1. Constituent Management Research

Funding is provided to contract out a comprehensive market analysis of commercial products, custom options, and recommendations for a Constituent Management System. (General Fund-State) (One-Time)

2. Hybrid & Remote Legislature Support

Two permanent staff will support legislative technology needs for the evolving remote and hybrid work environment, legislative session, interim hearings and remote testimony. (General Fund-State) (Ongoing)

3. Legislative IT Staffing

Six permanent staff are added to address technology staffing workload, retention, and turnover. A Gartner staffing and workforce analysis concluded legislative IT staffing is in the 25th percentile of peer groups while maintaining much higher levels of customization and personalization. This adjustment will match average staffing levels of peer groups and address needs in cybersecurity and data sharing agreements, IT license and contracts management, application development, and audio/video. (General Fund-State) (Ongoing)

4. Legislative Session Support

Eleven temporary session staff are needed every session to support technology needs such as hosting remote hearings, assisting with custom lawmaking applications, and answering support calls. (General Fund-State) (Ongoing)

Comments:

1. CW Housing Assistance Adjustment

One-time funding is provided to extend the child welfare (CW) housing assistance pilot program by one year, which has experienced delays in implementation. (General Fund-State) (One-Time)

2. BRS New Facility

Funding is provided to support youth placements in a new 30-bed Behavioral Rehabilitation Services (BRS) facility, including start-up costs, administrative and program positions, and basic equipment. (General Fund-State) (Ongoing)

3. Caregiver Engagement Unit

Funding is provided for statewide implementation of the kinship caregiver engagement unit, which is currently funded as a pilot in two regions. (General Fund-State; General Fund-Fam Supt) (Custom)

4. COVID FMAP Increase

The federal Families First Coronavirus Relief Act authorized additional federal matching funds (FMAP) for the duration of the public health emergency. State funds are reduced and federal funds are increased to reflect an additional 6.2 percent federal Medicaid matching rate from January through June 30, 2022. (General Fund-State; General Fund-Fam Supt) (One-Time)

5. Combined In-Home Services

Funding is provided for Combined In-Home Services (CIHS) rate increases pursuant to a 2021 rate study. CIHS provides various family stability and therapeutic services. (General Fund-State) (Ongoing)

6. Visitation COVID Fees

One-time funding is provided to reflect COVID-19 pandemic-related cleaning and sanitation costs for court-ordered visitation services in FY 2022. (General Fund-State; General Fund-Fam Supt) (One-Time)

7. Housing Program Expansion

One-time funding is provided to expand the child welfare housing program (CWHP) that serves families with a child at risk of out of home placement where a lack of housing support is a contributing factor. (General Fund-State) (One-Time)

8. EFC Transition Stipends

One-time funding is provided to contract with a community organization to issue monthly stipends to young adults exiting the Extended Foster Care (EFC) program through the end of the biennium. (Coronavirus State Fiscal Recovery Fund-Federal) (One-Time)

9. EFC Transition Assessment

One-time funding is provided to assess state and federally funded services and benefits for young adults enrolled in or exiting EFC, for the purpose of making recommendations to improve the continuum of supports for this population as they transition to independent adulthood. (General Fund-State) (One-Time)

10. FC Educational Outreach

One-time funding is provided for four additional education advocate positions with a community-based organization to reduce educational barriers for students in foster care (FC). (General Fund-State) (One-Time)

11. Youth Financial Capability

One-time funding is provided to develop a report with recommendations on how to improve access to private, self-controlled bank accounts for dependent youth ages 14 and above, as well as other strategies for improving financial capability of dependent youth. The report is due December 1, 2022. (General Fund-State) (One-Time)

12. Family Time Rates

Funding is provided to increase the hourly reimbursement rate for child visitation services, to reimburse mileage starting from the first mile, and to create an Indian Child Welfare Act (ICWA) compliance contracting structure. (General Fund-State; General Fund-Fam Supt) (Ongoing)

13. Statewide DEI Training Backfill

Funding is provided to backfill positions that require coverage at all times so they can attend the statewide diversity, equity and inclusion training from the Department of Enterprise Services. The multi-day training will be administered to 25 percent of staff each fiscal year until 100 percent of staff have attended the training, starting in FY 2024. The compensation impact model was used as a basis for calculation. (General Fund-State) (Custom)

14. Hub Home Foster Care

Funding is provided to expand the number of hub home foster and kinship family constellations from 12 to 15. The hub home model is intended to support foster parent retention, improve child outcomes, and encourage the least restrictive community placements for children in out-of-home care. (General Fund-State) (Ongoing)

15. ICWA Updated Standards

Funding is provided for the Department to comply with the updated standards set forth by recent ICWA court decisions, including additional staff, training revisions, and IT system changes. Recent decisions of the Washington State Supreme Court expanded the definition for when the court has a reason to know ICWA applies, and also clarified the ICWA active efforts required by the department. (General Fund-State; General Fund-Fam Supt) (Custom)

