SENATE PROPOSED 2020 SUPPLEMENTAL CAPITAL BUDGET

Bond Capacity and Appropriations

Bond Capacity

A model administered by the State Treasurer's Office is used to calculate the available bond capacity for the current budgeting period and for future borrowing. The model calculates the actual debt service on outstanding bonds and estimates future debt service based on certain assumptions, including revenue growth, interest rates, rate of repayments, rate of bond issuance, growth of future capital budgets and other factors.

The 2019-21 biennium bond authorization is \$3.2 billion (Chapter 414, Laws of 2019, SHB 1101); the bond authority from this bill and capacity remaining from the 2017-19 biennium is \$3.261 billion. The bond capacity was \$2.93 billion in the 2017-19 biennium.

Appropriations for 2019-21 and the 2020 Supplemental Budget

The 2019-21 Enacted Capital Budget (Chapter 413, Laws of 2019, SHB 1101) appropriated \$3.183 billion. Engrossed Substitute Senate Bill (ESSB) 6248 appropriates \$65 million in bond proceeds for the 2020 supplemental capital budget. In addition, ESSB 6248 authorizes \$131 million alternative financing for three projects including a Nursing Facility Replacement at Fircrest School for the Department of Social and Health Services. \$13.6 million in bond capacity remains from ESSB 6248.

Human Services

Fircrest School -- Nursing Facility (\$120 million)

- \$118 million in alternative financing authority is provided to design and construct a 100-bed skilled nursing facility on the existing site of the adult training program on the Fircrest School campus.
- \$2.0 million in state bonds are appropriated to relocate the adult training program to a different location on the campus. DSHS is required to review all alternatives for the permanent relocation of the adult training program, including repurposing the existing nursing facility buildings once residents have been relocated to the new facility and report their findings and recommendations to the Governor and the Legislature by December 1, 2020.
- Legislative intent is expressed to further the recommendations of the December 2019 report from the William D. Ruckleshaus center to redesign the intermediate care facility to function as short-term crisis stabilization and intervention.
- DSHS is given authority to enter into a lease with the City of Shoreline for open space and other uses to generate revenue for the Dan Thompson Memorial Trust Account.
- DSHS and DNR are given authority to enter into long-term, revenue generating opportunities to benefit the Charitable, Educational, Penal, and Reformatory Trust for the benefit of the developmental disabilities community.

Rainier School

• \$2.1 million in bond funding is provided for roof repairs at Rainier School.

Behavioral Health (\$2 million)

- \$2 million is provided for upgrades and improvements to Parkside Place, an existing property in Wenatchee for 16 crisis stabilization beds and 16 adult residential treatment beds.
- \$20 million in savings attributable to not proceeding with mixed-use psychiatric facility in Auburn.

Other Institutional Investments (\$5.4 million)

- \$3 million is provided for replacement of the main dock and docking system on McNeil Island to serve the DSHS Special Commitment Center.
- \$2.4 million is provided for design of renovations at the Department of Corrections facilities at the Monroe Correctional Complex; construction funding in the 2021-23 biennium is projected to be \$21 million.
- \$1.5 million for predesign and/or design of additional capacity for the Department of Children, Youth, and Families.

K-12 Education

The supplemental budget provides \$19.8 million in bond proceeds and \$53.5 million in other funds for K-12 school construction and modernization.

Major investments include:

- \$53.5 million from the Common School Construction Account for the School Construction Assistance Program (SCAP) to fund 65 construction and renovation projects in 39 school districts. Total biennium funding for the SCAP program is \$1.1 billion, of which \$879 million is bond proceeds.
- \$15 million to initiate a grant program to retrofit K-12 school buildings for seismic safety improvements.
- \$3.3 million for modernization grants to small school districts; the budget approves the list of projects selected by the Office of the Superintendent of Public Instruction consistent with the direction in the 2019-21 budget.
- \$1.8 million to the distressed schools grants program for two projects in Seattle, two projects in Tacoma, and one in Port Orchard.

