**PART II**  
**HUMAN SERVICES**

**Sec. 201.** 2011 2nd sp.s. c 9 s 201 (uncodified) is amended to read as follows:

**FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES**

(1) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act. Appropriations made in this act to the department of social and health services shall initially be allotted as required by this act. Subsequent allotment modifications shall not include transfers of moneys between sections of this act except as expressly provided in this act, nor shall allotment modifications permit moneys that are provided solely for a specified purpose to be used for other than that purpose.

(2) The department of social and health services shall not initiate any services that require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(3)(a) The health care authority and the department are authorized to develop an integrated health care program designed to slow the progression of illness and disability and better manage medicaid expenditures for the aged and disabled population. Under this Washington medicaid integration partnership (WMIP), the health care authority and the department may combine and transfer such medicaid

1 funds appropriated under sections 204, 206, 208, and 213 of this act as  
2 may be necessary to finance a unified health care plan for the WMIP  
3 program enrollment. Until January 1, 2013, the WMIP pilot projects  
4 shall not exceed a daily enrollment of 6,000 persons, nor expand beyond  
5 one county (~~during the 2011-2013 fiscal biennium~~). The amount of  
6 funding assigned from each program may not exceed the average per  
7 capita cost assumed in this act for individuals covered by that  
8 program, actuarially adjusted for the health condition of persons  
9 enrolled, times the number of clients enrolled. In implementing the  
10 WMIP, the health care authority and the department may: ~~((a))~~ (i)  
11 Withhold from calculations of "available resources" as set forth in RCW  
12 71.24.025 a sum equal to the capitated rate for enrolled individuals;  
13 and ~~((b))~~ (ii) employ capitation financing and risk-sharing  
14 arrangements in collaboration with health care service contractors  
15 licensed by the office of the insurance commissioner and qualified to  
16 participate in both the medicaid and medicare programs. The health  
17 care authority and the department shall conduct an evaluation of the  
18 WMIP, measuring changes in participant health outcomes, changes in  
19 patterns of service utilization, participant satisfaction, participant  
20 access to services, and the state fiscal impact.

21 (b) Effective January 1, 2013, the project shall be renamed the  
22 integrated care project (ICP), and, if the health care authority and  
23 the department determine that it will be feasible to meet federal  
24 project design requirements, the project may be expanded to better  
25 manage medicaid and medicare expenditures for the aged and disabled  
26 population, including dually eligible individuals. The project shall  
27 not exceed a combined daily enrollment of 25,000 persons and shall not  
28 expand beyond four counties during the 2011-2013 fiscal biennium. The  
29 health care authority and the department shall pursue the project only  
30 to the extent that administrative capacity is available for this  
31 purpose.

32 (4) The legislature finds that medicaid payment rates, as  
33 calculated by the department pursuant to the appropriations in this  
34 act, bear a reasonable relationship to the costs incurred by  
35 efficiently and economically operated facilities for providing quality  
36 services and will be sufficient to enlist enough providers so that care  
37 and services are available to the extent that such care and services  
38 are available to the general population in the geographic area. The

1 legislature finds that cost reports, payment data from the federal  
2 government, historical utilization, economic data, and clinical input  
3 constitute reliable data upon which to determine the payment rates.

4 (5) The department shall to the maximum extent practicable use the  
5 same system for delivery of spoken-language interpreter services for  
6 social services appointments as the one established for medical  
7 appointments in section 213 of this act. When contracting directly  
8 with an individual to deliver spoken language interpreter services, the  
9 department shall only contract with language access providers who are  
10 working at a location in the state and who are state-certified or  
11 state-authorized, except that when such a provider is not available,  
12 the department may use a language access provider who meets other  
13 certifications or standards deemed to meet state standards, including  
14 interpreters in other states.

15 (6)(a) The appropriations to the department of social and health  
16 services in this act shall be expended for the programs and in the  
17 amounts specified in this act. However, after May 1, 2012, unless  
18 specifically prohibited by this act, the department may transfer  
19 general fund--state appropriations for fiscal year 2012 among programs  
20 after approval by the director of financial management. However, the  
21 department shall not transfer state moneys that are provided solely for  
22 a specified purpose except as expressly provided in (b) of this  
23 subsection.

24 (b) To the extent that transfers under (a) of this subsection are  
25 insufficient to fund actual expenditures in excess of fiscal year 2012  
26 caseload forecasts and utilization assumptions in the long-term care,  
27 foster care, adoptions support, medicaid personal care, and child  
28 support programs, the department may transfer state moneys that are  
29 provided solely for a specified purpose. The department shall not  
30 transfer funds, and the director of financial management shall not  
31 approve the transfer, unless the transfer is consistent with the  
32 objective of conserving, to the maximum extent possible, the  
33 expenditure of state funds. The director of financial management shall  
34 notify the appropriate fiscal committees of the senate and house of  
35 representatives in writing seven days prior to approving any allotment  
36 modifications or transfers under this subsection. The written  
37 notification shall include a narrative explanation and justification of

1 the changes, along with expenditures and allotments by budget unit and  
2 appropriation, both before and after any allotment modifications or  
3 transfers.

11 (6) To ensure expenditures remain within available funds  
12 appropriated in this section as required by RCW 74.13A.005 and  
13 74.13A.020, the secretary shall not set the amount of any adoption  
14 assistance payment or payments, made pursuant to RCW 26.33.320 and  
15 74.13A.005 through 74.13A.080, to more than ninety percent of the  
16 foster care maintenance payment for that child had he or she remained

27 these centers, except that a youth may not be placed in a secure  
28 facility or the secure portion of a co-located facility except as  
29 specifically authorized by chapter 13.32A RCW. The reductions to  
30 appropriations in this subsection related to semi-secure crisis  
31 residential centers reflect a reduction to the number of beds for semi-  
32 secure crisis residential centers and not a reduction in rates. Any  
33 secure crisis residential center or semi-secure crisis residential  
34 center bed reduction shall not be based solely upon bed utilization.  
35 The department is to exercise its discretion in reducing the number of  
36 beds but to do so in a manner that maintains availability and

38 centers.

34 number of programs to deliver the treatments in a cost-effective  
35 manner.