16. Increase Case Aide Rates

Funding is provided to increase the hourly rates paid to case aides from \$26 to \$30. Case aides assist foster youth with high behavioral or personal care needs. (General Fund-State; General Fund-Fam Supt) (Ongoing)

17. Increase BRS Facility Rates

Funding is provided to increase the rates paid to BRS facilities from \$12,804 to \$17,511. These facilities serve youth with high-level complex needs. (General Fund-State; General Fund-Fam Supt) (Ongoing)

18. Increase BRS Treatment FC Rates

Funding is provided to increase the rates paid to BRS Treatment Foster Care from \$8,266 to \$10,517. These specially-trained foster homes serve youth with extensive therapeutic needs. (General Fund-State; General Fund-Fam Supt) (Ongoing)

Comments:

1. LTSS Program Delay/Partial Benefits

Pursuant to Chapter 1, Laws of 2022 (SHB 1732), appropriations are adjusted to reflect a cost savings in the Long-Term Services & Supports Trust (LTSS) Account due to the 18-month LTSS implementation delay. The funding adjustment also reflects increased costs to the Paid Family and Medical Leave (PFML) Insurance Account as a result of ongoing information technology system changes needed for the PFML program. (Family and Medical Leave Insurance Account-State; Long-Term Services and Supports Trust Account-State) (Custom)

2. LTSS Program Exemptions

Pursuant to Chapter 1, Laws of 2022 (ESHB 1733), funding is provided to implement and administer voluntary exemptions from the LTSS Trust Program based upon new criteria. (Long-Term Services and Supports Trust Account-State) (Custom)

(Family and Medical Leave Insurance Account-State) (Custom)

4. Public Employee PSLF Info

Funding is provided to implement the provisions of Engrossed Substitute Senate Bill 5847 (public employee PLSF info), which provides information and certification to public service employees in regards to the Public Service Loan Forgiveness Program (PSLF). (Employment Services Administrative Account-State) (Ongoing)

5. Unemployment Insurance Premiums

Funding is provided to implement the provisions of Engrossed Substitute Senate Bill 5873 (social cost factor in UI premiums), which decreases the maximum Unemployment Insurance (UI) social cost factor for 2022 and 2023, and sets a maximum UI rate class for certain small businesses. (Unemployment Compensation Admin Account-Federal) (Custom)

6. Increased Legal Fees - UI & PFML

One-time funding is provided for a temporary increase in legal fees associated with the UI and PFML programs. Increased legal services are primarily associated with fraud and recoveries. (Unemployment Compensation Admin Account-Federal; Family and Medical Leave Insurance Account-State) (One-Time)

7. ARPA Shortfall

Federal American Rescue Plan Act (ARPA) funding is swapped with Coronavirus State Fiscal Recovery Fund dollars to pay for COVID-19 related items originally funded in the 2021-23 biennial budget. (General Fund-ARPA; Coronavirus State Fiscal Recovery Fund-Federal) (One-Time)

8. CCW Intermediary Grants Expansion

Funding is provided to expand the Career Connect Washington's (CCW) intermediary grants to industry sector leads and private and public four-year universities to create new programs and expand existing programs across the state. Funding also covers the staffing necessary to administer this grant program. (Workforce Education Investment Account-State) (Custom)

9. Continue Economic Security for All

Funding is provided to continue the Economic Security for All (EcSA) program, which provides grants to local Workforce Development Councils for career planning, case management, and other support. (General Fund-State) (Ongoing)

10. PFML Adjustment

1. Community Supports for Children

Funding is provided to expand intensive habilitation services and out-of-home services options for children and youth aged eight to 21. Two, three-bed facilities will be phased in to provide short-term (up to 90 days) intensive habilitation services for children and youth aged eight to 21. An additional six, three-bed facilities will be phased in for long-term enhanced out-of-home services to support youth aged 12 to 21 who are discharging from inpatient care. (General Fund-State; General Fund-Medicaid) (Custom)

2. In-Home Provider PPE

Funding is provided to purchase, store, and distribute personal protective equipment to in-home providers. (General Fund-State; General Fund-Medicaid) (Custom)

3. Community Residential Services

Funding is provided to hire 4.0 quality assurance FTEs to monitor services delivered to over 4,500 clients served in contracted residential programs. These staff will verify that Medicaid clients receive services authorized on Core and Community Protection waivers as required by the federal Centers for Medicare & Medicaid Services. (General Fund-State; General Fund-Medicaid) (Custom)

4. Agency Provider Tax Rate Adjustment

Funding is provided to adjust the employer tax rate paid to home care agencies. An exemption lowered the tax rate used to calculate the tax costs paid on behalf of clients served by individual providers, which created a gap in the tax rate used to calculate parity impacts for agency providers. (General Fund-State; General Fund-Medicaid) (Custom)