Government Operations

Homelessness Shelter Capacity and Preserving Housing Affordability (\$25 million)

\$25 million is provided for enhanced homeless shelters and affordable housing, including:

• \$15 million for grants to increase local enhanced shelter capacity, and;

• \$10 million to rapidly preserve housing that is at risk of losing affordability.

Local & Community Projects (\$13.5 million)

\$13.5 million is provided for the Department of Commerce to make grants to local governments and nonprofit organizations statewide for a broad range of 77 community-based projects.

Other State Facilities (\$5.6 million)

- \$3.4 million in bond funding is provided to complete the schematic design for the Irv Newhouse building replacement on the Capitol Campus. The building will be for the necessary program space required to support Senate offices and support.
- \$2.2 million in bond funding is provided for Capitol Lake Long-Term Management Planning to complete an environmental impact statement to include alternatives for a managed lake, a hybrid lake, and an estuary. The final environmental impact statement to include identification of the preferred alternative for Capitol Lake management must be submitted to legislative fiscal committees by June 30, 2022.

Community Economic Revitalization Board (\$10 million)

\$10 million is provided from the Public Facility Construction Loan Revolving Account for the Department of Commerce to make loans for economic development projects.

Natural Resources

Model Toxics Control Act (MTCA) funding for Toxics Cleanup and Stormwater (\$31.2 million)

The 2020 supplemental budget provides \$31.2 million for toxics clean up and stormwater assistance to local governments through Department of Ecology (DOE) programs. An additional cleanup project is funded through the Department of Natural Resources (DNR). The budget also makes \$8.3 million in savings on projects funded in previous biennia that are completed or have anticipated savings.

Major new investments in 2020 Supplemental include:

- Remedial Action Grants, DOE (\$23.7 million).
- Stormwater Financial Assistance Program, DOE (\$3.4 million).
- Eastern Washington Clean Sites Initiative, DOE (\$1 million).
- Whitmarsh (March Point) Landfill Site, DNR (\$3.1 million).

Pollution Liability Insurance Agency (\$4 million)

The Pollution Liability Insurance Agency receives an additional \$4 million for the Heating Oil Capital Financing Assistance Program.

State Conservation Commission (\$2.2 million)

Funding is provided through the State Conservation Commission for use by local Conservation Districts as state match for the federal Regional Conservation Partnership Program.

Department of Fish and Wildlife (\$3.5 million)

Funding is provided for three projects at the Department of Fish and Wildlife, including \$1.8 million for a water filtration system at the Soos Creek Hatchery.

Department of Natural Resources (\$6.6 million)

Funding is provided for a variety of projects at the Department of Natural Resources, including:

- Forest Riparian Easement Program (\$1 million).
- Grouse Ridge Fish Barriers & RMAP Compliance (\$3.2 million).

Higher Education

The 2020 Supplemental capital budget has savings of \$5 million in higher education. This reflects the removal of \$36.6 million in construction funding for Shoreline: Allied Health, Science and Manufacturing Replacement in the Community and Technical College System.

Major projects include:

- \$20 million for the CTCs Spokane Falls: Fine and Applied Arts Replacement; the remainder of the total construction cost of \$37.1 million will be provided in the 2021-23 biennium
- \$2.9 million for the CTCs for the design of Everett: Baker Hall Replacement
- A \$10 million certificate of participation (alternative financing) is provided for a Student Wellness and Fitness Center at South Seattle College
- \$4 million for design of the Life Sciences Building at Washington State University, Vancouver campus; construction in the 2021-23 biennium is projected to be \$52.6 million.
- \$1 million for predesign of the Magnuson Health Sciences Phase II Renovation/Replacement at the University of Washington; design in the 2021-23 biennium is projected to be \$5 million with construction in the 2023-25 biennium at \$54 million.