36 (7)(a) The juvenile rehabilitation administration shall administer  
37 a block grant, rather than categorical funding, of consolidated  
38 juvenile service funds, community juvenile accountability act grants,

1 the chemical dependency disposition alternative funds, the mental  
2 health disposition alternative, and the sentencing disposition  
3 alternative for the purpose of serving youth adjudicated in the  
4 juvenile justice system. In making the block grant, the juvenile  
5 rehabilitation administration shall follow the following formula and  
6 will prioritize evidence-based programs and disposition alternatives  
7 and take into account juvenile courts program-eligible youth in  
8 conjunction with the number of youth served in each approved evidence-  
9 based program or disposition alternative: (i) Thirty-seven and one-  
10 half percent for the at-risk population of youth ten to seventeen years  
11 old; (ii) fifteen percent for moderate and high-risk youth; (iii)  
12 twenty-five percent for evidence-based program participation; (iv)  
13 seventeen and one-half percent for minority populations; (v) three  
14 percent for the chemical dependency disposition alternative; and (vi)  
15 two percent for the mental health and sentencing dispositional  
16 alternatives. Funding for the special sex offender disposition  
17 alternative (SSODA) shall not be included in the block grant, but  
18 allocated on the average daily population in juvenile courts. Funding  
19 for the evidence-based expansion grants shall be excluded from the  
20 block grant formula. Funds may be used for promising practices when  
21 approved by the juvenile rehabilitation administration and juvenile  
22 courts, through the community juvenile accountability act committee,  
23 based on the criteria established in consultation with Washington state  
24 institute for public policy and the juvenile courts.

25 (b) The juvenile rehabilitation administration shall phase the  
26 implementation of the formula provided in subsection (1) of this  
27 section by including a stop-loss formula of five percent in fiscal year  
28 2012 and five percent in fiscal year 2013.

29 (c) The juvenile rehabilitation administration and the juvenile  
30 courts shall establish a block grant funding formula oversight  
31 committee with equal representation from the juvenile rehabilitation  
32 administration and the juvenile courts. The purpose of this committee  
33 is to assess the ongoing implementation of the block grant funding  
34 formula, utilizing data-driven decision making and the most current  
35 available information. The committee will be cochaired by the juvenile  
36 rehabilitation administration and the juvenile courts, who will also  
37 have the ability to change members of the committee as needed to  
38 achieve its purpose. Initial members will include one juvenile court

1 representative from the finance committee, the community juvenile  
2 accountability act committee, the risk assessment quality assurance  
3 committee, the executive board of the Washington association of  
4 juvenile court administrators, the Washington state center for court  
5 research, and a representative of the superior court judges  
6 association; two representatives from the juvenile rehabilitation  
7 administration headquarters program oversight staff, two  
8 representatives of the juvenile rehabilitation administration regional  
9 office staff, one representative of the juvenile rehabilitation  
10 administration fiscal staff and a juvenile rehabilitation  
11 administration division director. The committee may make changes to  
12 the formula categories other than the evidence-based program and  
13 disposition alternative categories if it is determined the changes will  
14 increase statewide service delivery or effectiveness of evidence-based  
15 program or disposition alternative resulting in increased cost benefit  
16 savings to the state. Long-term cost benefit must be considered.  
17 Percentage changes may occur in the evidence-based program or  
18 disposition alternative categories of the formula should it be  
19 determined the changes will increase evidence-based program or  
20 disposition alternative delivery and increase the cost benefit to the  
21 state. These outcomes will also be considered in determining when  
22 evidence-based expansion or special sex offender disposition  
23 alternative funds should be included in the block grant or left  
24 separate.

25 (d) The juvenile courts and administrative office of the courts  
26 shall be responsible for collecting and distributing information and  
27 providing access to the data systems to the juvenile rehabilitation  
28 administration and the Washington state institute for public policy  
29 related to program and outcome data. The juvenile rehabilitation  
30 administration and the juvenile courts will work collaboratively to  
31 develop program outcomes that reinforce the greatest cost benefit to  
32 the state in the implementation of evidence-based practices and  
33 disposition alternatives.

34 (8) The juvenile courts and administrative office of the courts  
35 shall collect and distribute information related to program outcome and  
36 provide access to these data systems to the juvenile rehabilitation  
37 administration and Washington state institute for public policy.  
38 Consistent with chapter 13.50 RCW, all confidentiality agreements

1 necessary to implement this information-sharing shall be approved  
 2 within 30 days of the effective date of this section. The agreements  
 3 between administrative office of the courts, the juvenile courts, and  
 4 the juvenile rehabilitation administration shall be executed to ensure  
 5 that the juvenile rehabilitation administration receives the data that  
 6 the juvenile rehabilitation administration identifies as needed to  
 7 comply with this subsection. This includes, but is not limited to,  
 8 information by program at the statewide aggregate level, individual  
 9 court level, and individual client level for the purpose of the  
 10 juvenile rehabilitation administration providing quality assurance and  
 11 oversight for the locally committed youth block grant and associated  
 12 funds and at times as specified by the juvenile rehabilitation  
 13 administration as necessary to carry out these functions. The data  
 14 shall be provided in a manner that reflects the collaborative work the  
 15 juvenile rehabilitation administration and juvenile courts have  
 16 developed regarding program outcomes that reinforce the greatest cost  
 17 benefit to the state in the implementation of evidence-based practices  
 18 and disposition alternatives.

33		<u>\$5,251,000</u>
34	TOTAL APPROPRIATION . . . . .	(( \$1,113,772,000 ))
35		<u>\$1,091,026,000</u>

36 The appropriations in this subsection are subject to the following  
 37 conditions and limitations:

1 (a) (~~(\$109,342,000)~~) \$108,400,000 of the general fund--state  
2 appropriation for fiscal year 2012 and (~~(\$109,341,000)~~) \$103,687,000 of  
3 the general fund--state appropriation for fiscal year 2013 are provided  
4 solely for persons and services not covered by the medicaid program.  
5 This is a reduction of (~~(\$4,348,000--each--fiscal--year--from)~~) the  
6 nonmedicaid funding that was allocated for expenditure by regional  
7 support networks during fiscal year 2011 prior to supplemental budget  
8 reductions. This (~~(\$4,348,000)~~) reduction shall be distributed among  
9 regional support networks proportional to each network's share of the  
10 total state population. To the extent possible, levels of regional  
11 support network spending shall be maintained in the following priority  
12 order: (i) Crisis and commitment services; (ii) community inpatient  
13 services; and (iii) residential care services, including personal care  
14 and emergency housing assistance.

15 (b) \$6,590,000 of the general fund--state appropriation for fiscal  
16 year 2012, \$6,590,000 of the general fund--state appropriation for  
17 fiscal year 2013, and \$7,620,000 of the general fund--federal  
18 appropriation are provided solely for the department and regional  
19 support networks to continue to contract for implementation of high-  
20 intensity programs for assertive community treatment (PACT) teams. In  
21 determining the proportion of medicaid and nonmedicaid funding provided  
22 to regional support networks with PACT teams, the department shall  
23 consider the differences between regional support networks in the  
24 percentages of services and other costs associated with the teams that  
25 are not reimbursable under medicaid. The department may allow regional  
26 support networks which have nonmedicaid reimbursable costs that are  
27 higher than the nonmedicaid allocation they receive under this section  
28 to supplement these funds with local dollars or funds received under  
29 section 204(1)(a) of this act. The department and regional support  
30 networks shall maintain consistency with all essential elements of the  
31 PACT evidence-based practice model in programs funded under this  
32 section.