5. Transitional Care Management

Funding is provided to phase-in a total of 35 FTEs through June 2023 to create transition coordination teams to coordinate transitions of care for clients who move from one type of care setting to a new one. DSHS shall submit a preliminary report in December 2022 and the legislature intends that an annual report be submitted thereafter that describes the outcomes associated with client transitions before and after implementation of these transition coordination teams; a description of lessons learned since the teams were implemented, including an identification of what processes were improved to reduce the timelines for completion; and recommendations for necessary changes to improve increasing stability of client placements. 7. DDA No-Paid Caseload

Funding and FTEs are provided to implement Substitute Senate Bill 5819 (DDA No-Paid Caseload), which requires the Department to hire two, permanent FTEs to regularly review and maintain the no-paid services caseload and to provide case management services to individuals on the no-paid services caseload which include contacting and responding to the client to discuss their needs and explaining to the client service options available through the department or other community resource. (General Fund-State; General Fund-Medicaid) (Custom)

8. Adult Family Homes CBA

Funding is provided for implementation of an agreement reached between the Governor and the Adult Family Home Council under the provisions of Chapter 41.56 RCW for FY2023. (General Fund-State; General Fund-Medicaid) (Ongoing)

9. CDE Transition Costs

In April 2022, the Consumer Directed Employer will become the new administrative employer for over 45,000 individual providers who serve clients in their home. Funding is provided for the anticipated costs to continue health insurance payments for those who are on paid family leave. (General Fund-State; General Fund-Medicaid) (Ongoing)

10. COVID FMAP Increase

The federal Families First Coronavirus Relief Act authorized an additional 6.2 percent in federal matching funds (FMAP) for the duration of the public health emergency. As a result, federal authority is increased and General Fund-State is decreased to reflect the enhanced FMAP through the end of June 2022. (General Fund-State; General Fund-Medicaid) (One-Time)

11. Youth Crisis Stabilization

In collaboration with the Health Care Authority, a new, short-term Residential Crisis Stabilization Program (RCSP) will be developed for youth with severe behavioral health diagnoses. The capital budget includes appropriations in the Department of Commerce for a grant program to establish at least two, 16-bed facilities that are anticipated to open in FY2024. Funding is provided for DSHS to hire a program manager to begin planning for services in this facility. (General Fund-State; General Fund-Medicaid) (Ongoing)

12. Financial Eligibility Staff

One-time funding is provided for 22.3 FTE staff in FY2023 to complete financial eligibility determinations within a 45-day time frame, reduce the backlog of clients waiting for eligibility determination, and reduce wait times in the call center. The Department shall submit a preliminary report in December 2022 and a final report by June 30, 2023 that details how the funding was utilized and a description of how the timeline for completion of these determinations has changed. 13. HCBS Provider Development

Funding is provided to increase the hourly rates paid to contracted providers of community engagement, supported parenting, and respite services effective April 1, 2022. Additionally, funding is provided for an assistive technology program manager to provide advice, conduct evaluations and make recommendations to clients, families, providers and case managers on the type of assistive technology that may help clients maintain independence. The Department is required to modify contract language to ensure providers utilize funds solely for allowable costs and that any funding used for unallowable costs be refunded immediately. The Department must submit a preliminary report by December 1, 2022 and a final report by June 30, 2023 that details how the funds were utilized and the associated outcomes, including a detailed accounting of service utilization and any changes in utilization as a result of this funding. (General Fund-State; General Fund-Medicaid) (Custom)

14. Acute Care Hospital Capacity

Funding is provided to continue through June 2022 incentive payments to long-term care settings to take patients from acute care hospitals who no longer need acute levels of care. (Coronavirus State Fiscal Recovery Fund-Federal) (One-Time)

15. Enhanced Case Management

Funding is provided to expand access to the enhanced case management program from 700 to 1,500 clients and to establish a process for clients to receive automatic nursing referrals in certain circumstances. (General Fund-State; General Fund-Medicaid) (Custom)

16. Assisted Living Facility Rates

Funding is provided to increase funding for the assisted living Medicaid methodology payment rates established in 74.39A.032 RCW to 68 percent of full methodology funding effective July 1, 2022. (General Fund-State; General Fund-Medicaid) (Ongoing)

17. Personal Needs Allowance

Funding is provided for a cost-of-living adjustment to the personal needs allowance (PNA) for Medicaid clients in residential and institutional settings. The PNA is the amount of personal income retained by these clients to pay for their personal needs, including housing costs, utilities, food, and personal incidentals. (General Fund-State; General Fund-Medicaid) (Custom)

18. Statewide DEI Training Backfill

Funding is provided to backfill positions that require coverage at all times so they can attend the statewide diversity, equity, and inclusion training from the Department of Enterprise Services. The multi-day training will be administered to 25 percent of staff each fiscal year until 100 percent of staff have attended the training, starting in FY 2024. (General Fund-State) (Custom)

19. Network Risk Mitigation

Funding is provided to replace aging hardware and improve network security in order to reduce the risk of service interruption. (General Fund-State; General Fund-Medicaid) (Custom)

24. DCYF IT Transition

Funding is provided to maintain current information technology service levels as a result of the Department of Children, Youth, and Families moving to an internally managed network. (General Fund-State; General Fund-Medicaid) (Ongoing)

