*Comments:*

**1. Superior Court CMS** - Funding is provided to continue implementation of the new commercial off-the-shelf (COTS) Case Management System for the superior courts. (Judicial Information Systems Account-State)

**2. Enterprise Content CMS** - Funding is provided to acquire a commercial off-the-shelf Enterprise Content Management System (ECMS) and the services required to implement, validate, and deploy the ECMS in the Washington Supreme Court and the three divisions of the Washington State Court of Appeals. (Judicial Information Systems Account-State)

**3. IT Security Enhancements** - Funding is provided to implement information technology security enhancements as identified by an independent information technology security firm. (Judicial Information Systems Account-State)

**4. Superior Ct Judge Benton/Franklin** - The 2013-15 budget appropriates funding for an additional superior court judge position in Benton and Franklin Counties combined, pursuant to Chapter 142, Laws of 2013 (HB 1175). By statute, the state's share of the cost of superior court judges is set at one-half the salary and all of the benefits. Funding is reduced because the new judicial position will not be appointed and serve on the bench in FY 2014.

**5. Superior Court Judge Whatcom County** - The 2013-15 budget appropriates funding for an additional superior court judge position in Whatcom County, pursuant to Chapter 210, Laws of 2013 (SB 5052). By statute, the state's share of the cost of superior court judges is set at one-half the salary and all of the benefits. Funding is reduced because the new judicial position will not be appointed and serve on the bench in FY 2014.

*Comments:*

**1. Anti-Trust Litigation Increase** - Additional expenditure authority is provided from the Anti-Trust Revolving Account to cover direct litigation costs for pending cases. (Anti-Trust Revolving Account-Nonappropriated)

**2. Increased Legal Svcs to Specif Agys** - Ongoing legal expenses that were previously managed through interagency agreements will be incorporated into the regular expenditure and recovery process of the Legal Services Revolving Account. This will eliminate eight interagency agreements and incorporate these regular and ongoing legal expenditures into the budgets approved by the Legislature for both client agencies and the Office of the Attorney General. Additional funding is also provided for increased legal services billings to the Office of Minority and Women Business Enterprises for increased standard legal services, and the Department of Corrections for litigation related to interest arbitration. (Legal Services Revolving Account-State)

**3. Moore v. HCA Litigation** - Additional billing authority is provided for litigation costs associated with a class action lawsuit against the Health Care Authority entitled Moore, et al. v. Health Care Authority related to health benefits for certain non full-time state employees. (Legal Services Revolving Account-State)

**4. WA Servicemember Civil Relief Act** - Funding is provided for investigations and lawsuits related to the Washington Servicemember Civil Relief Act, pursuant to Substitute House Bill 2171 (Veterans, military personnel).

**5. Labor and Industries Appeal Bonds** - Funding is provided to implement Substitute House Bill 2146 (Labor and industries appeal bonds). Additional appeals are expected to result from the reduced bond to appeal certain Department of Labor & Industries (L&I) decisions. Funding is provided for the anticipated workload impact to the L&I, the Office of the Attorney General, and the Office of Administrative Hearings. (Legal Services Revolving Fund-State)

**6. Public Works Payroll Records** - Funding is provided for implementation of Substitute House Bill 2331 (public works payroll records). **1. Education Research Data Center** - Funding is provided to the Education Research and Data Center within the Forecasting and Research division to retain three staff positions currently funded by a federal grant ending June 30, 2014. These positions shall be used to support the collection, analysis and reporting of longitudinal education data across multiple education and human service programs. (Data Processing Revolving Account-State)

**2. Statewide Jail Study** - The Office of Financial Management will conduct an analysis of statewide jail needs to examine how regional capacity is being used at the state and local levels, how operational costs are incurred by local governments, and the financial impact to counties of providing juvenile and felon detention.

**3. State Agency Permitting** - Funding is provided for the agency to make information about permitting assistance and timelines more readily available to the public, pursuant to Engrossed Second Substitute House Bill 2192 (state agency permitting). (Data Processing Revolving Account-State)

**4. Higher Education Transparency** - Funding is provided for the Education Research and Data Center (ERDC) to implement Substitute House Bill 2651 (higher ed transparency) and Substitute House Bill 2336 (higher ed department budgets). The ERDC is required to include information on revenues, expenditures and department-level budgets for each institution of higher education on the data dashboard.

**5. Student Success Report** - Pursuant to Substitute House Bill 2739 (student success in schools), funding is provided for staffing and a contract with the Washington State University to complete a report analyzing the correlation of certain family factors with academic and behavioral indicators of student success.

**6. Master Address Services** - The Office of the Chief Information Officer will establish a master address file database for Washington addresses and make it available as an enterprise system. This system will enable state and local agencies to store address data in accordance with federal data standards, improving the accuracy of address and mapping data throughout the state. Furthermore, it will reduce errors and the amount of time agencies spend updating and correcting data due to inconsistent formats. (Data Processing Revolving Account-Non-appropriated)

**7. Public Records** - Funding is provided for a contract with a data collection expert and a mediator to implement a process to develop solutions for maintaining the greatest level of public access under the public records act under chapter 42.56 RCW, with the least impact to government resources and operations.

