PART II  
HUMAN SERVICES

NEW SECTION.    **Sec. 201.    FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES**

(1) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act. Appropriations made in this act to the department of social and health services shall initially be allotted as required by this act. Subsequent allotment modifications shall not include transfers of moneys between sections of this act except as expressly provided in this act, nor shall allotment modifications permit moneys that are provided solely for a specified purpose to be used for other than that purpose.

(2) The department of social and health services shall not initiate any services that require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(3) The legislature finds that medicaid payment rates, as calculated by the department pursuant to the appropriations in this act, bear a reasonable relationship to the costs incurred by efficiently and economically operated facilities for providing quality services and will be sufficient to enlist enough providers so that care and services are available to the extent that such care and services are available to the general population in the geographic area. The legislature finds that cost reports, payment data from the federal government, historical utilization, economic data, and

1 clinical input constitute reliable data upon which to determine the  
2 payment rates.

3 (4) The department shall to the maximum extent practicable use  
4 the same system for delivery of spoken-language interpreter services  
5 for social services appointments as the one established for medical  
6 appointments in the health care authority. When contracting directly  
7 with an individual to deliver spoken language interpreter services,  
8 the department shall only contract with language access providers who  
9 are working at a location in the state and who are state-certified or  
10 state-authorized, except that when such a provider is not available,  
11 the department may use a language access provider who meets other  
12 certifications or standards deemed to meet state standards, including  
13 interpreters in other states.

14 (5) Information technology projects and proposed projects for  
15 time capture, payroll and payment processes, and eligibility and  
16 authorization systems within the department of social and health  
17 services are subject to technical oversight by the office of the  
18 chief information officer.

19 (6)(a) The department shall facilitate enrollment under the  
20 medicaid expansion for clients applying for or receiving state funded  
21 services from the department and its contractors. Prior to open  
22 enrollment, the department shall coordinate with the health care  
23 authority to provide referrals to the Washington health benefit  
24 exchange for clients that will be ineligible for medicaid.

25 (b) To facilitate a single point of entry across public and  
26 medical assistance programs, and to maximize the use of federal  
27 funding, the health care authority, the department of social and  
28 health services, and the health benefit exchange will coordinate  
29 efforts to expand HealthPlanfinder access to public assistance and  
30 medical eligibility staff. No later than October 1, 2015, the  
31 department shall complete medicaid applications in the  
32 HealthPlanfinder for households receiving or applying for public  
33 assistance benefits.

34 (c) The department, in coordination with the health care  
35 authority, shall pursue a federal waiver to use supplemental  
36 nutrition assistance program eligibility, aged, blind, or disabled  
37 program eligibility, or temporary assistance for needy families  
38 eligibility, to enroll eligible persons into medicaid.

39 (7) In accordance with RCW 71.24.380, the health care authority  
40 and the department are authorized to purchase medical and behavioral

1 health services through integrated contracts upon request of all of  
 2 the county authorities in a regional service area to become an early  
 3 adopter of fully integrated purchasing of medical and behavioral  
 4 health services. The department may combine and transfer such amounts  
 5 appropriated under sections 204, 208, and 213 of this act as may be  
 6 necessary to fund early adopter contracts. The amount of medicaid  
 7 funding transferred from each program may not exceed the average per  
 8 capita cost assumed in this act for individuals covered by that  
 9 program, actuarially adjusted for the health condition of persons  
 10 enrolled, times the number of clients enrolled. The amount of non-  
 11 medicaid funding transferred from sections 204 and 208 may not exceed  
 12 the amount that would have been contracted with a behavioral health  
 13 organization if the county authorities had not requested to become an  
 14 early adopter of fully integrated purchasing. If any funding that  
 15 this act provides solely for a specific purpose is transferred under  
 16 this subsection, that funding must be used consistently with the  
 17 provisions and conditions for which it was provided.

18 (8) In accordance with RCW 71.24.380, the department is  
 19 authorized to purchase mental health and substance use disorder  
 20 services through integrated contracts with behavioral health  
 21 organizations. The department may combine and transfer such amounts  
 22 appropriated under sections 204 and 208 of this act as may be  
 23 necessary to finance these behavioral health organization contracts.  
 24 If any funding that this act provides solely for a specific purpose  
 25 is transferred under this subsection, that funding must be used  
 26 consistently with the provisions and conditions for which it was  
 27 provided.

21 and Crime Rates": Multidimensional treatment foster care, family  
22 integrated transitions, and aggression replacement training, or other

24 report. The administration may concentrate delivery of these  
25 treatments and therapies at a limited number of programs to deliver  
26 the treatments in a cost-effective manner.

27 (6)(a) The juvenile rehabilitation administration shall  
28 administer a block grant, rather than categorical funding, of  
29 consolidated juvenile service funds, community juvenile  
30 accountability act grants, the chemical dependency disposition  
31 alternative funds, the mental health disposition alternative, and the  
32 sentencing disposition alternative for the purpose of serving youth  
33 adjudicated in the juvenile justice system. In making the block  
34 grant, the juvenile rehabilitation administration shall follow the  
35 following formula and will prioritize evidence-based programs and  
36 disposition alternatives and take into account juvenile courts  
37 program-eligible youth in conjunction with the number of youth served  
38 in each approved evidence-based program or disposition alternative:  
39 (i) Thirty-seven and one-half percent for the at-risk population of  
40 youth ten to seventeen years old; (ii) fifteen percent for moderate

1 and high-risk youth; (iii) twenty-five percent for evidence-based  
2 program participation; (iv) seventeen and one-half percent for  
3 minority populations; (v) three percent for the chemical dependency  
4 disposition alternative; and (vi) two percent for the mental health  
5 and sentencing dispositional alternatives. Funding for the special  
6 sex offender disposition alternative (SSODA) shall not be included in  
7 the block grant, but allocated on the average daily population in  
8 juvenile courts. Funding for the evidence-based expansion grants  
9 shall be excluded from the block grant formula. Funds may be used for  
10 promising practices when approved by the juvenile rehabilitation  
11 administration and juvenile courts, through the community juvenile  
12 accountability act committee, based on the criteria established in  
13 consultation with Washington state institute for public policy and  
14 the juvenile courts.

15 (b) The juvenile rehabilitation administration and the juvenile  
16 courts shall establish a block grant funding formula oversight  
17 committee with equal representation from the juvenile rehabilitation  
18 administration and the juvenile courts. The purpose of this committee  
19 is to assess the ongoing implementation of the block grant funding  
20 formula, utilizing data-driven decision making and the most current  
21 available information. The committee will be cochaired by the  
22 juvenile rehabilitation administration and the juvenile courts, who  
23 will also have the ability to change members of the committee as  
24 needed to achieve its purpose. Initial members will include one  
25 juvenile court representative from the finance committee, the  
26 community juvenile accountability act committee, the risk assessment  
27 quality assurance committee, the executive board of the Washington  
28 association of juvenile court administrators, the Washington state  
29 center for court research, and a representative of the superior court  
30 judges association; two representatives from the juvenile  
31 rehabilitation administration headquarters program oversight staff,  
32 two representatives of the juvenile rehabilitation administration  
33 regional office staff, one representative of the juvenile  
34 rehabilitation administration fiscal staff and a juvenile  
35 rehabilitation administration division director. The committee may  
36 make changes to the formula categories other than the evidence-based  
37 program and disposition alternative categories if it is determined  
38 the changes will increase statewide service delivery or effectiveness  
39 of evidence-based program or disposition alternative resulting in  
40 increased cost benefit savings to the state. Long-term cost benefit

1 must be considered. Percentage changes may occur in the evidence-  
2 based program or disposition alternative categories of the formula  
3 should it be determined the changes will increase evidence-based  
4 program or disposition alternative delivery and increase the cost  
5 benefit to the state. These outcomes will also be considered in  
6 determining when evidence-based expansion or special sex offender  
7 disposition alternative funds should be included in the block grant  
8 or left separate.

9 (c) The juvenile courts and administrative office of the courts  
10 shall be responsible for collecting and distributing information and  
11 providing access to the data systems to the juvenile rehabilitation  
12 administration and the Washington state institute for public policy  
13 related to program and outcome data. The juvenile rehabilitation  
14 administration and the juvenile courts will work collaboratively to  
15 develop program outcomes that reinforce the greatest cost benefit to  
16 the state in the implementation of evidence-based practices and  
17 disposition alternatives.

18 (7) The juvenile courts and administrative office of the courts  
19 shall collect and distribute information related to program outcome  
20 and provide access to these data systems to the juvenile  
21 rehabilitation administration and Washington state institute for  
22 public policy. The agreements between administrative office of the  
23 courts, the juvenile courts, and the juvenile rehabilitation  
24 administration shall be executed to ensure that the juvenile  
25 rehabilitation administration receives the data that the juvenile  
26 rehabilitation administration identifies as needed to comply with  
27 this subsection. This includes, but is not limited to, information by  
28 program at the statewide aggregate level, individual court level, and  
29 individual client level for the purpose of the juvenile  
30 rehabilitation administration providing quality assurance and  
31 oversight for the locally committed youth block grant and associated  
32 funds and at times as specified by the juvenile rehabilitation  
33 administration as necessary to carry out these functions. The data  
34 shall be provided in a manner that reflects the collaborative work  
35 the juvenile rehabilitation administration and juvenile courts have  
36 developed regarding program outcomes that reinforce the greatest cost  
37 benefit to the state in the implementation of evidence-based  
38 practices and disposition alternatives.

39 (8) \$445,000 of the general fund—state appropriation for fiscal  
40 year 2016 and \$445,000 of the general fund—state appropriation for

1 fiscal year 2017 are provided solely for funding of the teamchild  
2 project.

3 (9) \$178,000 of the general fund—state appropriation for fiscal  
4 year 2016 and \$178,000 of the general fund—state appropriation for  
5 fiscal year 2017 are provided solely for the juvenile detention  
6 alternatives initiative.

7 (10) \$500,000 of the general fund—state appropriation for fiscal  
8 year 2016 and \$500,000 of the general fund—state appropriation for  
9 fiscal year 2017 are provided solely for a grant program focused on  
10 criminal street gang prevention and intervention. The juvenile  
11 rehabilitation administration may award grants under this subsection.  
12 The juvenile rehabilitation administration shall give priority to  
13 applicants who have demonstrated the greatest problems with criminal  
14 street gangs. Applicants composed of, at a minimum, one or more local  
15 governmental entities and one or more nonprofit, nongovernmental  
16 organizations that have a documented history of creating and  
17 administering effective criminal street gang prevention and  
18 intervention programs may apply for funding under this subsection.  
19 Each entity receiving funds must report to the juvenile  
20 rehabilitation administration on the number and types of youth  
21 served, the services provided, and the impact of those services on  
22 the youth and the community.

23 (11) The juvenile rehabilitation institutions may use funds  
24 appropriated in this subsection to purchase goods and supplies  
25 through hospital group purchasing organizations when it is cost-  
26 effective to do so.

38	TOTAL APPROPRIATION. . . . .	\$1,678,948,000

1 The appropriations in this subsection are subject to the  
2 following conditions and limitations:

3 (a) For the purposes of this subsection, the term "regional  
4 support networks," includes, effective April 1, 2016, behavioral  
5 health organizations which assume the duties of regional support  
6 networks pursuant to chapter 225, Laws of 2014 (2SSB 6312).

7 (b) \$16,631,000 of the general fund—state appropriation for  
8 fiscal year 2016, \$13,761,000 of the general fund—state appropriation  
9 for fiscal year 2017, and \$17,918,000 of the general fund—federal  
10 appropriation are provided solely to reimburse regional support  
11 networks for increased utilization costs, as compared to utilization  
12 costs in fiscal year 2014, that are incurred in order to meet  
13 statutory obligations to provide individualized mental health  
14 treatment in appropriate settings to individuals who are detained or  
15 committed under the involuntary treatment act. Prior to distributing  
16 funds to a regional support network requesting reimbursement for  
17 costs relative to increased utilization, the department must receive  
18 adequate documentation of such increased utilization and costs.  
19 Regional support networks receiving funds for community hospitals or  
20 evaluation and treatment center beds under (p) of this subsection are  
21 only eligible for reimbursement that exceeds the total of their  
22 utilization costs in fiscal year 2014 and the costs of services  
23 provided with additional funds received under (p) of this subsection.

24 (c) \$2,452,000 of the general fund—state appropriation for fiscal  
25 year 2016, \$2,264,000 of the general fund—state appropriation for  
26 fiscal year 2017, and \$2,653,000 of the general fund—federal  
27 appropriation are provided solely for implementation of chapter 258,  
28 Laws of 2015 (E2SSB 5269) (involuntary treatment act). Regional  
29 support networks must use these amounts for involuntary treatment  
30 costs associated with implementation of this bill.

31 (d) \$3,776,000 of the general fund—state appropriation for fiscal  
32 year 2016, \$5,780,000 of the general fund—state appropriation for  
33 fiscal year 2017, and \$6,054,000 of the general fund—federal  
34 appropriation are provided solely for implementation of chapter 250,  
35 Laws of 2015 (E2SHB 1450) (involuntary outpatient treatment).  
36 Regional support networks must use these amounts for increases in  
37 community mental health treatment associated with implementation of  
38 this bill.

1 (e) \$81,180,000 of the general fund—state appropriation for  
2 fiscal year 2016 and \$81,180,000 of the general fund—state  
3 appropriation for fiscal year 2017 are provided solely for persons  
4 and services not covered by the medicaid program. To the extent  
5 possible, levels of regional support network spending shall be  
6 maintained in the following priority order: Crisis and commitment  
7 services; community inpatient services; and residential care  
8 services, including personal care and emergency housing assistance.  
9 These amounts includes a reduction of \$4,715,000 for fiscal year 2016  
10 and \$4,715,000 for fiscal year 2017 associated with a funding shift  
11 that allows for increased federal participation for community  
12 inpatient stays that were previously ineligible for federal matching  
13 funds. This reduction will be distributed to regional support  
14 networks based on the same proportions that were added to regional  
15 support network capitation ranges specific to the waiver that allowed  
16 for federal funds to be used for community inpatient stays that were  
17 previously ineligible for federal matching funds. The department must  
18 allow regional support networks to use medicaid capitation payments  
19 to provide services to medicaid enrollees that are in addition to  
20 those covered under the state plan in accordance with the conditions  
21 established under federal regulations governing medicaid managed care  
22 contracts and subject to federal approval by the center for medicaid  
23 and medicare services.

