1. Community Health Centers/I-502

Initiative 502, passed by voters in 2012, authorizes the regulation, sale, and taxation of marijuana for adults over the age of 21. The initiative directed a portion of the tax revenue to fund primary, dental, migrant, and maternity health care services through contracts with community health centers. Health Care Authority will use the tax revenue in lieu of state general fund payments to community health centers for services provided to medical assistance clients. (General Fund-State; Dedicated Marijuana Account-State)

(General Fund-State; Basic Health Plan Trust Account-Non-Appr)

1. Lease Rate

Adjustments are made for variances found in the reconciliation of multiple budget steps, including compensation for Administrative, Information Support Services Division and Consolidated Field Services staff that were inadvertently left out of the compensation impact model; leased facilities who were incorrectly funded at the carry-forward level of the budget; and net zero, category transfers between agency programs.