**8. Interpreter Services** - Funding is provided to implement Engrossed House Bill 2617 (interpreter services), which expands collective bargaining for state-purchased interpreter services to the Department of Labor & Industries (L&I) and later to the rest of the state. The Department of Enterprise Services is required to implement a model that all state agencies must use to procure spoken language interpreter services. Funding is provided to the Office of Financial Management (OFM) for staff to support the increased bargaining workload. Funding is also provided to the Department of Labor and Industries for staff, administrative costs, and payment system updates to accommodate the new model for purchasing interpreter services. **2. Medical Marijuana** - Funding is provided to the Liquor Control Board (LCB) for one-time information technology changes required as a result of Engrossed Second Substitute House Bill 2149 (Medical marijuana) to modify the I-502 licensing system to create a license, endorsement, and to modify the Seed-to-Sale traceability system. (Dedicated Marijuana Fund-State)

**3. Marijuana License Software** - The Liquor Control Board was provided start-up funding in the 2013-15 biennial budget for regulation of the recreational marijuana market. Part of that funding was used to procure cloud-based license software. Ongoing funding is provided for maintenance and support of those systems. (Dedicated Marijuana Fund-State)

**4. Marijuana Traceability System** - Funding is provided for a seed-to-sale inventory tracking system, which will track and monitor all recreational marijuana plants and products through all stages of the supply chain to prevent diversion and promote public safety. (Dedicated Marijuana Fund-State)

**5. Marijuana Tax System** - The Liquor Control Board is required to collect sales information on recreational marijuana sold in Washington. Funding is provided to develop an automated process for gathering and reporting this information to enable the collection of state tax revenue. (Dedicated Marijuana Fund-State)

**6. Additional Staffing** - The LCB is required to regulate the recreational marijuana market in Washington State. Start-up funding provided to the LCB in the 2013-15 biennial budget was used to procure necessary computer programs and licensing staff to launch the regulatory effort. Additional funding is provided to hire enforcement officers, auditors, and fiscal staff. (Dedicated Marijuana Fund-State)

**1. Breast & Cervical Cancer Treatment** - The Health Care Authority will restore coverage under the Breast & Cervical Cancer Treatment (BCCT) program starting April 1, 2014. The BCCT program was a Medicaid program that covered treatment for approximately 1,250 women diagnosed with breast or cervical cancer with incomes under 300 percent of the federal poverty level (FPL). It was eliminated on January 1, 2014, when the state expanded the Medicaid program to include adults with incomes below 133 percent of the FPL. Clients with incomes below 133 percent of the FPL could enroll in Medicaid coverage under the Medicaid expansion. Clients with incomes over 133 percent of the FPL that were already enrolled in the program as of January 1, 2014, were allowed retain state-only coverage throughout the course of their treatments. Savings will be achieved because the cost of restoring Medicaid coverage for clients with incomes above 133 percent of the FPL is less than the cost of maintaining state-only coverage for clients that were already enrolled as of January 1, 2014. (General Fund-State, General Fund-Federal)

**2. Provider Safety Equipment** - Funding is provided to implement SHB 2310 (provider safety equipment). Due to provider outreach mandated by the legislation, the Department of Social and Health Services and the Health Care Authority both anticipate increased utilization of personal protective equipment during FY 2015. (General Fund-State, General Fund-Federal)

**3. State Health Care Innovation Plan #** - In February 2013, Washington State received nearly \$1 million from the Centers for Medicare and Medicaid Services Innovations Fund to develop the State Health Care Innovation Plan. Additional funding is provided to fully develop and implement the five-year innovation plan under E2SHB 2572 (healthcare purchase, delivery), and implementation is expected to slow the growth of state health care costs. (Health Care Authority Administrative Account-State)

**4. Federal Basic Health Planning** - Funding is provided for the design, development, and fiscal modeling of the federal Basic Health Plan Option. Fiscal modeling efforts will include the procurement of an econometric firm to complete an actuarial analysis of covered benefits and rate development.

**5. Behavioral Health Redesign** - Pursuant to E2SHB 2639 (mental health, chemical dependency) and E2SHB 2315 (suicide prevention), funding is provided for additional staff and an actuarial analysis to support procurement of mental health and chemical dependency services, to help move the behavioral health system towards phased integration with systems that provide medical services to Medicaid participants, and to develop a plan to create a pilot project to support primary care providers in the assessment and treatment of adults with mental or other behavioral health disorders. (General Fund-State, General Fund-Federal)

**6. Hospital Safety Net Assessment** - Implementation of the Hospital Safety Net Assessment program under Chapter 17, Laws of 2013, 2nd sp.s. (ESSB 5913) was delayed from July 1, 2013, to October 1, 2013, because HCA did not submit a timely request for the federal waiver required to implement the program. The Health Care Authority will collect hospital assessments and provide supplemental payments to hospitals and increased payments to managed care plans for hospital services starting on July 1, 2013, instead of October 1, 2013. (General Fund-State, Hospital Safety Net Assessment Fund-State, General Fund-Federal)

**7. P1 Phase 2 Funding** - Funding is provided to align the timing of Phase Two of the ProviderOne project with the implementation schedule of the recently procured Provider Compensation Subsystem and Services vendor. Funding is also provided to complete implementation of the 1099 provider transition to ProviderOne. (General Fund-State, General Fund-Federal)

**8. P1 Operating Rules** - Funding is provided to implement enhancements to Washington's Medicaid Management Information System called ProviderOne. The enhancements are necessary to comply with the federally mandated rules promulgated by the federal Centers for Medicare and Medicaid Services (CMS) and the Council for Affordable Quality Healthcare Committee on Operating Rules for Information Exchange. (General Fund-State, General Fund-Federal)