24 (f) \$6,590,000 of the general fund—state appropriation for fiscal  
25 year 2016, \$6,590,000 of the general fund—state appropriation for  
26 fiscal year 2017, and \$7,620,000 of the general fund—federal  
27 appropriation are provided solely for the department and regional  
28 support networks to continue to contract for implementation of high-  
29 intensity programs for assertive community treatment (PACT) teams. In  
30 determining the proportion of medicaid and nonmedicaid funding  
31 provided to regional support networks with PACT teams, the department  
32 shall consider the differences between regional support networks in  
33 the percentages of services and other costs associated with the teams  
34 that are not reimbursable under medicaid. The department may allow  
35 regional support networks which have nonmedicaid reimbursable costs  
36 that are higher than the nonmedicaid allocation they receive under  
37 this section to supplement these funds with local dollars or funds  
38 received under section 204(1)(e) of this act. The department and  
39 regional support networks shall maintain consistency with all

1 essential elements of the PACT evidence-based practice model in  
2 programs funded under this section.

3 (g) The number of nonforensic beds allocated for use by regional  
4 support networks at eastern state hospital shall be 192 per day. The  
5 number of nonforensic beds allocated for use by regional support  
6 networks at western state hospital shall be 587 per day.

7 (h) From the general fund—state appropriations in this  
8 subsection, the secretary of social and health services shall assure  
9 that regional support networks reimburse the aging and disability  
10 services administration for the general fund—state cost of medicaid  
11 personal care services that enrolled regional support network  
12 consumers use because of their psychiatric disability.

13 (i) The department is authorized to continue to contract  
14 directly, rather than through contracts with regional support  
15 networks, for children's long-term inpatient facility services.

16 (j) \$750,000 of the general fund—state appropriation for fiscal  
17 year 2016 and \$750,000 of the general fund—state appropriation for  
18 fiscal year 2017 are provided solely to continue performance-based  
19 incentive contracts to provide appropriate community support services  
20 for individuals with severe mental illness who were discharged from  
21 the state hospitals as part of the expanding community services  
22 initiative. These funds will be used to enhance community residential  
23 and support services provided by regional support networks through  
24 other state and federal funding.

25 (k) \$1,125,000 of the general fund—state appropriation for fiscal  
26 year 2016 and \$1,125,000 of the general fund—state appropriation for  
27 fiscal year 2017 are provided solely for the Spokane regional support  
28 network to implement services to reduce utilization and the census at  
29 eastern state hospital. Such services shall include:

30 (i) High intensity treatment team for persons who are high  
31 utilizers of psychiatric inpatient services, including those with co-  
32 occurring disorders and other special needs;

33 (ii) Crisis outreach and diversion services to stabilize in the  
34 community individuals in crisis who are at risk of requiring  
35 inpatient care or jail services;

36 (iii) Mental health services provided in nursing facilities to  
37 individuals with dementia, and consultation to facility staff  
38 treating those individuals; and

1 (iv) Services at the sixteen-bed evaluation and treatment  
2 facility.

3 At least annually, the Spokane regional support network shall  
4 assess the effectiveness of these services in reducing utilization at  
5 eastern state hospital, identify services that are not optimally  
6 effective, and modify those services to improve their effectiveness.

7 (l) \$1,204,000 of the general fund—state appropriation for fiscal  
8 year 2016 and \$1,204,000 of the general fund—state appropriation for  
9 fiscal year 2017 are provided solely to reimburse Pierce and Spokane  
10 counties for the cost of conducting 180-day commitment hearings at  
11 the state psychiatric hospitals.

12 (m) Regional support networks may use local funds to earn  
13 additional federal medicaid match, provided the locally matched rate  
14 does not exceed the upper-bound of their federally allowable rate  
15 range, and provided that the enhanced funding is used only to provide  
16 medicaid state plan or waiver services to medicaid clients.  
17 Additionally, regional support networks may use a portion of the  
18 state funds allocated in accordance with (e) of this subsection to  
19 earn additional medicaid match, but only to the extent that the  
20 application of such funds to medicaid services does not diminish the  
21 level of crisis and commitment, community inpatient, residential  
22 care, and outpatient services presently available to persons not  
23 eligible for medicaid.

24 (n) \$2,291,000 of the general fund—state appropriation for fiscal  
25 year 2016 and \$2,291,000 of the general fund—state appropriation for  
26 fiscal year 2017 are provided solely for mental health services for  
27 mentally ill offenders while confined in a county or city jail and  
28 for facilitating access to programs that offer mental health services  
29 upon release from confinement.

30 (o) Within the amounts appropriated in this section, funding is  
31 provided for the department to develop and phase in intensive mental  
32 health services for high needs youth consistent with the settlement  
33 agreement in *T.R. v. Dreyfus and Porter*.

34 (p) \$11,405,000 of the general fund—state appropriation for  
35 fiscal year 2016, \$11,405,000 of the general fund—state appropriation  
36 for fiscal year 2017, and \$17,680,000 of the general fund—federal  
37 appropriation are provided solely for enhancement of community mental  
38 health services. The department must contract these funds for the  
39 operation of community programs in which the department determines

1 there is a need for capacity that allows individuals to be diverted  
2 or transitioned from the state hospitals including but not limited  
3 to: (i) Community hospital or free standing evaluation and treatment  
4 services providing short-term detention and commitment services under  
5 the involuntary treatment act to be located in the geographic areas  
6 of the King regional support network, the Spokane regional support  
7 network outside of Spokane county, and the Thurston Mason regional  
8 support network; (ii) one new full program of an assertive community  
9 treatment team in the King regional support network and two new half  
10 programs of assertive community treatment teams in the Spokane  
11 regional support network and the Pierce regional support network; and  
12 (iii) three new recovery support services programs in the Grays  
13 Harbor regional support network, the greater Columbia regional  
14 support network, and the north sound regional support network. In  
15 contracting for community evaluation and treatment services, the  
16 department may not use these resources in facilities that meet the  
17 criteria to be classified under federal law as institutions for  
18 mental diseases. If the department is unable to come to a contract  
19 agreement with a designated regional support network for any of the  
20 services identified above, it may consider contracting for that  
21 service in another regional support network that has the need for  
22 such service.

23 (q) The appropriations in this section include a reduction of  
24 \$16,462,000 in general fund—state and \$16,468,000 of general fund—  
25 federal expenditure authority. This reduction must be achieved by  
26 reducing regional support network medicaid rates for disabled adults,  
27 nondisabled adults, disabled children, and nondisabled children. No  
28 regional support network rate may be lowered below the low end of the  
29 rate range that is certified as actuarially sound. The department  
30 must work to develop updated minimum and maximum reserve levels that  
31 reflect the changes in the number of medicaid eligible individuals  
32 since reserve levels were originally set as well as the integration  
33 of substance use disorder services into managed care contracts funded  
34 within the amounts appropriated in this section. The department must  
35 submit a report to the office of financial management and the  
36 appropriate fiscal committees of the legislature by December 1, 2015,  
37 that includes the revised minimum and maximum reserve levels for  
38 medicaid and nonmedicaid behavioral health organization contracts.

1 (r) \$1,394,000 of the general fund—state appropriation for fiscal  
2 year 2016, \$1,394,000 of the general fund—state appropriation for  
3 fiscal year 2017, and \$2,020,000 of the general fund—federal  
4 appropriation are provided solely for implementation of chapter 7,  
5 Laws of 2015 1st sp. sess. (2E2SSB 5177) (timeliness of competency  
6 evaluation and restoration services). Regional support networks must  
7 use the amounts for outpatient mental health treatment costs  
8 associated with implementation of the bill.

5 (1) For purposes of implementing chapter 74.46 RCW, the weighted  
6 average nursing facility payment rate shall not exceed \$178.87 for  
7 fiscal year 2016 and shall not exceed \$191.87 for fiscal year 2017,

31 fiscal year 2016 within funds provided, the department shall provide  
32 an additional add-on per medicaid resident day per facility not to

12 The appropriations in this section are subject to the following  
13 conditions and limitations:

14 (a) Sufficient amounts are appropriated in this subsection to  
15 implement the medicaid expansion as defined in the social security  
16 act, section 1902(a)(10)(A)(i)(VIII).

17 (b) The legislature finds that medicaid payment rates, as  
18 calculated by the health care authority pursuant to the  
19 appropriations in this act, bear a reasonable relationship to the  
20 costs incurred by efficiently and economically operated facilities  
21 for providing quality services and will be sufficient to enlist  
22 enough providers so that care and services are available to the  
23 extent that such care and services are available to the general  
24 population in the geographic area. The legislature finds that the  
25 cost reports, payment data from the federal government, historical  
26 utilization, economic data, and clinical input constitute reliable  
27 data upon which to determine the payment rates.

28 (c) Based on quarterly expenditure reports and caseload  
29 forecasts, if the health care authority estimates that expenditures  
30 for the medical assistance program will exceed the appropriations,  
31 the health care authority shall take steps including but not limited  
32 to reduction of rates or elimination of optional services to reduce  
33 expenditures so that total program costs do not exceed the annual  
34 appropriation authority.

35 (d) In determining financial eligibility for medicaid-funded  
36 services, the health care authority is authorized to disregard  
37 recoveries by Holocaust survivors of insurance proceeds or other  
38 assets, as defined in RCW 48.104.030.

1 (e) The legislature affirms that it is in the state's interest  
2 for Harborview medical center to remain an economically viable  
3 component of the state's health care system.

4 (f) When a person is ineligible for medicaid solely by reason of  
5 residence in an institution for mental diseases, the health care  
6 authority shall provide the person with the same benefits as he or  
7 she would receive if eligible for medicaid, using state-only funds to  
8 the extent necessary.

9 (g) \$4,261,000 of the general fund—state appropriation for fiscal  
10 year 2016, \$4,261,000 of the general fund—state appropriation for  
11 fiscal year 2017, and \$8,522,000 of the general fund—federal

14 (h) Within the amounts appropriated in this section, the health  
15 care authority shall provide disproportionate share hospital payments  
16 to hospitals that provide services to children in the children's  
17 health program who are not eligible for services under Title XIX or  
18 XXI of the federal social security act due to their citizenship  
19 status.

22 by public hospital districts. The public hospital district shall be  
23 responsible for providing the required nonfederal match for the  
24 supplemental payment, and the payments shall not exceed the maximum  
25 allowable under federal rules. It is the legislature's intent that  
26 the payments shall be supplemental to and shall not in any way offset  
27 or reduce the payments calculated and provided in accordance with  
28 part E of chapter 74.46 RCW. It is the legislature's further intent  
29 that costs otherwise allowable for rate-setting and settlement  
30 against payments under chapter 74.46 RCW shall not be disallowed  
31 solely because such costs have been paid by revenues retained by the  
32 nursing home from these supplemental payments. The supplemental  
33 payments are subject to retrospective interim and final cost  
34 settlements based on the nursing homes' as-filed and final medicare  
35 cost reports. The timing of the interim and final cost settlements  
36 shall be at the health care authority's discretion. During either the  
37 interim cost settlement or the final cost settlement, the health care  
38 authority shall recoup from the public hospital districts the  
39 supplemental payments that exceed the medicaid cost limit and/or the

1 medicare upper payment limit. The health care authority shall apply  
2 federal rules for identifying the eligible incurred medicaid costs  
3 and the medicare upper payment limit.

4 (j) The health care authority shall continue the inpatient  
5 hospital certified public expenditures program for the 2015-2017  
6 fiscal biennium. The program shall apply to all public hospitals,  
7 including those owned or operated by the state, except those  
8 classified as critical access hospitals or state psychiatric  
9 institutions. The health care authority shall submit reports to the  
10 governor and legislature by November 1, 2015, and by November 1,  
11 2016, that evaluate whether savings continue to exceed costs for this  
12 program. If the certified public expenditures (CPE) program in its  
13 current form is no longer cost-effective to maintain, the health care  
14 authority shall submit a report to the governor and legislature  
15 detailing cost-effective alternative uses of local, state, and  
16 federal resources as a replacement for this program. During fiscal  
17 year 2016 and fiscal year 2017, hospitals in the program shall be  
18 paid and shall retain one hundred percent of the federal portion of  
19 the allowable hospital cost for each medicaid inpatient fee-for-  
20 service claim payable by medical assistance and one hundred percent  
21 of the federal portion of the maximum disproportionate share hospital  
22 payment allowable under federal regulations. Inpatient medicaid  
23 payments shall be established using an allowable methodology that  
24 approximates the cost of claims submitted by the hospitals. Payments  
25 made to each hospital in the program in each fiscal year of the  
26 biennium shall be compared to a baseline amount. The baseline amount  
27 will be determined by the total of (a) the inpatient claim payment  
28 amounts that would have been paid during the fiscal year had the  
29 hospital not been in the CPE program based on the reimbursement rates  
30 developed, implemented, and consistent with policies approved in the  
31 2015-2017 biennial operating appropriations act and in effect on July  
32 1, 2015, (b) one-half of the indigent assistance disproportionate  
33 share hospital payment amounts paid to and retained by each hospital  
34 during fiscal year 2005, and (c) all of the other disproportionate  
35 share hospital payment amounts paid to and retained by each hospital  
36 during fiscal year 2005 to the extent the same disproportionate share  
37 hospital programs exist in the 2015-2017 fiscal biennium. If payments  
38 during the fiscal year exceed the hospital's baseline amount, no  
39 additional payments will be made to the hospital except the federal  
40 portion of allowable disproportionate share hospital payments for

1 which the hospital can certify allowable match. If payments during  
2 the fiscal year are less than the baseline amount, the hospital will  
3 be paid a state grant equal to the difference between payments during  
4 the fiscal year and the applicable baseline amount. Payment of the  
5 state grant shall be made in the applicable fiscal year and  
6 distributed in monthly payments. The grants will be recalculated and  
7 redistributed as the baseline is updated during the fiscal year. The  
8 grant payments are subject to an interim settlement within eleven  
9 months after the end of the fiscal year. A final settlement shall be  
10 performed. To the extent that either settlement determines that a  
11 hospital has received funds in excess of what it would have received  
12 as described in this subsection, the hospital must repay the excess  
13 amounts to the state when requested. \$16,664,000 of the general fund—  
14 state appropriation for fiscal year 2016 and \$8,170,000 of the

20 federal children's health insurance program reauthorization act of  
21 2009.

22 (l) The health care authority shall target funding for maternity  
23 support services towards pregnant women with factors that lead to  
24 higher rates of poor birth outcomes, including hypertension, a  
25 preterm or low birth weight birth in the most recent previous birth,  
26 a cognitive deficit or developmental disability, substance abuse,  
27 severe mental illness, unhealthy weight or failure to gain weight,  
28 tobacco use, or African American or Native American race. The health  
29 care authority shall prioritize evidence-based practices for delivery  
30 of maternity support services. To the extent practicable, the health  
31 care authority shall develop a mechanism to increase federal funding  
32 for maternity support services by leveraging local public funding for  
33 those services.