25. SEIU and Liang Settlements

Funds are provided to settle the cases of Liang, et al, v. Washington DSHS, et al, and SEIU 775 v. Washington DSHS, et al. (General Fund-State; General Fund-Medicaid) (Custom)

26. Supptd Employment-CI Rate Increase

Funding is provided to make permanent the temporary contract rates put in place through June 2022 for supported employment and community inclusion providers. The Department shall complete a comprehensive study of the current rate structure paid to these providers and report back no later than October 1, 2022 with recommendations for: 1) the rates needed for providers to cover their costs and maintain the necessary infrastructure, and 2) a methodology to utilize in the future for regularly analyzing costs and rate adjustments, including the frequency of these adjustments, in order to ensure that services achieve client outcomes. (General Fund-State; General Fund-Medicaid) (Ongoing)

27. Targeted Provider Rates

Funding is provided to continue the COVID-19 rate enhancements for contracted providers. The temporary rate add-ons in effect in December 2021 will continue through June 2022 and then will be adjusted to reflect base rate increases funded in the 2021-23 biennial budget before being phased out by June 2024 by reducing them 20 percent every two quarters. Comments:

1. LTSS Program Delay/Partial Benefits

Pursuant to Chapter 1, Laws of 2022 (SHB 1732), funding is provided to hire additional staff for the Customer Support Team, for additional outreach via multi-media campaigns to educate the public on the changes made to the Long-Term Services and Support Trust Program in the enacted legislation. In addition, \$250,000 in one-time funding is provided to pass through to the Office of the State Actuary for an updated baseline actuarial analysis of the program. (Long-Term Services and Supports Trust Account-State) (Custom)

2. LTSS Program Exemptions

Pursuant to Chapter 1, Laws of 2022 (ESHB 1733), funding is provided for targeted outreach to the exemption groups included in the enacted legislation to educate them about these exemptions. (Long-Term Services and Supports Trust Account-State) (Ongoing)

3. In-Home Provider PPE

Funding is provided to purchase, store, and distribute personal protective equipment to in-home providers. (General Fund-State; General Fund-Medicaid) (Custom)

4. Agency Provider Tax Rate Adjustment

Funding is provided to adjust the employer tax rate paid to home care agencies. An exemption lowered the tax rate used to calculate the tax costs paid on behalf of clients served by individual providers, which created a gap in the tax rate used to calculate parity impacts for agency providers. 6. Senior Farmer's Market Nutrition

Funding is provided to expand the senior farmer's market nutrition program to 7,100 seniors, pay for increased banking fees, and transition the program to a digital payment system. (General Fund-State) (Ongoing)

7. State Match for Federal Grants

Funds are provided to meet federal match requirements associated with \$30 million in American Rescue Plan Act funding for Older American Act services and supports. (General Fund-State) (Custom)

8. Tribal Medicaid Eligibility

Some Tribes provide eligibility determination and case management for Tribal members who are eligible for Medicaid Long-Term Supports and Services. Funding is provided for 1.0 FTE to engage with Tribes to offer technical assistance, coordination, training, and support on Medicaid eligibility and case management. (General Fund-State; General Fund-Medicaid) (Custom)

9. AAA Care Coordinators

Funding is provided for Area Agencies on Aging (AAA) care coordinators who will be stationed in acute care hospitals. These care coordinators will help transition clients ready for hospital discharge into home and community-based settings. (General Fund-State) (Ongoing)

10. AAA Rate Increase

Funding is provided to increase the rate paid to AAAs for case management services by 23 percent. (General Fund-State; General Fund-Medicaid) (Ongoing)

11. Adult Day Rate

Funding is provided to increase base rates for adult day health and adult day care providers by the level of the temporary rate add-on in effect through June 2022. These new base rates will go into effect July 1, 2022. (General Fund-State; General Fund-Medicaid) (Ongoing)

12. Adult Family Homes CBA

Funding is provided for implementation of an agreement reached between the Governor and the Adult Family Home Council under the provisions of Chapter 41.56 RCW for FY2023. (General Fund-State; General Fund-Medicaid) (Ongoing)

13. AFH Air Conditioning Grant Program

One-time funding is provided for a grant program to expand the use of air conditioning in adult family homes that serve Medicaid clients or clients receiving services through state funded long-term care programs. An adult family home may receive up to \$5,000 in grant funds to use to equip and install portable air conditioning units or to update the home's heating, ventilation, and air conditioning (HVAC) systems to include air conditioning. The Department must verify the grant was used appropriately at the inspection immediately following the home's receipt of the grant. (General Fund-State) (One-Time)

14. CDE Transition Costs

In April 2022, the Consumer Directed Employer will become the new administrative employer for over 45,000 individual providers who serve clients in their home. Funding is provided for the anticipated costs to continue health insurance payments for those who are on paid family leave. (General Fund-State; General Fund-Medicaid) (Ongoing)