**9. Cost Allocation Update for HBE** - Funding is provided for additional information technology and customer service costs incurred by the Washington Health Benefit Exchange related to enrolling clients in Medicaid and the Children's Health Insurance Program (CHIP). Costs allocated to Medicaid qualify for a 90 percent match for the development and implementation of an information technology system and a 75 percent match for system operations and customer support center services. Funding is provided for client eligibility correspondence costs incurred by the Exchange and for document imaging services provided by the Health Care Authority. Funding is also provided for one FTE to manage the cost allocation process between the Health Care Authority and the Exchange. (Health Benefit Exchange Account-State, General Fund-State, General Fund-Federal)

**10. P1 ACA Enhancements** - Funding is provided to implement required modifications to the ProviderOne system necessary to enhance operation of the new Modified Adjusted Gross Income methodology. These modifications include changes for a new client coding for newly eligible clients, new client data elements, increased frequency of communication between the Automated Client Eligibility System and ProviderOne, and support for an anticipated increase in client record volume. (General Fund-State, General Fund-Federal)

**11. P1 Phase 2 Operations & Maintenance** - Funding is provided for ongoing operational activities and provider support for Phase Two of the ProviderOne project as it transitions from implementation to operation. (General Fund-State, General Fund-Federal)

**12. Medicaid Plan Choice** - Funding is provided to implement functionality within the Exchange and ProviderOne that will allow Medicaid clients to select the Medicaid managed care organization of their choice within the Washington Healthplanfinder online marketplace. This option will be available in FY 2015. (General Fund-State, General Fund-Federal)

**1. Unpaid Wages Collection** - Funding is provided to implement Second Engrossed Substitute House Bill 1467 (unpaid wages collection). The Department of Labor and Industries (L&I) may electronically serve a financial institution with a Notice to Withhold and Deliver (NWD) by providing a list of outstanding warrants to the Department of Revenue (DOR). The DOR may include the warrants from L&I in a NWD it sends to a financial institution. (Accident Account-State, Medical Aid Account-State)

**2. Claims Processors** - Funding is provided for seven Claim Processors to assist in administrative tasks currently performed by Claims Managers. The purpose is to allow Claims Managers to focus on resolving workers' compensation claims. In addition to the seven Claims Processors for whom funding is provided, L&I will utilize LEAN processes to identify existing resources that may fund 20 Claims Processors. (Accident Account-State, Medical Aid Account-State)

**3. Electrical Program Workload Adj** - Funding is provided for 16 additional field staff and one Electrical Technical Specialist beginning in April 2014. The purpose of the additional staff is to provide timely electrical inspections and meet projected workload demands due to increased construction activity. (Electrical License Account-State)

**4. Labor and Industries Appeal Bonds** - Funding is provided to implement Substitute House Bill 2146 (labor and industries appeal bonds). Additional appeals are expected to result from the reduced bond to appeal certain L&I decisions. Funding is provided for the anticipated workload impact to L&I, the Office of the Attorney General, and the Office of Administrative Hearings. (General Fund-State, Electrical License Account-State)

**5. Public Works Payroll Records** - Funding is provided to implement Substitute House Bill 2331 (public works payroll records). Contractors and subcontractors on public works projects must submit certified payroll records to the contract awarding agency before

final payment is made or retainage is released. (Public Works Administration Account-State)

**6. Employee Status** - Funding is provided to implement House Bill 2334 (employee status). The L&I Director may investigate complaints and enforce employee classification provisions. (Accident Account-State, Medical Aid Account-State)

**7. Employee Antiretaliation** - Funding is provided to implement Second Substitute House Bill 2333 (employee antiretaliation act). The L&I Director may investigate complaints and enforce employee retaliation provisions. (Accident Account-State, Medical Aid Account-State)

**8. Prevailing Wage IT** - One-time funding is provided to upgrade the online Prevailing Wage Application System. Funding will be used to automate correspondence over public works projects, including electronic transmission of certified payroll records to L&I, and to develop a real-time list of contractors debarred from public work. (Public Works Administration Account-State)

**9. Prevailing Wage Program Manager** - Funding is provided for a program manager to handle daily operations of the Prevailing Wage program. Currently, the Prevailing Wage Industrial Statistician manages the program in addition to the statutory responsibility of determining applicable prevailing wage rates. (Public Works Administration Account-State)

**10. Interpreter Services** - Funding is provided to implement Engrossed House Bill 2617 (interpreter services), which expands collective bargaining for state-purchased interpreter services to L&I and later to the rest of the state. The Department of Enterprise Services is required to implement a model that all state agencies must use to procure spoken language interpreter services. Funding is provided to the Office of Financial Management (OFM) for staff to support the increased bargaining workload. Funding is also provided to L&I for staff, administrative costs, and payment system updates to accommodate the new model for purchasing interpreter services. (Medical Aid Account-State)

**1. Healthiest Next Gen Initiative** - Funding is provided to implement Second Substitute House Bill 2643 (healthiest next generation), which establishes a statewide childhood obesity prevention project. The Department of Health (DOH) will coordinate interagency efforts and report to the Legislature on strategies to prevent childhood obesity, and will pass through funding for obesity prevention coordinators at the Office of the Superintendent of Public Instruction and Department of Early Learning. (General Fund-State)

**2. Medical Marijuana** - Funding is provided to implement Engrossed Second Substitute House Bill 2149 (medical marijuana). Funding is provided for DOH to administer a secure registry of qualified patients and designated providers, for the Liquor Control Board (LCB) to develop and implement a medical marijuana endorsement for licensed marijuana retailers, and for Attorney General services to DOH and LCB. (General Fund-State, Health Professions Account-State)

**3. Physical Therapists** - Funding is provided for DOH to implement Engrossed Substitute House Bill 2160 (physical therapists). The DOH Secretary will issue spinal manipulation endorsements to physical therapists who meet specified education and experience requirements. (Health Professions Account-State)