34 (m) Within the amounts appropriated in this section, the  
35 authority shall identify strategies to improve patient adherence to  
36 treatment plans for diabetes and implement these strategies as a  
37 pilot through one health home program to be identified by the  
38 authority. The authority shall report to the governor and legislature  
39 in December 2015 on patient outcomes and cost savings derived from

1 new adherence strategies in the health home model and make  
2 recommendations for improving the strategies.

3 (n) Managed care contracts must incorporate accountability  
4 measures that monitor patient health and improved health outcomes,  
5 and shall include an expectation that each patient receive a wellness  
6 examination that documents the baseline health status and allows for  
7 monitoring of health improvements and outcome measures.

16 department of social and health services to provide referrals to the  
17 Washington health benefit exchange for clients that will be  
18 ineligible for medicaid.

19 (r) To facilitate a single point of entry across public and  
20 medical assistance programs, and to maximize the use of federal  
21 funding, the health care authority, the department of social and  
22 health services, and the health benefit exchange will coordinate  
23 efforts to expand HealthPlanfinder access to public assistance and  
24 medical eligibility staff. No later than October 1, 2015, the health  
25 care authority shall complete medicaid applications in the  
26 HealthPlanfinder for households receiving or applying for medical  
27 assistance benefits.

29 provided in RCW 28A.150.260, and adjusted based on each district's  
30 annual average full-time equivalent student enrollment in each grade,  
31 except that the allocation for parent involvement coordinators in an  
32 elementary school shall be 0.0825 for the 2015-16 and 2016-17 school  
33 years, which enhancement is within the program of basic education.

34 (5) CENTRAL OFFICE ALLOCATIONS

35 In addition to classified and administrative staff units  
36 allocated in subsections (3) and (4) of this section, classified and

1 administrative staff units are provided for the 2015-16 and 2016-17  
2 school year for the central office administrative costs of operating  
3 a school district, at the following rates:

4 (a) The total central office staff units provided in this  
5 subsection (5) are calculated by first multiplying the total number  
6 of eligible certificated instructional, certificated administrative,  
7 and classified staff units providing school-based or district-wide  
8 support services, as identified in RCW 28A.150.260(6)(b), by 5.3  
9 percent.

10 (b) Of the central office staff units calculated in (a) of this  
11 subsection, 74.53 percent are allocated as classified staff units, as  
12 generated in subsection (4) of this section, and 25.47 percent shall  
13 be allocated as administrative staff units, as generated in  
14 subsection (3) of this section.

15 (c) Staff units generated as enhancements outside the program of  
16 basic education to the minimum requirements of RCW 28A.150.260, and  
17 staff units generated by skill center and career-technical students,  
18 are excluded from the total central office staff units calculation in  
19 (a) of this subsection.

20 (d) For students in approved career-technical and skill center  
21 programs, central office classified units are allocated at the same  
22 staff unit per student rate as those generated for general education  
23 students of the same grade in this subsection (5), and central office  
24 administrative staff units are allocated at staff unit per student  
25 rates that exceed the general education rate established for students  
26 in the same grade in this subsection (5) by 1.46 percent in the  
27 2015-16 school year and 1.46 percent in the 2016-17 school year for  
28 career and technical education students, and 17.33 percent in the  
29 2015-16 school year and 17.33 percent in the 2016-17 school year for  
30 skill center students.

31 (6) FRINGE BENEFIT ALLOCATIONS

32 Fringe benefit allocations shall be calculated at a rate of 21.42  
33 percent in the 2015-16 school year and 21.42 percent in the 2016-17  
34 school year for certificated salary allocations provided under  
35 subsections (2), (3), and (5) of this section, and a rate of 22.72  
36 percent in the 2015-16 school year and 22.72 percent in the 2016-17  
37 school year for classified salary allocations provided under  
38 subsections (4) and (5) of this section.

39 (7) INSURANCE BENEFIT ALLOCATIONS

1 Insurance benefit allocations shall be calculated at the  
 2 maintenance rate specified in section 504 of this act, based on the  
 3 number of benefit units determined as follows:

4 (a) The number of certificated staff units determined in  
 5 subsections (2), (3), and (5) of this section; and

6 (b) The number of classified staff units determined in  
 7 subsections (4) and (5) of this section multiplied by 1.152. This  
 8 factor is intended to adjust allocations so that, for the purpose of  
 9 distributing insurance benefits, full-time equivalent classified  
 10 employees may be calculated on the basis of 1,440 hours of work per  
 11 year, with no individual employee counted as more than one full-time  
 12 equivalent.

13 (8) MATERIALS, SUPPLIES, AND OPERATING COSTS (MSOC) ALLOCATIONS

14 Funding is allocated per annual average full-time equivalent  
 15 student for the materials, supplies, and operating costs (MSOC)  
 16 incurred by school districts, consistent with the requirements of RCW  
 17 28A.150.260.

18 (a) MSOC funding for general education students are allocated at  
 19 the following per student rates:

 35 student FTE MSOC allocations of \$1,272.99 for the 2015-16 school year  
 36 and \$1,294.63 for the 2016-17 school year.

(c) Students in approved exploratory and preparatory career and technical education programs generate a per student MSOC allocation of \$1,431.65 for the 2015-16 school year and \$1,455.99 for the 2016-17 school year.

(d) Students in grades 9-12 generate per student FTE MSOC allocations in addition to the allocation provided in (a) of this subsection at the following rate:

(10) ALTERNATIVE LEARNING EXPERIENCE PROGRAM FUNDING

(a) Amounts provided in this section from July 1, 2015, to August 31, 2015, are adjusted to reflect provisions of chapter 4, Laws of 2013 2nd sp. sess., as amended (allocation of funding for students enrolled in alternative learning experiences).

(b) The superintendent of public instruction shall require all districts receiving general apportionment funding for alternative learning experience (ALE) programs as defined in WAC 392-121-182 to provide separate financial accounting of expenditures for the ALE programs offered in district or with a provider, including but not limited to private companies and multidistrict cooperatives, as well as accurate, monthly headcount and FTE enrollment claimed for basic education, including separate counts of resident and nonresident students.

3 instructional contact, academic counseling, career counseling, or  
4 case management contact. Districts must also provide separate  
5 financial accounting of expenditures for the programs offered by the  
6 district or under contract with a provider, as well as accurate  
7 monthly headcount and full-time equivalent enrollment claimed for  
8 basic education, including separate enrollment counts of resident and  
9 nonresident students.

10 (12) VOLUNTARY ALL DAY KINDERGARTEN PROGRAMS

11 Funding in this section is sufficient to fund voluntary all day  
12 kindergarten programs in qualifying schools in the 2015-16 school  
13 year and all schools in the 2016-17 school year, pursuant to RCW  
14 28A.150.220 and 28A.150.315. Each kindergarten student who enrolls  
15 for the voluntary all-day program in a qualifying school shall count  
16 as one-half of one full-time equivalent student for purpose of making  
17 allocations under this section. Funding in this section provides all-  
18 day kindergarten programs for 71.88 percent of kindergarten  
19 enrollment in the 2015-16 school year and full funding in the 2016-17  
20 school year, which enhancement is within the program of basic  
21 education.

23 NECESSARY PLANTS

24 For small school districts and remote and necessary school plants  
25 within any district which have been judged to be remote and necessary  
26 by the superintendent of public instruction, additional staff units  
27 are provided to ensure a minimum level of staffing support.  
28 Additional administrative and certificated instructional staff units  
29 provided to districts in this subsection shall be reduced by the  
30 general education staff units, excluding career and technical  
31 education and skills center enhancement units, otherwise provided in  
32 subsections (2) through (5) of this section on a per district basis.

3 administrative staff units for enrollment of not more than five  
4 students, plus one-twentieth of a certificated instructional staff  
5 unit for each additional student enrolled; and

6 (ii) For those enrolling students in grades 7 or 8, 1.68  
7 certificated instructional staff units and 0.32 certificated  
8 administrative staff units for enrollment of not more than five  
9 students, plus one-tenth of a certificated instructional staff unit  
10 for each additional student enrolled;

11 (b) For specified enrollments in districts enrolling more than  
12 twenty-five but not more than one hundred average annual full-time  
13 equivalent students in grades K-8, and for small school plants within  
14 any school district which enroll more than twenty-five average annual  
15 full-time equivalent students in grades K-8 and have been judged to  
16 be remote and necessary by the superintendent of public instruction:

27 school, other than alternative schools, except as noted in this  
28 subsection:

36 administrative staff unit for the first sixty average annual full-  
37 time equivalent students, and additional staff units based on a ratio  
38 of 0.8732 certificated instructional staff units and 0.1268  
39 certificated administrative staff units per each additional forty-  
40 three and one-half average annual full-time equivalent students;

1 (iii) Districts receiving staff units under this subsection shall  
2 add students enrolled in a district alternative high school and any  
3 grades nine through twelve alternative learning experience programs  
4 with the small high school enrollment for calculations under this  
5 subsection;

6 (d) For each nonhigh school district having an enrollment of more

15 instructional staff unit;

16 (f)(i) For enrollments generating certificated staff unit  
17 allocations under (a) through (e) of this subsection, one classified  
18 staff unit for each 2.94 certificated staff units allocated under  
19 such subsections;

20 (ii) For each nonhigh school district with an enrollment of more  
21 than fifty annual average full-time equivalent students and less than  
22 one hundred eighty students, an additional one-half of a classified  
23 staff unit; and

24 (g) School districts receiving additional staff units to support  
25 small student enrollments and remote and necessary plants under this  
26 subsection (12) shall generate additional MSOC allocations consistent  
27 with the nonemployee related costs (NERC) allocation formula in place  
28 for the 2010-11 school year as provided section 502, chapter 37, Laws  
29 of 2010 1st sp. sess. (2010 supplemental budget), adjusted annually  
30 for inflation.

31 (14) Any school district board of directors may petition the  
32 superintendent of public instruction by submission of a resolution  
33 adopted in a public meeting to reduce or delay any portion of its  
34 basic education allocation for any school year. The superintendent of  
35 public instruction shall approve such reduction or delay if it does  
36 not impair the district's financial condition. Any delay shall not be  
37 for more than two school years. Any reduction or delay shall have no  
38 impact on levy authority pursuant to RCW 84.52.0531 and local effort  
39 assistance pursuant to chapter 28A.500 RCW.

1 (15) The superintendent may distribute funding for the following  
2 programs outside the basic education formula during fiscal years 2016  
3 and 2017 as follows:

4 (a) \$620,000 of the general fund—state appropriation for fiscal  
5 year 2016 and \$631,000 of the general fund—state appropriation for  
6 fiscal year 2017 are provided solely for fire protection for school  
7 districts located in a fire protection district as now or hereafter  
8 established pursuant to chapter 52.04 RCW.

9 (b) \$436,000 of the general fund—state appropriation for fiscal  
10 year 2016 and \$436,000 of the general fund—state appropriation for  
11 fiscal year 2017 are provided solely for programs providing skills  
12 training for secondary students who are enrolled in extended day  
13 school-to-work programs, as approved by the superintendent of public  
14 instruction. The funds shall be allocated at a rate not to exceed  
15 \$500 per full-time equivalent student enrolled in those programs.

16 (16) \$219,000 of the general fund—state appropriation for fiscal  
17 year 2016 and \$223,000 of the general fund—state appropriation for  
18 fiscal year 2017 are provided solely for school district emergencies  
19 as certified by the superintendent of public instruction. Funding  
20 provided must be conditioned upon the written commitment and plan of  
21 the school district board of directors to repay the grant with any  
22 insurance payments or other judgments that may be awarded, if  
23 applicable. At the close of the fiscal year the superintendent of  
24 public instruction shall report to the office of financial management  
25 and the appropriate fiscal committees of the legislature on the  
26 allocations provided to districts and the nature of the emergency.

27 (17) Funding in this section is sufficient to fund a maximum of  
28 1.6 FTE enrollment for skills center students pursuant to chapter  
29 463, Laws of 2007.

30 (18) Students participating in running start programs may be  
31 funded up to a combined maximum enrollment of 1.2 FTE including  
32 school district and institution of higher education enrollment  
33 consistent with the running start course requirements provided in  
34 Engrossed Second Substitute House Bill No. 1546 (dual credit  
35 education opportunities). In calculating the combined 1.2 FTE, the  
36 office of the superintendent of public instruction may average the  
37 participating student's September through June enrollment to account  
38 for differences in the start and end dates for courses provided by  
39 the high school and higher education institution. Additionally, the

1 office of the superintendent of public instruction, in consultation  
2 with the state board for community and technical colleges, the  
3 student achievement council, and the education data center, shall  
4 annually track and report to the fiscal committees of the legislature  
5 on the combined FTE experience of students participating in the  
6 running start program, including course load analyses at both the  
7 high school and community and technical college system.

8 (19) If two or more school districts consolidate and each  
9 district was receiving additional basic education formula staff units  
10 pursuant to subsection (12) of this section, the following apply:

11 (a) For three school years following consolidation, the number of  
12 basic education formula staff units shall not be less than the number  
13 of basic education formula staff units received by the districts in  
14 the school year prior to the consolidation; and

15 (b) For the fourth through eighth school years following  
16 consolidation, the difference between the basic education formula  
17 staff units received by the districts for the school year prior to  
18 consolidation and the basic education formula staff units after  
19 consolidation pursuant to subsection (12) of this section shall be  
20 reduced in increments of twenty percent per year.

21 (20)(a) Indirect cost charges by a school district to approved  
22 career and technical education middle and secondary programs shall  
23 not exceed 15 percent of the combined basic education and career and  
24 technical education program enhancement allocations of state funds.  
25 Middle and secondary career and technical education programs are  
26 considered separate programs for funding and financial reporting  
27 purposes under this section.

28 (b) Career and technical education program full-time equivalent  
29 enrollment shall be reported on the same monthly basis as the  
30 enrollment for students eligible for basic support, and payments  
31 shall be adjusted for reported career and technical education program  
32 enrollments on the same monthly basis as those adjustments for  
33 enrollment for students eligible for basic support.

34 (21) Funding in this section is sufficient to provide full  
35 general apportionment payments to school districts eligible for  
36 federal forest revenues as provided in RCW 28A.520.020. School  
37 districts receiving federal forest revenues shall not have their  
38 general apportionment reduced during the 2015-2017 biennium only.

