Comments:

Legislative

Joint Legislative Audit & Review Committee

1. 6.287% REDUCTION - The Joint Legislative Audit and Review Committee will reduce expenditures by \$198,000, which is \$6.287 percent of their FY 2011 General Fund-State funding. Savings are achieved through holding positions vacant through June 2011, eight additional staff furlough days for a total of ten unpaid days, elimination of remaining funds for consultants, one time savings and miscellaneous savings in goods, services, and travel.

Joint Legislative Systems Committee

2. 6.3 PERCENT REDUCTION - Savings will be achieved by reducing staffing, maintenance agreements, and acquisitions.

Statute Law Committee

3. REDUCTIONS/EFFICIENCY MEASURES - As part of an across-the-board reduction, the Statute Law Committee is reducing expenditures by 6.3 percent.

Redistricting Commission

4. RESTORATION OF REDISTRICTING COSTS - Partial funding for redistricting costs is restored from the December 2010 supplemental budget reduction to reflect an accross-the-board budget reduction of 6.3 percent.

Judicial

Administrative Office of the Courts

8. REDUCE BECCA/TRUANCY PGM - Absences occuring in May and June 2011 will not count toward the number of absences necessary to trigger a truancy petition. This reduction reflects a reduced workload due to generating and processing fewer petitions.

Governmental Operations

Public Disclosure Commission

9. REDUCTION IN STAFFING - Savings will be achieved by delaying the filling of the vacant executive director position and eliminating a vacant information technology position. The Commission will also reduce work hours for three FTE staff to half-time. Annual review for late and non-filers will extend to a multi-year review cycle; resolution of investigations and enforcement issues will be extended by two to four months.

Office of the Secretary of State

10. HELP AMERICA VOTE ACT - STATE MATCH - The federal Consolidated Appropriations Act of 2010 provides \$1.4 million in Help America Vote Act (HAVA) funds, subject to \$77,000 in state matching funds. This General Fund-State appropriation is for deposit into, and expenditure from, the Election Account. This Fiscal Year 2011 appropriation replaces a Fiscal Year 2010 appropriation that was not expended and has lapsed. (General Fund-State).

Governor's Office of Indian Affairs

11. STAFF VACANCY, SALARY ADJUSTMENT - Savings will be achieved by leaving a position vacant for two months and then filling it at a lower salary.

Conference

Report

Senate Passed House Passed Governor

Comm on Asian-Pacific-American Affairs

12. GOODS AND SERVICES REDUCTION - Savings will be achieved by reducing expenditures for supplies, employee training, and printing for the remainder of FY 2011.

Office of the State Auditor

13. REDUCE SCHOOL AUDIT FUNDS - Funding for audits of K-12 budget drivers is reduced in FY 2011.

Commission on Salaries for Elected Officials

14. TRAVEL AND TRAINING REDUCTION - Savings will be achieved by delaying planned staff training and not renewing or incurring new subscriptions. Additional savings will be made by reducing travel costs, combining the commissioner training and salary session planning meetings, and by holding all statutorily required public meetings in the Puget Sound area instead of in cities across the state. No equipment purchases will be made the remainder of FY 2011.

Caseload Forecast Council

15. STAFF VACANCIES - Savings will be achieved by not filling staffing vacancies.

Department of Commerce

16. ADMIN SERVICES ATB REDUCTION - Funding for administrative staffing and capacity to support agency-wide efforts is reduced.

17. BSA/OPERATIONS - Funding for operations and administrative support for the Business Services Division is reduced by 19 percent.

18. BSA/DOMESTIC CONTRACT PASS-THRU - A grant to the International Trade Alliance of Spokane to support and expand export sales of Washington manufactured products and services is reduced by 11 percent.

 BSA/OTHER PASS-THRU - Funding for the following grants to support business development and tourism are reduced by 11 percent: 1) Western Washington University Center for Economic Vitality (Small Business Development Centers); 2) Washington Manufacturing Services (Impact Washington), 3) City of Renton Small Business Development Center, 4) Federal Way Chamber Incubator, 5) Greater Seattle Business Association, and 6) City of Federal Way Medical Incubator.

20. BSA/MICROENTERPRISE DEVELOPMENT - Funding for a grant to the Microenterprise Association to support Microenterprise Development Organizations is reduced by 11 percent.

21. BSA/WASHINGTON TECHNOLOGY CENTER - The Washington Technology Center (WTC) conducts research to develop and strengthen relationships between the state's universities, private industry, and government. Funding for a grant to the WTC is reduced by 11 percent.

22. BSA/OTHER PASS-THRU/GLOBAL HLTH TCH - The Washington global health technologies and product development competitiveness program was developed to stimulate the economy and foster job creation in the field of global health. Funding is reduced by 25 percent.

23. BSA/OTHER PASS-THRU/PNW ECON REG - Funding for a grant to the Pacific Northwest Economic Region (PNWER) to promote business development in the region is discontinued effective March 1, 2011.

Conference Report

Senate Passed House Passed Governor

24. BSA/ADO GRANTS - Associate Development Organizations (ADOs) work to increase the support for and coordination of community and economic development services in communities or regional areas. These grants are reduced by 9 percent.

25. BSA/DOMESTIC CONTRACTS/EXPORT FINC - Funding for a grant to the Export Finance Assistance Center to develop a rural manufacturer export outreach program and export loan or loan guarantee programs is reduced by 11 percent.

26. BSA/OTHER PASS-THRU HISTORY LINK - Funding for a grant to HistoryLink to expand website content statewide is reduced by 10 percent.

27. BSA/IPZ ECONOMIC DEVELOP PGM - Funding for grants to support the formation of sector or cluster associations and facilitate working relationships with innovation partnership zones are reduced by 11 percent.

28. BSA/OTHER PASS-THRU NW AG BUSINESS - Funding for a grant to the NorthWest Agriculture Business Center which provides business assistance for farms, value added agriculture business, and farm-based businesses in Whatcom, Skagit, Island, San Juan and Snohomish Counties is reduced by 22 percent.

29. BSA/TOURISM DEVELOPMENT - Funding for activities to promote tourism is discontinued effective May 1, 2011. (Tourism Development and Promotion Account-State, Tourism Enterprise Account-Non-Appropriated)

30. CSHD/ADVOCACY & POLICY - The Office of Crime Victims Advocacy provides services to victims of crimes and training for grantees. Funding for these services is reduced by 13 percent and will result in reductions in training and other services provided by staff.

31. CSHD/VICTIM WITNESS - Funding for grants to provide assistance to victims and witnesses of crimes are reduced by 11 percent.

34. CSHD/CRIME VICTIMS SERVICE CENTERS - Funding for Crime Victim Service Centers is reduced by 11 percent.

35. CSHD/COMMUNITY SVCS BLOCK GRANT - Administrative funding available for the Community Services Block Grant is reduced by 14 percent.

36. CSHD/LTC OMBUDSMAN PGM - Funding for the Long Term Care Ombuds programs which serves individuals living in long term care facilities and Adult Family Homes is reduced by 11 percent.

37. CSHD/RETIRED & SENIOR VOLUNTEER PGM - The Retired and Senior Volunteer Program (RSVP) recruits citizens over 55 to help with community needs and solve community problems. Funding for the program is reduced by 11 percent.

38. CSHD/FAMILY PROSPERITY ACT - Funding for grants to contractors who provide financial services and self sufficiency training to low income individuals and families across the state is reduced by 11 percent.

Conf Report

Senate Passed House Passed Governor

39. CSHD/NEW AMERICANS PROGRAM - Funding for the New Americans Program which provides services to immigrants is reduced by 11 percent.

40. CSHD/COMMUNITY MOBILIZATION - The Community Mobilization Against Substance Abuse and Violence program funds collaborative efforts of educators, law enforcement, local government, treatment providers, and community groups. Funding for these grants is reduced by 11 percent.

41. CSHD/MULTI-JURISDCTN DRUG TASK FRCE - Multi-jurisdictional Drug Task Forces integrate federal, state and local law enforcement and prosecutors to enhance interagency coordination of multi-jurisdictional investigations. Funding for the task forces is reduced by 11 percent.

42. CSHD/DISPUTE RESOLUTION - The Dispute Resolution Program works to enhance the capacity and availability of out-of-court mediation services statewide by funding mediator training and mediation expenses. Funding for these services is reduced by 11 percent.

43. CSHD/ADMINISTRATION - Administration for the Community Support and Housing Division of the Department of Commerce paid with state funds is reduced by 12 percent.

44. CSHD/COMMUNITY DEVELOP PGM - The Department of Commerce provides funding for KCTS to provide support for Spanish Language programming. Funding for the grant is reduced by 10 percent.

45. IPPD/LEGISLATIVE LIAISON - Funding used to support a .5 FTE legislative liaison is reduced.

46. IPPD/ENERGY POLICY - The Innovation and Policies Priorities Division of the Department of Commerce supports energy efficiency, renewable and smart energy businesses in the global marketplace. Funding for these services is reduced by 13 percent.

47. IPPD/LOCAL GOVT FISCAL NOTE PGM - The Local Government Fiscal Note Program assesses the fiscal impact of all bills on local governments. Funding for these services is reduced by 12 percent.

48. IPPD/RURAL DEVELOPMENT - The Innovation and Policies Priorities Division of the Department of Commerce supports rural development activities. Funding for these services is discontinued effective March 1, 2011.