**4. Suicide Prevention** - Funding is provided for the DOH to implement Engrossed Substitute House Bill 2315 (suicide prevention). Funding will be used to develop and implement suicide prevention training requirements for specified health care professions, periodically update the model list of training programs, and report on a statewide plan for suicide prevention by November 15, 2015. (Health Professions Account-State)

**5. Trauma Care Fund** - Grant programs funded from the Emergency Medical Services and Trauma Care Systems Trust Account are reduced to reflect reduced revenues. (Emergency Medical Services and Trauma Care Systems Trust Account-State)

**6. Tobacco Use Prevention** - Funding is provided for public health tobacco use prevention and cessation programs. The DOH will develop sustainable funding sources other than General Fund-State in order to continue these programs into future biennia. (General Fund-State)

**2. Violator Policy Change** - Funding is provided to reflect the policy change to differentiate "failing to report" which is a low level violation from "absconder" which is a high level violation.

**3. New Prison Capacity** - Funding is provided to open the remaining 256-bed unit at the Washington State Penitentiary starting May 1, 2014 to meet the demands of a rising offender caseload and to reduce crowding at existing facilities.

**4. Emergency Beds at WCCW** - Funding is provided for use of 20 emergency beds at the Washington State Correctional Center for Women. The beds were opened in January 2014 and funding is provided to operate them through May 2014.

**5. PREA Zero Tolerance Grant** - Federal funding authority is provided for a Prison Rape Elimination Act (PREA) grant. (General Fund-Federal)

**6. PREA Compliance** - New Prison Rape Elimination Act standards were published in June 2012, requiring the department to provide access to outside confidential support services. Funding is provided for DOC to enter into an agreement for advocacy services provided by the Department of Commerce's Office of Crime Victims Advocacy.

**7. Prison Overtime Resources** - One-time funding is provided in FY 2014 for prison overtime costs.

**8. Centralized Pharmacy Restoration** - Expected savings associated with centralizing the department's pharmacies into two locations have not been realized. Completion of a west side pharmacy which will serve as the centralized pharmacy for all DOC institutions is expected in July 2014. Funding is provided to restore the expected savings in FY 2014 and for part of FY 2015.

**9. ACA Enrollment Resources** - Funding is provided for one Medical Assistance Specialist 1 position to assist with the workload associated with enrolling eligible offenders into Medicaid for inpatient hospitalizations while incarcerated, and for enrolling eligible offenders releasing into the community.

**10. Medicaid Code Compliance** - Provider One will be utilizing the tenth version of the International Classification of Diseases (ICD) by October 2014. The department will need to transition from ICD-9 to ICD-10 in order to prevent significant delays in payment. Funding is provided for an impact analysis of the department's data systems and the changes necessary to implement the ICD-10 requirements.

**11. Add Health Services FTEs** - An additional 30 FTE staff are provided so that the department can reduce costs by converting contracted health services employees to permanent DOC staff.

**12. Female Offender Jail Beds** - Funding is provided to contract with a county jail for 75 female beds starting May 1, 2014. These beds help meet the demands of a rising offender caseload and reduce crowding at existing facilities.

**13. ITU Expansion** - Funding to expand the Intensive Treatment Unit was provided in the 2013-15 budget. DOC was unable to expand the unit within the funding amounts provided.

**14. Second Chance Reentry Grant** - Funding and expenditure authority is provided for the federal Second Chance Reentry Grant which will be used for a demonstration project for the transition of high risk offenders to the community. (General Fund-Federal, General Fund-State)

**15. Violator Fractional Billing** - Funding is reduced to reflect elimination of the fractional billing practice for supervision violators housed in jail for either a local and a federal hold in addition to a DOC Secretary warrant.

**1. Adoption Process** - Funding is provided solely to implement Second Engrossed Substitute House Bill No. 1675 (adoption process). Multiple changes are made to the adoption process, including a requirement that certain Department staff receive periodic adoption-specific training. (General Fund-State, General Fund-Federal)

**2. Adoption Incentive Grant** - The Children's Administration (CA) received a federal Adoption Incentive Grant for adoptions completed in federal FY 2013. These federal grant monies will be used on a one-time basis to support state foster care expenditures. (General Fund-State, General Fund-Federal)

**4. Extended Foster Care** - Effective January 2015 and in the 2013-15 biennium, the Department is authorized to expand extended foster care to eligible youth who have an open dependency case at age 18 and are employed for 80 hours or more per month. Funding is provided for these services. (General Fund-State, General Fund-Federal)

**5. Family Home Chld Care Rate Increase** - Funding is provided to increase base payment rates for family home child care providers by 4 percent starting July 1, 2014, and another 4 percent starting January 1, 2015. (General Fund-State, General Fund-Federal)

**6. Center Child Care Rate Increase** - Funding is provided to increase base payment rates for child care center providers by 4 percent starting July 1, 2014, and another 4 percent starting January 1, 2015. (General Fund-State, General Fund-Federal)

**7. Parents with Disabilities** - Funding is provided to implement Second Substitute House Bill 2616 (parents with developmental disabilities). The Department shall make reasonable efforts to plan appropriate services for parents in dependency proceedings who have a developmental disability and are eligible for Developmental Disabilities Administration (DDA) services. **1. At-Risk Youth Intervention** - One-time funding is provided for grants to community organizations serving at-risk youth. (General Fund-State)

**2. PREA Compliance** - The Prison Rape Elimination Act (PREA) requires the Juvenile Justice and Rehabilitation Administration (JJRA) to collect, maintain, and review data on sexual abuse allegations and incidents. One-time funding is provided for information technology enhancements to support JJRA's ability to meet PREA requirements.