6 28A.150.280 and under section 502 of this act:

7           (a) Salary allocations for certificated instructional staff units  
8 are determined for each district by multiplying the district's  
9 certificated instructional total base salary shown on LEAP Document 2  
10 by the district's average staff mix factor for certificated  
11 instructional staff in that school year, computed using LEAP document  
12 1; and

13           (b) Salary allocations for certificated administrative staff  
14 units and classified staff units for each district are determined  
15 based on the district's certificated administrative and classified  
16 salary allocation amounts shown on LEAP Document 2.

17           (2) For the purposes of this section:

18           (a) "LEAP Document 1" means the staff mix factors for  
19 certificated instructional staff according to education and years of  
20 experience, as developed by the legislative evaluation and  
21 accountability program committee on June 28, 2015, at 8:06 hours; and

22           (b) "LEAP Document 2" means the school year salary allocations  
23 for certificated administrative staff and classified staff and  
24 derived and total base salaries for certificated instructional staff  
25 as developed by the legislative evaluation and accountability program  
26 committee on June 28, 2015, at 8:06 hours.

27           (3) Incremental fringe benefit factors are applied to salary  
28 adjustments at a rate of 20.78 percent for school year 2015-16 and  
29 20.78 percent for school year 2016-17 for certificated instructional  
30 and certificated administrative staff and 19.22 percent for school  
31 year 2015-16 and 19.22 percent for the 2016-17 school year for  
32 classified staff.

33           (4)(a) Pursuant to RCW 28A.150.410, the following state-wide  
34 salary allocation schedules for certificated instructional staff are

12 section and the department under subsection (4) of this section; (2)  
13 up to six percent, or six hundred fifty-five thousand dollars per

27 43.320.150.

28 The department shall enter into interagency agreements to

33 **Sec. 966.** RCW 66.08.170 and 2011 1st sp.s. c 50 s 959 are each  
34 amended to read as follows:

35 There shall be a fund, known as the "liquor revolving fund",  
36 which shall consist of all license fees, permit fees, penalties,

5 biennium, the legislature may transfer funds from the liquor  
6 revolving account [fund] to the state general fund and may direct an  
7 additional amount of liquor profits to be distributed to local  
8 governments. Neither the transfer of funds nor the additional  
9 distribution of liquor profits to local governments during the  
10 2009-2011 fiscal biennium may reduce the excess fund distributions  
11 that otherwise would occur under RCW 66.08.190. During the 2011-2013  
12 fiscal biennium, the state treasurer shall transfer from the liquor  
13 revolving fund to the state general fund forty-two million five  
14 hundred thousand dollars for fiscal year 2012 and forty-two million  
15 five hundred thousand dollars for fiscal year 2013. The transfer  
16 during the 2011-2013 fiscal biennium may not reduce the excess fund  
17 distributions that otherwise would occur under RCW 66.08.190. Sales  
18 to licensees are exempt from any liquor price increases that may  
19 result from the transfer of funds from the liquor revolving fund to  
20 the state general fund during the 2011-2013 fiscal biennium.  
21 Disbursements from the revolving fund shall be on authorization of  
22 the board or a duly authorized representative thereof. In order to  
23 maintain an effective expenditure and revenue control the liquor  
24 revolving fund shall be subject in all respects to chapter 43.88 RCW  
25 but no appropriation shall be required to permit expenditures and  
26 payment of obligations from such fund. During the 2013-2015 and  
27 2015-2017 fiscal biennia, the legislature may transfer from the  
28 liquor revolving fund to the state general fund such amounts as

27 the fiscal year beginning July 1, 2006, and each subsequent fiscal  
28 year, the amount transferred shall be increased on an annual basis by  
29 the implicit price deflator as published by the federal bureau of  
30 labor statistics.

31 (b) In each odd-numbered year, the legislature shall appropriate  
32 the amount transferred to the criminal justice treatment account in  
33 (a) of this subsection to the division of alcohol and substance abuse  
34 for the purposes of subsection (5) of this section.

35 (5) Moneys appropriated to the division of alcohol and substance  
36 abuse from the criminal justice treatment account shall be  
37 distributed as specified in this subsection. The department shall  
38 serve as the fiscal agent for purposes of distribution. Until July 1,  
39 2004, the department may not use moneys appropriated from the  
40 criminal justice treatment account for administrative expenses and

1 shall distribute all amounts appropriated under subsection (4)(b) of  
2 this section in accordance with this subsection. Beginning in July 1,  
3 2004, the department may retain up to three percent of the amount  
4 appropriated under subsection (4)(b) of this section for its  
5 administrative costs.

6 (a) Seventy percent of amounts appropriated to the division from  
7 the account shall be distributed to counties pursuant to the  
8 distribution formula adopted under this section. The division of  
9 alcohol and substance abuse, in consultation with the department of  
10 corrections, the Washington state association of counties, the  
11 Washington state association of drug court professionals, the  
12 superior court judges' association, the Washington association of  
13 prosecuting attorneys, representatives of the criminal defense bar,  
14 representatives of substance abuse treatment providers, and any other  
15 person deemed by the division to be necessary, shall establish a fair  
16 and reasonable methodology for distribution to counties of moneys in  
17 the criminal justice treatment account. County or regional plans  
18 submitted for the expenditure of formula funds must be approved by  
19 the panel established in (b) of this subsection.

20 (b) Thirty percent of the amounts appropriated to the division  
21 from the account shall be distributed as grants for purposes of  
22 treating offenders against whom charges are filed by a county  
23 prosecuting attorney. The division shall appoint a panel of  
24 representatives from the Washington association of prosecuting  
25 attorneys, the Washington association of sheriffs and police chiefs,  
26 the superior court judges' association, the Washington state  
27 association of counties, the Washington defender's association or the  
28 Washington association of criminal defense lawyers, the department of  
29 corrections, the Washington state association of drug court  
30 professionals, substance abuse treatment providers, and the division.  
31 The panel shall review county or regional plans for funding under (a)  
32 of this subsection and grants approved under this subsection. The  
33 panel shall attempt to ensure that treatment as funded by the grants  
34 is available to offenders statewide.

35 (6) The county alcohol and drug coordinator, county prosecutor,  
36 county sheriff, county superior court, a substance abuse treatment  
37 provider appointed by the county legislative authority, a member of  
38 the criminal defense bar appointed by the county legislative  
39 authority, and, in counties with a drug court, a representative of  
40 the drug court shall jointly submit a plan, approved by the county

1 legislative authority or authorities, to the panel established in  
2 subsection (5)(b) of this section, for disposition of all the funds  
3 provided from the criminal justice treatment account within that  
4 county. The funds shall be used solely to provide approved alcohol  
5 and substance abuse treatment pursuant to RCW 70.96A.090, treatment  
6 support services, and for the administrative and overhead costs  
7 associated with the operation of a drug court.

8 (a) No more than ten percent of the total moneys received under  
9 subsections (4) and (5) of this section by a county or group of  
10 counties participating in a regional agreement shall be spent on the  
11 administrative and overhead costs associated with the operation of a  
12 drug court.

13 (b) No more than ten percent of the total moneys received under  
14 subsections (4) and (5) of this section by a county or group of  
15 counties participating in a regional agreement shall be spent for  
16 treatment support services.

17 (7) Counties are encouraged to consider regional agreements and  
18 submit regional plans for the efficient delivery of treatment under  
19 this section.

20 (8) Moneys allocated under this section shall be used to  
21 supplement, not supplant, other federal, state, and local funds used  
22 for substance abuse treatment.

23 (9) Counties must meet the criteria established in RCW  
24 2.28.170(3)(b).

25 (10) The authority under this section to use funds from the  
26 criminal justice treatment account for the administrative and  
27 overhead costs associated with the operation of a drug court expires  
28 June 30, 2015.

29 **Sec. 969.** RCW 70.105D.070 and 2013 2nd sp.s. c 19 s 7033 and  
30 2013 2nd sp.s. c 4 s 992 are each reenacted and amended to read as  
31 follows:

32 (1) The state toxics control account and the local toxics control

37 toxics control account under subsection (4) of this section. When the  
38 cumulative amount of deposits made to the state and local toxics  
39 control accounts under this section reaches the limit during a fiscal

1 year as established in (b) of this subsection, the remainder of the

1 terms of such funding are established under a settlement agreement  
2 under RCW 70.105D.040(4) and when the director has found that the  
3 funding will achieve both: (i) A substantially more expeditious or  
4 enhanced cleanup than would otherwise occur; and (ii) the prevention  
5 or mitigation of unfair economic hardship;

6 (l) Development and demonstration of alternative management  
7 technologies designed to carry out the hazardous waste management

22 (i) The facility is located within a redevelopment opportunity  
23 zone designated under RCW 70.105D.150;

24 (ii) The amount and terms of the funding are established under a  
25 settlement agreement under RCW 70.105D.040(5); and

26 (iii) The director has found the funding meets any additional  
27 criteria established in rule by the department, will achieve a  
28 substantially more expeditious or enhanced cleanup than would  
29 otherwise occur, and will provide a public benefit in addition to  
30 cleanup commensurate with the scope of the public funding;

31 (r) Petroleum-based plastic or expanded polystyrene foam debris  
32 cleanup activities in fresh or marine waters;

33 (s) Appropriations to the local toxics control account or the  
34 environmental legacy stewardship account created in RCW 70.105D.170,  
35 if the legislature determines that priorities for spending exceed  
36 available funds in those accounts;

37 (t) During the 2013-2015 and 2015-2017 fiscal (~~biennium~~)  
38 biennia, the department of ecology's water quality, shorelands,  
39 environmental assessment, administration, and air quality programs;

1 (u) During the 2013-2015 fiscal biennium, actions at the state  
2 conservation commission to improve water quality for shellfish;  
3 ((and))

4 (v) During the 2013-2015 and 2015-2017 fiscal ~~((biennium))~~  
5 biennia, actions at the University of Washington for reducing ocean  
6 acidification;

7 (w) For the 2013-2015 fiscal biennium, moneys in the state toxics  
8 control account may be spent on projects in section 3159, chapter 19,  
9 Laws of 2013 2nd sp. sess. and for transfer to the local toxics  
10 control account; ((and))

11 (x) For the 2013-2015 fiscal biennium, moneys in the state toxics  
12 control account may be transferred to the radioactive mixed waste  
13 account; and

14 (y) For the 2015-2017 fiscal biennium, forest practices  
15 regulation at the department of natural resources.

16 (4)(a) The department shall use moneys deposited in the local  
17 toxics control account for grants or loans to local governments for  
18 the following purposes in descending order of priority:

19 (i) Extended grant agreements entered into under (c)[(e)](i) of  
20 this subsection;

21 (ii) Remedial actions, including planning for adaptive reuse of  
22 properties as provided for under (c)[(e)](iv) of this subsection. The  
23 department must prioritize funding of remedial actions at:

24 (A) Facilities on the department's hazardous sites list with a  
25 high hazard ranking for which there is an approved remedial action  
26 work plan or an equivalent document under federal cleanup law;

27 (B) Brownfield properties within a redevelopment opportunity zone  
28 if the local government is a prospective purchaser of the property  
29 and there is a department-approved remedial action work plan or  
30 equivalent document under the federal cleanup law;

31 (iii) Storm water pollution source projects that: (A) Work in  
32 conjunction with a remedial action; (B) protect completed remedial  
33 actions against recontamination; or (C) prevent hazardous clean-up  
34 sites;

35 (iv) Hazardous waste plans and programs under chapter 70.105 RCW;

36 (v) Solid waste plans and programs under chapters 70.95, 70.95C,  
37 70.95I, and 70.105 RCW;

38 (vi) Petroleum-based plastic or expanded polystyrene foam debris  
39 cleanup activities in fresh or marine waters; and

1 (vii) Appropriations to the state toxics control account or the  
2 environmental legacy stewardship account created in RCW 70.105D.170,  
3 if the legislature determines that priorities for spending exceed  
4 available funds in those accounts.

5 (b) Funds for plans and programs must be allocated consistent  
6 with the priorities and matching requirements established in chapters  
7 70.105, 70.95C, 70.95I, and 70.95 RCW.

8 (c) During the 2013-2015 fiscal biennium, the local toxics  
9 control account may also be used for local government storm water  
10 planning and implementation activities.

11 (d) During the 2013-2015 fiscal biennium, the legislature may  
12 transfer from the local toxics control account to the state general  
13 fund, such amounts as reflect the excess fund balance in the account.

14 (e) To expedite cleanups throughout the state, the department may  
15 use the following strategies when providing grants to local  
16 governments under this subsection:

17 (i) Enter into an extended grant agreement with a local  
18 government conducting remedial actions at a facility where those  
19 actions extend over multiple biennia and the total eligible cost of  
20 those actions exceeds twenty million dollars. The agreement is  
21 subject to the following limitations:

22 (A) The initial duration of such an agreement may not exceed ten  
23 years. The department may extend the duration of such an agreement  
24 upon finding substantial progress has been made on remedial actions  
25 at the facility;

26 (B) Extended grant agreements may not exceed fifty percent of the  
27 total eligible remedial action costs at the facility; and

28 (C) The department may not allocate future funding to an extended  
29 grant agreement unless the local government has demonstrated to the  
30 department that funds awarded under the agreement during the previous  
31 biennium have been substantially expended or contracts have been  
32 entered into to substantially expend the funds;

33 (ii) Enter into a grant agreement with a local government  
34 conducting a remedial action that provides for periodic reimbursement  
35 of remedial action costs as they are incurred as established in the  
36 agreement;

37 (iii) Enter into a grant agreement with a local government prior  
38 to it acquiring a property or obtaining necessary access to conduct  
39 remedial actions, provided the agreement is conditioned upon the

1 local government acquiring the property or obtaining the access in  
2 accordance with a schedule specified in the agreement;

3 (iv) Provide integrated planning grants to local governments to  
4 fund studies necessary to facilitate remedial actions at brownfield  
5 properties and adaptive reuse of properties following remediation.  
6 Eligible activities include, but are not limited to: Environmental  
7 site assessments; remedial investigations; health assessments;  
8 feasibility studies; site planning; community involvement; land use  
9 and regulatory analyses; building and infrastructure assessments;  
10 economic and fiscal analyses; and any environmental analyses under  
11 chapter 43.21C RCW;

12 (v) Provide grants to local governments for remedial actions  
13 related to area-wide groundwater contamination. To receive the  
14 funding, the local government does not need to be a potentially  
15 liable person or be required to seek reimbursement of grant funds  
16 from a potentially liable person;

17 (vi) The director may alter grant matching requirements to create  
18 incentives for local governments to expedite cleanups when one of the  
19 following conditions exists:

20 (A) Funding would prevent or mitigate unfair economic hardship  
21 imposed by the clean-up liability;

22 (B) Funding would create new substantial economic development,  
23 public recreational opportunities, or habitat restoration  
24 opportunities that would not otherwise occur; or

25 (C) Funding would create an opportunity for acquisition and  
26 redevelopment of brownfield property under RCW 70.105D.040(5) that  
27 would not otherwise occur;

28 (vii) When pending grant applications under (c)[(e)](iv) and (v)  
29 of this subsection (4) exceed the amount of funds available,  
30 designated redevelopment opportunity zones must receive priority for  
31 distribution of available funds.

