and related activities. 8 the per mile reimbursement rate for the school year multiplied by 1.29.

9 (4) The office of the superintendent of public instruction shall

13 a comparable competitive bid process based on the lowest price quote  
14 based on similar bus categories to those used to establish the list

18 five-year average of lowest bids in the appropriate category of bus.  
19 In the final year on the depreciation schedule, the depreciation  
20 payment shall be based on the lowest bid in the appropriate bus  
21 category for that school year.

22 (6) Funding levels in this section reflect reductions from the  
23 implementation of Substitute House Bill No. 1292 (authorizing waivers  
24 from the one hundred eighty-day school year requirement in order to  
25 allow four-day school weeks).

3 The appropriations in this section are subject to the following  
4 conditions and limitations:

5 (1) Funding for special education programs is provided on an excess  
6 cost basis, pursuant to RCW 28A.150.390. School districts shall ensure  
7 that special education students as a class receive their full share of  
8 the general apportionment allocation accruing through sections 502 and  
9 504 of this act. To the extent a school district cannot provide an  
10 appropriate education for special education students under chapter  
11 28A.155 RCW through the general apportionment allocation, it shall  
12 provide services through the special education excess cost allocation  
13 funded in this section.

14 (2)(a) The superintendent of public instruction shall ensure that:

15 (i) Special education students are basic education students first;

16 (ii) As a class, special education students are entitled to the  
17 full basic education allocation; and

18 (iii) Special education students are basic education students for  
19 the entire school day.

20 (b) The superintendent of public instruction shall continue to  
21 implement the full cost method of excess cost accounting, as designed  
22 by the committee and recommended by the superintendent, pursuant to  
23 section 501(1)(k), chapter 372, Laws of 2006.

24 (3) Each fiscal year appropriation includes such funds as are  
25 necessary to complete the school year ending in the fiscal year and for  
26 prior fiscal year adjustments.

27 (4) The superintendent of public instruction shall distribute state  
28 funds to school districts based on two categories: (a) The first  
29 category includes (i) children birth through age two who are eligible  
30 for the optional program for special education eligible developmentally  
31 delayed infants and toddlers, and (ii) students eligible for the  
32 mandatory special education program and who are age three or four, or  
33 five and not yet enrolled in kindergarten; and (b) the second category  
34 includes students who are eligible for the mandatory special education  
35 program and who are age five and enrolled in kindergarten and students  
36 age six through 21.

37 (5)(a) For the 2009-10 and 2010-11 school years, the superintendent  
38 shall make allocations to each district based on the sum of:

1 (i) A district's annual average headcount enrollment of students  
2 ages birth through four and those five year olds not yet enrolled in  
3 kindergarten, as defined in subsection (4) of this section, multiplied  
4 by the district's average basic education allocation per full-time  
5 equivalent student, multiplied by 1.15; and

6 (ii) A district's annual average full-time equivalent basic  
7 education enrollment multiplied by the funded enrollment percent  
8 determined pursuant to subsection (6)(b) of this section, multiplied by  
9 the district's average basic education allocation per full-time  
10 equivalent student multiplied by 0.9309.

11 (b) For purposes of this subsection, "average basic education  
12 allocation per full-time equivalent student" for a district shall be  
13 based on the staffing ratios required by RCW 28A.150.260 and shall not  
14 include enhancements, secondary vocational education, or small schools  
15 in the 2009-10 school year. In the 2010-11 school year, the per  
16 student allocation under this subsection (5)(b) shall include the same  
17 factors as in the 2009-10 school year, but shall also include the  
18 classified staff enhancements included in section 502(3)(b).

19 (6) The definitions in this subsection apply throughout this  
20 section.

21 (a) "Annual average full-time equivalent basic education  
22 enrollment" means the resident enrollment including students enrolled  
23 through choice (RCW 28A.225.225) and students from nonhigh districts  
24 (RCW 28A.225.210) and excluding students residing in another district  
25 enrolled as part of an interdistrict cooperative program (RCW  
26 28A.225.250).

27 (b) "Enrollment percent" means the district's resident special  
28 education annual average enrollment, excluding the birth through age  
29 four enrollment and those five year olds not yet enrolled in  
30 kindergarten, as a percent of the district's annual average full-time  
31 equivalent basic education enrollment.

32 Each district's general fund--state funded special education  
33 enrollment shall be the lesser of the district's actual enrollment  
34 percent or 12.7 percent.

35 (7) At the request of any interdistrict cooperative of at least 15  
36 districts in which all excess cost services for special education  
37 students of the districts are provided by the cooperative, the maximum  
38 enrollment percent shall be calculated in accordance with subsection

1 (6)(b) of this section, and shall be calculated in the aggregate rather  
2 than individual district units. For purposes of this subsection, the  
3 average basic education allocation per full-time equivalent student  
4 shall be calculated in the aggregate rather than individual district  
5 units.