50. IPPD/INNOVATION RESEARCH TEAMS - The Department of Commerce contracts with the University of Washington and Washington State University to support the STARS researchers and Entrepreneurs in Residence program. Funding for the contract is reduced by 6 percent.

51. IPPD/EVERGREEN JOBS INITIATIVE - The Evergreen Jobs Leadership Team coordinates energy sector grants and provides other oversight in order to grow green jobs within the State. Funding for the program will be reduced by 12 percent.

52. IPPD/OTHER OPERATING - Funding for administrative and operating costs for the Innovation and Policies Priorities and Administrative Services Divisions is reduced.

Conference Report Senate Passed House Passed Governor

53. LGI/GROWTH MANAGEMENT ADMIN - Funding for administration for the Growth Management Program is reduced by 6 percent.

54. LGI/GROWTH MANAGEMENT GRANTS - Funding for growth management grants to cities and counties to assist planning efforts are reduced by 21 percent.

55. LGI/COMMUNITY & FINANCIAL SVCS - Funding for the Community and Financial Assistance Unit is reduced by 32 percent.

56. LGI/PORTFOLIO MANAGEMENT - Portfolio Management services all aspects of Commerce revolving loan programs intended to create and retain local jobs, diversify local economies, and expand the local tax base. Funding for the program is reduced by 7 percent.

57. LGI/MARINE CONTAINER PORTS - Funding for grants to the cities of Seattle and Tacoma for coordinating planning with their respective port authorities in the vicinity of their marine container ports is reduced by 11 percent.

Economic & Revenue Forecast Council

58. REDUCED GOODS, SERVICES, PURCHASES - Funding is reduced for goods and services, information technology, staff training, and travel.

Washington State Commission on Hispanic Affairs

59. GOODS, SERVICES, TRAVEL REDUCTION - Savings will be achieved by eliminating four community meetings, reducing the travel budget, and decreasing funds designated for interpreter services, materials, and information technology updates.

WA State Comm on African-American Affairs

60. TRAVEL AND SERVICES REDUCTION - Savings will be achieved by reducing travel costs.

Department of Revenue

61. SAVINGS AND REVENUE COLLECTIONS * - The Department will achieve savings by eliminating nonrevenue generating positions while maintaining revenue collection activities. Reductions include support positions and reducing expenditures for travel, equipment, and goods and services.

62. REDUCE COUNTY ADVISORY APPRAISALS - The Department of Revenue will reduce assistance to counties for advisory appraisals by eliminating three FTE staff positions. DOR is statutorily required to provide advisory appraisals on all commercial industrial properties over \$25 million in value, and will maintain enough staff to be able to complete up to 25 appraisals each year.

63. APPEALS EFFICIENCIES - Funding is reduced for tax appeals. Streamlining appeals processing will allow a reduction of 2.9 FTE staff. This processing change will enable existing staff to process appeals more efficiently, while continuing to provide taxpayer education.

64. QUARTERLY ACCOUNTS TO E-FILE/E-PAY - To achieve savings, 32,595 taxpayers who currently report on a quarterly basis and who qualify for monthly reporting will be asked to report on a monthly basis and to file and pay

Conference

Report Senate Passed House Passed Governor

their taxes electronically. This efficiency measure will reduce the cost of collecting revenue.

65. REDUCE POLICY RESEARCH SERVICES - Funding is reduced for research and policy activities at the Department. By combining two program areas, the Research, Legislation, and Policy Division and the Interpretations and Technical Advice Division will be reduced by 5 FTE staff.

66. SUSPENDING THE WFTC PROGRAM - Funding is reduced for the Working Families Tax Credit Program. Funding for this project was allocated for the development of a computer system and business process to support making cash payments to individuals who qualify for an earned income tax credit on their federal tax returns. To achieve savings, further development of the systems and processes are suspended.

67. TAX ADMINISTRATION ACTIVITIES - Funding is reduced for tax administration activities at the Department. To achieve savings, reductions are made in the Information Services, Human Resources, and Business and Financial Services divisions. Approximately 15 percent of the Department's staff are in tax administration and non-revenue generating divisions.

Board of Tax Appeals

68. SALARY, SVCS, AND TRAVEL REDUCTION - Savings will be achieved by holding a tax referee position vacant, and further reducing goods and services expenditures with fewer office supply purchases. All expenditures for employee professional development and training are eliminated, and membership in professional organizations will be paid by employees. Expenditures for maintenance service on computer hardware and software are reduced. More hearings will be conducted by telephone and hearing officers will use public transit to attend hearings whenever feasible.

69. RETIREMENT BUYOUT COSTS - Funding is for a sick leave buy-out and other leave expenses for a board member whose six-year term as chairman is scheduled to end March 1, 2011.

Department of General Administration

70. ADMINISTRATIVE REDUCTIONS - The Department will reduce maintenance and other building services to the legislative agencies located on the capitol campus. Staff resources supporting the Capital Project Advisory Review Board and Built Environment Pollution activities will be reduced.

71. REDUCE SERVICES TO THE LEGISLATURE - The Department will reduce maintenance and other building services to the legislative agencies located on the capital campus. Further savings will be achieved by eliminating travel reimbursement for members of the Capital Project Advisory Review Board during FY 2011.

Department of Information Services

72. REDUCE JUSTICE INFORMATION NETWORK - Funding is reduced for the Secure Web Services Gateway. The gateway is minimally used by local law and justice agencies to access the Justice Information Network and criminal justice data.

Military Department

73. ADMINISTRATIVE REDUCTIONS - Savings will be achieved by the Department taking five temporary layoff days, and reduce staffing in the Geographic Information System program and the Alert and Warning Center.

74. REDUCE EDUC SUPPORT & OTH SERVICES - Savings will be achieved by the Military Department eliminating post-high school education assistance for National Guard members and funding support for Washington Youth Academy. Additionally, savings will be made in facility maintenance, emergency management, and

Near General Fund - State (Dollars in Thousands)

Conference

Report Senate Passed House Passed Governor

administrative support functions.

Public Employment Relations Commission

75. VACANCY AND MILEAGE SAVINGS - Vacant positions will remain vacant for the remainder of the 2009-11 fiscal biennium, and travel expenses will be reduced.

Department of Archaeology & Historic Preservation

76. ADMINISTRATIVE REDUCTION - Funding is reduced for goods and services, printing costs, information technology support services, travel expenditures and pass-through grants to local governments.

DSHS

Children and Family Services

77. REDUCE STREET YOUTH SERVICES - Funding for the Street Youth Program is reduced to reflect a one-time under expenditure. The Street Youth Program provides outreach to homeless and at risk youth. (Home Security Fund)

78. REDUCE SECURED CRISIS RES CNTRS - Funding is reduced for Secure Crisis Residential Centers (SCRCSs). SCRCs provide temporary residential placement for runaway youth and/or youth in conflict with their families. (General Fund-State, Home Security Fund)

84. REDUCE REGIONAL ADMINISTRATION - The Department of Social and Health Services is consolidating its regional structure from six to three for all programs across the state. (General Fund-State, General Fund-Federal)

85. ANCILLARY FUNDING - Funding for ancillary related services is reduced to reflect one-time under expenditures in FY 2011. Ancillary services are used for variety of support services for foster care.

87. ASSESSMENT PROGRAMS - Funding is reduced for the Foster Care Assessment Program and the Comprehensive Safety Assessment Program.

88. REDUCE FFH PRIVATE AGENCY SVC FEES - The rate paid by Children's Administration for contracts with private agencies for additional foster homes is reduced by 6.287 percent. (General Fund-State, General Fund-Federal)

89. LEVERAGE FUNDING FOR EDUCATION COOR - State general funds are reduced and additional federal authority is provided to reflect the Department obtaining federal matching funds. Educational coordinators provide educational advocacy services for children in foster care. (General Fund-State, General Fund-Federal).

91. BEHAVIORAL REHABILITATIVE SERVICES - Funding for Behavioral Rehabilitative Services is reduced. Behavioral Rehabilitative Services are provided to children and youth who are behaviorally or emotional disordered and whose behaviors cannot be maintained in a less intensive setting. (General Fund-State, General Fund-Federal)

95. REDUCE TRANSPORTATION - Some transportation funding is included in the monthly maintenance payment paid to foster parents. The Children's Administration will reduce funding for transportation and associated expenses incurred on behalf of a child in foster care that are outside of the maintenance payment. (General Fund-State, General Fund-Federal)

97. NON-FACILITY FOSTER PARENT SUPPORT - Funding is reduced by 6.287 percent for community-based

Conference Report

Senate Passed House Passed Governor

Pediatric Interim Care services in FY 2011. These services are provided to drug impacted or medically fragile infants. (General Fund-State, General Fund-Federal)

98. INTERVENTION SERVICES - Funding is reduced for the prevention related programs including: Family Preservation Services, Early Intervention Program, Crisis Family Intervention, Intensive Family Preservation Services, Evidence Based Programs, and Early Family Support Services. These programs focus on services that allow the child to safely remain at home and safely reunify after being in out-of-home care.

99. REUNIFICATION PILOT - Funding is eliminated for a reunification pilot project in Whatcom and Skagit Counties.

100. IMPROVING PROMISING PRACTICE - Funding is eliminated for the department to contract for the promising practice constellation hub models of foster care support.

Juvenile Rehabilitation

102. REDUCE JUVENILE COURT FUNDING - The funding provided to county juvenile courts and participating tribes is reduced by 6.287% in FY 2011, as are DSHS administrative expenditures associated with administering the juvenile court block grant.