32 (d) [(f)] To expedite multiparty clean-up efforts, the department  
33 may purchase remedial action cost-cap insurance. For the 2013-2015  
34 fiscal biennium, moneys in the local toxics control account may be  
35 spent on projects in sections 3024, 3035, 3036, and 3059, chapter 19,  
36 Laws of 2013 2nd sp. sess.

37 (5) Except for unanticipated receipts under RCW 43.79.260 through  
38 43.79.282, moneys in the state and local toxics control accounts may  
39 be spent only after appropriation by statute.

1 (6) No moneys deposited into either the state or local toxics  
2 control account may be used for: Natural disasters where there is no  
3 hazardous substance contamination; high performance buildings; solid  
4 waste incinerator facility feasibility studies, construction,  
5 maintenance, or operation; or after January 1, 2010, for projects  
6 designed to address the restoration of Puget Sound, funded in a  
7 competitive grant process, that are in conflict with the action  
8 agenda developed by the Puget Sound partnership under RCW 90.71.310.  
9 However, this subsection does not prevent an appropriation from the  
10 state toxics control account to the department of revenue to enforce  
11 compliance with the hazardous substance tax imposed in chapter 82.21  
12 RCW.

13 (7) Except during the 2011-2013 fiscal biennium, one percent of  
14 the moneys collected under RCW 82.21.030 shall be allocated only for  
15 public participation grants to persons who may be adversely affected  
16 by a release or threatened release of a hazardous substance and to  
17 not-for-profit public interest organizations. The primary purpose of  
18 these grants is to facilitate the participation by persons and  
19 organizations in the investigation and remedying of releases or  
20 threatened releases of hazardous substances and to implement the  
21 state's solid and hazardous waste management priorities. No grant may  
22 exceed sixty thousand dollars. Grants may be renewed annually. Moneys  
23 appropriated for public participation that are not expended at the  
24 close of any biennium revert to the state toxics control account.

25 (8) The department shall adopt rules for grant or loan issuance  
26 and performance. To accelerate both remedial action and economic  
27 recovery, the department may expedite the adoption of rules necessary  
28 to implement chapter 1, Laws of 2013 2nd sp. sess. using the  
29 expedited procedures in RCW 34.05.353. The department shall initiate  
30 the award of financial assistance by August 1, 2013. To ensure the  
31 adoption of rules will not delay financial assistance, the department  
32 may administer the award of financial assistance through interpretive  
33 guidance pending the adoption of rules through July 1, 2014.

34 (9) Except as provided under subsection (3)(k) and (q) of this  
35 section, nothing in chapter 1, Laws of 2013 2nd sp. sess. effects  
36 [affects] the ability of a potentially liable person to receive  
37 public funding.

38 (10) During the 2013-2015 fiscal biennium the local toxics  
39 control account may also be used for the centennial clean water  
40 program and for storm water grants.

1       **Sec. 970.** RCW 74.13.621 and 2013 2nd sp.s. c 4 s 996 are each  
2 amended to read as follows:

3       (1) Within existing resources, the department shall establish an  
4 oversight committee to monitor, guide, and report on kinship care  
5 recommendations and implementation activities. The committee shall:

6       (a) Draft a kinship care definition that is restricted to persons  
7 related by blood, marriage, or adoption, including marriages that  
8 have been dissolved, or for a minor defined as an "Indian child"  
9 under the federal Indian child welfare act (25 U.S.C. Sec. 1901 et  
10 seq.), the definition of "extended family member" under the federal  
11 Indian child welfare act, and a set of principles. If the committee  
12 concludes that one or more programs or services would be more  
13 efficiently and effectively delivered under a different definition of  
14 kin, it shall state what definition is needed, and identify the  
15 program or service in the report. It shall also provide evidence of  
16 how the program or service will be more efficiently and effectively  
17 delivered under the different definition. The department shall not  
18 adopt rules or policies changing the definition of kin without  
19 authorizing legislation;

20       (b) Monitor and provide consultation on the implementation of  
21 recommendations contained in the 2002 kinship care report, including  
22 but not limited to the recommendations relating to legal and respite  
23 care services and resources;

24       (c) Partner with nonprofit organizations and private sector  
25 businesses to guide a public education awareness campaign; and

26       (d) Assist with developing future recommendations on kinship care  
27 issues.

28       (2) The department shall consult with the oversight committee on  
29 its efforts to better collaborate and coordinate services to benefit  
30 kinship care families.

31       (3) The oversight committee must consist of a minimum of thirty  
32 percent kinship caregivers, who shall represent a diversity of  
33 kinship families. Statewide representation with geographic, ethnic,  
34 and gender diversity is required. Other members shall include  
35 representatives of the department, representatives of relevant state  
36 agencies, representatives of the private nonprofit and business  
37 sectors, child advocates, representatives of Washington state Indian  
38 tribes as defined under the federal Indian welfare act (25 U.S.C.  
39 Sec. 1901 et seq.), and representatives of the legal or judicial

1 field. Birth parents, foster parents, and others who have an interest  
2 in these issues may also be included.

3 (4) To the extent funding is available, the department may  
4 reimburse nondepartmental members of the oversight committee for  
5 costs incurred in participating in the meetings of the oversight  
6 committee.

7 (5) The kinship care oversight committee shall update the  
8 legislature and governor annually on committee activities, with the  
9 first update due by January 1, 2006.

10 (6) This section expires June 30, (~~2015~~) 2017.

11 **Sec. 971.** RCW 77.12.203 and 2014 c 55 s 1 are each amended to  
12 read as follows:

13 (1) Except as provided in subsection (5) of this section and  
14 notwithstanding RCW 84.36.010 or other statutes to the contrary, the  
15 director must pay by April 30th of each year on game lands,  
16 regardless of acreage, in each county, if requested by an election  
17 under RCW 77.12.201, an amount in lieu of real property taxes equal  
18 to that amount paid on similar parcels of open space land taxable  
19 under chapter 84.34 RCW or the greater of seventy cents per acre per  
20 year or the amount paid in 1984 plus an additional amount for control  
21 of noxious weeds equal to that which would be paid if such lands were  
22 privately owned. This amount may not be assessed or paid on  
23 department buildings, structures, facilities, game farms, fish  
24 hatcheries, water access sites, tidelands, or public fishing areas.

25 (2) "Game lands," as used in this section and RCW 77.12.201,

21 These amounts may not be assessed or paid on department buildings,  
22 structures, facilities, game farms, fish hatcheries, water access  
23 sites, tidelands, or public fishing areas.

24 **Sec. 972.** RCW 79.64.040 and 2014 c 32 s 4 are each amended to  
25 read as follows:

26 (1) The board shall determine the amount deemed necessary in  
27 order to achieve the purposes of this chapter and shall provide by  
28 rule for the deduction of this amount from the moneys received from  
29 all leases, sales, contracts, licenses, permits, easements, and

Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(3)(a) The health care authority and the department are authorized to develop an integrated health care program designed to slow the progression of illness and disability and better manage medicaid expenditures for the aged and disabled population. Under the Washington medicaid integration partnership (WMIP) and the medicare integrated care project (MICP), the health care authority and the department may combine and transfer such medicaid funds appropriated under sections 204, 206, 208, and 213 of this act as may be necessary

1 to finance a unified health care plan for the WMIP and the MICP  
2 program enrollment. The WMIP pilot projects shall not exceed a daily  
3 enrollment of 6,000 persons, nor expand beyond one county during the  
4 2013-2015 fiscal biennium. The amount of funding assigned from each  
5 program may not exceed the average per capita cost assumed in this  
6 act for individuals covered by that program, actuarially adjusted for  
7 the health condition of persons enrolled, times the number of clients  
8 enrolled. In implementing the WMIP and the MICP, the health care  
9 authority and the department may: (i) Withhold from calculations of  
10 "available resources" as set forth in RCW 71.24.025 a sum equal to  
11 the capitated rate for enrolled individuals; and (ii) employ  
12 capitation financing and risk-sharing arrangements in collaboration  
13 with health care service contractors licensed by the office of the  
14 insurance commissioner and qualified to participate in both the  
15 medicaid and medicare programs.

16 (b) If Washington has been selected to participate in phase two  
17 of the federal demonstration project for persons dually-eligible for  
18 both medicare and medicaid, the department and the authority may  
19 initiate the MICP. Participation in the project shall be limited to  
20 persons who are eligible for both medicare and medicaid and to  
21 counties in which the county legislative authority has agreed to the  
22 terms and conditions under which it will operate. The purpose of the  
23 project shall be to demonstrate and evaluate ways to improve care  
24 while reducing state expenditures for persons enrolled both in  
25 medicare and medicaid. To that end, prior to initiating the project,  
26 the department and the authority shall assure that state expenditures  
27 shall be no greater on either a per person or total basis than the  
28 state would otherwise incur. Individuals who are solely eligible for  
29 medicaid may also participate if their participation is agreed to by  
30 the health care authority, the department, and the county legislative  
31 authority.

32 (4) The legislature finds that medicaid payment rates, as  
33 calculated by the department pursuant to the appropriations in this  
34 act, bear a reasonable relationship to the costs incurred by  
35 efficiently and economically operated facilities for providing  
36 quality services and will be sufficient to enlist enough providers so  
37 that care and services are available to the extent that such care and  
38 services are available to the general population in the geographic  
39 area. The legislature finds that cost reports, payment data from the  
40 federal government, historical utilization, economic data, and

1 clinical input constitute reliable data upon which to determine the  
2 payment rates.

3 (5) The department shall to the maximum extent practicable use  
4 the same system for delivery of spoken-language interpreter services  
5 for social services appointments as the one established for medical  
6 appointments in section 213 of this act. When contracting directly  
7 with an individual to deliver spoken language interpreter services,  
8 the department shall only contract with language access providers who  
9 are working at a location in the state and who are state-certified or  
10 state-authorized, except that when such a provider is not available,  
11 the department may use a language access provider who meets other  
12 certifications or standards deemed to meet state standards, including  
13 interpreters in other states.

14 (6) The department shall facilitate enrollment under the medicaid  
15 expansion for clients applying for or receiving state funded services  
16 from the department and its contractors. Prior to open enrollment,  
17 the department shall coordinate with the health care authority to  
18 provide referrals to the Washington health benefit exchange for  
19 clients that will be ineligible for the medicaid expansion but are  
20 enrolled in coverage that will be eliminated in the transition to the  
21 medicaid expansion.

22 (7)(a) The appropriations to the department of social and health  
23 services in this act shall be expended for the programs and in the  
24 amounts specified in this act. However, after May 1, ((2014)) 2015,  
25 unless specifically prohibited by this act, the department may  
26 transfer general fund—state appropriations for fiscal year ((2014))  
27 2015 among programs after approval by the director of financial  
28 management. However, the department shall not transfer state moneys  
29 that are provided solely for a specified purpose except as expressly  
30 provided in (b) of this subsection.

31 (b) To the extent that transfers under (a) of this subsection are  
32 insufficient to fund actual expenditures in excess of fiscal year  
33 ((2014)) 2015 caseload forecasts and utilization assumptions in the  
34 long-term care, foster care, adoptions support, medicaid personal  
35 care, and child support programs, the department may transfer state  
36 moneys that are provided solely for a specified purpose. The  
37 department shall not transfer funds, and the director of financial  
38 management shall not approve the transfer, unless the transfer is  
39 consistent with the objective of conserving, to the maximum extent  
40 possible, the expenditure of state funds. The director of financial

1 management shall notify the appropriate fiscal committees of the  
2 senate and house of representatives in writing seven days prior to  
3 approving any allotment modifications or transfers under this  
4 subsection. The written notification shall include a narrative  
5 explanation and justification of the changes, along with expenditures  
6 and allotments by budget unit and appropriation, both before and  
7 after any allotment modifications or transfers.

27 The appropriations in this section are subject to the following  
28 conditions and limitations:

29 (1) Within amounts provided for the foster care and adoption  
30 support programs, the department shall control reimbursement  
31 decisions for foster care and adoption support cases such that the  
32 aggregate average cost per case for foster care and for adoption  
33 support does not exceed the amounts assumed in the projected caseload  
34 expenditures.

35 (2) \$668,000 of the general fund—state appropriation for fiscal  
36 year 2014 and \$668,000 of the general fund—state appropriation for

10 management as a condition of the contract.

11 (3) \$538,500 of the general fund—state appropriation for fiscal  
12 year 2014, \$539,500 of the general fund—state appropriation for

15 are provided solely for children's administration to contract with an  
16 educational advocacy provider with expertise in foster care  
17 educational outreach. The amounts in this subsection are provided

20 assure a focus on education during the transition to performance  
21 based contracts. Funding shall be prioritized to regions with high  
22 numbers of foster care youth and/or regions where backlogs of youth  
23 that have formerly requested educational outreach services exist. The  
24 department shall utilize private matching funds to maintain  
25 educational advocacy services.

26 (4) \$10,741,000 of the home security fund—state appropriation is

29 collaborate with service providers in a manner that maintains the  
30 availability and geographic representation of secure and semi-secure  
31 crisis residential centers and HOPE centers. To achieve efficiencies  
32 and increase utilization, the department shall allow the co-location  
33 of these centers, except that a youth may not be placed in a secure  
34 facility or the secure portion of a co-located facility except as  
35 specifically authorized by chapter 13.32A RCW. The reductions to  
36 appropriations in this subsection related to semi-secure crisis  
37 residential centers reflect a reduction to the number of beds for  
38 semi-secure crisis residential centers and not a reduction in rates.  
39 Any secure crisis residential center or semi-secure crisis

1 residential center bed reduction shall not be based solely upon bed  
2 utilization. The department is to exercise its discretion in reducing  
3 the number of beds but to do so in a manner that maintains

6 accountability act grants, the chemical dependency disposition  
7 alternative funds, the mental health disposition alternative, and the  
8 sentencing disposition alternative for the purpose of serving youth  
9 adjudicated in the juvenile justice system. In making the block  
10 grant, the juvenile rehabilitation administration shall follow the  
11 following formula and will prioritize evidence-based programs and  
12 disposition alternatives and take into account juvenile courts  
13 program-eligible youth in conjunction with the number of youth served  
14 in each approved evidence-based program or disposition alternative:  
15 (i) Thirty-seven and one-half percent for the at-risk population of  
16 youth ten to seventeen years old; (ii) fifteen percent for moderate  
17 and high-risk youth; (iii) twenty-five percent for evidence-based  
18 program participation; (iv) seventeen and one-half percent for  
19 minority populations; (v) three percent for the chemical dependency  
20 disposition alternative; and (vi) two percent for the mental health  
21 and sentencing dispositional alternatives. Funding for the special  
22 sex offender disposition alternative (SSODA) shall not be included in  
23 the block grant, but allocated on the average daily population in  
24 juvenile courts. Funding for the evidence-based expansion grants  
25 shall be excluded from the block grant formula. Funds may be used for  
26 promising practices when approved by the juvenile rehabilitation  
27 administration and juvenile courts, through the community juvenile  
28 accountability act committee, based on the criteria established in  
29 consultation with Washington state institute for public policy and  
30 the juvenile courts.