**3. Increased Motor Pool Costs** - One-time funding is provided in FY 2014 to cover Department of Enterprise Services (DES) billings to JJRA for state motor pool services. In FY 2015, DES will reduce billings to JJRA commensurate with actual JJRA costs for vehicle usage. (General Fund-State)

**4. Juvenile Firearms Offenders** - Funding is provided for JJRA to implement provisions of Engrossed Substitute House Bill 2164 (juvenile firearms offenders). The JJRA will analyze historical data on juvenile firearms offenders and will report its findings to the Legislature by October 1, 2014. (General Fund-State)

**1. Children's Mental Health Settlement** - Funding is provided for infrastructure development and intensive mental health services for high needs youth in order to implement the commitments set forth in the T.R. v. Dreyfus and Porter Settlement Agreement. Services will be phased in around the state over a five-year period in accordance with the settlement agreement and legislative appropriations. (General Fund-State, General Fund-Federal)

**2. State Hospital Overtime** - Additional funding is provided because of projected over-expenditures driven primarily by increases in overtime at Eastern and Western State hospitals. (General Fund-State, General Fund-Federal)

**3. Behavioral Health Redesign** - Pursuant to Engrossed Second Substitute House Bill 2639 (mental health, chemical dependency) and Engrossed Substitute House Bill 2315 (suicide prevention), funding is provided for additional staff and an actuarial analysis to support procurement of mental health and chemical dependency services, to help move the behavioral health system towards phased integration with systems that provide medical services to Medicaid participants, and to develop a plan to create a pilot project to support primary care providers in the assessment and treatment of adults with mental or other behavioral health disorders. (General Fund-State, General Fund-Federal)

**4. Mental Health Enhancements** - Funding is provided for a variety of community mental health enhancements that will allow the Department to meet the requirements of Substitute House Bill 2725 (involuntary commitment) and provide other recovery support services for individuals with mental illnesses. This includes operating funds for an evaluation and treatment facility in three regional support networks, program of assertive community treatment teams in three regional support networks, and recovery supportive service teams in three regional support networks. This also includes funds for a one-time criminal justice training. In addition, there is a one-time restoration of \$3.0 million in non-Medicaid funds for FY 2015 that was part of the offset reduction assumed in the 2013-15 enacted budget step for Medicaid expansion. (General Fund-State, General Fund-Federal)

**5. ESH - Computer Leases funding** - Funding is provided to lease 300 computers effective February 1, 2014 and to support conversion to the Windows 7 operating system at Eastern State Hospital (ESH) at an estimated monthly cost of \$20.27 per computer. Funding new computers with Windows 7 will ensure that ESH will have the equipment necessary to implement the Electronic Medical Records system.

**6. EHR Training** - Funding is provided for covering staff time and travel required for training to implement a new electronic health record system expected to be implemented in October 2014.

**7. Revenue Correction** - The enacted 2013-15 budget provided additional private/local funding for Mental Health Security Enhancements at Eastern and Western State hospitals. The additional private/local funding cannot be earned and appropriation authority is reduced accordingly. State funds for FY 2015 are provided to help offset these reductions. **1. RHC Medicaid Compliance** - Funding and full-time equivalent staff are provided for specialized services to nursing home clients with a developmental disability who are living in the Residential Habilitation Centers (RHCs) or community nursing facilities. Specialized services are needed to meet compliance with Centers for Medicare and Medicaid Services requirements. A quality assurance initiative to monitor operations at the RHCs is also funded. (General Fund-State, General Fund-Federal)

**2. Program Underexpenditure** - The variance between allotments and expenditures for field services, from July 2013 through December 2013, is removed from the Developmental Disabilities Administration. This is a one-time under-expenditure variance that would otherwise revert at the end of the fiscal year. (General Fund-State, General Fund-Federal)

**3. Provider Compensation System** - Savings result from a six-month delay in implementation of the provider compensation system. (General Fund-State, General Fund-Federal)

**4. In Home Arbitration Re bargaining** - The Service Employees International Union Healthcare 775NW and the state of Washington modified several articles within the contract approved by the Legislature for the 2013-15 biennium. The amount of funding provided, and the distribution of funding by fiscal year, have been adjusted for mileage reimbursements, paid holiday, union presentation time, and training contributions. (General Fund-State, General Fund-Federal)

**5. Provider Safety Equipment** - Funding is provided to implement Substitute House Bill 2310 (provider safety equipment). Due to provider outreach mandated by the legislation, the Department of Social and Health Services and the Health Care Authority both anticipate increased utilization of personal protective equipment during FY 2015. (General Fund-State)

**6. Forecast Utilization Adjustment** - The amount of funding provided for the In Home Provider Arbitration Award, and the distribution of funding by fiscal year, is restored to the levels appropriated in the 2013-15 biennial budget. (General Fund-State, General Fund-Federal)

**6. ProviderOne Staffing** - The Aging and Long-Term Support Administration is provided funding to coordinate financial aspects of the Medicaid payment system, ProviderOne. Activities include developing rules, assisting in configuration, troubleshooting and correcting errors, and ensuring payment integrity for Nursing Home, Assisted Living Facility, Adult Family Home, Individual Provider, and Agency Provider vendor payments totaling over \$1.4 billion annually. (General Fund-State, General Fund-Federal)