103. REDUCE JRA REGIONAL SERVICES - The Juvenile Rehabilitation Administration provides transition services for non-parole youth and regional client services. The amount provided for these activities is reduced by \$541,000 in FY 2011.

104. MINIMUM RELEASE FOR LOW RISK YOUTH - Juvenile offenders are sentenced by the courts to a minimum and a maximum length of stay, and the Juvenile Rehabilitation Administration (JRA) has the authority to designate the release date for each offender within the sentence range. JRA will now release more low-risk, non-violent juvenile offenders on their minimum release date, resulting in a lower census and incremental savings at JRA institutions.

105. DELAY GROUP HOME OPENINGS - The Juvenile Rehabilitation Administration was provided funding in the 2010 supplemental operating budget to open two new group homes, Touchstone and Sunrise. The opening of the new homes is now scheduled for January 2011. Funding is adjusted to reflect the delayed openings.

106. HQ ADMINISTRATIVE REDUCTION - Funding and staffing levels for Juvenile Rehabilitation Administration headquarters is reduced by \$295,000 and 1 FTE in FY 2011.

107. REDUCE PAROLE SERVICES - Funding for parole services to juveniles is reduced by \$1.4 million in FY 2011. The agency has achieved savings in this area by reducing diagnostic services, eliminating aggression replacement therapy services in the community, increasing caseloads from 1:20 to 1:25, restructuring regional administration, and reducing lease costs.

Mental Health

108. ADMINISTRATIVE REDUCTION - Funding for headquarters administrative and operations support is reduced.

110. CLOSE WESTERN STATE HOSPITAL WARD - One Western State Hospital ward staffed to serve patients with severe psychiatric disorders who are civilly committed was closed in October 2010, resulting in ongoing reductions in state expenditures.

February 17, 2011 8:29 am

(Dollars in Thousands)

Co Report

Senate Passed House Passed Governor

111. REDUCE ESH STAFF COSTS - Eastern State Hospital (ESH) will reduce staff costs through increased efficiencies. (General Fund-State, General Fund-Federal, General Fund-Local)

112. REDUCE ORCSP - The Offender Reentry Community Safety Program (ORCSP) provides funding to provide or enhance services to a designated group of offenders with mental illnesses released from correctional facilities for up to 60 months. Funding is reduced in January 2011 to reflect current spending levels.

113. INCREASED FEDERAL MATCH - As authorized by the Children's Health Insurance Program Reathorization Act (CHIPRA), the state will claim federal matching funds for community mental health services for children with incomes between 133-200% of poverty at the higher CHIP rather than the regular Medicaid matching rate. (General Fund-State, General Fund-Federal)

114. REDUCE WSH STAFF COSTS - Western State Hospital (WSH) will achieve savings by managing vacancies, limiting overtime, and staff reorganization. (General Fund-State, General Fund-Federal, General Fund-Local)

115. CAPTURE PROGRAM SAVINGS - The Hospital Reimbursement Group at Western State Hospital is responsible for all revenue functions, including identification and collection of client recoveries. Funding is reduced due to savings from lower expenditures.

116. REDUCE CSS OPERATING COST - Operating costs in the Consolidated Support Services (CSS) unit at Eastern State Hospital are reduced.

117. REDUCE RSN NON-MEDICAID FUNDING - Regional Support Networks (RSNs) provide services to low income individuals who do not qualify for Medicaid as well as services to Medicaid clients which are not reimbursable under the Medicaid program. Funding for these services is reduced by 11 percent.

118. REDUCE CHILD STUDY CENTER ADMIN - The Department will reduce administrative staffing costs at the Child Study and Treatment Center. (General Fund-State, General Fund-Federal)

119. REDUCE WIMHRT TECHNICAL ASSISTANCE - State funding for a contract with the Washington Institute for Mental Health Research and Training (WIMHRT) is discontinued. Services can still be reimbursed with local funds and federal funds. (General Fund-State, General Fund-Local)

120. REDUCE PROVISO FUNDING - Funding for studies by the Washington State Institute for Public Policy and technical assistance for Regional Support Networks is reduced by 6.4 percent.

121. PROVISO: PACT SERVICES - Nine Regional Support Networks receive funding to provide Program of Assertive Community Treatment (PACT) teams which provide evidence-based, intensive, and multi-disciplinary community mental health services to individuals at demonstrated risk of repeated and long-term psychiatric hospitalization. Funding for these services is reduced by 3 percent.

122. PROVISO: PALS SERVICES - Regional Support Networks in western Washington receive funding to provide either community or hospital campus-based services for persons who require the level of care provided by the Program for Adaptive Living Skills (PALS) at western state hospital. Funding for these services is reduced by 6.3 percent.

	Conference			~

126. PROVISO: CHILDREN'S MH PILOTS - Funding for children's evidence-based mental health pilot programs and the Evidence Based Practices Institute at the University of Washington are reduced by 6.3 percent.

Developmental Disabilities

127. RHC TRANSITION/COMMUNITY ALTERNATIV - Funding is provided to conduct individual assessments of 53 clients, to develop individual transition and support plans, and to begin moving clients out of Francis Haddon Morgan to other appropriate placements. (General Fund-State, General Fund-Federal)

129. REDUCE REGIONAL ADMINISTRATION - The Department of Social and Health Services is consolidating the regional structure from six to three for all programs across the state. (General Fund-State, General Fund-Federal)

130. MANDATORY TRAINING - Funding is provided for increased Basic Training beginning January 1, 2011, for non-family member Individual Providers (IP) only. Basic Training for all other long term care workers is delayed to the 2013-15 biennium. Continuing Education, is delayed to the 2013-15 biennium for all long-term care workers including IPs, with the exception that Developmental Disability (DD) residential workers that will be exempted from this requirement. DD residential workers currently do not have requirements for Continuing Education and will be exempted from the increase to 12 hours for this category of training. Advanced Training, Peer Mentorship, and Background Checks are delayed for all long term care workers, including IPs, to the 2013-15 biennium. (General Fund-State, General Fund-Federal)

131. REDUCE RHC STAFF & SERVICE - Reductions are made to Residential Habilitation Centers through changes in adult training programs and food services, increased client density in houses and cottages, cottage closures, and staff layoffs. (General Fund-State, General Fund-Federal)

132. REDUCE SOLA COSTS - State Operated Living Alternatives will reduce discretionary expenditures for goods and services, travel and equipment. (General Fund-State, General Fund-Federal)

133. REDUCE PROFESSIONAL SERVICES - The Department of Social and Health Services will achieve savings in contracted professional services for therapies and technical assistance. (General Fund-State, General Fund-Federal)

134. REDUCE MENTAL HEALTH TRAINING - Funding is reduced for specialized mental health training that is provided as a service to residential providers that care for approximately 434 clients with developmental disabilities. Department of Social and Health services will continue to provide mental health training according to the greatest

Conference

Report Senate Passed House Passed

Governor

need as long as the funding lasts. (General Fund-State, General Fund-Federal)

135. CAPTURE VOLUNTARY PLACEMENT SAVINGS - Funds provided for services that allow children to be voluntarily placed in a residential care setting have historically been under-spent. These funds are adjusted downward to more closely reflect historical actual expenditures.

136. REDUCE STATE EMPLOYMENT AND DAY - Funding is eliminated for 240 slots in state only funded employment and day programs which have not yet been filled. The 2010 Legislature provided funding for 429 state only employment services slots for high school graduates. Of those, approximately 189 slots have been filled. The remaining slots have been held open to achieve savings.

137. REDUCE CIIBS PLACEMENTS - Savings are achieved from a temporary freeze the Department implemented for the period of October 1, 2010 - January 31, 2011, on entrance to the Children's Intensive In-Home Behavior Support (CIIBS) program. Access to this program is reinstated February 1, 2011, at a slower phase-in than originally projected. The CIIBS program is designed to provide services to high intensity children in an effort to keep them from being placed in Residential Habilitation Centers.

138. SUSPEND INDIVIDUAL & FAMILY SERVICE - The Individual and Family Services program is suspended effective November 2010. State-only funded services that provide support to persons with developmental disabilities not covered by medicaid are temporarily unavailable for 2,000 clients. Services include respite care, therapies, adaptive equipment, training, counseling, medical, dental and nursing services.

139. REDUCE EMPLOYMENT AND DAY RATE - Reductions are made in funding provided to counties for employment support to people with developmental disabilities. This reduction includes savings from projected under-expenditures. (General Fund-State, General Fund-Federal)

140. REDUCE CHILD DEVELOP SERVICES - State-only funds paid to the counties to provide child development services to birth to three-year-olds and their families are reduced. These contracts serve approximately 2,800 children and may include specialized therapy and/or educational services. Last year, the Division of Developmental Disabilities granted a temporary increase in contract funding of \$200,000 above the dollar amounts necessary for federal Maintenance of Effort (MOE) requirements for the Infant Toddler Early Intervention Program (ITEIP). Contracts are reduced back down to the MOE level.