33 (c) \$5,850,000 of the general fund--state appropriation for fiscal  
34 year 2012, \$5,850,000 of the general fund--state appropriation for  
35 fiscal year 2013, and \$1,300,000 of the general fund--federal  
36 appropriation are provided solely for the western Washington regional  
37 support networks to provide either community- or hospital campus-based

1 services for persons who require the level of care previously provided  
2 by the program for adaptive living skills (PALS) at western state  
3 hospital.

4 (d) The number of nonforensic beds allocated for use by regional  
5 support networks at eastern state hospital shall be 192 per day. The  
6 number of nonforensic beds allocated for use by regional support  
7 networks at western state hospital shall be 557 per day through June  
8 2012, 527 per day from July 2012 through September 2012, and 497 per  
9 day from October 2012 through the remainder of fiscal year 2013.

10 (e) From the general fund--state appropriations in this subsection,  
11 the secretary of social and health services shall assure that regional  
12 support networks reimburse the aging and disability services  
13 administration for the general fund--state cost of medicaid personal  
14 care services that enrolled regional support network consumers use  
15 because of their psychiatric disability.

16 (f) (~~(\$4,582,000)~~) \$4,200,000 of the general fund--state  
17 appropriation for fiscal year 2012 and (~~(\$4,582,000)~~) \$2,291,000 of the  
18 general fund--state appropriation for fiscal year 2013 are provided  
19 solely for mental health services for mentally ill offenders while  
20 confined in a county or city jail and for facilitating access to  
21 programs that offer mental health services upon release from  
22 confinement. Beginning in fiscal year 2013, the department shall  
23 report regional outcome data on individuals in jail who are referred  
24 for regional support network services. By December 1, 2012, the  
25 department shall provide a report to the relevant fiscal and policy  
26 committees of the legislature on the number of individuals referred to  
27 the program who had an evaluation for regional support network services  
28 either during incarceration or within 30 and 60 days of release from  
29 jail; and the number who were made newly eligible or reinstated to  
30 eligibility for medical assistance services either during incarceration  
31 or within 30 and 60 days of release from jail. In addition, the report  
32 shall identify how many of the individuals who were determined to be  
33 eligible for regional support network services received additional  
34 outpatient services within 30 and 60 days of release from  
35 incarceration.

36 (g) The department is authorized to continue to contract directly,  
37 rather than through contracts with regional support networks, for  
38 children's long-term inpatient facility services.

1 (h) \$750,000 of the general fund--state appropriation for fiscal  
2 year 2012 and \$750,000 of the general fund--state appropriation for  
3 fiscal year 2013 are provided solely to continue performance-based  
4 incentive contracts to provide appropriate community support services  
5 for individuals with severe mental illness who were discharged from the  
6 state hospitals as part of the expanding community services initiative.  
7 These funds will be used to enhance community residential and support  
8 services provided by regional support networks through other state and  
9 federal funding.

10 (i) (~~(\$1,125,000)~~) \$937,000 of the general fund--state  
11 appropriation for fiscal year 2012 (~~(and \$1,125,000 of the general~~  
12 ~~fund--state appropriation for fiscal year 2013 are))~~) is provided solely  
13 for the Spokane regional support network to implement services to  
14 reduce utilization and the census at eastern state hospital. Such  
15 services shall include:

16 (i) High intensity treatment team for persons who are high  
17 utilizers of psychiatric inpatient services, including those with co-  
18 occurring disorders and other special needs;

19 (ii) Crisis outreach and diversion services to stabilize in the  
20 community individuals in crisis who are at risk of requiring inpatient  
21 care or jail services;

22 (iii) Mental health services provided in nursing facilities to  
23 individuals with dementia, and consultation to facility staff treating  
24 those individuals; and

25 (iv) Services at the sixteen-bed evaluation and treatment facility.

26 (~~(At least annually, the Spokane regional support network shall~~  
27 ~~assess the effectiveness of these services in reducing utilization at~~  
28 ~~eastern state hospital, identify services that are not optimally~~  
29 ~~effective, and modify those services to improve their effectiveness.))~~)

30 (j) \$1,529,000 of the general fund--state appropriation for fiscal  
31 year 2012 and \$1,529,000 of the general fund--state appropriation for  
32 fiscal year 2013 are provided solely to reimburse Pierce and Spokane  
33 counties for the cost of conducting 180-day commitment hearings at the  
34 state psychiatric hospitals.

35 (k) Regional support networks may use local funds to earn  
36 additional federal medicaid match, provided the locally matched rate  
37 does not exceed the upper-bound of their federally allowable rate  
38 range, and provided that the enhanced funding is used only to provide

1 medicaid state plan or waiver services to medicaid clients.  
2 Additionally, regional support networks may use a portion of the state  
3 funds allocated in accordance with (a) of this subsection to earn  
4 additional medicaid match, but only to the extent that the application  
5 of such funds to medicaid services does not diminish the level of  
6 crisis and commitment, community inpatient, residential care, and  
7 outpatient services presently available to persons not eligible for  
8 medicaid.

9 (1) Given the recent approval of federal medicaid matching funds  
10 for the disability lifeline and the alcohol and drug abuse treatment  
11 support act programs, the department shall charge regional support  
12 networks for only the state share rather than the total cost of  
13 community psychiatric hospitalization for persons enrolled in those  
14 programs.

15 (m) \$750,000 of the general fund--state appropriation for fiscal  
16 year 2012, \$750,000 of the general fund--state appropriation for fiscal  
17 year 2013, and \$1,500,000 of the general fund--federal appropriation  
18 are provided solely to adjust regional support network capitation rates  
19 to account for the per diem rates actually paid for psychiatric care  
20 provided at hospitals participating in the certified public expenditure  
21 program operated pursuant to section 213 of this act.