31 (b) The juvenile rehabilitation administration and the juvenile  
32 courts shall establish a block grant funding formula oversight  
33 committee with equal representation from the juvenile rehabilitation  
34 administration and the juvenile courts. The purpose of this committee  
35 is to assess the ongoing implementation of the block grant funding  
36 formula, utilizing data-driven decision making and the most current  
37 available information. The committee will be cochaired by the  
38 juvenile rehabilitation administration and the juvenile courts, who  
39 will also have the ability to change members of the committee as  
40 needed to achieve its purpose. Initial members will include one

1 juvenile court representative from the finance committee, the  
2 community juvenile accountability act committee, the risk assessment  
3 quality assurance committee, the executive board of the Washington  
4 association of juvenile court administrators, the Washington state  
5 center for court research, and a representative of the superior court  
6 judges association; two representatives from the juvenile  
7 rehabilitation administration headquarters program oversight staff,  
8 two representatives of the juvenile rehabilitation administration  
9 regional office staff, one representative of the juvenile  
10 rehabilitation administration fiscal staff and a juvenile  
11 rehabilitation administration division director. The committee may  
12 make changes to the formula categories other than the evidence-based  
13 program and disposition alternative categories if it is determined  
14 the changes will increase statewide service delivery or effectiveness  
15 of evidence-based program or disposition alternative resulting in  
16 increased cost benefit savings to the state. Long-term cost benefit  
17 must be considered. Percentage changes may occur in the evidence-  
18 based program or disposition alternative categories of the formula  
19 should it be determined the changes will increase evidence-based  
20 program or disposition alternative delivery and increase the cost  
21 benefit to the state. These outcomes will also be considered in  
22 determining when evidence-based expansion or special sex offender  
23 disposition alternative funds should be included in the block grant  
24 or left separate.

25 (c) The juvenile courts and administrative office of the courts  
26 shall be responsible for collecting and distributing information and  
27 providing access to the data systems to the juvenile rehabilitation  
28 administration and the Washington state institute for public policy  
29 related to program and outcome data. The juvenile rehabilitation  
30 administration and the juvenile courts will work collaboratively to  
31 develop program outcomes that reinforce the greatest cost benefit to  
32 the state in the implementation of evidence-based practices and  
33 disposition alternatives.

34 (8) The juvenile courts and administrative office of the courts  
35 shall collect and distribute information related to program outcome  
36 and provide access to these data systems to the juvenile  
37 rehabilitation administration and Washington state institute for  
38 public policy. The agreements between administrative office of the  
39 courts, the juvenile courts, and the juvenile rehabilitation  
40 administration shall be executed to ensure that the juvenile

1 rehabilitation administration receives the data that the juvenile  
2 rehabilitation administration identifies as needed to comply with  
3 this subsection. This includes, but is not limited to, information by  
4 program at the statewide aggregate level, individual court level, and  
5 individual client level for the purpose of the juvenile  
6 rehabilitation administration providing quality assurance and  
7 oversight for the locally committed youth block grant and associated  
8 funds and at times as specified by the juvenile rehabilitation  
9 administration as necessary to carry out these functions. The data  
10 shall be provided in a manner that reflects the collaborative work  
11 the juvenile rehabilitation administration and juvenile courts have  
12 developed regarding program outcomes that reinforce the greatest cost  
13 benefit to the state in the implementation of evidence-based  
14 practices and disposition alternatives.

15 (9) \$445,000 of the general fund—state appropriation for fiscal  
16 year 2014 and \$445,000 of the general fund—state appropriation for  
17 fiscal year 2015 are provided solely for funding of the teamchild  
18 project.

19 (10) \$178,000 of the general fund—state appropriation for fiscal  
20 year 2014 and \$178,000 of the general fund—state appropriation for  
21 fiscal year 2015 are provided solely for the juvenile detention  
22 alternatives initiative.

23 (11) \$250,000 of the general fund—state appropriation for fiscal  
24 year 2014 and \$250,000 of the general fund—state appropriation for  
25 fiscal year 2015 are provided solely for a grant program focused on  
26 criminal street gang prevention and intervention. The Washington  
27 state partnership council on juvenile justice may award grants under  
28 this subsection. The council shall give priority to applicants who  
29 have demonstrated the greatest problems with criminal street gangs.  
30 Applicants composed of, at a minimum, one or more local governmental  
31 entities and one or more nonprofit, nongovernmental organizations  
32 that have a documented history of creating and administering  
33 effective criminal street gang prevention and intervention programs  
34 may apply for funding under this subsection.

35 (12) \$400,000 of the general fund—state appropriation for fiscal  
36 year 2015 is provided solely for competitive grants to community-  
37 based organizations to provide at-risk youth intervention services,  
38 including but not limited to, case management, employment services,  
39 educational services, and street outreach intervention programs.

1 Projects funded should focus on preventing, intervening, and  
2 suppressing behavioral problems and violence while linking at-risk  
3 youth to pro-social activities. The costs of administration may not  
4 exceed four percent of appropriated funding for each grant recipient.  
5 Each entity receiving funds must report to the juvenile  
6 rehabilitation administration on the number and types of youth  
7 served, the services provided, and the impact of those services upon  
8 the youth and the community.

14 General Fund—State Appropriation (FY 2014). . . . .	\$328,527,000
15 General Fund—State Appropriation (FY 2015). . . . .	<del>((329,208,000))</del>
16	<u>\$323,005,000</u>
17 General Fund—Federal Appropriation. . . . .	<del>((666,113,000))</del>
18	<u>\$770,476,000</u>
19 General Fund—Private/Local Appropriation. . . . .	\$17,864,000
20 TOTAL APPROPRIATION. . . . .	<del>((1,341,712,000))</del>
21	<u>\$1,439,872,000</u>

22 The appropriations in this subsection are subject to the  
23 following conditions and limitations:

24 (a) \$104,999,000 of the general fund—state appropriation for  
25 fiscal year 2014 and \$88,895,000 of the general fund—state  
26 appropriation for fiscal year 2015 are provided solely for persons  
27 and services not covered by the medicaid program. To the extent  
28 possible, levels of regional support network spending shall be  
29 maintained in the following priority order: Crisis and commitment  
30 services; community inpatient services; and residential care  
31 services, including personal care and emergency housing assistance.  
32 This is a reduction in flexible nonmedicaid funding of \$4,343,000 for  
33 fiscal year 2014 and \$20,446,000 for fiscal year 2015. This reduction  
34 reflects offsets in state funding related to services that will now  
35 be funded with federal dollars through the affordable care act  
36 medicaid expansion. This reduction shall be distributed as follows:

37 (i) The \$4,343,000 reduction in fiscal year 2014 and \$10,223,000  
38 of the reduction in fiscal year 2015 must be distributed among

1 regional support networks based on a formula that equally weights  
2 each regional support networks proportion of individuals who become  
3 newly eligible and enroll in medicaid under the expansion provisions  
4 of the affordable care act in fiscal year 2014 and each regional  
5 support network's spending of flexible nonmedicaid funding on  
6 services that would be reimbursable for federal medicaid matching  
7 funds if provided to medicaid enrollees in the 2011-2013 fiscal  
8 biennium.

9 (ii) The remaining \$10,223,000 reduction in fiscal year 2015 must  
10 be distributed among regional support networks based on each regional  
11 support network's proportion of individuals who become newly eligible  
12 and enroll in medicaid under the expansion provisions of the  
13 affordable care act through fiscal year 2015.

14 (b) \$6,590,000 of the general fund—state appropriation for fiscal  
15 year 2014, \$6,590,000 of the general fund—state appropriation for  
16 fiscal year 2015, and \$7,620,000 of the general fund—federal  
17 appropriation are provided solely for the department and regional  
18 support networks to continue to contract for implementation of high-  
19 intensity programs for assertive community treatment (PACT) teams. In  
20 determining the proportion of medicaid and nonmedicaid funding  
21 provided to regional support networks with PACT teams, the department  
22 shall consider the differences between regional support networks in  
23 the percentages of services and other costs associated with the teams  
24 that are not reimbursable under medicaid. The department may allow  
25 regional support networks which have nonmedicaid reimbursable costs  
26 that are higher than the nonmedicaid allocation they receive under  
27 this section to supplement these funds with local dollars or funds  
28 received under section 204(1)(a) of this act. The department and  
29 regional support networks shall maintain consistency with all  
30 essential elements of the PACT evidence-based practice model in  
31 programs funded under this section.

32 (c) \$5,850,000 of the general fund—state appropriation for fiscal  
33 year 2014, \$5,850,000 of the general fund—state appropriation for  
34 fiscal year 2015, and \$1,300,000 of the general fund—federal  
35 appropriation are provided solely for the western Washington regional  
36 support networks to provide either community- or hospital campus-  
37 based services for persons who require the level of care previously  
38 provided by the program for adaptive living skills (PALS) at western  
39 state hospital.

1 (d) The number of nonforensic beds allocated for use by regional  
2 support networks at eastern state hospital shall be 192 per day. The  
3 number of nonforensic beds allocated for use by regional support  
4 networks at western state hospital shall be 557 per day.

5 (e) From the general fund—state appropriations in this  
6 subsection, the secretary of social and health services shall assure  
7 that regional support networks reimburse the aging and disability  
8 services administration for the general fund—state cost of medicaid  
9 personal care services that enrolled regional support network  
10 consumers use because of their psychiatric disability.

11 (f) The department is authorized to continue to contract  
12 directly, rather than through contracts with regional support  
13 networks, for children's long-term inpatient facility services.

14 (g) \$750,000 of the general fund—state appropriation for fiscal  
15 year 2014 and \$750,000 of the general fund—state appropriation for  
16 fiscal year 2015 are provided solely to continue performance-based  
17 incentive contracts to provide appropriate community support services  
18 for individuals with severe mental illness who were discharged from  
19 the state hospitals as part of the expanding community services  
20 initiative. These funds will be used to enhance community residential  
21 and support services provided by regional support networks through  
22 other state and federal funding.

23 (h) \$1,125,000 of the general fund—state appropriation for fiscal  
24 year 2014 and \$1,125,000 of the general fund—state appropriation for  
25 fiscal year 2015 are provided solely for the Spokane regional support  
26 network to implement services to reduce utilization and the census at  
27 eastern state hospital. Such services shall include:

28 (i) High intensity treatment team for persons who are high  
29 utilizers of psychiatric inpatient services, including those with co-  
30 occurring disorders and other special needs;

31 (ii) Crisis outreach and diversion services to stabilize in the  
32 community individuals in crisis who are at risk of requiring  
33 inpatient care or jail services;

34 (iii) Mental health services provided in nursing facilities to  
35 individuals with dementia, and consultation to facility staff  
36 treating those individuals; and

37 (iv) Services at the sixteen-bed evaluation and treatment  
38 facility.

1 At least annually, the Spokane regional support network shall  
2 assess the effectiveness of these services in reducing utilization at  
3 eastern state hospital, identify services that are not optimally  
4 effective, and modify those services to improve their effectiveness.

5 (i) \$1,529,000 of the general fund—state appropriation for fiscal  
6 year 2014 and \$1,529,000 of the general fund—state appropriation for  
7 fiscal year 2015 are provided solely to reimburse Pierce and Spokane  
8 counties for the cost of conducting 180-day commitment hearings at  
9 the state psychiatric hospitals.

10 (j) Regional support networks may use local funds to earn  
11 additional federal medicaid match, provided the locally matched rate  
12 does not exceed the upper-bound of their federally allowable rate  
13 range, and provided that the enhanced funding is used only to provide  
14 medicaid state plan or waiver services to medicaid clients.  
15 Additionally, regional support networks may use a portion of the  
16 state funds allocated in accordance with (a) of this subsection to  
17 earn additional medicaid match, but only to the extent that the  
18 application of such funds to medicaid services does not diminish the  
19 level of crisis and commitment, community inpatient, residential  
20 care, and outpatient services presently available to persons not  
21 eligible for medicaid.

22 (k) \$3,436,000 of the general fund—state appropriation for fiscal  
23 year 2014 and \$2,291,000 of the general fund—state appropriation for  
24 fiscal year 2015 are provided solely for mental health services for  
25 mentally ill offenders while confined in a county or city jail and  
26 for facilitating access to programs that offer mental health services  
27 upon release from confinement.

28 (l) \$523,000 of the general fund—state appropriation for fiscal  
29 year 2014, \$775,000 of the general fund—state appropriation for  
30 fiscal year 2015, and \$854,000 of the general fund—federal  
31 appropriation are provided solely for implementation of sections 3  
32 through 5 of chapter 289, Laws of 2013 (E2SHB 1114). Regional support  
33 networks must use this funding for the development of intensive  
34 community programs that allow individuals to be diverted or  
35 transitioned from the state hospitals in accordance with plans  
36 approved by the department.

37 (m) \$5,986,000 of the general fund—state appropriation for fiscal  
38 year 2014, \$11,592,000 of the general fund—state appropriation for  
39 fiscal year 2015, and \$10,160,000 of the general fund—federal

1 appropriation are provided solely for implementation of chapter 335,  
2 Laws of 2013 (ESSB 5480). Regional support networks must use this  
3 funding for the development of intensive community programs that  
4 allow individuals to be diverted or transitioned from the state  
5 hospitals in accordance with plans approved by the department.

6 (n) Due to recent approval of federal medicaid matching funds for  
7 the disability lifeline and the alcohol and drug abuse treatment  
8 support act programs, the department shall charge regional support  
9 networks for only the state share rather than the total cost of  
10 community psychiatric hospitalization for persons enrolled in those  
11 programs.