141. REDUCE CENTRAL OFFICE COSTS - The Division of Devleopmental Disabilities central office will reduce expenditures for travel, equipment, printing and projects. The reduction will result in less assistance to field staff, advocates, consumers, and partners. (General Fund-State, General Fund-Federal)

142. REDUCE FIELD STAFF & SERVICES - Reductions are made to case managers and case management services on the no-paid services caseload. In addition, vacant positions are not filled and reductions are made to regional office expenditures. (General Fund-State, General Fund-Federal)

143. REDUCE PERSONAL CARE HOURS - Personal care provides assistance with activities of daily living to individuals who meet functional and financial eligibility. A 10 percent acuity-based reduction is made to personal care service hours for adult clients receiving in-home personal care under Medicaid programs. The actual reduction will range between 6 percent and 18 percent per client depending on acuity. In the most acute care category, a client receives on average 382 hours per month of in-home care. This client's care would be reduced by 6 percent and as of January 1, 2011; they would receive 359 hours of in-home care. This client's care would be reduced by 18 percent and as of January 1, 2011; they would receive 21 hours of care. (General Fund-State, General Fund-Federal)

Report

Senate Passed House Passed Governor

144. PARENT TO PARENT PROGRAM - Funding is provided for direct support to local organizations that utilize parent-to-parent networks and communication to promote access and quality of care for individuals with developmental disabilities and their families.

145. REDUCE BOARDING HOME RATES - A 7 percent reduction to FY 2011 rates paid to providers for approximately 170 adult residential care (ARC) and enhanced adult residential care (EARC) clients is made from April 2011 and June 30, 2011. (General Fund-State, General Fund-Federal)

147. REDUCE PROVISO FUNDING - Across-the-board reductions of 6.287 percent are made to provisos not reduced as separate items.

Long-Term Care

148. REDUCE NH ACUITY RATE # - Nursing home rates for the lowest acuity clients are reduced with the expectation that nursing homes will move clients into less restrictive community settings. Using the FY 2011 Minimum Data Set (MDS), a client is scored into one of 44 groups that tie payment levels to the client acuity levels as required for Federal participation. Facilities that care for clients in the lowest 10 acuity groups will receive a reduction in payment levels. (General Fund-State, General Fund-Federal)

149. REDUCE NH FINANCING RATE # - The allowable return on investment in the finance allowance component of the nursing home rate is reduced to 4.0 percent for all tangible assets. The percentage of return on investment is set by the state and is adjusted to reflect lowering interest rates for commercial health industry loans. (General Fund-State, General Fund-Federal)

150. REDUCE REGIONAL ADMINISTRATION - The Department of Social and Health Services is consolidating its regional structure from six to three for all programs across the state. (General Fund-State, General Fund-Federal)

151. NH RATES- CAP OPERATIONS COMPONENT - Temporary lids from March 1, 2011 to June 30, 2011, are established in the Operations component and will vary with the highest payment going to the facilities with the lowest costs. Facilities that operate at the least cost will be reimbursed at 100 percent of their allowable operations costs. Facilities that operate at a higher cost rate will be reimbursed between 68 percent and 88 percent of their allowable operations costs. (General Fund-State, General Fund-Federal)

152. REDUCE VOLUNTEER SERVICES PROGRAM - State-only funding is reduced by 6.3 percent beginning January, 2011 through June 30, 2011, for 30,000 senior citizens who are not eligible for or who have declined DSHS services. Volunteer Services provide about 288,000 hours of services such as household tasks, yard work, transportation, minor home repair, and moving. Staffing cuts would be made at the contractor level. Some individuals may need to access other DSHS services. There are two volunteer service areas in Washington offered through Catholic Community Services and Northwest Regional Council Area Agency on Aging.

153. REDUCE AAA CASE MANAGER UNIT RATE - The monthly rate paid to the Area Agencies on Aging (AAA) is reduced by 3 percent for each home managed for Medicaid clients. The client caseload ratio will increase from 1:70 to 1:72 as a result of this reduction. Core service contract management performed by AAAs will also be reduced by 3 percent. Core service contract management includes staff and costs for procurement, negotiation, execution, and monitoring of contracted services including in-home agency personal care services under Long Term Care and Developmental Disability waivers, Medicaid, and Adult Day Health. (General Fund-State, General Fund-Federal)

154. CAPTURE FIELD STAFF VACANCY SAVINGS - Savings are achieved by not filling vacant positions provided in the 2009-11 biennium and 2010 supplemental budget for mandatory workload. (General Fund-State, General Fund-Federal)

(Dollars in Thousands)

Conference Report Senate Passed House Passed Governor

155. REDUCE SENIOR CITIZENS SERVICES ACT - State-only funding for the Senior Citizens Service Act (SCSA) is reduced by about 15 percent. This does not include Maintenance of Effort (MOE) funding required for federal match through the Older American Act. There is approximately \$11.6 million in GF-S that goes to the SCSA each year that is not part of the MOE. Funding is used for transportation, case management, nutrition (meals on wheels), foot care, peer counseling, and health promotion services.

156. REVISE PHASE-IN FOR NH DISCHARGE - The 2010 Legislature provided additional case management to facilitate timely discharge from nursing homes for approximately 60 additional clients per month. This projection has been exceeded and greater savings is achieved from moving clients out of nursing homes and into home or community based care. The cost of serving a client in a nursing home is approximately twice as much as serving the same client in a home or community-based care setting. (General Fund-State, General Fund-Federal)

157. MANDATORY TRAINING - Funding is provided for increased Basic Training beginning January 1, 2011, for non-family member Individual Providers (IP) only. Basic Training for all other long term care workers is delayed to the 2013-15 biennium. Continuing Education, is delayed to the 2013-15 biennium for all long-term care workers including IPs, with the exception that Developmental Disability (DD) residential workers that will be exempted from this requirement. DD residential workers currently do not have requirements for Continuing Education and will be exempted from the increase to 12 hours for this category of training. Advanced Training, Peer Mentorship, and Background Checks are delayed for all long term care workers, including IPs, to the 2013-15 biennium. (General Fund-State, General Fund-Federal)

158. 2% MIN OCCPNCY INCREASE SMALL & ECP - During the 2010 legislative session, minimum occupancy was raised from 90 percent to 92 percent for large non essential providers in the rate components of Operations (OP), Financing Allowance (FA), and Property Allowance (PA). Small non-essential community providers (60 beds or less) and essential community providers (the only NH within a forty mile radius) were held harmless. Minimum occupancy in the OP, FA, and PA rate components is raised by 2 percent for these two categories of providers. Essential community providers go from 85 percent to 87 percent minimum occupancy and small non-essential community providers will go from 90 percent to 92 percent minimum occupancy. (General Fund-State, General Fund-Federal)

159. 5% MIN OCCPNCY INC FROM 2010_LARGE - Large non-essential providers are increased from 92 percent to 95 percent for minimum occupancy in the rate components of Operations (OP), Financing Allowance (FA), and Property Allowance (PA). Minimum occupancy in these components was raised from 90 percent to 92 percent in FY 2011, making the overall impact an increase of 5 percent over FY 2010 levels. (General Fund-State, General Fund-Federal)

160. LOWER DIRECT CARE LID BY 2% - Allowable costs for the Direct Care (DC) rate component are lowered to no more than 110 percent of the median. Current law allows DC costs that are included in rate setting to equal up to 112 percent of the statewide median. The DC component represents around 57 percent of the total nursing facility payment and includes payment for direct care staff wages and benefits, non-prescription medication, and medical supplies. (General Fund-State, General Fund-Federal)

161. LOWER SUPPORT SERVICE LID BY 2% - Allowable costs in the Support Services (SS) rate component are lowered to be no more than 108 percent of the median. Current law allows direct care costs for case mix included in the SS component rate setting to equal up to 110 percent of the statewide median. The SS component includes payments for food, food preparation, laundry, and housekeeping. (General Fund-State, General Fund-Federal)

162. REDUCE PERSONAL CARE HOURS - Personal care provides assistance with activities of daily living to individuals who meet functional and financial eligibility. A 10 percent acuity-based reduction is made to personal care service hours for adult clients receiving in-home personal care under Medicaid programs. The actual reduction

(Dollars in Thousands)

Conference Report Senate Passed House Passed Governor will range between 6 percent and 18 percent per client depending on acuity. In the most acute care category, a client receives on average 382 hours per month of in-home care. This client's care would be reduced by 6 percent and as of January 1, 2011; they would receive 359 hours of in-home care per month. In the least acute care category, a client receives on average 25 hours per month of in-home care. This client's care would be reduced by 18 percent and as of January 1, 2011; they would receive 21 hours of care. (General Fund-State, General Fund-Federal) 164. AEM ADULT FAM HOME PLACEMENTS - The state provides nursing facility care for approximately 45 state only Alien Medical clients who are discharged from hospitals with acute/long-term medical conditions. Of the 45 state-only funded nursing home slots, 40 will be moved into adult family homes. The department will continue to provide medical coverage to maintain current levels of medical care and a consistent level of services for these clients. 165. ELIMINATE NH VARIABLE RETURN # - The variable return component in the nursing home payment rates is eliminated effective March 2011. The 2010 Legislature scheduled a phased-out elimination of the variable return component beginning July 1, 2010 with elimination effective July 1, 2011. (General Fund-State, General Fund-Federal) 166. REDUCE BOARDING HOME RATES - Rates paid to providers for approximately 4,800 assisted living clients and 2,000 adult residential care and enhanced adult residential care clients are reduced by 7 percent for the period of April 1, 2011 through June 30, 2011. (General Fund-State, General Fund-Federal) 168. REDUCE PROVISO FUNDING - Across-the-board reductions are made to provisos that were not reduced as separate items. **Economic Services Administration** 169. ADMINISTRATIVE AND STAFF REDUCTIONS - Economic Services will reduce expenditures and FTE staff through consolidation of management activities at Community Service Offices. (General Fund-State, General Fund-Federal)

170. EARN FEDERAL BONUS - The Economic Services Administration received two performance awards from the U.S. Department of Agriculture Food and Nutrition Services as a result of the Department's performance in administering the Supplemental Nutrition Assistance Program (SNAP). These funds will be used instead of General Fund-State in FY 2011. (General Fund-State, General Fund-Local)

172. REDUCE REGIONAL ADMINISTRATION - The Department of Social and Health Services is consolidating its regional structure from six to three for all programs across the state. (General Fund-State, General Fund-Federal)

173. CHILD SUPPORT PASS THROUGH - The Child Support pass-through provision is suspended. The federal Deficit Reduction Act of 2005 authorized child support pass-through payments to families, which was optional under this Act. (General Fund-State, General Fund-Federal)

174. REFUGEE EMPLOYMENT SERVICES - Funding is reduced for Refugee Employment Services. Services include employment placement assistance, English as Second Language training, job skills training, job search workshops, and job retention services.