37 (d) \$944,000 of the general fund--state appropriation for fiscal  
38 year 2012, \$944,000 of the general fund--state appropriation for fiscal

1 year 2013, and \$1,888,000 of the general fund--federal appropriation  
2 are provided solely for state contributions for individual provider

34 ~~(f))~~ \$1,127,000 of the general fund--state appropriation for  
35 fiscal year 2012, \$1,199,000 of the general fund--state appropriation  
36 for fiscal year 2013, and \$2,322,000 of the general fund--federal  
37 appropriation are provided solely for the state's contribution to the  
38 training partnership, as provided in RCW 74.39A.360, for instructional

1 costs associated with the training of individual providers. House Bill  
2 No. 1548 and Senate Bill No. 5473 (long-term care worker requirements)  
3 make statutory changes to the increased training requirements and  
4 therefore the state shall contribute to the partnership \$0.17 per paid  
5 hour worked by all home care workers. This amount is pursuant to the  
6 collective bargaining agreement negotiated with the exclusive  
7 bargaining representative of individual providers established under RCW  
8 74.39A.270. Expenditures for the purposes specified in this subsection  
9 shall not exceed the amounts provided in this subsection.

10 ~~((g))~~ (f)(i) Within the amounts appropriated in this subsection,  
11 the department shall revise the current working age adult policy to  
12 allow clients to choose between employment and community access  
13 activities. Clients age 21 and older who are receiving services  
14 through a home- and community-based medicaid waiver shall be offered  
15 the choice to transition to a community access program after nine  
16 months of enrollment in an employment program, and the option to  
17 transition from a community access program to an employment program at  
18 any time. The department shall inform clients and their legal  
19 representatives of all available options for employment and day  
20 services. Information provided to the client and the client's legal  
21 representative shall include the types of activities each service  
22 option provides, and the amount, scope, and duration of service for  
23 which the client would be eligible under each service option. An  
24 individual client may be authorized for only one service option, either  
25 employment services or community access services. Clients may not  
26 participate in more than one of these services at any given time.

27 (ii) The department shall work with counties and stakeholders to  
28 strengthen and expand the existing community access program. The  
29 program must emphasize support for the client so they are able to  
30 participate in activities that integrate them into their community and  
31 support independent living and skills.

32 (iii) The appropriation in this subsection includes funding to  
33 provide employment or community access services to 168 medicaid  
34 eligible young adults with developmental disabilities living with their  
35 families who need employment opportunities and assistance after high  
36 school graduation.

37 ~~((h))~~ (g) \$75,000 of the general fund--state appropriation for  
38 fiscal year 2012 and \$75,000 of the general fund--state appropriation

1 for fiscal year 2013 are provided solely for the restoration of direct  
2 support to local organizations that utilize parent-to-parent networks  
3 and communication to promote access and quality of care for individuals  
4 with developmental disabilities and their families.

5 ~~((i))~~ (h) In accordance with Engrossed Substitute House Bill No.  
6 1277 (licensed settings for vulnerable adults), adult family home  
7 license fees are increased in fiscal years 2012 and 2013 to support the  
8 costs of conducting licensure, inspection, and regulatory programs.

9 (i) The current annual renewal license fee for adult family homes  
10 shall be increased to \$100 per bed beginning in fiscal year 2012 and  
11 ~~((175))~~ \$250 per bed beginning in fiscal year 2013. Adult family  
12 homes shall receive a corresponding vendor rate increase per medicaid  
13 patient day of \$0.22 in fiscal year 2012 and ~~((0.43))~~ \$0.59 in fiscal  
14 year 2013 to cover the cost of the license fee increase for publicly  
15 funded beds.

16 (ii) Beginning in fiscal year 2012, a processing fee of \$2,750  
17 shall be charged to each adult family home when the home is initially  
18 licensed. This fee is nonrefundable.

19 ~~((j))~~ (i) Clients with developmental disabilities have  
20 demonstrated a need and a desire for a day services program as verified  
21 by over 900 clients currently accessing day programs through a long-  
22 term care service model. In addition, every individual, to include  
23 those with a developmental disability, should have the opportunity for  
24 meaningful employment which allows them to contribute to their  
25 communities and to become as self-sufficient as possible. Providing  
26 choice empowers recipients of publicly funded services and their  
27 families by expanding their degree of control over the services and  
28 supports they need.

29 The department shall work with legislators and stakeholders to  
30 develop a new approach to employment and day services. The objective  
31 of this plan is to ensure that adults with developmental disabilities  
32 have optimum choices, and that employment and day offerings are  
33 comprehensive enough to meet the needs of all clients currently served  
34 on a home and community based waiver. The proposal shall be submitted  
35 to the 2012 legislature for consideration and shall be constructed such  
36 that a client ultimately receives employment, community access, or the  
37 community day option but not more than one service at a time. The  
38 proposal shall include options for program efficiencies within the

1 current employment and day structure and shall provide details on the  
2 plan to implement a consistent, statewide outcome-based vendor contract  
3 for employment and day services as specified in (c) of this subsection.

11 relationship to costs.

12        (3) In accordance with chapter 74.46 RCW, the department shall  
13 issue no additional certificates of capital authorization for fiscal

11       The appropriations in this section are subject to the following  
12 conditions and limitations:

13       (1) Within the amounts appropriated in this section, the department  
14 may contract with the University of Washington and community-based

29 have substantially equivalent standards to those of the department,  
30 including but not limited to the joint commission on accreditation of

32 rehabilitation facilities, and the council on accreditation. To  
33 reflect the reduced costs associated with regulation of accredited  
34 programs, the department's fees for organizations with such proof of  
35 accreditation must reflect the lower cost of licensing for these  
36 programs than for other organizations which are not accredited.

37       (4) \$3,500,000 of the general fund--federal appropriation (from the

8 provided in settings that are considered institutions for mental  
9 diseases to two or more facilities with fewer than 16 beds that are  
10 able to claim federal match for services provided to medicaid clients  
11 or individuals covered under the department's section 1115 medicaid

17 in settings that are considered institutions for mental diseases into  
18 facilities with fewer than 16 beds by June 2017. The plan shall  
19 identify the maximum number of additional beds that can be transitioned  
20 into facilities with fewer than 16 beds during the 2013-2015 fiscal  
21 biennium and the remaining number that will be transitioned during the  
22 2015-2017 fiscal biennium, a timeline and process for accomplishing  
23 this, and a projection of the related general fund--state savings for

6 The appropriations in this section are subject to the following  
7 conditions and limitations:

8 (1) The appropriations to the authority in this act shall be  
9 expended for the purposes and in the amounts specified in this act. To  
10 the extent that appropriations in this section are insufficient to fund  
11 actual expenditures in excess of caseload forecasts and utilization  
12 assumptions, the authority, after May 1, 2012, may transfer general  
13 fund--state appropriations for fiscal year 2012 that are provided  
14 solely for a specified purpose. The authority shall not transfer  
15 funds, and the director of financial management shall not approve the  
16 transfer, unless the transfer is consistent with the objective of  
17 conserving, to the maximum extent possible, the expenditure of state  
18 funds. The director of financial management shall notify the  
19 appropriate fiscal committees of the senate and house of  
20 representatives in writing seven days prior to approving any allotment  
21 modifications or transfers under this subsection. The written  
22 notification shall include a narrative explanation and justification of  
23 the changes, along with expenditures and allotments by budget unit and  
24 appropriation, both before and after any allotment modifications or  
25 transfers.