15. COVID FMAP Increase

The federal Families First Coronavirus Relief Act authorized an additional 6.2 percent in federal matching funds (FMAP) for the duration of the public health emergency. As a result, federal authority is increased and General Fund-State is decreased to reflect the enhanced FMAP through the end of June 2022. (General Fund-State; General Fund-Medicaid) (One-Time)

16. Reduce Occupancy Penalty

Funding is provided to lower the occupancy threshold from 90 percent to 80 percent for skilled nursing homes for purposes of the July 1, 2022 rate development. (General Fund-State; General Fund-Medicaid) (One-Time)

17. Acute Care Hospital Capacity

Funding is provided to continue through June 2022 incentive payments to long-term care settings to take patients from acute care hospitals who no longer need acute levels of care. (General Fund-State; General Fund-Medicaid; Coronavirus State Fiscal Recovery Fund-Federal) (One-Time)

18. Behavioral Health Transitions

Funding is provided for 19.9 FTE staff to reduce the number of cases per case manager from 42 to 35 for clients served under the residential support waiver. Funding is also provided to phase-in 60 additional placements in Enhanced Adult Residential Care facilities by the end of October 2023 at an enhanced average daily rate of \$325 per client. (General Fund-State; General Fund-Medicaid) (Custom)

19. Assisted Living Facility Rates

Funding is provided to increase funding for the assisted living Medicaid methodology payment rates established in 74.39A.032 RCW to 68 percent of full methodology funding effective July 1, 2022. Additional one-time funding is provided for a project staff position to develop and submit a report no later than December 30, 2022 that reviews and summarizes discharge regulations and notification requirements for assisted living providers, and that includes recommendations related to disclosure of providers' terms and conditions for Medicaid acceptance. (General Fund-State; General Fund-Medicaid) (Custom)

20. Increase In-Home PNA

Pursuant to Substitute Senate Bill 5745 (personal needs allowance), funds are provided to increase the in-home client personal needs allowance (PNA) from 100 percent of the federal poverty level to 300 percent of the federal benefit rate. The PNA is an amount of personal income retained by Medicaid clients to pay for their personal needs, including housing costs, utilities, food, and personal incidentals. 7. Transportation Resources

Funding is provided to implement the provisions of Engrossed Substitute Senate Bill 5974 (transportation resources). (General Fund-State; Coronavirus State Fiscal Recovery Fund-Federal) (Custom)

8. CCA - Air Quality Monitoring

The Climate Commitment Act requires expansion of air pollution monitoring in overburdened communities which have disproportionately carried the impacts of climate pollution and other air pollutants. Funding provides an additional investment in air pollution monitoring to measure and improve air quality in these communities. (General Fund-State; Climate Investment Account-State) (Custom)

9. Tribal Participation Grants for CCA

Ongoing funding is provided for grants to Tribal governments to support their review and consultation regarding projects and programs funded by the Climate Commitment Act. (General Fund-State) (Custom)

10. Consumer Packaging/Recycling Study

One-time funding is provided for a study that compares the quantity of pre-consumer packaging to post-consumer recycling as well as the amounts of recycling lost due to contamination. A report is due to the Legislature on the findings by December 2022. (Waste Reduction/Recycling/Litter Control-State) (One-Time)

11. Wastewater Permit Implementation

In FY 2020, the Department of Ecology (Ecology) developed a nutrients general permit for Puget Sound wastewater treatment plants to reduce nutrient pollution in Puget Sound. Funding is provided for staff to administer the permit and provide technical assistance to permittees. (General Fund-State; Water Quality Permit Account-State) (Ongoing)

12. Hanford Waste Inspections

Ongoing funding is provided for inspections at new facilities. The U.S. Department of Energy will activate six new mixed-waste facilities at Hanford in 2022, including a new waste treatment plant designed to treat 56 million gallons of mixed radioactive/hazardous waste. (Water Quality Permit Account-State; Radioactive Mixed Waste Account-State) (Ongoing)

13. Support Brownfields Cleanup

Ongoing funding is provided for Ecology to offer assessment or limited clean-up of selected properties with high redevelopment potential to facilitate clean-up and encourage reuse of properties. (Model Toxics Control Operating Account-State) (Ongoing)

14. Reduce Food Waste & Prevent Litter

Ongoing funding is provided to develop a series of food waste reduction campaigns. Funding will also be used to support the expansion of litter prevention campaigns. The proposal is based on a plan developed in response to the 2019 Food Waste Reduction Act. (Waste Reduction/Recycling/Litter Control-State) (Ongoing)

15. Abandoned Mine Lands

Funding is provided for increased focus on clean up of hundreds of abandoned mines across the state, most of which are in remote areas, are contaminated with heavy metals, and pollute nearby surface water. (Model Toxics Control Operating Account-State) (Ongoing)

16. Affordable Housing Cleanup Program

Ongoing funding is provided for the development and management of a capital grant program to provide permanent technical assistance and formal oversight to facilitate clean-ups related to affordable housing. (Model Toxics Control Operating Account-State) (Ongoing)