175. FOOD ASSISTANCE PROGRAM - Funding is reduced for the state food assistance program. The department will achieve savings by reducing benefit amounts.

,

Conference

Report Senate Passed House Passed Governor

176. NATURALIZATION PROGRAM - State funding for the Naturalization Program, which provides services that prepare low-income refugees and legal immigrants for U.S. citizenship testing, is reduced.

179. REDUCE DISABILITY LIFELINE GRANT - Funding is reduced for the Disability Lifeline Program to reflect an additional 21 percent grant reduction beginning in March 2011.

182. CALL CENTER FUND TRANSFER - The Telephone Assistance Program funds are used to fund call center operations and staffing. Savings are found through offsetting general fund state savings.

Alcohol and Substance Abuse

183. REDUCE CHEMICAL DEPENDENCY SERVICES - Funding is reduced for long-term residential chemical dependency and youth detoxification services. (General Fund-State, General Fund-Federal)

184. REDUCE ADMINISTRATIVE STAFF - Funding for program administration is reduced and 5.0 FTEs are eliminated. (General Fund-State, General Fund-Federal)

185. REDUCE REGIONAL ADMINISTRATION - Funding is reduced to reflect administrative reductions achieved through consolidation of Department of Social and Health Services regions for all programs across the state. (General Fund-State, General Fund-Federal)

186. DL & ADATSA-IMPL FED WAIVER 1115 - The Department has implemented a federal waiver for individuals served by the Disability Lifeline (DL) and Alcohol and Drug Addiction Treatment Support Act (ADATSA). The waiver allows the Department to draw federal matching funds for treatment services provided to these populations, which reduces the state funding required to serve them. (General Fund-State, General Fund-Federal)

187. REDUCE TRIBAL ADMINISTRATIVE COSTS - State support for tribal administrative expenses is reduced from 10 percent to 8 percent per year.

Medical Assistance Payments

188. BASIC HEALTH PLAN CHILDREN - Beginning March 1, 2011, the Health Care Authority will restrict enrollment in the Basic Health Plan (BHP) to persons who qualify for services under the Medicaid waiver for the BHP. Approximately 1,700 children who are not eligible for services under the waiver are to be transferred from the BHP to the Apple Health for Kids program. (General Fund-State, General Fund-Federal, Hospital Safety Net Assessment Fund-State)

190. REDUCE CHP INCOME ELIGIBILITY - Effective April 2011, income eligibility for the children's health program (CHP) is reduced from 300% of the federal poverty level to 200% of the federal poverty level. Families with incomes between 200-300% of poverty may purchase coverage through the program by paying a premium sufficient to cover the full anticipated cost of their care. CHP provides medical coverage for children who are ineligible for Medicaid because of their immigration status. (General Fund-State)

195. ELIMINATE PODIATRIC PHYSICIAN REIMB - Beginning January 1, 2011, the Department will no longer reimburse for services provided by podiatric physicians. (General Fund-State, General Fund-Federal)

196. REDUCE MATERNITY SUPPORT SRVCS PROG - Maternity Support Services (MSS) provide preventive health care services for pregnant and postpartum women. MSS includes professional observation, assessment, education, intervention, and counseling as provided by interdisciplinary teams comprised of community health nurses, nutritionists, and behavioral health specialists. Beginning March 1, 2011, MSS funding will be reduced by

(Dollars in Thousands)

 Conference
 Report
 Senate Passed
 House Passed
 Governor

 approximately 35 percent. The Department will prioritize evidence-based practices, and it will continue to target the remaining funding towards pregnant women with the highest risk of poor birth outcomes. To the extent practicable, the Department will also develop a mechanism to match local revenue support for MSS with federal Medicaid funds. (General Fund-State, General Fund-Federal)

 197. REIMBURSEMENT OF SCHOOL-BASED SRVCS - Beginning January 1, 2011, the state Medicaid program will no longer reimburse for services provided to eligible clients in a school setting. To the extent practicable, the Department will also develop a mechanism to match local revenue support for MSS with federal Medicaid funds.

199. MEDICARE PART D COPAYMENTS - Beginning January 1, 2011, the Department will no longer cover the cost of their Medicare Part D co-payments for clients who are dually-eligible for both Medicare and Medicaid.

(General Fund-State, General Fund-Federal)

200. FQHC ALTERNATIVE PAYMENT METHOD - The first 2011 supplemental operating budget, HB 3225, directed the Department to reduce cost-based encounter payments to federally-qualified and rural health centers (FQHCs and RHCs) by reinstituting the federal prospective payment system that was replaced by an alternate payment methodology in 2009. Funds are provided to implement a new alternate payment methodology that the department will develop within available funds and in consultation with the Office of Financial Management and the legislative fiscal committees. (General Fund-State, General Fund-Federal)

201. SUSPEND NON-RURAL DSH PAYMENTS - The Department will suspend Non-Rural Indigent Assistance Disproportionate Share Hospital (DSH) payments. These grants provide supplemental funding to non-rural hospitals based on their profitability and the level of charity care they provide. (General Fund-State, General Fund-Federal)

202. FEDERAL CANCER & DIALYSIS MATCH - The federal government is expected to approve the state's proposal that kidney dialysis and cancer treatment presently funded entirely with state funds should qualify for federal Medicaid matching funds effective January 1, 2011. (General Fund-State, General Fund-Federal)

203. SUSPEND HEARING HARDWARE - Beginning January 1, 2011, the Medicaid program will suspend purchases of corrective hardware for hearing for adults. (General Fund-State, General Fund-Federal)

204. SUSPEND VISION HARDWARE - Beginning January 1, 2011, the Medicaid program will suspend purchases of corrective hardware for vision for adults. (General Fund-State, General Fund-Federal)

205. SUSPEND SMALL RURAL DSH PAYMENTS - The Department will suspend Small Rural Indigent Assistance Disproportionate Share Hospital (DSH) payments. These grants provide supplemental funding to rural hospitals based on their profitability and the level of charity care they provide. (General Fund-State, General Fund-Federal)

206. PHYS/OCC/SPCH LIMITD OUTPTNT REHAB - Currently there are separate limits for physical, occupational, or speech therapy. These services will be combined into one rehabilitation benefit and the number of visits or units available will be limited for adults. Additional units may be granted in limited increments for certain surgeries or conditions. (General Fund-State, General Fund-Federal)

207. CHILDREN'S COVERAGE TOLL-FREE LINE - Funds are provded to continue operation by a non-profit organization of a toll-free line that assists families learn about and enroll in Apple Health for Kids, which provides publicly-funded medical and dental care for families with incomes below 300 percent of the federal poverty level. (General Fund-State, General Fund-Federal)

(Dollars in Thousands)

Conference Senate Passed House Passed

Report Governor

Vocational Rehabilitation

208. BASIC SUPPORT GRANT REDUCTION - Reductions are made to unspent General Fund-State match dollars for the basic support grant. Services provided by the grant include assistance to individuals with disabilities in preparing for, securing, retaining, or regaining employment. The Division of Vocational Rehabilitation has already incurred the majority of General Fund-State expenditures needed in FY 2011 to meet the Federal Maintenance of Effort (MOE) requirements. This reduction is not expected to create a waiting list or an order of selection for clients.

Administration and Supporting Services

209. RESTORE CCF FUNDING REDUCTION - \$300,000 is added for the Council on Children and Families to restore a reduction in the FY10 supplemental budget.

210. REDUCE FAMILY POLICY COUNCIL - A net 10 percent reduction is made to funding for the Family Policy Council. In addition, \$300,000 in General Fund-State expenditure authority will be replaced with General Fund-Federal, due to additional available resources. (General Fund-State, General Fund-Federal)

211. COUNCIL ON CHILDREN AND FAMILIES - A ten percent reduction is made to funding for the Council on Children and Families in FY 2011.

212. ADMINISTRATIVE AND STAFF REDUCTIONS - Reductions are made to the Department of Social and Health Services' operations support and services, planning performance and accountability, research and data analysis, and internal control staffing levels and associated appropriation authority in FY 2011.

Special Commitment Center

213. REDUCE SCTF STAFFING RATIOS # - Funds are reduced to reflect a modification in the staffing models for the Secure Community Transitional Facilities (SCTFs). The staffing models for the SCTF operated by the Special Commitment Center are mandated in statute.

214. IN RE DETENTION/DAVID T. MCCUISTION - Funding is provided to pay for increased legal services related to the Washington State Supreme Court decision for the In re: Detention of David T. McCuistion case concerning the due process rights of sexually violent predators.