26 (2) Within amounts appropriated in this section and sections 205  
27 and 206 of this act, the health care authority shall continue to  
28 provide an enhanced basic health plan subsidy for foster parents  
29 licensed under chapter 74.15 RCW and workers in state-funded home care  
30 programs. Under this enhanced subsidy option, foster parents eligible  
31 to participate in the basic health plan as subsidized enrollees and  
32 home care workers with family incomes below 200 percent of the federal  
33 poverty level shall be allowed to enroll in the basic health plan at  
34 the minimum premium amount charged to enrollees with incomes below  
35 sixty-five percent of the federal poverty level.

36 ~~((+2))~~ (3) The health care authority shall require organizations  
37 and individuals that are paid to deliver basic health plan services and

1 that choose to sponsor enrollment in the subsidized basic health plan  
2 to pay 133 percent of the premium amount which would otherwise be due  
3 from the sponsored enrollees.

4 ~~((3))~~ (4)(a) \$1,200,000 of the general fund--state appropriation  
5 for fiscal year 2012 is provided solely to plan the implementation of  
6 a system of consolidated public school employee health benefits  
7 purchasing.

8 It is the intent of the legislature to improve the administration,  
9 transparency, and equity in delivering a K-12 employees' health  
10 benefits system. In addition, the legislature intends that any cost  
11 savings that result from changes to K-12 health benefits be dedicated  
12 to public schools.

13 To further this legislative intent, the state health care authority  
14 shall develop a plan to implement a consolidated health benefits'  
15 system for K-12 employees for the 2013-14 school year. The health care  
16 authority shall deliver a report to the legislature by December 15,  
17 2011, that sets forth the implementation plan to the ways and means  
18 committees of the house of representatives and the senate.

19 (b) The report prepared by the health care authority shall compare  
20 and contrast the costs and benefits, both long and short term, of:

- 21 (i) The current K-12 health benefits system;
- 22 (ii) A new K-12 employee benefits pool; and
- 23 (iii) Enrolling K-12 employees into the health benefits pool for  
24 state employees.

25 (c) In addition to the implementation plan, the report shall  
26 include the following information:

- 27 (i) The costs and benefits of the current K-12 health benefits  
28 system;
- 29 (ii) The costs and benefits of providing a new statewide K-12  
30 employees' health benefits pool to school districts and school  
31 employees;
- 32 (iii) The costs and benefits of enrolling K-12 employees into the  
33 existing health benefits pool for state employees;
- 34 (iv) Recommendations of ways to limit administrative duplication  
35 and costs, improve transparency to employees, the legislature, and the  
36 public and assure equity among beneficiaries of publicly provided  
37 employee health benefits;

1 (v) Recommendations for standardizing benefit packages and  
2 purchasing efforts in a manner that seeks to maximize funding and  
3 equity for all school employees;

4 (vi) Recommendations regarding the use of incentives, including how  
5 changes to state health benefit allocations could provide employees  
6 with benefits that would encourage participation;

7 (vii) Recommendations regarding the implementation of a new K-12  
8 employee benefit plan, with separate options for voluntary  
9 participation and mandatory statewide participation;

10 (viii) Recommendations regarding methods to reduce inequities  
11 between individual and family coverage;

12 (ix) Consolidation of the purchasing and budget accountability for  
13 school employee benefits to maximize administrative efficiency and  
14 leverage existing skills and resources; and

15 (x) Other details the health care authority deems necessary,  
16 including but not limited to recommendations on the following:

17 (A) Approaches for implementing the transition to a statewide pool,  
18 including administrative and statutory changes necessary to ensure a  
19 successful transition, and whether the pool should be separate from, or  
20 combined with, the public employees' benefits pool;

21 (B) The structure of a permanent governing group to provide ongoing  
22 oversight to the consolidated pool, in a manner similar to the public  
23 employees benefits board functions for employee health benefits,  
24 including statutory duties and authorities of the board; and

25 (C) Options for including potential changes to: Eligibility  
26 standardization, the public employees benefits risk pools, the movement  
27 of school employee retirees into the new K-12 pool or pools, and the  
28 movement of educational service district employees into the new K-12  
29 pool or pools.

30 (d) In determining its costs and benefits of a new statewide K-12  
31 employees' health benefits pool for school districts and school  
32 employees, the health care authority shall assume the following:

33 (i) School district enrollees must constitute an entire bargaining  
34 unit, or an entire group of nonrepresented employees;

35 (ii) Staffing and administration for benefits purchasing shall be  
36 provided by the health care authority; and

37 (iii) The new K-12 pool would operate on a schedule that

1 coordinates with the financing and enrollment schedule used for school  
2 districts.

3 (e) The office of the superintendent of public instruction and the  
4 office of the insurance commissioner shall provide information and  
5 technical assistance to the health care authority as requested by the  
6 health care authority. The health care authority shall not implement  
7 the new school employee benefits pool until authorized to do so by the  
8 legislature.

9 ~~((4))~~ (5) The administrator shall take at least the following  
10 actions to assure that persons participating in the basic health plan  
11 are eligible for the level of assistance they receive: (a) Require  
12 submission of (i) income tax returns, and recent pay history, from all  
13 applicants, or (ii) other verifiable evidence of earned and unearned  
14 income from those persons not required to file income tax returns; (b)  
15 check employment security payroll records at least once every twelve  
16 months on all enrollees; (c) require enrollees whose income as  
17 indicated by payroll records exceeds that upon which their subsidy is  
18 based to document their current income as a condition of continued  
19 eligibility; (d) require enrollees for whom employment security payroll  
20 records cannot be obtained to document their current income at least  
21 once every six months; (e) not reduce gross family income for self-  
22 employed persons by noncash-flow expenses such as, but not limited to,  
23 depreciation, amortization, and home office deductions, as defined by  
24 the United States internal revenue service; and (f) pursue repayment  
25 and civil penalties from persons who have received excessive subsidies,  
26 as provided in RCW 70.47.060(9).

27 ~~((5))~~ (6) Enrollment in the subsidized basic health plan shall be  
28 limited to only include persons who qualify as subsidized enrollees as  
29 defined in RCW 70.47.020 and who (a) qualify for services under 1115  
30 medicaid demonstration project number 11-W-00254/10; or (b) are foster  
31 parents licensed under chapter 74.15 RCW.