17. Certifying Financial Responsibility

Ongoing funding is provided for rulemaking to implement existing statutory requirements on certain oil handling vessels and facilities to demonstrate a defined level of financial responsibility to pay the costs of a potential spill. (Oil Spill Prevention Account-State) (One-Time)

18. Yakima Groundwater Contamination

Ongoing funding is provided to implement a 2019 plan to reduce groundwater nitrate contamination in the lower Yakima Valley aquifer, the principal drinking water source for over 56,000 residents. (General Fund-State) (Ongoing)

19. Water Quality Permit Systems

Funding is provided to upgrade the IT systems that support water quality permit coverage and monitoring reports. Currently, compliance data is not properly submitted to the Environmental Protection Agency, making permitted facilities appear out of compliance. (Water Quality Permit Account-State) (Custom)

20. Pollution Prevention Assistance

Ongoing funding is provided for Ecology to expand the local assistance program to three new health districts in eastern Washington. The program gives grants to local governments to provide assistance to small businesses to manage their waste properly, remove toxic chemicals from their facilities and work processes, and keep stormwater free from pollution. (Model Toxics Control Operating Account-State) (Ongoing)

21. Stream Mapping Assessment

Funding for FY 2023 and FY 2024 is provided to identify technologies, methods, datasets, and resources needed to refine and maintain the accuracy of the National Hydrography Dataset for Washington. (General Fund-State) (Custom)

22. Illegal Drug Operations Waste

A combination of one-time and ongoing funding is provided to support law enforcement agencies by managing dangerous waste found at illegal drug operations, including herbicides associated with marijuana growing. One-time costs include five vehicles and equipment. (Model Toxics Control Operating Account-State) (One-Time)

23. Spill Response Vehicles & Equipment

Ongoing funding is provided for routine replacement and acquisition of safety equipment and response vehicles necessary to ensure that Ecology spill responders are outfitted with up-to-date gear. (Model Toxics Control Operating Account-State) (Custom)

24. Prioritize and Complete Cleanups

Ongoing funding is provided to create a new hazard assessment and ranking process designed to scope and rank potential contaminated site hazards more quickly. (Model Toxics Control Operating Account-State) (Ongoing)

25. UST/LUST Inspection/Cleanup Backlog

Ongoing funding is provided for Ecology to catch up and maintain inspection rates for 9,000 underground storage tanks (UST) of which 2,600 are known to be leaking (LUST). A 2019 EPA audit found that Ecology is not keeping up with a required 3-year inspection cycle. (Underground Storage Tank Account-State; Model Toxics Control Operating Account-State) (Ongoing)

26. Oil Spill Contingency Planning

Ongoing funding is provided to develop new state emergency response plans for the Puget Sound and Columbia River areas and integrate them with the plans now being used by federal partners. A new plan is needed to comply with updates required by the U.S. Coast Guard. (Oil Spill Prevention Account-State) (One-Time)

27. Legacy Pesticide Pollution

Ongoing funding is provided to begin clean up of widespread lead and arsenic contamination from pesticide use on approximately 115,000 acres of historic orchard lands in central Washington. (Model Toxics Control Operating Account-State) (Ongoing)

28. WCC Cost Share Adjustment

Funding is provided for a two-year period to provide five WCC crews for projects with no cost-share requirement in areas of the state where under-resourced organizations could benefit from having the service. WCC's cost-share requires partners to fund 75 percent of crew costs, and the remaining 25 percent is funded with state appropriations and an AmeriCorps grant. (General Fund-State) (Custom)

29. Hazardous Waste & Toxics IT Systems

Ongoing funding is provided for upgrading two of Ecology's IT systems, used to collect information on hazardous waste generation and toxics in consumer products. The systems are in need of enhancements to meet increased complexities of federal reporting regulations and to ensure compliance with new state laws. (Model Toxics Control Operating Account-State) (One-Time)

30. Greenhouse Gas Assessments

A combination of one-time and ongoing funding is provided for Ecology to complete rulemaking for assessing greenhouse gas emissions from fossil fuel and industrial projects. Complications resulting from the COVID-19 pandemic delayed the rulemaking process, which was scheduled for completion by September 2021. (General Fund-State) (Ongoing)

31. Water Banking Pilot Budget Shift

In 2021, the Legislature appropriated funding in both the operating and capital budgets for Ecology to administer the pilot grant program for water banking. Funding is shifted to the capital budget by transferring the state general fund appropriation to the Drought Preparedness Account and appropriating that account in the capital budget. (General Fund-State) (One-Time)

32. Highway Litter Control

One-time funding is provided for increased litter control on state highways. (General Fund-State) (One-Time)

33. Deschutes R. Floodplain Study

One-time funding is provided for a grant to the city of Tumwater and a non-profit organization to study the Deschutes River floodplain. (General Fund-State) (One-Time)

34. Sprague Lake Hydrology Analysis

One-time funding is provided for a hydrologic analysis of all the factors relating to the flow constriction of the outlet of Sprague Lake into Cow Creek to determine the best course of action to alleviate periodic property damage due to high water and flooding. (General Fund-State) (One-Time)