215. REDUCE SCC STAFFING - Funding for administrative staffing positions at the Special Commitment Center is reduced.

216. REDUCE SCC PROGRAM COSTS - The Special Commitment Center will reduce funding for a number of programs including mailroom services, visitor center hours, and recreation programming.

Payments to Other Agencies

217. MCCUISTION LITIGATION - Funding is provided to pay for increased legal services related to the Washington State Supreme Court decision for the In re: Detention of David T. McCuistion case concerning the due process rights of sexually violent predators.

218. CENTRAL SERVICES REDUCTION - The Department of Social and Health Services shall reduce payments to other agencies by 1.6% in FY 2011.

Other Human Services Washington State Health Care Authority

Conference Report

Senate Passed House Passed Governor

219. MOORE, ET AL. V. HCA - Funding is provided for Attorney General legal services in the Moore v. Health Care Authority case concerning eligibility for health benefits for part-time employees.

220. BASIC HEALTH PLAN - Beginning March 1, 2011, only those persons who qualify for services under the Medicaid waiver will qualify for state subsidy of their monthly Basic Health Plan premium.

221. MAINTAIN BASIC HEALTH PLAN - Funds are transferred from the Life Sciences Discovery Fund to the Basic Health Stabilization Account in order to maintain enrollment after March 1 for persons enrolled in the program as of that date.

222. SUSPEND HEALTH CLINIC GRANT PRGM - Community Health Services (CHS) operates two prinicpal state financial grant programs. The first provides financial assistance to community clinics that provide medical and dental care to patients who are at or below 200 percent of the federal poverty level and have no insurance coverage. The second provides grants to community groups that link patients in need with insurance coverage and with medical providers willing to provide free or reduced-price care. Both grant programs are suspended effective January 1, 2011.

223. ELIMINATE BASIC HEALTH PROGRAM - Beginning March 1, 2011, all insurance provided through the subsidized Basic Health Plan will be discontinued. (General Fund-State, General Fund-Federal, Basic Health Plan Subscription Account-Nonappropriated)

Human Rights Commission

224. REDUCE ADMINISTRATIVE COSTS - Savings will be achieved by reducing staffing costs.

225. REDUCE ADMIN. HEARING SERVICES - Savings will be achieved by Human Rights Commission (HRC) continuing its efforts to reduce the amount of cases that go through litigation.

226. CLOSE SEATTLE OFFICE - Savings will be achieved through closing HRC's Seattle office.

227. REDUCE TRAVEL COSTS - Savings will be achieved through reducing staff travel.

WA State Criminal Justice Training Commission

228. ADMINISTRATIVE EFFICIENCIES - Funding is reduced to reflect administrative efficiencies, including reducing the human resources manager position from full-time to part-time status, reducing fiscal staff by 1.5 positions by using Small Agency Client Services, and by hiring a deputy director at a lower salary than currently paid. Some state funding will be offset by local funding due to outside agencies being charged a rental fee for use of the Burien facility. (General Fund-State, General Fund-Private/Local)

229. BLEA EFFICIENCIES - Funding is reduced to reflect efficiencies in the Basic Law Enforcement Academy (BLEA). The contract for the Defensive Tactics instructor will be reduced, and the current agreement for the services of the BLEA commander will end. A state employee will be hired to perform these duties at a reduced cost. Agreements with law enforcement agencies will be ended early in order to return training officers to their agencies and remove them from the BLEA payroll sooner.

230. CORRECTIONS TRAINING - Funding is reduced to reflect a reduction to the number of training classes offered to corrections officers.

(Dollars in Thousands)

 Conference
 Report
 Senate Passed
 House Passed
 Governor

 231. TRAINING EFFICIENCIES - Funding is reduced to reflect elimination of a part-time regional training manager
 position, and reduced funding for the emergency vehicle operator course, methamphetamine, crisis intervention, and
 child welfare training programs. Pass-through funding is reduced for the defense attorneys, municipal attorneys,
 Drug Prosecution Assistance Program, Project Safe Neighborhoods, and the Major Crimes Task Force. This item also includes increased local funding obtained by charging local law enforcement agencies for non-mandated post-academy basic training. (General Fund-State, General Fund-Private/Local)

232. PASS THROUGH PROGRAM REDUCTION - Funding is reduced to reflect a 6.3 percent GF-S reduction to programs administered by the Washington Association of Sheriffs and Police Chiefs; the state general fund reduction is offset by additional funding from the Washington Auto Theft Prevention Authority Account.

234. PROSECUTOR TRAINING - Funding is reduced to reflect a 6.3 percent reduction to the Prosecutor Training Program.

Department of Labor and Industries

236. USE FEDERAL CRIME VICTIMS' FUNDS - The Department of Labor and Industries has sufficient General Fund-Federal revenue available in the Crime Victims' Compensation and Specialty Compliance programs to decrease General Fund-State expenditures without impacting service levels. The Department's General Fund-State appropriation authority is reduced by \$1.2 million, and its General Fund-Federal appropriation authority is increased by a like amount, in order to align spending with available revenue sources.

Indeterminate Sentence Review Board

237. REDUCE ADMINISTRATIVE COSTS - Funding is reduced to reflect an 11 percent decrease for the Indeterminate Sentence Review Board. The Board will hold positions vacant for multiple administrative positions in order to achieve this level of savings.

Department of Health

240. HIV PROGRAM - Reductions are made to the HIV prevention and client services programs through a variety of measures. HIV prevention contracts are reduced by 25% in FY2011, for a reduction of \$1.2 million. In addition, the HIV client services program will be reduced by \$4 million due to increased revenue from HIV drug rebates and better managing clients' health care costs. If these measures are not sufficient to reach a \$4 million reduction, reductions to client services may occur.

241. ELIMINATE MATERNITY SUPPORT SVCS - Administrative activities in the Department of Health which support the Maternity Support Services program in the Medicaid Purchasing Administration (MPA) are eliminated. The oversight activities will be conducted by the MPA.

242. REDUCE FAMILY PLANNING GRANTS - State-funded family planning clinic grants within the Family Planning and Reproductive Health program are reduced by 3.1 percent in FY 2011.

243. REDUCE LOCAL ORAL HEALTH ACTIVITIES - The Department contracts with local county health jurisdictions to provide oral health services. The program is funded by General Fund-State, federal grants, and Medicaid administrative match. State funding for this program is reduced by \$350,000 in FY 2011, which may impact local oral health services such as providing sealants for students, referrals for services, outreach, and needs assessments.

244. PUBLIC LABORATORY EFFICIENCIES - The Department of Health shall reduce public health laboratory expenditures through the elimination of a vacant position, suspension of external training for local partners, and more efficient use of testing supplies.

February 17, 2011 8:29 am

(Dollars in Thousands)

Conference			
Report	Senate Passed	House Passed	Governor

245. REDUCE HEALTH TECHNICAL SUPPORT - The Department of Health shall reduce technical support for health services by \$286,000 in FY 2011, by reducing tracking of non-infectious diseases, eliminating the health declarations registry, and decreasing monitoring infection acquired from health care facilities.

246. REDUCE ADMINISTRATIVE COSTS - Reductions are made to the Department of Health's administrative capacity through the elimination of vacant positions; reduced travel, equipment, and supply purchases; delayed information technology upgrades and software and hardware purchases; and the maximization of federal funding and fee revenues. Reductions reflect the effect of program changes on the cost allocation for central administrative services.

247. REDUCE MATERNAL & CHILD HEALTH - Funding is reduced by \$1.1 million for the Department of Health's Maternal and Children's Health Program. Changes will include the use of federal funds for local contracts and the elimination of staff support for the Community Health Leadership Forum.

248. REDUCE ENVIRONMENTAL HEALTH PROGRAM - The Environmental Health Program has excess Model Toxics Account expenditure authority, which will be used to pay for expenditures currently funded by the state general fund.

250. REDUCE MIDWIFERY SUBSIDY - State funding for the Department of Health's Midwifery Program is reduced by 6.3 percent in FY 2011.

Department of Veterans' Affairs

251. INCREASE FEDERAL AND LOCAL FUNDS - The agency will receive additional federal and private/local funds based on resident census, increased recovery of fees, and revenues that are higher than projected. These revenues will reduce state general fund dollars. (General Fund-State, General Fund-Federal, General Fund-Private/Local)

Department of Corrections

253. EARLY DEPORTATION - Savings are attributed to early deportation of non-citizen drug and property offenders. The proposal excludes offenders serving sentences for violent offenses, sex offenses, or offenses defined as crimes against a person. Qualifying newly-sentenced non-citizen offenders are deported as soon as they come to prison. The estimate assumes two months of savings in FY 2011.

Department of Services for the Blind

258. DEAF-BLIND SERVICE CENTER CONTRACT - Effective March 2011, the Office of Deaf and Hard of Hearing will enter into an agreement with the Department of Services for the Blind to contract with the Deaf-Blind Service Center to provide accessibility, security, and independence with daily life activities for deaf-blind individuals in Washington State. Funding provided by the Office of Deaf and Hard of Hearing will offset the Department of Services for the Blind's General Fund-State appropriation for the Deaf-Blind Service Center.

259. UNSPENT MATCHING FUNDS - The Department of Services for the Blind deferred expenditures from the Vocational Rehabilitation federal grant and the balance of savings incentive funds in order to retain GF-S matching funds. The agency is able to continue the current level of services to clients through FY11 without these additional matching funds.