32 ~~((6))~~ (7) \$23,700,000 of the general fund--federal appropriation  
33 is provided solely for planning and implementation of a health benefit  
34 exchange under the federal patient protection and affordable care act.  
35 Within the amounts provided in this subsection, funds used by the  
36 authority for information technology projects are conditioned on the  
37 authority satisfying the requirements of Engrossed Second Substitute  
38 Senate Bill No. 5931 (central service agencies).

1        ~~((7))~~ (8) Based on quarterly expenditure reports and caseload  
2 forecasts, if the health care authority estimates that expenditures for  
3 the medical assistance program will exceed the appropriations, the  
4 health care authority shall take steps including but not limited to  
5 reduction of rates or elimination of optional services to reduce  
6 expenditures so that total program costs do not exceed the annual  
7 appropriation authority.

8        ~~((8))~~ (9) In determining financial eligibility for medicaid-  
9 funded services, the health care authority is authorized to disregard  
10 recoveries by Holocaust survivors of insurance proceeds or other  
11 assets, as defined in RCW 48.104.030.

12        ~~((9))~~ (10) The legislature affirms that it is in the state's  
13 interest for Harborview medical center to remain an economically viable  
14 component of the state's health care system.

15        ~~((10))~~ (11) When a person is ineligible for medicaid solely by  
16 reason of residence in an institution for mental diseases, the health  
17 care authority shall provide the person with the same benefits as he or  
18 she would receive if eligible for medicaid, using state-only funds to  
19 the extent necessary.

20        ~~((11))~~ (12) \$4,261,000 of the general fund--state appropriation  
21 for fiscal year 2012, \$4,261,000 of the general fund--state

3 supplemental payment, and the payments shall not exceed the maximum  
4 allowable under federal rules. It is the legislature's intent that the  
5 payments shall be supplemental to and shall not in any way offset or  
6 reduce the payments calculated and provided in accordance with part E  
7 of chapter 74.46 RCW. It is the legislature's further intent that  
8 costs otherwise allowable for rate-setting and settlement against  
9 payments under chapter 74.46 RCW shall not be disallowed solely because  
10 such costs have been paid by revenues retained by the nursing home from  
11 these supplemental payments. The supplemental payments are subject to  
12 retrospective interim and final cost settlements based on the nursing  
13 homes' as-filed and final medicare cost reports. The timing of the  
14 interim and final cost settlements shall be at the health care  
15 authority's discretion. During either the interim cost settlement or

5 (b) The number of classified staff units determined in subsections  
 6 (4) and (5) of this section multiplied by 1.152. This factor is  
 7 intended to adjust allocations so that, for the purposes of  
 8 distributing insurance benefits, full-time equivalent classified  
 9 employees may be calculated on the basis of 1440 hours of work per  
 10 year, with no individual employee counted as more than one full-time  
 11 equivalent.

12 (8) MATERIALS, SUPPLIES, AND OPERATING COSTS (MSOC) ALLOCATIONS

12 superintendent of public instruction by submission of a resolution  
13 adopted in a public meeting to reduce or delay any portion of its basic  
14 education allocation for any school year. The superintendent of public  
15 instruction shall approve such reduction or delay if it does not impair  
16 the district's financial condition. Any delay shall not be for more  
17 than two school years. Any reduction or delay shall have no impact on  
18 levy authority pursuant to RCW 84.52.0531 and local effort assistance

28 (b) \$436,000 of the general fund--state appropriation for fiscal  
29 year 2012 and \$436,000 of the general fund--state appropriation for  
30 fiscal year 2013 are provided solely for programs providing skills

32 school-to-work programs, as approved by the superintendent of public  
33 instruction. The funds shall be allocated at a rate not to exceed \$500  
34 per full-time equivalent student enrolled in those programs.

35 (c) Funding in this section is sufficient to fund adjustments to  
36 school districts' allocations resulting from the implementation of the  
37 prototypical school funding formula, pursuant to chapter 236, Laws of  
38 2010 (K-12 education funding). The funding in this section is intended

1 to hold school districts harmless in total for funding changes  
2 resulting from conversion to the prototypical school formula in the  
3 general apportionment program, the learning assistance program, the  
4 transitional bilingual program, and the highly capable program, after  
5 adjustment for changes in enrollment and other caseload adjustments.

6 (15) \$208,000 of the general fund--state appropriation for fiscal

18 in running start programs may be funded up to a combined maximum  
19 enrollment of 1.2 FTE including school district and institution of  
20 higher education enrollment. In calculating the combined 1.2 FTE, the  
21 office of the superintendent of public instruction may average the  
22 participating student's September through June enrollment to account  
23 for differences in the start and end dates for courses provided by the  
24 high school and higher education institution. Additionally, the office  
25 of the superintendent of public instruction, in consultation with the  
26 state board for community and technical colleges, the higher education  
27 coordinating board, and the education data center, shall annually track  
28 and report to the fiscal committees of the legislature on the combined  
29 FTE experience of students participating in the running start program,  
30 including course load analyses at both the high school and community  
31 and technical college system.

32 (18) If two or more school districts consolidate and each district

21 Allocations for these salary adjustments shall be provided to all  
22 districts that are not grandfathered to receive salary allocations  
23 above the statewide salary allocation schedule, and to certain  
24 grandfathered districts to the extent necessary to ensure that salary  
25 allocations for districts that are currently grandfathered do not fall  
26 below the statewide salary allocation schedule.

27 (b) Additional salary adjustments to certain districts as necessary  
28 to fund the per full-time-equivalent salary allocations for

26 The appropriations in this section are subject to the following  
27 conditions and limitations:

28 (1) Each general fund fiscal year appropriation includes such funds  
29 as are necessary to complete the school year ending in the fiscal year

1 instructional hours per teacher; and (v) the district's average staff  
2 mix and compensation rates as provided in sections 503 and 504 of this

5 allocate funding to school districts for transitional bilingual  
6 instruction programs as provided in section 514, chapter 564, Laws of  
7 2009, as amended through section 1411 of this act.

8 (c) The allocations in this section reflect the implementation of  
9 a new funding formula for the transitional bilingual instructional  
10 program, effective September 1, 2011, as specified in RCW  
11 28A.150.260(10)(b).

15 following amounts: 2.79 percent for school year 2011-12 and ((2.09))  
16 2.11 percent for school year 2012-13.

17 (4) The general fund--federal appropriation in this section is for  
18 migrant education under Title I Part C and English language  
19 acquisition, and language enhancement grants under Title III of the  
20 elementary and secondary education act.