12 (o) The legislature finds that the circumstances of the Chelan-  
13 Douglas regional support network (CD-RSN) make it necessary for CD-  
14 RSN to undergo restructuring in order to provide mental health  
15 services essential to the health and wellness of the citizens within  
16 its service area. The legislature intends to provide additional  
17 temporary financial relief to the CD-RSN while it undergoes internal  
18 restructuring or negotiates a merger with another regional support  
19 network.

20 The department shall negotiate relief for outstanding fiscal year  
21 2013 reimbursements owed by CD-RSN to the state provided that the CD-  
22 RSN has a plan in place that is approved by the department by August  
23 1, 2013, that demonstrates how CD-RSN will maintain financial  
24 viability and stability or will merge with another regional support  
25 network.

26 For the period of July 1, 2013, through December 31, 2013, the  
27 department may alter collection of reimbursement from CD-RSN for  
28 overuse of state hospital beds. To receive a reduction to the  
29 required reimbursement for overuse of state hospital beds, CD-RSN  
30 must continue to prioritize services that reduce its utilization and  
31 census at eastern state hospital and be actively implementing an  
32 approved plan to maintain financial viability or pursuing a future  
33 merger with another regional support network. Up to \$298,000 of the  
34 general fund—state appropriation for fiscal year 2014 is for the  
35 department to provide payments to regional support networks in  
36 eastern Washington which have used less than their allocated or  
37 contracted patient days of care at the state hospital to replace the  
38 share of the reimbursements from CD-RSN that the regional support  
39 networks would have received under RCW 71.24.320.

1 (p) \$266,000 of the general fund—state appropriation for fiscal  
2 year 2014 and \$1,500,000 of the general fund—state appropriation for  
3 fiscal year 2015 are provided solely to maintain services for the  
4 King county regional support network as it works to transition  
5 services to settings that are eligible for federal participation for  
6 individuals covered under the medicaid program.

7 (q) Within the amounts appropriated in this section, funding is  
8 provided for the department to develop and phase in intensive mental  
9 health services for high needs youth consistent with the settlement  
10 agreement in *T.R. v. Dreyfus and Porter*.

11 (r) \$7,281,000 of the general fund—state appropriation for fiscal  
12 year 2015 and \$4,589,000 of the general fund—federal appropriation  
13 are provided solely for enhancement of community mental health  
14 services. The department must contract these funds for the operation  
15 of community programs in which the department determines there is a  
16 need for capacity that allows individuals to be diverted or  
17 transitioned from the state hospitals including but not limited to:  
18 (i) Community hospital or free standing evaluation and treatment  
19 services providing short-term detention and commitment services under  
20 the involuntary treatment act to be located in the geographic areas  
21 of the King regional support network, the Spokane regional support  
22 network outside of Spokane county, and the Thurston Mason regional  
23 support network; (ii) one new full program of an assertive community  
24 treatment team in the King regional support network and two new half  
25 programs of assertive community treatment teams in the Spokane  
26 regional support network and the Pierce regional support network; and  
27 (iii) three new recovery support services programs in the Grays  
28 Harbor regional support network, the greater Columbia regional  
29 support network, and the north sound regional support network. In  
30 contracting for community evaluation and treatment services, the  
31 department may not use these resources in facilities that meet the  
32 criteria to be classified under federal law as institutions for  
33 mental diseases. If the department is unable to come to a contract  
34 agreement with a designated regional support network for any of the  
35 services identified above, it may consider contracting for that  
36 service in another regional support network that has the need for  
37 such service.

29 housekeepers, laundry aides, or any other category of worker whose  
30 statewide average dollars-per-hour wage was less than \$15 in calendar  
31 year 2008, according to cost report data. The add-on may also be used  
32 to address resulting wage compression for related job classes  
33 immediately affected by wage increases to low-wage workers. For  
34 fiscal year 2015 within funds provided, the department shall provide  
35 an additional add-on per medicaid resident day per facility not to  
36 exceed the industry weighted average rate of \$2.44. The add-on shall  
37 be used to increase wages, benefits, and/or staffing levels for

12 the comparative add-on, acuity add-on, and safety net reimbursement,  
13 to the facility-based payment rates in effect June 30, 2010. If the  
14 facility-based payment rate calculated on July 1, 2014, is smaller  
15 than the facility-based payment rate on June 30, 2010, then the  
16 difference shall be provided to the individual nursing facilities as  
17 an add-on payment per medicaid resident day.

18 (c) During the comparative analysis performed in subsection (b)  
19 of this section, if it is found that the direct care rate for any  
20 facility calculated using the payment methodology defined in chapter  
21 74.46 RCW and as funded in the omnibus appropriations act, excluding  
22 the low wage worker add-on found in (a) of this subsection, the rate  
23 add-ons for direct care, support services, and therapy care found in

25 safety net reimbursement, is greater than the direct care rate in  
26 effect on June 30, 2010, then the facility shall receive a ten  
27 percent direct care rate add-on to compensate that facility for  
28 taking on more acute clients than they have in the past.

29 (d) The department shall provide a medicaid rate add-on to  
30 reimburse the medicaid share of the skilled nursing facility safety  
31 net assessment as a medicaid allowable cost. The nursing facility  
32 safety net rate add-on may not be included in the calculation of the  
33 annual statewide weighted average nursing facility payment rate.

35 to the reconciliation and settlement process provided in RCW  
36 74.46.022(6).

37 (f) If the waiver requested from the federal centers for medicare  
38 and medicaid services in relation to the safety net assessment is for  
39 any reason disapproved, (b), (c), (d), (g), and the fiscal year 2015  
40 additional add-on in (a) of this subsection do not apply.

10 issue no additional certificates of capital authorization for fiscal  
11 year 2014 and no new certificates of capital authorization for fiscal  
12 year 2015 and shall grant no rate add-ons to payment rates for  
13 capital improvements not requiring a certificate of need and a  
14 certificate of capital authorization for fiscal years 2014 and 2015.

15 (3) In accordance with RCW 18.51.050, 18.20.050, 70.128.060, and  
16 43.135.055, the department is authorized to increase nursing  
17 facility, assisted living facility, and adult family home fees as  
18 necessary to fully support the actual costs of conducting the  
19 licensure, inspection, and regulatory programs. The license fees may  
20 not exceed the department's annual licensing and oversight activity  
21 costs and shall include the department's cost of paying providers for  
22 the amount of the license fee attributed to medicaid clients.

23 (a) The current annual renewal license fee for adult family homes  
24 shall be increased to \$225 per bed beginning in fiscal year 2014 and  
25 \$225 per bed beginning in fiscal year 2015. A processing fee of  
26 \$2,750 shall be charged to each adult family home when the home is  
27 initially licensed. This fee is nonrefundable.

28 (b) The current annual renewal license fee for assisted living  
29 facilities shall be increased to \$106 per bed beginning in fiscal  
30 year 2014 and \$106 per bed beginning in fiscal year 2015.

10 support the costs of the regulatory program. The department's fee  
11 schedule shall have differential rates for providers with proof of  
12 accreditation from organizations that the department has determined  
13 to have substantially equivalent standards to those of the  
14 department, including but not limited to the joint commission on  
15 accreditation of health care organizations, the commission on  
16 accreditation of rehabilitation facilities, and the council on  
17 accreditation. To reflect the reduced costs associated with  
18 regulation of accredited programs, the department's fees for  
19 organizations with such proof of accreditation must reflect the lower  
20 cost of licensing for these programs than for other organizations  
21 which are not accredited.

22 (4) \$3,500,000 of the general fund—federal appropriation (from

30 claim federal match for services provided to medicaid clients or  
31 individuals covered under the department's section 1115 medicaid  
32 waiver. The department may conduct a request for proposal process to  
33 fulfill this requirement and adopt rates that are comparable to the  
34 pilot projects implemented in the 2011-13 fiscal biennium. The  
35 department may use these funds to assist with the costs of providers  
36 in setting up or converting to 16-bed facilities. This funding may  
37 also be used for providers that are developing new capacity for  
38 clients who will become eligible for services under the affordable  
39 care act medicaid expansion. The number of beds available for  
40 pregnant and parenting women must not be reduced.

1 (6) \$141,000 of the general fund—state appropriation for fiscal

8 nonmedicaid clients and the impact to providers as previously  
9 uninsured clients become eligible for services through the medicaid  
10 expansion under the federal patient protection and affordable care  
11 act. By December 1, 2014, the department must submit a report to the  
12 legislature which provides: (a) The estimated impact on providers for  
13 each type of medicaid reimbursable service as newly eligible clients  
14 shift from nonmedicaid to medicaid rates; (b) identification of which  
15 types of providers will be most significantly impacted by these  
16 shifts; (c) identification of the estimated annual costs for  
17 increasing rates for each level of service; and (d) a summary of  
18 federal requirements that must be considered in determining how any  
19 future rate increase must be implemented.

20 (8) \$33,000 of the general fund—state appropriation for fiscal  
21 year 2015 and \$29,000 of the general fund—federal appropriation are  
22 provided solely to expand access to a program located in a county  
23 with a population over 700,000 that provides case management and  
24 coordinating services for low-income women who are pregnant or  
25 parenting and have a suspected history of alcohol or drug abuse.

26 (9) Within existing appropriations, the department shall  
27 prioritize the prevention and treatment of intravenous, opiate-based

30 The appropriations in this section are subject to the following  
31 conditions and limitations:

32 (1) ~~(( \$1,900,484,000 of the general fund federal appropriation is  
33 provided solely))~~ Sufficient amounts are appropriated in this section  
34 to implement the medicaid expansion as defined in the social security  
35 act, section 1902(a)(10)(A)(i)(VIII), subject to the conditions and  
36 limitations in this subsection. If the federal medical assistance  
37 percentage for the medicaid expansion falls below the percentages in  
38 section 1905(y) of the social security act as of July 1, 2013, the

1 authority shall ensure that the state does not incur any additional  
2 state costs above what would have been incurred had the federal  
3 medical assistance percentages remained at the percentages in section  
4 1905(y) as of July 1, 2013. The director is authorized to make any  
5 necessary program adjustments to comply with this requirement,  
6 including adding or adjusting premiums, modifying benefits, or  
7 reducing optional programs. To the extent a waiver is needed to  
8 accomplish this, the director shall promptly apply for such waiver.  
9 If a necessary waiver is not approved, the medicaid expansion program  
10 shall be terminated upon appropriate notification to the legislature  
11 and enrollees.

12 (2) The requirements of this subsection apply to the basic health  
13 plan. This subsection is null and void and has no further effect upon  
14 implementation of the medicaid expansion under subsection (1) of this  
15 section.

16 (a) Within amounts appropriated in this section and sections 205  
17 and 206 of this act, the health care authority shall continue to  
18 provide an enhanced basic health plan subsidy for foster parents  
19 licensed under chapter 74.15 RCW and workers in state-funded home  
20 care programs. Under this enhanced subsidy option, foster parents  
21 eligible to participate in the basic health plan as subsidized  
22 enrollees and home care workers with family incomes below 200 percent  
23 of the federal poverty level shall be allowed to enroll in the basic  
24 health plan at the minimum premium amount charged to enrollees with  
25 incomes below sixty-five percent of the federal poverty level.

26 (b) The health care authority shall require organizations and  
27 individuals that are paid to deliver basic health plan services and  
28 that choose to sponsor enrollment in the subsidized basic health plan  
29 to pay 133 percent of the premium amount which would otherwise be due  
30 from the sponsored enrollees.

31 (c) The administrator shall take at least the following actions  
32 to assure that persons participating in the basic health plan are  
33 eligible for the level of assistance they receive: (a) Require  
34 submission of (i) income tax returns, and recent pay history, from  
35 all applicants, or (ii) other verifiable evidence of earned and  
36 unearned income from those persons not required to file income tax  
37 returns; (b) check employment security payroll records at least once  
38 every twelve months on all enrollees; (c) require enrollees whose  
39 income as indicated by payroll records exceeds that upon which their  
40 subsidy is based to document their current income as a condition of

1 continued eligibility; (d) require enrollees for whom employment  
2 security payroll records cannot be obtained to document their current  
3 income at least once every six months; (e) not reduce gross family  
4 income for self-employed persons by noncash-flow expenses such as,  
5 but not limited to, depreciation, amortization, and home office  
6 deductions, as defined by the United States internal revenue service;  
7 and (f) pursue repayment and civil penalties from persons who have  
8 received excessive subsidies, as provided in RCW 70.47.060(9).

9 (d) Enrollment in the subsidized basic health plan shall be  
10 limited to only include persons who qualify as subsidized enrollees  
11 as defined in RCW 70.47.020 and who (a) qualify for services under  
12 1115 medicaid demonstration project number 11-W-00254/10; or (b) are  
13 foster parents licensed under chapter 74.15 RCW.

14 (3) The legislature finds that medicaid payment rates, as  
15 calculated by the health care authority pursuant to the  
16 appropriations in this act, bear a reasonable relationship to the  
17 costs incurred by efficiently and economically operated facilities  
18 for providing quality services and will be sufficient to enlist  
19 enough providers so that care and services are available to the  
20 extent that such care and services are available to the general  
21 population in the geographic area. The legislature finds that the  
22 cost reports, payment data from the federal government, historical  
23 utilization, economic data, and clinical input constitute reliable  
24 data upon which to determine the payment rates.

25 (4) Based on quarterly expenditure reports and caseload  
26 forecasts, if the health care authority estimates that expenditures  
27 for the medical assistance program will exceed the appropriations,  
28 the health care authority shall take steps including but not limited  
29 to reduction of rates or elimination of optional services to reduce  
30 expenditures so that total program costs do not exceed the annual  
31 appropriation authority.

32 (5) In determining financial eligibility for medicaid-funded  
33 services, the health care authority is authorized to disregard  
34 recoveries by Holocaust survivors of insurance proceeds or other  
35 assets, as defined in RCW 48.104.030.

36 (6) The legislature affirms that it is in the state's interest  
37 for Harborview medical center to remain an economically viable  
38 component of the state's health care system.

39 (7) When a person is ineligible for medicaid solely by reason of  
40 residence in an institution for mental diseases, the health care

1 authority shall provide the person with the same benefits as he or  
2 she would receive if eligible for medicaid, using state-only funds to  
3 the extent necessary.

4 (8) \$4,261,000 of the general fund—state appropriation for fiscal  
5 year 2014, \$4,261,000 of the general fund—state appropriation for

10 year 2014, \$200,000 of the general fund—state appropriation for

20 year 2014 and \$50,000 of the general fund—state appropriation for  
21 fiscal year 2015 are provided solely for grants to rural hospitals in  
22 Clallam county that were certified by the centers for medicare and  
23 medicaid services as sole community hospitals as of January 1, 2013,  
24 with less than one hundred fifty acute care licensed beds in fiscal  
25 year 2011. The authority shall discontinue these payments on January  
26 1, 2015.