Sentencing Guidelines Commission

260. REDUCE ADMINISTRATIVE COSTS - Funding is reduced to reflect an 11 percent reduction to the Sentencing Guidelines Commission. The Commission will leave a Policy Council position vacant, reduce goods and services expenditures, decrease the number of Commission meetings, and the amounts paid for travel reimbursements.

Conference

Report Senate Passed House Passed Governor

Employment Security Department

262. REDUCE WORKFORCE EMP. & TRAINING - The Employment Security Department will reduce funding distributed to workforce development councils for education and training programs. (General Fund-State)

Natural Resources

Recreation and Conservation Funding Board

263. ADMIN SAVINGS-TECHNICAL CORRECTION - The Recreation and Conservation Office (RCO) made administrative and back-office changes to achieve greater efficiencies during the 2009-11 biennium. Budgeted savings proved higher than what could be realized. Funding and FTE staff are increased to match actual savings realized from the RCO/Puget Sound Partnership consortium and the RCO/Small Agency Client Services transition. (General Fund-Federal, Recreation Resources Account-State, NOVA Program Account-State)

Puget Sound Partnership

265. REDUCE GF-S PUBLIC OUTREACH AND ED - The Partnership's state general fund budget for public outreach and education is reduced for the remainder of FY 2011.

Department of Natural Resources

266. EMERGENCY FIRE SUPPRESSION - Funding is provided for fire suppression activities during FY 2011. These costs are in excess of the Department of Natural Resources' existing fire suppression appropriation.

267. AG TRUST MGMT FUND BAL REDUCTION - The sum of \$349,000 of DNR's FY 2011 GF-S appropriation is directed for deposit into the Agricultural College Trust Management Account. The appropriations deposited into this account fund trust land management functions on Department lands. This proviso is reduced by 6.3 percent and is part of the Department's submittal for across-the-board budget reduction options. This reduction would reduce the account's fund balance; however, expenditures against the account could be maintained as the account has a small positive fund balance due to underexpenditures in FY 2010. There is no anticipated impact to clients or service levels.

268. AQUATIC RESOURCES REDUCTION - The sum of \$40,000 of DNR's FY 2011 GF-S appropriation is provisoed for installation of mooring buoys in Eagle Harbor and removal of abandoned boats and other trespassing structures. This proviso is reduced by 6.3 percent and is part of the Department's submittal for across the board budget reduction options.

269. AGENCY CLIMATE LEADERSHIP REDUCTION - The sum of \$30,000 of DNR's FY 2011 GF-S appropriation is for implementation of E2SSB 5560 (agency climate leadership). This proviso is reduced by 6.3 percent and is part of the Department's submittal for across the board budget reduction options.

Department of Agriculture

271. REDUCE FOOD PROGRAM ADMINISTRATION - The Washington State Department of Agriculture (WSDA) will maintain administrative vacancies, and partially shift state match requirements to other existing general fund resources available as a result of combining the food programs transferred from the Department of General Administration and the Department of Commerce during the 2010 Legislative Session within the WSDA. Pass through grants will not be impacted.

272. REDUCE MARKETING ASSISTANCE - The Department will reduce general fund expenditures in its international and domestic marketing program by developing a new program structure.

273. TEMPORARY LAYOFF ADJUSTMENT - The temporary layoff reduction amount in the 2010 supplemental budget was larger than the savings accrued by implementing the layoffs for 10 days. Additionally, the reduction

Conference Report

Senate Passed House Passed Governor

amount included an assumption that agricultural inspectors would be laid off as well. The enacted bill, however, exempted these inspectors. (General Fund-State, Various Other Accounts)

Transportation

Washington State Patrol

274. VACANCY, TRAVEL, EQUIPMENT SAVINGS - The Washington State Patrol will achieve savings through holding positions vacant, reducing travel, and deferring discretionary purchases of equipment, goods, and services. Savings are also achieved through a reduction in funding for vehicles, one-time savings, and the use of available fund balances.

Department of Licensing

275. VACANCY AND EQUIPMENT SAVINGS - Savings will be achieved by holding staffing vacancies and implementing administrative spending limits and controls on goods and services, travel, and other costs.

Public Schools

OSPI & Statewide Programs

276. COLLEGE BOUND OUTREACH - The early action supplemental budget, Chapter 1, Laws of 2010, 2nd sp. s. (HB 3225) reduced appropriations by \$500,000 for outreach regarding eligibility for the Washington College Bound Scholarship Program. This reduction is restored for FY 2011. The College Bound Scholarship Program provides mentoring and financial assistance to encourage low income students to pursue higher education. The Washington Higher Education Coordinating Board administers the scholarship program. The funding in OSPI's budget is not for the scholarships themselves, but for outreach and organizational efforts to identify and reach qualified students and families throughout the K-12 system.

General Apportionment

277. ELIMINATE SUMMER VOC SKILL CTRS PRO - This program allows students in grades 9 through 12 to earn high school credit through completion of a skills center summer school class. Additional funding beyond the 1.6 full-time-equivalent allowance for skills centers was underspent in the 2009-10 school year and is re-captured.

278. EXTENDED DAY SKILL CTRS REDUCTION - The extended day skills center program provides extra services to skills center students at risk of dropping out of school. Funding for these services is reduced by 10 percent for FY 2011.

281. CONTINGENCY FUND - Funding is provided to The Office of the Superintendent of Public Instruction for a financial contingency fund. The contingency funding is provided in response to reductions in state allocations in the 2010-11 school year. Districts meeting specific financial hardship criteria may apply for contingency funds for the 2010-11 school year.

282. K-4 STAFFING RATIO REDUCTION - Funding for grade K-4 certificated instructional staffing (CIS) enhancements above basic education program requirements are reduced. Funding for the K-4 enhancements is eliminated prospectively in the 2010-11 school year, effective February 1, 2011. For this period, staffing reflects basic education program minimums: 49 CIS per 1,000 students in grades K-3, and 46 per 1,000 students in grade 4. Funding for the enhancements are reduced, but not eliminated, retrospectively, effective September 1st through January 31st of the 2010-11 school year. For this period, CIS staffing rates are 50.75 CIS per 1,000 in grades K-3 and 46.32 per 1,000 in grade 4.

Pupil Transportation

(Dollars in Thousands)

Conference

Report Senate Passed House Passed Governor

283. REDUCE PASSENGER CAR PAYMENTS - Funding for to/from school transportation, provided through districtowned cars, is reduced in FY 2011 due to a projected underexpenditure of funds. Districts use cars and vans for a variety of purposeds, including shuttling a single student between program or transporting a homeless student to another district. The allocation is based on a 180-day school year a staggered rate for distances driven. There are 76 districts that receive this funding.

284. REDUCTION TO TRANSPO COORDINATORS - The Office of the Superintendent for Public Instruction provides funding to Educational Service Districts for Regional Transportation Coordinators to provide technical assistance to school districts for transportation-related reporting, training, procurement, and operations. Funding for regional transportation coordinators is reduced by 10 percent for FY 2011.

School Food Services

285. TRANSFER FOOD SERVICE PROGRAMS - Programs previously in the Education Reform budget are transferred to the School Food Services budget. The transferred programs include \$1.67 million in FY 2011 for funds to eliminate the lunch co-pay for students in grades kindergarten through third grade who are eligible for reduced price lunch, and \$5.29 million for FY 2011 for the meals for kids program under RCW 28A.235.145, which eliminates school breakfast co-pays for students eligible for reduced price meals, and provides assistance for school districts initiating summer food service programs.

286. FOOD SERVICE FUNDING - Funding provided for school food service federal matching funds is reduced in FY11. Additional funding supporting school food service programs in the Education Reform Budget is sufficient to satisfy federal matching requirements maintained by the National School Lunch Program, and those programs have now been transferred to the School Food Services budget.

Special Education

287. SAFETY NET ADJUSTMENT - Funding is reduced to reflect a new safety net award process. Beginning in the 2011-12 school year, state safety net award determinations will be made in August of each school year, and shall be based on actual expenditure data from the current school year. Currently, award determinations are made during the spring of each school year, and are predominantly based on projected costs. Implementation of this new policy means that state safety net awards for the 2010--11 school year will be paid in FY 2012, deferring \$24.8 million of costs into the next biennium.

Educational Service Districts

289. ESD REDUCTIONS - State funding for Educational Service Districts (ESDs) is reduced by 10 percent for FY 2011. Included in this amount is a 10 percent reduction for math and science professional development curriculum specialists located at each of the ESDs.

Education of Highly Capable Students

292. CENTRUM REDUCTION - OSPI contracts with Centrum to develop, implement, and administer the Experiences in Creativity program, which provides opportunities in the arts and sciences for highly capable students and the educators who serve them. Funding for the Centrum program is reduced by 10 percent for FY 2011.

293. WA IMAGINATION NETWORK REDUCTION - OSPI contracts with the Washington Imagination Network to provide Destination Imagination and Future Problem Solving programs to students across the state and professional development to their teachers and coaches. Funding for the Washington Imagination Network is reduced by 10 percent in FY 2011.

Education Reform

Conference Report

Senate Passed House Passed Governor

294. TRANSFER FOOD SERVICE PROGRAMS - Programs previously in the Education Reform budget are transferred to the School Food Services budget. The transferred programs include \$1.67 million in FY 2011 for funds to eliminate the lunch co-pay for students in grades kindergarten through third grade who are eligible for reduced price lunch, and \$5.29 million for FY 2011 for the meals for kids program under RCW 28A.235.145, which eliminates school breakfast co-pays for students eligible for reduced price lunch, and provides assistance for school districts initiating summer food service programs.