6 (8) To the extent necessary, \$19,512,000 of the general fund--state  
7 appropriation and \$29,574,000 of the general fund--federal  
8 appropriation are provided for safety net awards for districts with  
9 demonstrated needs for special education funding beyond the amounts  
10 provided in subsection (5) of this section. If the federal safety net  
11 awards based on the federal eligibility threshold exceed the federal  
12 appropriation in this subsection (8) in any fiscal year, the  
13 superintendent shall expend all available federal discretionary funds  
14 necessary to meet this need. Safety net funds shall be awarded by the  
15 state safety net oversight committee subject to the following  
16 conditions and limitations:

17 (a) The committee shall consider unmet needs for districts that can  
18 convincingly demonstrate that all legitimate expenditures for special  
19 education exceed all available revenues from state funding formulas.  
20 In the determination of need, the committee shall also consider  
21 additional available revenues from federal sources. Differences in  
22 program costs attributable to district philosophy, service delivery  
23 choice, or accounting practices are not a legitimate basis for safety  
24 net awards. In the determination of need, the committee shall require  
25 that districts demonstrate that they are maximizing their eligibility  
26 for all state and federal revenues related to services for special  
27 education-eligible students. Awards associated with (b) and (c) of  
28 this subsection shall not exceed the total of a district's specific  
29 determination of need.

30 (b) The committee shall then consider the extraordinary high cost  
31 needs of one or more individual special education students.  
32 Differences in costs attributable to district philosophy, service  
33 delivery choice, or accounting practices are not a legitimate basis for  
34 safety net awards.

35 (c) Using criteria developed by the committee, the committee shall  
36 then consider extraordinary costs associated with communities that draw  
37 a larger number of families with children in need of special education

1 services. The safety net awards to school districts shall be adjusted  
2 to reflect amounts awarded under (b) of this subsection.

3 (d) The maximum allowable indirect cost for calculating safety net  
4 eligibility may not exceed the federal restricted indirect cost rate  
5 for the district plus one percent.

6 (e) Safety net awards must be adjusted for any audit findings or  
7 exceptions related to special education funding.

8 (f) Safety net awards shall be adjusted based on the percent of  
9 potential medicaid eligible students billed as calculated by the  
10 superintendent in accordance with chapter 318, Laws of 1999. The state  
11 safety net oversight committee shall ensure that safety net  
12 documentation and awards are based on current medicaid revenue amounts.

13 (g) Beginning with the 2010-11 school year award cycle, the office  
14 of the superintendent of public instruction shall make award  
15 determinations for state safety net funding in August of each school  
16 year. Determinations on school district eligibility for state safety  
17 net awards shall be based on analysis of actual expenditure data from  
18 the current school year.

19 (9) The superintendent of public instruction may adopt such rules  
20 and procedures as are necessary to administer the special education  
21 funding and safety net award process. Prior to revising any standards,  
22 procedures, or rules, the superintendent shall consult with the office  
23 of financial management and the fiscal committees of the legislature.

24 (10) The safety net oversight committee appointed by the  
25 superintendent of public instruction shall consist of:

26 (a) One staff from the office of superintendent of public  
27 instruction;

28 (b) Staff of the office of the state auditor who shall be nonvoting  
29 members of the committee; and

30 (c) One or more representatives from school districts or  
31 educational service districts knowledgeable of special education  
32 programs and funding.

33 (11) The office of the superintendent of public instruction shall  
34 review and streamline the application process to access safety net  
35 funds, provide technical assistance to school districts, and annually  
36 survey school districts regarding improvement to the process.

37 (12) A maximum of \$678,000 may be expended from the general  
38 fund--state appropriations to fund 5.43 full-time equivalent teachers

1 and 2.1 full-time equivalent aides at children's orthopedic hospital  
2 and medical center. This amount is in lieu of money provided through  
3 the home and hospital allocation and the special education program.

4 (13) The superintendent shall maintain the percentage of federal  
5 flow-through to school districts at 85 percent. In addition to other  
6 purposes, school districts may use increased federal funds for  
7 high-cost students, for purchasing regional special education services  
8 from educational service districts, and for staff development  
9 activities particularly relating to inclusion issues.

10 (14) A school district may carry over from one year to the next  
11 year up to 10 percent of the general fund--state funds allocated under  
12 this program; however, carryover funds shall be expended in the special  
13 education program.

14 (15) \$262,000 of the general fund--state appropriation for fiscal  
15 year 2010 and \$251,000 of the general fund--state appropriation for  
16 fiscal year 2011 are provided solely for two additional full-time  
17 equivalent staff to support the work of the safety net committee and to  
18 provide training and support to districts applying for safety net  
19 awards.

20 (16) \$50,000 of the general fund--state appropriation for fiscal  
21 year 2010, \$50,000 of the general fund--state appropriation for fiscal  
22 2011, and \$100,000 of the general fund--federal appropriation shall be  
23 expended to support a special education ombudsman program within the  
24 office of superintendent of public instruction.