**7. Community First Choice Option** - Funding is provided to implement Engrossed Substitute House Bill 2746 (medicaid personal care). Section 2401 of the Affordable Care Act establishes the Community First Choice Option (CFCO) as an optional Medicaid service. If a state chooses the CFCO, then it must be offered statewide to eligible Medicaid participants. As an incentive, the federal government will pay a 56 percent share of CFCO costs, which is 6 percent higher than the 50 percent share paid for similar Home and Community Based Services. The Aging and Long-Term Support Administration is provided one-time funding to create a plan to refinance Washington's personal care delivery system by implementing the CFCO as soon as July 1, 2015, and no later than July 1, 2016. (General Fund-State, General Fund-Federal)

**8. Retirement Actuarial Study** - Funding is provided to implement House Bill 2777 (long-term care coverage). Funding is provided to contract for an actuarial study of ways to help individuals prepare for long-term care needs. The study must model at least three options, including: (1) a public long-term care insurance benefit, (2) regulatory changes that would encourage new products on the insurance market, and (3) a new marketplace for long-term care insurance policies. The study must include an evaluation of expected costs and benefits, anticipated number of participants, projected savings to the state Medicaid program, legal risks, and financial risks. (General Fund-State)

**9. Health Path Washington** - Expenditure authority is provided for a developmental grant to improve coordination of services and manage costs for clients dually eligible for both Medicaid and Medicare. This is the second phase of the demonstration grant and will focus on clients in King and Snohomish Counties. The design grant does not require a state match in the first year of development; however, there is a 25 percent state match in the second year and a 50 percent match in subsequent years. Fifty percent is the usual match rate for Washington state Medicaid programs. (General Fund-State, General Fund-Federal)

**10. Vulnerable Adults Incident Tracking** - One-time expenditure authority is provided to complete the Tracking Incidents among Vulnerable Adults (TIVA) system. The TIVA system will improve incident tracking for clients who are aged and disabled. A Roads to Community Living grant will fund this project. (General Fund-Federal)

**11. Supported Living Investigations** - Funding is provided to implement Second Substitute House Bill 1574 (residential supports and services). The Department of Social and Health Services will conduct additional investigations of abuse and neglect complaints in certified community residential services and supports settings for clients with developmental disabilities. Investigation costs will be entirely supported by additional fee revenue. (General Fund-Federal, General Fund-Private/Local)

**1. Call Center Staffing** - Funding is provided to Economic Services Administration (ESA) for increased call center staff to respond to the call volume and address the forced disconnect rates. This provides funding to phase in hiring 40 FTEs over FY 2015.

**2. Family Home Child Care Rate Increase** - The collective bargaining agreement with family home child care providers will increase base payment rates by 4 percent starting July 1, 2014, and another 4 percent starting January 1, 2015. Funding provided to the Economic Services Administration covers payment increases for the Working Connections Child Care program.

**3. Center Child Care Rate Increase** - Funding is provided for an increase in child care center base payment rates. The base rate will increase by 4 percent starting July 1, 2014, and another 4 percent starting January 1, 2015. Funding provided to the Economic Services Administration covers payment increases for the Working Connections Child Care program.

**5. ACA Client Eligibility System** - Funding is provided to continue the design, development, and implementation of the Eligibility Service System for the Health Benefit Exchange and to modify the Automated Client Eligibility System to support and maintain other existing program eligibility rules. (General Fund-State, General Fund-Federal, General Fund-Local)

**6. IT Disaster Recovery** - Funding is provided to develop and implement a disaster recovery strategy for the Automated Client Eligibility System (ACES) and the Enterprise Service Bus (ESB). Effective January 1, 2014, the ACES is no longer covered under the disaster recovery contract procured by Consolidated Technology Services. The ESB does not currently have a disaster recovery solution. The ESB system facilitates communication between ACES and the Health Benefit Exchange. The Affordable Care Act (ACA) specifies a three-day recovery time. (General Fund-State, General Fund-Federal)

- 7. WorkFirst Program Changes** - Funding is provided to reflect a variety of policy changes within the WorkFirst program:
- (1) modifying the Two-Parent household participation requirements to be a total 40 hours of participation per week for the household and for Economic Services Administration to engage both parents. Funding is provided for increased costs in staffing, child care, and WorkFirst activities;
  - (2) implementing a 15 percent incentive payment, beginning April 2015, to WorkFirst households that participate in their Individual Responsibility Plan (IRP) for 20 hours or more a week;
  - (3) implementing a home visit program targeted to WorkFirst households who have infants;
  - (4) implementing a home visit program targeted to homeless WorkFirst households that are served through the Rapid Re-housing Program;
  - (5) increased funding for work study through the community and technical colleges for WorkFirst clients;
  - (6) modifying the Additional Requirements for Emergent Needs (AREN) program to a maximum of \$750 per household in a 12-month period rather than a lifetime;
  - (7) implementing House Bill 2585 (TANF benefits for a child) which allows an unearned income disregard for kinship providers receiving a child-only TANF grant on behalf of a child in their care;
  - (8) modify the sanction policy from a four-month period to a two-month period and implementing a home visits program for clients who do not attend an in-person meeting regarding their IRP prior to termination for non-compliance;
  - (9) adjusting funding for Diversion Cash Assistance, Tribal Maintenance of Effort (MOE), and WorkFirst contracts;
  - (10) completing Lean process projects, technical assistance visits for ESA Community Service Offices (CSO); and
  - (11) implementing a WorkFirst Orientation for WorkFirst clients. The Orientation will not change a person's eligibility.