21 ~~(5)((a) The office of the superintendent of public instruction~~  
22 ~~shall implement a funding model for the transitional bilingual program,~~  
23 ~~beginning in school year 2012-13, that is scaled to provide more~~  
24 ~~support to students requiring most intensive intervention, (students~~  
25 ~~with beginning levels of English language proficiency) and less support~~  
26 ~~to students requiring less intervention. The funding model shall also~~  
27 ~~provide up to two years of bonus funding upon successful exit from the~~  
28 ~~bilingual program to facilitate successful transition to a standard~~  
29 ~~program of education.~~

30 ~~(b) It is expected that per pupil funding for level 2 proficiency~~  
31 ~~will be set at the same level as would have been provided statewide~~  
32 ~~prior to establishing differential per pupil amounts; level 1 will be~~  
33 ~~125 percent of level 2; level 3 through the level prior to exit will be~~  
34 ~~75 percent of level 2; and two bonus years upon successful~~  
35 ~~demonstration of proficiency will be 100 percent of level 2. Prior to~~  
36 ~~implementing in school year 2012-13, the office of the superintendent~~  
37 ~~of public instruction shall provide to the senate and house of~~  
38 ~~representatives ways and means committees recommended rates based on~~

1 the results of proficiency test procurement, expressed as both per-  
2 pupil rates and hours of instruction as provided in RCW

4 ~~(c) Each bilingual student shall be tested for proficiency level~~

22 ~~program;~~

23 ~~(iii) Clarifying the elements of the transitional bilingual~~  
24 ~~instructional program that fall under the definition of basic education~~  
25 ~~and the impact of the revised model on them; and~~

26 ~~(iv) The extent that the disparate financial impact of the revised~~  
27 ~~model on different school districts should be addressed and options for~~

33        (1) The entire appropriation is provided solely for the task force  
34    and study established and directed under this section.

1 (2)(a) The recent McCleary decision by the state Supreme Court  
2 found that the legislature is not meeting its paramount duty to  
3 adequately fund K-12 basic education. The court also found that recent  
4 legislative efforts to adjust the basic education definition and  
5 funding models using the prototypical school model will meet the  
6 paramount duty if implemented and fully funded in a timely manner. The  
7 joint task force established in subsection (3) of this section is  
8 created to help the legislature meet the requirements of the McCleary  
9 decision by recommending options for a permanent funding source.

10 (b) The task force should also consider that: (i) In order to meet  
11 performance and other K-12 goals, the state will need to enhance its  
12 efforts regarding a comprehensive early learning program for at-risk  
13 students; and (ii) In order to be competitive in today's economy  
14 students need a degree or certificate after high school. The committee  
15 should review options to address these considerations and possible  
16 funding sources.

17 (3)(a) The joint task force on education funding is established.  
18 The task force shall review the McCleary decision and make  
19 recommendations on how the legislature can meet the requirements  
20 outlined in that decision, particularly how to phase in and fully fund  
21 the prototypical model approach recently adopted by the legislature.  
22 In addition to focusing on options for fully funding basic education,  
23 the task force shall also consider related school finance issues such  
24 as levy equalization, the small high school funding formula,  
25 grandfathered levy lids, salary schedules, and funding for  
26 administrative and classified staff. The task force should consider  
27 the work of the quality education council in its deliberation.

28 (b) The task force shall also review programs of early learning for  
29 at-risk youth, focusing on improving the child's readiness for  
30 elementary school and possible funding options to enhance these  
31 programs; as well as review higher education funding and make  
32 recommendations regarding alternative funding options.

33 (c) The joint task force on education finance shall consist of  
34 sixteen members:

35 (i) Eight legislators, with two members from each of the two  
36 largest caucuses of the senate appointed by the president of the senate  
37 and two members from each of the two largest caucuses of the house of

1 representatives appointed by the speaker of the house of  
2 representatives;

3 (ii) A representative of the governor's office or the office of  
4 financial management, designated by the governor;

5 (iii) The superintendent of public instruction or the  
6 superintendent's designee;

7 (iv) The director of the department of early learning or the  
8 director's designee;

9 (v) The executive director of the higher education coordinating  
10 board or its successor agency or the executive director's designee; and

11 (vi) Four individuals, to be appointed by the governor, that have  
12 significant experience with Washington education finance issues,  
13 including the use and application of the current basic education  
14 formulas, higher education funding, and early learning program funding.  
15 Each of the two largest caucuses of the house of representatives and  
16 the senate may submit names to the governor for consideration.

17 (vii) The task force shall be cochaired by one member from the  
18 house of representatives and one member from the senate. If the house  
19 of representatives and senate members cannot agree on their respective  
20 cochair, the governor shall appoint the cochairs.

21 (d) The task force may recommend multiple options, but shall  
22 recommend one preferred alternative, including an outline of necessary  
23 implementing legislation. Should the task force recommend an option to  
24 implement McCleary with no new revenues, the task force must identify  
25 what areas already in the budget would be eliminated or reduced.

26 (e) The task force shall be staffed by the house of representatives  
27 office of program research and senate committee services, with  
28 assistance from the legislative evaluation and accountability program  
29 committee, the office of the superintendent of public instruction, the  
30 higher education coordinating board or its successor agency, the  
31 department of early learning, the office of financial management, and  
32 the Washington state institute for public policy.

33 (4)(a) The recommendations should provide maximum transparency of  
34 the state's educational funding system in order to better help parents,  
35 citizens, and educational personnel in Washington understand how the  
36 education system is funded at the early, K-12, and higher education  
37 levels.

1 (b) The funding structure options should be linked to  
2 accountability for student outcomes, performance, and preparedness for  
3 the subsequent educational level.

31 enhancement account may also be used for scientific research as part of  
32 the adaptive management process and for developing a planning report  
33 for McNeil Island. During the ((2009-2011-and)) 2011-2013 fiscal  
34 ((~~biennia~~)) biennium, the legislature may transfer from the aquatic  
35 lands enhancement account to the state general fund such amounts as  
36 reflect excess fund balance of the account. During the 2011-2013  
37 fiscal biennium, the aquatic lands enhancement account may be used to

1 support the shellfish program, (~~the ballast water program,~~) native  
2 fish recovery program, fish production, aquatic invasive species  
3 monitoring and control program, and the Puget Sound toxic sampling  
4 program at the department of fish and wildlife, and the knotweed  
5 program at the department of agriculture.