35. MTCA Shift Reversal

Funding is shifted to the state general fund for savings to the Model Toxics Control Operating Account for specific ongoing items funded in the base budget at Ecology. (General Fund-State; Model Toxics Control Operating Account-State) (Ongoing)

36. Channel Migration Zone Mapping

One-time funding is provided to identify standardized mapping methods and to offer support for Tribes, counties, and local jurisdictions to refine existing CMZ maps with local information. (General Fund-State) (One-Time)

37. Toxic Tire Wear in Stormwater

Ongoing funding is provided to study the ability of stormwater systems to filter out tire dust and develop best management practices to treat contaminated stormwater. Untreated stormwater containing high concentrations of 6PPD chemical compounds from tire wear pose a significant risk to the health of Coho salmon. (Model Toxics Control Operating Account-State) (One-Time)

38. Increase Local Stormwater Capacity

Funding is provided to increase local stormwater capacity grants to fill gaps in local stormwater management with an emphasis on meeting new permit requirements to address toxic pollutants in stormwater. (Model Toxics Control Stormwater Account-State) (Ongoing)

39. Address Toxic Tire Wear Chemical

Ongoing funding is provided for materials science expertise and collection of industry data necessary to evaluate the feasibility of alternatives to tire chemicals, related to the 6PPD chemical. (Model Toxics Control Operating Account-State) (One-Time)

2. Marine Shoreline Habitat

Ongoing funding is provided to implement the provisions of Engrossed Second Substitute Senate Bill 5885 (marine shoreline habitat). (General Fund-State) (Custom)

3. Data Back Up Storage

Ongoing funding is provided for cyber secured backup data storage. Funding is for contracted secured cloud storage. (General Fund-State; Fish, Wildlife and Conservation Account-State) (Ongoing)

4. Equipment Replacement Costs

One-time funding from dedicated accounts and ongoing GF-S (\$183) is provided to purchase 84 pieces of equipment and support a permanent fleet and equipment manager who is responsible for the agency's inventory. (General Fund-State; Warm Water Game Fish Account-State; Eastern Washington Pheasant Enhancement Account-State; other accounts) (Custom)

5. PS Steelhead Fund Shift

A one-time fund shift from the Fish and Wildlife Conservation Account to the state general fund is made for savings to the dedicated account. The activity associated with this amount is for making Puget Sound steelhead spawning estimates. (General Fund-State; Fish, Wildlife and Conservation Account-State) (One-Time)

6. Crab Fishery and Humpbacks

A one-time funding shift from the Fish and Wildlife Conservation Account to the state general fund for savings to the dedicated account. The activity is the Washington Whale Working Group focused on crab fishery and conservation measures to protect humpback whales. (General Fund-State; Fish, Wildlife and Conservation Account-State) (One-Time)

7. Increased Bighorn Sheep Management

Dedicated funds support one-time costs to purchase radio collars, conduct aerial surveys and contract with an established research institution to compile data on disease infections in bighorn sheep herds across the state. (Limited Fish and Wildlife Account-State) (One-Time)

8. Lake Rufus Woods Contract Increase

Ongoing funding is provided for increased contract costs for providing the Colville Confederated Tribes with fishery management and enforcement patrols at Lake Rufus Woods. (Fish, Wildlife and Conservation Account-State) (Ongoing)

9. Cultural Resources Capacity

Ongoing funding is provided for increased work associated with Gov. Order 21-02, Archeological & Cultural Resources. The executive order expands the number of topics requiring investigation and consultation with Tribes on state-funded projects. (General Fund-State) (Ongoing)

10. Monitor Dungeness Crab Harvest

Ongoing funding is provided to monitor the recreational harvest of Dungeness crab on the Washington coast. The work will inform decisions about harvest estimates and regulations. (General Fund-State) (Ongoing)

2021-23 Omnibus Operating Budget -- 2022 Supplemental

11. Diversity, Equity & Inclusion

Ongoing funding is provided for three FTEs in addition to the existing one FTE dedicated to the principles of improving workplace culture, perform outreach and engagement with under-served external stakeholders, and enact metrics to evaluate progress on diversity, equity and inclusion of employees, stakeholders, and the public. (General Fund-State) (Ongoing)

12. Increased Elk and Deer Monitoring

Dedicated funds support one-time costs to purchase radio collars and conduct aerial surveys on elk and deer populations in eastern Washington to better inform hunting regulations. (Limited Fish and Wildlife Account-State) (One-Time)

13. Skagit Elk Fencing

One-time funding is provided for elk fencing in the Skagit River valley to help mitigate crop damage. (General Fund-State) (One-Time)

14. Wildfire Habitat Recovery

One-time funding is provided for recovery from 2021 wildfires that caused damage to wildlife areas. Impacted regions are the Blue Mountain, Swakane, North Olympic, LT Murray, Methow and Scatter Creek wildlife areas. Funding will help clear fire-damaged areas, manage the spread of noxious weeds, and restore damaged habitat and public access sites. (General Fund-State) (One-Time)