*Comments:*

**1. Federal Funding Adjustment** - Federal funding is reduced on an ongoing basis to reflect lower anticipated federal spending in the Shorelands and Water Quality programs. (General Fund-Federal)

**2. Yakima Adjudication Support** - One-time funding and full-time equivalent (FTE) staff are provided for two tasks to support the Yakima water rights adjudication. The first task is migrating adjudication-related data from a legacy data system to a database that resides on a modern platform. This will allow data to be retrieved for managing water rights in the basin. The second task is processing court notifications necessary to construct a complete and accurate schedule of water rights in the final court decree. (Reclamation Account-State)

**3. Consumer Product Toxics Testing** - The Legislature has passed a number of laws banning or limiting certain toxic chemicals and metals in consumer products and packaging, including the Children's Safe Products Act (Chapter 70.240 RCW) and the Packages Containing Metals Act (Chapter 70.95G RCW). Ecology is charged with implementing and enforcing these laws. Ongoing funding and full-time equivalent (FTE) staff are provided to increase capacity for developing analytical methods and conducting product testing to ensure compliance with applicable laws. (Environmental Legacy Stewardship Account-State)

**4. Biosolids Permitting** - Ecology's Biosolids Program provides oversight, permitting, and assistance for sewage treatment plants, septage management facilities, and beneficial use facilities that generate, treat, and use biosolids. Biosolids are a product of wastewater treatment and septic tanks that can be beneficially recycled after meeting all applicable requirements under Ecology's Biosolids Management rule. One-time funding and full-time equivalent (FTE) staff are provided to address a backlog of approvals for coverage under the biosolids general permit, thereby reducing compliance issues for septage land application sites, primarily in Eastern Washington. (Biosolids Permit Account-State)

**5. Increase Hanford Compliance** - Ecology provides compliance oversight at radioactive mixed waste facilities, including the federal Hanford Nuclear Reservation in Eastern Washington. Compliance oversight responsibilities include inspections, enforcement and technical assistance visits. A recent U.S. Environmental Protection Agency review found that Ecology has too few inspectors and has not met inspection goals set for Hanford facilities. Ongoing funding and full-time equivalent (FTE) staff are provided for two additional inspector positions to increase the level of compliance oversight. (Radioactive Mixed Waste Account-State)

**6. Coordinate Hanford Permit Revision** - Ecology has issued a Hanford sitewide permit that includes requirements for the treatment, storage, and disposal of chemically hazardous and mixed waste at the Hanford Nuclear Reservation. In 2012 Ecology issued a proposed permit revision establishing or updating operating requirements including facility-specific requirements at all Hanford hazardous waste facilities. Over 5,000 comments were received during the public comment period, resulting in the need for extensive reevaluation and revision of the permit. Ongoing funding and full-time equivalent (FTE) staff are provided to continue permit revision work, which is expected to be completed within four years. (Radioactive Mixed Waste Account-State)

**7. Reduce Oil Spill Risk-Rail/Vessel** - Increasing volumes of crude oil are being imported into Washington from Canada, North Dakota, and Montana, much of it by rail. Ecology expects these changes will lead to a significant increase in the volume and type of oil being transported through Washington and exported by vessel. One-time funding and full-time equivalent (FTE) staff are provided to develop preparedness and response plans and develop expertise in the new risks related to the increase of crude oil being moved by rail and vessels. (Oil Spill Prevention Account-State)

**8. Water Quality Data Systems Upgrade** - Ecology's Water Quality Program regulates point-source discharges to water through the National Pollution Discharge Elimination System permits and state water discharge permits. Permit fees are billed and collected through a billing and revenue tracking system built in 1990. A separate permit management system resides on a platform that is now incompatible with other technology systems Ecology operates. One-time funding and full-time equivalent (FTE) staff are provided to migrate the permit system to a compatible technology platform, maintain permit-related websites, replace the billing and revenue tracking system, and develop an interface between the two systems. (Water Quality Permit Account-State)

**9. Oil Transportation Safety** - Pursuant to Engrossed Second Substitute House Bill 2347 (Oil transportation safety), one-time funding is provided for research support for a Washington state study on the state's capacity to respond to oil train accidents and a report to the Legislature on the need for new oil tanker tug escort requirements. Ongoing funding is provided for new quarterly reporting requirements on oil transportation. (Oil Spill Prevention Account-State)

**1. Major Equipment Replacement** - One-time funding is provided to replace the Mount Spokane State Park's snowblower. The current snowblower was manufactured in 1985 and parts are no longer available. Failure of this equipment would make the road into Mount Spokane State Park inaccessible and prevent the public from accessing the park for skiing during the winter. **1. Wildfire Season Costs** - The WDFW is required to pay fire suppression costs to local fire districts and the Department of Natural Resources for their support in fighting wildfires on WDFW lands. Operational funding is provided for fire suppression and habitat rehabilitation costs associated with wildfires occurring during FY 2014, which exceeded WDFW's current appropriation. (General Fund-State)

**2. Records Management** - Public requests for WDFW data and records have increased by a factor of 100 in four years. Funding is provided for WDFW to create a records management office to preserve and store records more efficiently and improve the handling of records requests. (General Fund-Federal, General Fund-Private/Local, State Wildlife Account-State)

**3. Wildlife Disease Management** - One-time contract funding for a wildlife veterinarian will allow the WDFW to investigate and explore treatment for elk hoof rot. (State Wildlife Account-State)

