March 6, 2018 Senate Committee Services Office of Program Research

OVERVIEW

RESERVED BOND CAPACITY

Of the \$211.4 million in remaining bond capacity available under the 2017-19 bond authorization, ESSB 6095 appropriates \$198 million, leaving approximately \$13.4 million in bond capacity reserved for the 2019 second supplemental budget.

The increased amount also provides additional funding for nine school projects for escalated costs due to delays in school construction in fiscal year 2018.
- A total of \$24.3 million is provided to three school districts for Distressed School grants. \$10 million is for the Toledo School District to construct a new high school and modernize the existing high school gym.