27 (11) \$100,000 of the general fund—state appropriation for fiscal  
28 year 2015 and \$100,000 of the general fund—federal appropriation are  
29 provided solely for disproportionate share hospital payments  
30 beginning on January 1, 2015, to rural hospitals in Lewis county that

4 care authority shall provide disproportionate share hospital payments  
5 to hospitals that provide services to children in the children's  
6 health program who are not eligible for services under Title XIX or  
7 XXI of the federal social security act due to their citizenship  
8 status.

9 (14) \$6,000,000 of the general fund—federal appropriation is  
10 provided solely for supplemental payments to nursing homes operated  
11 by public hospital districts. The public hospital district shall be

14 allowable under federal rules. It is the legislature's intent that  
15 the payments shall be supplemental to and shall not in any way offset  
16 or reduce the payments calculated and provided in accordance with  
17 part E of chapter 74.46 RCW. It is the legislature's further intent  
18 that costs otherwise allowable for rate-setting and settlement

21 nursing home from these supplemental payments. The supplemental  
22 payments are subject to retrospective interim and final cost  
23 settlements based on the nursing homes' as-filed and final medicare  
24 cost reports. The timing of the interim and final cost settlements  
25 shall be at the health care authority's discretion. During either the  
26 interim cost settlement or the final cost settlement, the health care  
27 authority shall recoup from the public hospital districts the  
28 supplemental payments that exceed the medicaid cost limit and/or the  
29 medicare upper payment limit. The health care authority shall apply  
30 federal rules for identifying the eligible incurred medicaid costs  
31 and the medicare upper payment limit.

32 (15) The health care authority shall continue the inpatient  
33 hospital certified public expenditures program for the 2013-2015

35 including those owned or operated by the state, except those  
36 classified as critical access hospitals or state psychiatric  
37 institutions. The health care authority shall submit reports to the  
38 governor and legislature by November 1, 2013, and by November 1,  
39 2014, that evaluate whether savings continue to exceed costs for this  
40 program. If the certified public expenditures (CPE) program in its

1 current form is no longer cost-effective to maintain, the health care  
2 authority shall submit a report to the governor and legislature  
3 detailing cost-effective alternative uses of local, state, and  
4 federal resources as a replacement for this program. During fiscal  
5 year 2014 and fiscal year 2015, hospitals in the program shall be  
6 paid and shall retain one hundred percent of the federal portion of  
7 the allowable hospital cost for each medicaid inpatient fee-for-  
8 service claim payable by medical assistance and one hundred percent  
9 of the federal portion of the maximum disproportionate share hospital  
10 payment allowable under federal regulations. Inpatient medicaid  
11 payments shall be established using an allowable methodology that  
12 approximates the cost of claims submitted by the hospitals. Payments  
13 made to each hospital in the program in each fiscal year of the  
14 biennium shall be compared to a baseline amount. The baseline amount  
15 will be determined by the total of (a) the inpatient claim payment  
16 amounts that would have been paid during the fiscal year had the  
17 hospital not been in the CPE program based on the reimbursement rates  
18 developed, implemented, and consistent with policies approved in the  
19 2013-2015 biennial operating appropriations act and in effect on July  
20 1, 2013, (b) one-half of the indigent assistance disproportionate  
21 share hospital payment amounts paid to and retained by each hospital  
22 during fiscal year 2005, and (c) all of the other disproportionate  
23 share hospital payment amounts paid to and retained by each hospital  
24 during fiscal year 2005 to the extent the same disproportionate share  
25 hospital programs exist in the 2013-2015 fiscal biennium. If payments  
26 during the fiscal year exceed the hospital's baseline amount, no  
27 additional payments will be made to the hospital except the federal  
28 portion of allowable disproportionate share hospital payments for  
29 which the hospital can certify allowable match. If payments during  
30 the fiscal year are less than the baseline amount, the hospital will  
31 be paid a state grant equal to the difference between payments during  
32 the fiscal year and the applicable baseline amount. Payment of the  
33 state grant shall be made in the applicable fiscal year and  
34 distributed in monthly payments. The grants will be recalculated and  
35 redistributed as the baseline is updated during the fiscal year. The  
36 grant payments are subject to an interim settlement within eleven  
37 months after the end of the fiscal year. A final settlement shall be  
38 performed. To the extent that either settlement determines that a  
39 hospital has received funds in excess of what it would have received  
40 as described in this subsection, the hospital must repay the excess

1 amounts to the state when requested. \$11,928,000 of the general fund—  
2 state appropriation for fiscal year 2014 and (~~(\$14,821,000)~~)

36 and federal children's health insurance program shall be equal.

23 act. The total state match for enrollees who are dually-eligible for  
24 both medicare and medicaid and not enrolled in managed care shall be  
25 no more than the net savings to the state from the enhanced match  
26 rate for its medicaid-only managed care enrollees under section 2703.

30 authority may seek, receive, and spend, under RCW 43.79.260 through  
31 43.79.282, federal moneys not anticipated in this act as long as the  
32 federal funding does not require expenditure of state moneys for the  
33 program in excess of amounts anticipated in this act. If the health  
34 care authority receives unanticipated unrestricted federal moneys,  
35 those moneys shall be spent for services authorized in this act or in  
36 any other legislation providing appropriation authority, and an equal  
37 amount of appropriated state general fund moneys shall lapse. Upon  
38 the lapsing of any moneys under this subsection, the office of  
39 financial management shall notify the legislative fiscal committees.

1 As used in this subsection, "unrestricted federal moneys" includes  
2 block grants and other funds that federal law does not require to be  
3 spent on specifically defined projects or matched on a formula basis  
4 by state funds.

21 insurance pool administrator shall transfer \$20,838,000 of pool  
22 contributions to the treasurer for deposit into the health benefit  
23 exchange account in calendar year 2014. The receipt and use of  
24 medicaid funds provided to the health benefit exchange from the  
25 health care authority are subject to compliance with state and  
26 federal regulations and policies governing the Washington apple  
27 health programs, including timely and proper application,  
28 eligibility, and enrollment procedures. Within the amounts provided  
29 in this subsection, \$321,000 of the health benefit exchange account—  
30 state appropriation and \$688,000 of the general fund—federal  
31 appropriation are provided solely for print services and postage for

35 authority shall continue to provide coverage after December 31, 2013,  
36 for pregnant teens that qualify under existing pregnancy medical  
37 programs, but whose eligibility for pregnancy related services would  
38 otherwise end due to the application of the new modified adjusted  
39 gross income eligibility standard.

1 (44) Sufficient amounts are appropriated in this section to  
2 restore medicaid coverage under the breast and cervical cancer  
3 treatment program.

4 (45) \$40,000 of the general fund—state appropriation for fiscal  
5 year 2014 and \$40,000 of the general fund—federal appropriation are

7 adequate oversight and assistance to managed care organizations,  
8 rural health clinics, and federally qualified health centers under a  
9 new administratively streamlined payment methodology. Effective July  
10 1, 2013, or upon obtaining any necessary federal approval, but in no  
11 case during the first quarter of a calendar year, the authority shall  
12 implement an administratively streamlined payment methodology for  
13 federally qualified health centers and rural health clinics. The  
14 authority's payments to managed care organizations shall include the  
15 full encounter payment comprised of both the standard and enhancement  
16 payments for federally qualified health centers and rural health  
17 clinics as defined in the medicaid state plan and in accordance with  
18 section 1902(bb) of the social security act (42 U.S.C. 1396a(bb)). At  
19 no time will a managed care organization be at risk for or have any  
20 claim to the supplemental payment portion of the rate which will be  
21 reconciled to ensure accurate payment and full pass through of the  
22 obligated funds. For any services eligible for encounter payments, as  
23 defined in the medicaid state plan, managed care organizations shall  
24 be required to pay at least the full published encounter rates  
25 directly to each clinic or center, and payments will be reconciled on  
26 at least an annual basis between the managed care organization and  
27 the authority, with final review and approval by the authority. At  
28 the option of any clinic, the enhancement payment can be received  
29 from the managed care organization on a per member per month basis  
30 for all assigned managed care enrollees in an amount prescribed by  
31 the authority. Nothing in this section is intended to disrupt  
32 mutually agreeable contractual arrangements between managed care  
33 organizations and clinics that impact how the standard payment for  
34 services is paid. The authority will require participating managed  
35 care organizations to reimburse federally qualified health centers  
36 and rural health clinics for clean claims in strict adherence to the  
37 timeliness of payment standards established under contract and  
38 specified for the medicaid fee-for-service program in section  
39 1902(a)(37) of the social security act (42 U.S.C. 1396a(a)(37)), 42  
40 C.F.R. Sec. 447.46, and specified for health carriers in WAC

1 284-43-321. The authority shall exercise all necessary options under  
2 its existing sanctions policy to enforce timely payment of claims.  
3 The authority shall ensure necessary staff and resources are  
4 identified to actively monitor and enforce the timeliness and  
5 accuracy of payments to federally qualified health centers and rural  
6 health clinics. By January 1, 2014, and after collaboration with  
7 federally qualified health centers, rural health clinics, managed  
8 care plans, and the centers for medicare and medicaid services, the  
9 authority will produce a report that provides options for a new  
10 payment methodology that rewards innovation and outcomes over volume  
11 of services delivered, and which maintains the integrity of the rural  
12 health clinic and federally qualified health center programs as  
13 outlined under federal law. The report will detail necessary federal  
14 authority for implementation and provide the benefits and drawbacks  
15 of each option.

16 (46) \$3,605,000 of the general fund—state appropriation for  
17 fiscal year 2014 is provided solely to proportionally reduce the  
18 amounts that rural health clinics owe the state under the calendar  
19 year 2009 recoupment.

20 (47) Sufficient amounts are appropriated in this section to  
21 remove the mental health visit limit and to provide the shingles

23 benefits that are available in the medicaid alternative benefit plan  
24 in the current medicaid benefit plan beginning January 1, 2014.

25 (48) The appropriations in this section reflect savings and  
26 efficiencies achieved by modifying dispensing methods of  
27 contraceptive drugs. The authority must make arrangements for all  
28 medicaid programs offered through managed care plans or fee-for-  
29 service programs to require dispensing of contraceptive drugs with a  
30 one-year supply provided at one time unless a patient requests a  
31 smaller supply or the prescribing physician instructs that the  
32 patient must receive a smaller supply. Contracts with managed care  
33 plans must allow on-site dispensing of the prescribed contraceptive  
34 drugs at family planning clinics. Dispensing practices must follow  
35 clinical guidelines for appropriate prescribing and dispensing to  
36 ensure the health of the patient while maximizing access to effective  
37 contraceptive drugs.

3 assistance program and possible implementation of the federal basic  
4 health option. \$75,000 of the amounts appropriated in this subsection  
5 is provided solely for the development of options related to the  
6 targeted premium assistance program. The authority shall develop  
7 options for a waiver request to the federal centers for medicare and  
8 medicaid services to implement a targeted premium assistance program  
9 for the expansion adults, identified in section  
10 1902(a)(10)(A)(i)(VIII) of the social security act, with incomes  
11 above one hundred percent of the federal poverty level, and for  
12 children covered in the children's health insurance program with  
13 incomes above two hundred percent of the federal poverty level, with  
14 a goal of providing seamless coverage through the health benefit  
15 exchange and improving opportunities for families to be covered in  
16 the same health plans. The options must include the possibility of  
17 applying premiums for individuals and cost-sharing that may exceed  
18 the five percent of family income cap under federal law, and the

30 that medical payments conform to the department's offender health  
31 plan, pharmacy formulary, and all off-site medical expenses are  
32 preapproved by department utilization management staff.

33 (g)(i) The legislature finds that it has taken several steps to  
34 mitigate the demand for prison capacity including funding evidence-  
35 based programming for offenders which is proven to reduce recidivism,  
36 funding evidence-based treatment alternatives to incarceration for  
37 drug-addicted offenders, standardizing inconsistencies in the drug  
38 sentencing grid, and authorizing the department to rent local jail

18 to the extent that it is at no net cost to the department. The  
19 department shall calculate and report the average cost per offender  
20 per day, inclusive of all services, on an annual basis for a facility  
21 that is representative of average medium or lower offender costs. The  
22 duration of the contracts may be for up to four years. The department  
23 shall not pay a rate greater than \$65 per day per offender for all  
24 costs associated with the offender while in the local correctional  
25 facility to include programming and health care costs, or the  
26 equivalent of \$65 per day per bed including programming and health  
27 care costs for full units. The capacity provided at local  
28 correctional facilities must be for offenders whom the department of  
29 corrections defines as medium or lower security offenders.  
30 Programming provided for inmates held in local jurisdictions is  
31 included in the rate, and details regarding the type and amount of  
32 programming, and any conditions regarding transferring offenders will  
33 be negotiated with the department as part of any contract. Local  
34 jurisdictions must provide health care to offenders that meet  
35 standards set by the department. The local jail will provide all  
36 medical care including unexpected emergent care. The department must  
37 utilize a screening process to ensure that offenders with existing  
38 extraordinary medical/mental health needs are not transferred to  
39 local jail facilities. If extraordinary medical conditions develop  
40 for an inmate while at a jail facility the jail may transfer the

1 offender back to the department, subject to terms of the negotiated  
2 agreement. Health care costs incurred prior to transfer will be the  
3 responsibility of the jail. The department will report to legislative

38 superintendent shall allocate funding to school district programs for

1 the transportation of eligible students as provided in RCW  
2 28A.160.192. Funding in this section for school year 2014-15  
3 constitutes full implementation of RCW 28A.160.192, which enhancement  
4 is within the program of basic education. Students are considered  
5 eligible only if meeting the definitions provided in RCW 28A.160.160.

10 previous school year to the school district in which the charter  
11 school is located and the number of eligible students in the  
12 district, and must be distributed to the charter school based on the  
13 number of eligible students.

35 may not exceed the total appropriation provided in this subsection  
36 for fiscal year 2015. Adjustments also may not exceed the difference

7 provide reimbursement funding to a school district for school bus  
8 purchases only after the superintendent of public instruction  
9 determines that the school bus was purchased from the list  
10 established pursuant to RCW 28A.160.195(2) or a comparable  
11 competitive bid process based on the lowest price quote based on  
12 similar bus categories to those used to establish the list pursuant  
13 to RCW 28A.160.195.

14 (6) The superintendent of public instruction shall base

16 five-year average of lowest bids in the appropriate category of bus.  
17 In the final year on the depreciation schedule, the depreciation  
18 payment shall be based on the lowest bid in the appropriate bus
