Through its Voluntary Cleanup Program (VCP), Ecology provides owners of contaminated sites with technical assistance and opinions on the sufficiency of independent cleanups. Chapter 95, Laws of 2019 (SHB 1290) authorized an expedited VCP program and created a new dedicated fee and account to support it. 1. Federal Funding Adjustment

The Pollution Liability Insurance Agency (PLIA) was awarded a federal grant by the Environmental Protection Agency (EPA) for assistance in maintaining an effective program to prevent leaking underground storage tanks. This is a long-standing grant previously provided as a pass-through from the Department of Ecology. Providing PLIA the authority to receive this grant directly eases the agency's reporting on the use of these funds to the EPA. 1. In-Home Services Travel Time			
Savings are achieved in the travel reimbursement paid to providers of in-home services, many of whom are offering services remotely due to the COVID-19 pandemic. (General Fund-State) (One-Time)			
2. BRS-Plus Enhanced			
The 2020 Supplemental budget provided one-time funding to implement a new Behavioral Rehabilitation Services (BRS) contract for youth with exceptional needs that necessitate high direct care staffing ratios. DCYF has not initiated the new contract type, and the corresponding funding is reduced. (General Fund-State; General Fund-Fam Supt) (One-Time)			
3. Chafee Foster Care Funds			
The Department of Children, Youth, and Families (DCYF) will receive additional Chafee Foster Care Program for Successful Transition to Adulthood funding for youth between the ages of 18 and 24 who are aging out of the state foster care system. (General Fund-CRRSA) (One-Time)			
4. Promoting Safe and Stable Families			
DCYF will receive additional MaryLee Allen Promoting Safe and Stable Families Program funds to serve families at risk. (General Fund-CRRSA) (One-Time)			
5. Chafee ETV Funds			
DCYF will receive additional Chafee Educational and Training Voucher funding for youth between the ages of 18 and 24 who are aging out of the state foster care system. (General Fund-CRRSA) (One-Time)			
6. Child Care Underspend			
A decrease in screened-in allegations of child abuse and neglect has resulted in reduced child care payments for families receiving child protective services. (General Fund-State) (One-Time)			
7. Online Purchasing			
One-time savings are realized due to DCYF underspending its allotment for concrete goods. Additionally, effective January 1, 2021, DCYF shall transition to direct online purchases of concrete goods for child welfare-involved families rather than purchasing goods through contracted vendors. Ongoing savings are realized by avoiding the administrative surcharge that would otherwise be paid to a contracted vendor. (General Fund-State) (One-Time)			
8. Workload Forecast Adjustment			
The November 2020 forecast shows a decline in screened-in intakes for child abuse and neglect; funding and FTE authority for staff to receive and refer intakes are correspondingly reduced at maintenance level pursuant to state law. Funding and FTE authority are restored in this policy level step to allow DCYF to maintain appropriate staffing levels during the temporary decline in screened-in intakes. (General Fund-State; General Fund-Fam Supt) (One-Time)

DCYF is required to allow youth aging out of foster care to continue to receive services and maintenance payments, through September 2021. Funding is provided for services and maintenance payments for youth who have turned 21 since April 1, 2020, and youth who are expected to turn 21 before September 30, 2021. 12. Enhanced FMAP Offset

The federal government has increased the FMAP by 6.2 percentage points throughout the federal public health emergency declaration. Title IV-E funds in child welfare are also matched at the FMAP rate. The increased federal matching share generates General Fund-State savings in FY 2021. (General Fund-State; General Fund-Medicaid) (One-Time)

13. Hiring Freeze Savings

Agency savings were achieved by implementing the Governor's directive to freeze non-essential hiring. (General Fund-State; General Fund-Fam Supt) (One-Time)

15. Statements of Medical Necessity

Medical reviews and assessments of medical necessity for behavioral rehabilitation services are required for federal reimbursement. (General Fund-State; General Fund-Medicaid) (One-Time)

1. Civil Ward Reductions

Funding is reduced to reflect the closure of one civil ward at Eastern State Hospital (30 beds). This closure has already taken place. (General Fund-State; General Fund-Local; General Fund-Medicaid) (Custom)

2. Delay San Juan Cottage Opening

The 2017-19 biennial budget included capital funding for a new 18-bed children's long-term inpatient program cottage at CSTC. Current law assumed that the staff for the San Juan Cottage would be hired in January 2021 and patients admitted in April 2021. 1. ESSER Federal Relief

Federal funding allocated by the Coronavirus Response and Relief Supplemental Appropriations Act is provided for allowable uses of the Elementary and Secondary School Emergency Relief (ESSER) fund. OSPI must allocate the funding as subgrants to school districts and other local education agencies using the following criteria: 1.) A local education agency receives all eligible funding if open for full in-person instruction to all students when the act becomes law. 2.) For local education agencies not open for full in-person instruction: a.) The local education agency receives 50 percent of their allocation when they submit a reopening plan. b.) The rest of the local education agency's allocations are distributed proportionally to the number of students receiving full in-person instruction. (General Fund-CRRSA) (Custom)

2. Non-Public Schools Relief

Federal funding is provided for allocations from the Governor's Emergency Education Relief Fund to provide emergency assistance to non-public schools, as authorized in P.L. 116-260, Division M, Sec. 312(d), the Consolidated Appropriations Act, 2021. (General Fund-CRRSA) (Custom)