295. SUSPEND DEVELOPMENT DIAG. ASSESSMEN - Funding is reduced to reflect anticipated underexpenditure of funds in the Education Reform budget supporting the development of diagnostic assessments.

Higher Education

Higher Education Coordinating Board

299. LOCAL FUNDS FOR FINANCIAL AID - General fund support for the State Need Grant is reduced. Statesupported institutions of higher education and the State Board for Community and Technical Colleges are obligated to hold Need Grant recipients harmless for this reduction through the use of locally held funds.

300. REDUCE COLLEGE READINESS PROGRAM - Funding for the College Readiness Program is temporarily suspended. The goal of this program is to develop college readiness guidelines in english and math and communicate those guidelines to high schools.

301. REDUCE FOR VACANCY SAVINGS - Funding is reduced to reflect savings associated with vacancies in administrative positions.

302. REDUCE HSSA PROGRAM - Chapter 24.104 RCW requires the Higher Education Coordinating Board (HECB) to monitor and report to the Legislature biennially on the performance of the Health Sciences and Services Authority (HSSA) program in Spokane County. Funding for this activity is reduced.

303. REDUCE SFA ADMINISTRATION - Funding is reduced to reflect administrative savings.

304. REDUCE TECHNOLOGY TRANSF TASKFORCE - Chapter 407, Laws of 2009 (2SHB 1946) directed the Higher Education Coordinating Board to convene a higher education technology transformation task force to improve the efficiency, effectiveness, and quality of education through a focus on the strategic and operational use of technology in public higher education. Funding is reduced for the administration of the task force.

Spokane Intercollegiate Research & Technology Inst

309. SERVICE REDUCTION - The Institute's FY 2011 General Fund-State appropriation is reduced. SIRTI will use local funds, voluntary retirement, and other strategies to minimize effects on client firms.

Other Education

State School for the Blind

310. PRIVATE/LOCAL OFFSET - For FY 2011, General Fund State funding to the School for the Blind is reduced. Private/local account funds will be used in place of state dollars during the current fiscal year.

311. OREGON TUITION OFFSET - The Washington State School for the Blind has an informal partnership with a few districts in Oregon that allows out-of-state students to attend the School on a tuition basis. At this time, a few Oregon students are being accepted for enrollment when the school is able to do so without displacing Washington students and where little or no additional cost would be incurred. In FY 2011, this revenue is used in place of General Fund-State funding.

Conference Report Senate Passed House Passed Governor

312. BRAILLE CENTER EXPANSION ELIMINATED - In the 2007-09 biennium, the School for the Blind received funding to expand the School's Braille transcription services offered by the Braille Center. These funds have not been expended and are eliminated for FY 2011.

313. TRUSTEE REIMBURSEMENTS ELIMINATED - In accordance with Chapter 7, Laws of 2010, 1st sp. s. (E2SHB 2617), members of the Board of Trustees will no longer receive per diem reimbursements.

314. REDUCED BUSINESS OFFICE & SUPPLIES - As of November 1, 2010, the agency has underspent its General Fund-State appropriation. Due to the agency's transition to Small Agency Client Services and efficiencies in school supply spending, savings are assumed for FY 2011.

Center for Childhood Deafness & Hearing Loss

316. ACROSS THE BOARD REDUCTIONS - Funding for the Washington State Center for Childhood Deafness and Hearing Loss is reduced by \$552,000 in FY 2011. This reduction includes: closing the Center for 6 school days in FY 2011, closing buildings on campus, cancellation of staff development, suspension of the Post High School Program, furlough days for administrative staff, staff reductions, and other reductions.

Workforce Training & Education Coordinating Board

318. OVERSIGHT/ADMIN/COMMUNICATIONS CUT - Funding for the administration of the Board's oversight activities is reduced.

Department of Early Learning

319. REDUCE SEASONAL CHILD CARE ADMIN - Funds to administer child care subsidies to seasonal workers are reduced. Historically, the Seasonal Child Care Program has been administered through contracts with non-profit organizations serving migrant and seasonal workers. The agency will end these contracts in February or March 2011, three to four months earlier than planned. At that time, the agency will redirect migrant and seasonal families to the Department of Social and Health Services Call Center for eligibility determinations. Funds for the actual child care subsidies, however, are not reduced.

321. EARLY LEARNING PROGRAM STUDY - The Department of Early Learning and the Office of Superintendent of Public Instruction (OSPI) have convened a work group regarding a voluntary program of early learning overseen by the Quality Education Council, as directed in Chapter 234, Laws of 2010 (SSB 6759). Within existing resources, the agencies will complete a study by November 2011 of the opportunities and barriers that would be involved in either making early learning part of basic education or establishing it as an entitlement program.

323. CAREER & WAGE LADDER REDUCTION - The pilot program offering wage supplements to child care center employees for education and training is eliminated This will affect approximately 55 child care centers in Washington and will end state support for the program.

324. ADMINISTRATIVE REDUCTION - The Department of Early Learning will reduce expenditures in agency administration (\$470,000) and ECEAP program administration (\$280,000) through reduced administrative operations, increased efficiencies, vacancy savings, and other measures.

Washington State Arts Commission

325. ADMINISTRATIVE REDUCTION - Savings will be achieved by reducing agency administrative costs and one FTE staff. Additional savings will be achieved by reducing the use of General Fund-State for management costs associated with the Art in Public Places Program and administrative and management expenses associated with other arts programs.

Conference

Report Senate Passed House Passed Governor

Washington State Historical Society

326. REDUCED MUSEUM OPERATIONS - Savings will be achieved by reducing museum operations and through temporary staff layoffs. All facilities will be closed and program activity will cease for one day in April, May, and June of 2011. These three days are in addition to the legislatively-mandated temporary layoffs already implemented.

327. REDUCED STAFF & MUSEUM RESOURCES - Savings will be achieved by reducing three staff positions from full-time to part-time.

328. REDUCED SUPPLIES & EQUIPMENT - Savings will be achieved by reducing expenditures on equipment and supplies.

Eastern Washington State Historical Society

329. EXHIBIT REVENUE OFFSET - Reductions in General Fund-State will be offset by private/local revenue from admissions for a visiting exhibit. (General Fund-State, General Fund-Private/Local)

330. ADMINISTRATIVE REDUCTION - Savings will be achieved by eliminating a receptionist position for the museum's administrative offices.

Special Appropriations

Special Appropriations to the Governor

331. K-20 TELECOMMUNICATIONS NETWORK - The FY 2011 General Fund-State appropriation to the Education Technology Account is reduced due to sufficient fund balance in the account.

333. SHIFT IT SAVINGS TO FUND TRANSFERS - Fund balances are transferred to the state general fund as part of the information technology savings target in the 2010 supplemental budget. Funds are transferred from the Data Processing Revolving Account for IT pool projects and the Education Technology Revolving Account for the K-20 network. Efficiencies have been achieved in information technology pool projects and in the operation of the K-20 Education Network that links colleges, universities, school districts, and libraries statewide.

334. CAPITAL BUILDING CONSTRUCTION ACCT - The Capital Building Construction Account is used to pay debt service on the Natural Resources Building and the Legislative Building rehabilitation projects. Timber sales, which are the primary source of revenue for this account, are forecasted to increase in fiscal year 2011. As a result, fewer General Fund-State dollars are required to meet debt obligations.

335. WA OPPORTUNITY PATHWAYS ACCOUNT - Increases in expenditure demands and insufficient revenue projections require that state general fund monies be appropriated to the Washington Opportunity Pathways Account.

336. EDUCATION LEGACY TRUST ACCOUNT - Funding is appropriated to the Education Legacy Trust Account in FY 2011 due to an anticipated budget shortfall.

337. REDUCE PUBLIC HEALTH FUNDING - Grants to local public health jurisdictions related to the replacement of Motor Vehicle Excise Tax revenue are reduced by 7.1 percent in FY 2011.

339. AGENCY PUBLIC RELATIONS REDUCTION - Funding is reduced based on achieving staffing and other

(Dollars in Thousands)

Conference

Report Senate Passed House Passed Governor

savings in communication and public relations functions by state agencies. It is the intent of the Legislature that the reduction plan developed and implemented shall prioritize essential communication functions for the public information as well as executive and legislative branch oversight.

340. DSHS MANAGEMENT REDUCTION - The Department of Social and Health Services is directed to achieve additional management staffing and other efficiencies beyond their current planned administrative savings level. It is the intent of the Legislature that the reductions be aimed at achieving management efficiencies and will avoid, to the extent possible, direct impact on clients services and program operations.

341. REFORM EMPLOYEE DUAL LANGUAGE PAY - State employees that use their dual or multiple language skills can receive additional compensation. The services, typically provided in social service programs, include interpreter and translation services. Savings are assumed based on reforming the program to only provide compensation for the actual time that interpreter or translation services are provided.

Sundry Claims

342. SUNDRY CLAIMS - On the recommendation of the Risk Management Division at the Office of Financial Management, payment is made under RCW 9A.16.110 for claims for reimbursement of legal costs and other expenses of criminal defendants acquitted on the basis of self-defense.

State Employee Compensation Adjustments

343. EMPLOYEE COMPENSATION REDUCTION - Funding is reduced to reflect a 3 percent reduction in the salaries of nonrepresented state employees for the remainder of the 2009-11 biennium. Elected officials, judges, State Troopers, and the employees of institutions of higher education, the State Printer, and the Marine Division of the Department of Transportation are exempt from the reduction. (General Fund-State, Various Other Funds)