**4. Fish Passage Barriers** - After finding that Washington State has not met certain obligations under tribal treaties, a federal court issued a permanent injunction against the state, including the WDFW. The March 2013 injunction mandates that fish blocking culverts owned by state natural resource agencies be repaired within 3.5 years to remedy the loss in salmon productivity and the violation of tribal treaty rights. The injunction also requires that maintenance and recurring assessments be conducted on culverts to ensure they do not become barriers to salmon. This funding will allow the Department to meet its portion of these obligations. (General Fund-State)

**5. Sustaining Hunter Education \*** - The WDFW provides free courses to citizens throughout the state on hunting safety as a prerequisite for obtaining a hunting license. Course instructors are volunteers and often pay for materials out of their own pockets. Funding is provided to allow WDFW to collect course fees and reimburse instructors for their costs, such as training room/range rental fees, teaching supplies and equipment, and instructor travel expenses. *Comments:*

**1. Emergency Fire Suppression** - One-time funding is provided for incurred wildland fire suppression activities and anticipated costs during FY 2014 projected to be in excess of the Department of Natural Resources' (DNR) existing fire suppression appropriation. (General Fund-State)

**2. Sustainable Trust Land Revenue** - The DNR manages two million acres of state-owned trust lands, including forest, range, agricultural, and commercial lands. The economic downturn that began in 2008 significantly reduced the revenues from state-owned lands, requiring a \$33.6 million reduction in the Department's expenditures for land management activities. DNR is granted additional funding to resume trust land management activities deferred during the recession. (Forest Development Account-State, Resources Management Cost Account-State)

**1. Fund Switch-License Invest. Unit** - An appropriation of \$447,000 from the Vehicle License Fraud Account was made to the Washington State Patrol to fund the License Investigation Unit for the 2013-15 Biennium. Revenue to this account is primarily from penalties collected from infractions related to vehicle license registrations. Revenues collected have been less than anticipated. One-time General Fund-state funding is provided to cover the projected shortfall for this biennium. (General Fund-State, Vehicle License Fraud Account-State)

**2. King Airplanes Overhaul** - Funding is provided for an engine overhaul of the 1983 King Air and for scheduled maintenance for the 1995 King Air. (General Fund-State, State Patrol Nonappropriated Airplane Revolving Account-State)

**3. Fingerprint Background Checks** - Funding is provided for additional fingerprint background checks for licensed unarmed security guards and licensed vehicle dealers pursuant to House Bill 2534 (Fingerprint background checks). (Fingerprint Identification Account-State)

**4. Special Operations Bicycles** - One-time funding is provided to purchase bicycles for the Special Operations Division.

**1. Jet Fuels Center of Excellence** - Matching funds are provided for a Federal Aviation Administration (FAA) grant expected to continue until 2018. Washington State University has been designated as the lead for the new Air Transportation Center of Excellence for Alternative Jet Fuels and the Environment. The FAA is expected to award \$4 million per year to the Center. State matching funds will pay for a portion of the Center's administrative costs and graduate research assistants. (General Fund-State)

**2. Oil Transportation Safety** - One-time funding is provided to conduct a study on oil trail emergency response preparedness in Washington State, pursuant to Engrossed Second Substitute House Bill 2347 (oil transportation safety). (General Fund-State)

**3. Transfer of University Center** - In accordance with Chapter 321, Laws of 2011 (Second Substitute Senate Bill 5636), the University Center of North Puget Sound is transferred to Washington State University (WSU) from the State Board for Community and Technical Colleges (SBCTC). Beginning in FY 2015, this transfer will increase WSU's funding level and enrollment targets by 310 full-time equivalent students. A corresponding reduction is made to the SBCTC budget.

**1. Replace Phone System** - The Center for Childhood Deafness and Hearing Loss (CDHL) operates an internet protocol phone system which directly connects to all forms of technological communication, including video phones, voice phone lines and some relay services, to accommodate the deaf and hard of hearing. As of January 2014, the CDHL phone system will no longer be supported and is at risk of failing. One-time funding is provided to migrate the system.

**2. Instructional Hours** - Funding is provided to increase instructional staffing at the Center for Childhood Deafness and Hearing Loss so that the school can provide the same minimum instructional hours as is required in school districts throughout the state. The minimum instructional hour requirement in the program of basic education is increased from a districtwide average of 1,000 hours to 1,000 hours in each of grades 1 through 6 and 1,080 hours in each of grades 7 through 12, beginning with school year 2014-15.

**1. Electronic Time System** - Adjustments are made to the funding provided to develop a new child care time, attendance and billing system. Expenditures that cannot be financed through a certificate of participation are now directly funded with state operating funds. (General Fund-State)

**2. Local Grant for Early Achievers** - Private/local expenditure authority is provided to spend local grant funds to integrate the Early Childhood Education Assistance Program and the federal Head Start program into the Early Achievers Quality Rating and Improvement System. (General Fund-Private/Local)

**3. Family Home Chld Care Rate Increase** - The collective bargaining agreement with family home child care providers increases base payment rates by four percent starting July 1, 2014, and another four percent starting January 1, 2015. Beginning in FY 2015, a pilot program shall determine the appropriate payment increases at each Early Achievers level. Funding covers the pilot program and payment increases for the seasonal and homeless child care programs. (General Fund-State)

**4. Center Child Care Rate Increase** - Funding is provided to increase base payment rates for child care center providers by four percent starting July 1, 2014, and another four percent starting January 1, 2015. This funding is sufficient to cover payment increases for the seasonal and homeless child care programs. (General Fund-State)

**5. Maintain MTCC Program** - Funding is provided to continue delivering the Medicaid Treatment Child Care (MTCC) program. Use of federal Medicaid dollars to support this program has been disallowed. (General Fund-State, General Fund-Federal)