6 (2) In providing grants for aquatic lands enhancement projects, the  
7 recreation and conservation funding board shall:

8 (a) Require grant recipients to incorporate the environmental  
9 benefits of the project into their grant applications;

10 (b) Utilize the statement of environmental benefits, consideration,  
11 except as provided in RCW 79.105.610, of whether the applicant is a  
12 Puget Sound partner, as defined in RCW 90.71.010, whether a project is  
13 referenced in the action agenda developed by the Puget Sound  
14 partnership under RCW 90.71.310, and except as otherwise provided in  
15 RCW 79.105.630, and effective one calendar year following the  
16 development and statewide availability of model evergreen community  
17 management plans and ordinances under RCW 35.105.050, whether the  
18 applicant is an entity that has been recognized, and what gradation of  
19 recognition was received, in the evergreen community recognition  
20 program created in RCW 35.105.030 in its prioritization and selection  
21 process; and

22 (c) Develop appropriate outcome-focused performance measures to be  
23 used both for management and performance assessment of the grants.

24 (3) To the extent possible, the department should coordinate its  
25 performance measure system with other natural resource-related agencies  
26 as defined in RCW 43.41.270.

27 (4) The department shall consult with affected interest groups in  
28 implementing this section.

29 (5) After January 1, 2010, any project designed to address the  
30 restoration of Puget Sound may be funded under this chapter only if the  
31 project is not in conflict with the action agenda developed by the  
32 Puget Sound partnership under RCW 90.71.310.

33 **Sec. 924.** RCW 80.01.080 and 2010 1st sp.s. c 37 s 950 are each  
34 amended to read as follows:

35 There is created in the state treasury a public service revolving  
36 fund. Regulatory fees payable by all types of public service companies  
37 shall be deposited to the credit of the public service revolving fund.

1 Except for expenses payable out of the pipeline safety account, all  
2 expense of operation of the Washington utilities and transportation  
3 commission shall be payable out of the public service revolving fund.

4 During the (~~2009-2011~~) 2011-2013 fiscal biennium, the legislature  
5 may transfer from the public service revolving fund to the state  
6 general fund such amounts as reflect the excess fund balance of the  
7 fund.

8 **Sec. 925.** 2010 c 23 s 205 (uncodified) is amended to read as  
9 follows:

10 (1) The legislature finds that this state's tax policy with respect  
11 to the taxation of transactions between affiliated entities and the  
12 income derived from such transactions (intercompany transactions) has  
13 motivated some taxpayers to engage in transactions designed solely or  
14 primarily to minimize the tax effects of intercompany transactions.  
15 The legislature further finds that some intercompany transactions  
16 result from taxpayers that are required to establish affiliated  
17 entities to comply with regulatory mandates and that transactions  
18 between such affiliates effectively increases the tax burden in this  
19 state on the affiliated group of entities.

20 (2) Therefore, as existing resources allow, the department of  
21 revenue is directed to conduct a review of the state's tax policy with  
22 respect to the taxation of intercompany transactions. The review must  
23 include the impacts of such transactions under the state's business and  
24 occupation tax and state and local sales and use taxes. The department  
25 may include other taxes in the review as it deems appropriate.

26 (3) In conducting the review, the department must examine how this  
27 state's tax policy compares to the tax policy of other states with  
28 respect to the taxation of intercompany transactions. The department's  
29 review must include an analysis of potential alternatives to the  
30 current policy of taxing intercompany transactions, including their  
31 estimated revenue impacts if practicable.

32 (4) In conducting this review, the department may seek input from  
33 members of the business community and others as it deems appropriate.

34 (5) The department must report its findings to the fiscal  
35 committees of the house of representatives and senate by December 1,  
36 2010. However, if the department has not completed its review by

1 December 1, 2010, the department must provide the fiscal committees of  
2 the legislature with a brief status report by December 1, 2010, and the  
3 final report by December 1, (~~2011~~) 2012.

4 NEW SECTION. **Sec. 926.** It is the intent of the legislature that  
5 regulatory agencies receiving appropriations in this act work with the  
6 office of regulatory assistance to:

7 (1) Establish a small business liaison team to assist small  
8 businesses with permitting and regulatory issues.

9 (2) Take action to assure that additional violations or corrective  
10 actions that could have been discovered and noted in the original  
11 violation or correction notice are not subsequently added and to  
12 provide a single list of any violations discovered during the  
13 regulatory visit or inspection;

14 (3) Provide notice about when the business may expect the results  
15 of a technical assistance or regulatory visit;

16 (4) Provide information about how the business may provide  
17 anonymous feedback regarding a technical assistance or other regulatory  
18 visit; and

19 (5) Provide information regarding the role of the agency's small  
20 business liaison as a neutral party within the agency, as well as  
21 contact information for the liaison.

22 NEW SECTION. **Sec. 927.** A new section is added to 2011 1st sp.s.  
23 c 50 (uncodified) to read as follows:

24 Chapter 50, Laws of 2011 1st sp. sess. (the biennial operating  
25 budget) included funding for the pension system cost of legislation  
26 adopted during the 2011 session of the legislature. No supplemental  
27 rates are authorized for funding that legislation during the remainder  
28 of the 2011-2013 fiscal biennium. Pension contribution rates for the  
29 public employees' retirement system, the public safety employees'  
30 retirement system, the school employees' retirement systems, and the  
31 teachers' retirement system are established.

32 (1) For the public employees' retirement system:

33 (a) Beginning April 1, 2012, an employer contribution rate of 7.08  
34 percent shall be charged;

35 (b) Beginning July 1, 2012, an employer contribution rate of 7.21  
36 percent shall be charged.

1 (2) For the public safety employees' retirement system:  
2 (a) Beginning April 1, 2012, an employer contribution rate of 8.74  
3 percent shall be charged;  
4 (b) Beginning July 1, 2012, an employer contribution rate of 8.87  
5 percent shall be charged.  
6 (3) For the school employees' retirement system:  
7 (a) Beginning April 1, 2012, an employer contribution rate of 7.58  
8 percent shall be charged;  
9 (b) Beginning September 1, 2012, an employer contribution rate of  
10 7.59 percent shall be charged.  
11 (4) For the teachers' retirement system:  
12 (a) Beginning April 1, 2012, an employer contribution rate of 8.04  
13 percent shall be charged; and  
14 (b) Beginning September 21, 2012, an employer contribution rate of  
15 8.05 percent shall be charged.  
16 These rates are inclusive of a department of retirement systems  
17 expense charge of 0.16 percent. The department of retirement systems  
18 shall collect employee contributions as provided in chapter 41.45 RCW.

19 NEW SECTION. **Sec. 928.** If any provision of this act or its  
20 application to any person or circumstance is held invalid, the  
21 remainder of the act or the application of the provision to other  
22 persons or circumstances is not affected.

23 NEW SECTION. **Sec. 929.** This act is necessary for the immediate  
24 preservation of the public peace, health, or safety, or support of the  
25 state government and its existing public institutions, and takes effect  
26 immediately.