15. Wildfire Suppression

Funding is increased one-time to align with forecasted fire suppression costs in FY 2022. Wildfires burned over 35,818 acres of Department of Fish and Wildlife (Department) managed land not covered by fire district assessments. The Department is required to pay local fire districts and the Department of Natural Resources for firefighting activities on lands not covered by the forest fire protection assessment. (General Fund-State) (One-Time)

16. Forage Fish Spawning Monitoring

Funding is provided for the continued use of Washington Conservation Corps (WCC) crews to survey for forage fish, such as herring, sand lance, smelt and anchovy, which are food for salmon. Funding was previously provided for the WCC through the Department of Natural Resources, from Puget Sound Corp program, funded through the capital budget, but funding was not sufficient in the 2021-23 capital budget to cover all the program costs. (General Fund-State) (Ongoing)

17. Monitor Freshwater Salmon Harvest

Ongoing funding is provided to improve monitoring of recreational harvest of salmon and steelhead caught in freshwater river systems in Puget Sound and on the coast. Specific river systems that will be monitored include Puget Sound rivers, Grays Harbor rivers, Lake Washington, Nisqually River, and Willapa Bay. (General Fund-State) (Custom)

18. Fish Passage Rulemaking

Funding is provided to complete rulemaking that began in 2020, for Chapter 77.57 RCW for fishways, flow, and screening to increase protection of fish passage when rivers and streams are diverted or obstructed for human uses. Specifically the rules will define procedures to address fish barriers that are not being proposed by landowners for fixing. (General Fund-State) (One-Time)

19. Hatchery Compliance

Ongoing funding is provided to increase staffing of smolt marking trailers, increased water quality permitting costs for meeting state water quality standards, and for the one-time costs for the permitting process necessary to continue dredging activities necessary for operating hatcheries. (Limited Fish and Wildlife Account-State) (Custom)

20. Columbia Gillnet License Reduction

Funding is provided to purchase Columbia River commercial gillnet licenses on a voluntary basis. The Department of Fish and Wildlife (Department) must make certain calculations for the reduced impacts to wild and endangered fish stocks resulting from licenses purchased and must make recommendations to the legislature regarding alternative fishing gear. (General Fund-State) (One-Time)

21. Increased Mountain Goat Management

Dedicated funds support one-time costs to conduct aerial surveys on mountain goat populations for informed hunting season regulations. (Limited Fish and Wildlife Account-State) (One-Time)

22. Mass Marking Trailer

One-time funding is for purchasing an automated fish marking trailer needed to meet hatchery production targets. The Department is required to mark all juvenile, hatchery-produced Chinook and Coho salmon by clipping their adipose fins. (Limited Fish and Wildlife Account-State) (One-Time)

23. Enloe Dam Removal Plan

One-time funding is provided for scoping the removal of the Enloe dam in Okanogan county. (General Fund-State) (One-Time)

24. Western Pond Turtle Recovery

One-time funding is provided for a grant to help recover western pond turtles. (General Fund-State) (One-Time)

25. Increase RFEG

One-time funding is provided for increasing the work of regional fishery enhancement groups. (General Fund-State) (One-Time)

26. Upper Col R Salmon Reintroduction

Ongoing funding is provided for pass-through to tribes of the Upper Columbia River to reintroduce Chinook salmon. (General Fund-State) (Ongoing)

27. Bullfrog Eradication/Control

Ongoing funding is provided for bullfrog eradication and control. (General Fund-State) (Ongoing)

28. Recreation Maintenance Backlog

Ongoing funding is provided to reduce the maintenance backlog on recreation lands and facilities. (General Fund-State) (Ongoing)

29. Recreational Land Management

Ongoing funding is provided to manage the increased visitation to wildlife areas and water access sites. Funding will allow for better trash and waste clean up and mitigate vandalism. (General Fund-State; Limited Fish and Wildlife Account-State) (Ongoing)

30. Monitor Shellfish Harvest

Ongoing funding is provided for additional monitoring of recreational and commercial shellfish harvests, monitor intertidal and crustacean fisheries, address emerging environmental issues, create a new data management infrastructure, and develop a disease and pest management program to protect shellfish fisheries. (General Fund-State; Limited Fish and Wildlife Account-State) (Custom)

31. Species Conservation Fund Shift

Ongoing funding is shifted from the Fish and Wildlife Conservation Account to the state general fund for savings to the dedicated account. The activity associated with this item is the protection and recovery of more than 260 species of greatest conservation need, many of which are listed as threatened or endangered. (General Fund-State; Fish, Wildlife and Conservation Account-State) (Ongoing)

32. Prioritization of Fish Barriers

Ongoing funding is provided for developing a statewide prioritization of fish passage barriers in consultation with regional salmon recovery organizations to maximize salmon recovery efforts and coordinate with the state's schedule for culvert corrections. (General Fund-State) (One-Time)

33. Hydropower Licensing Participation

Ongoing funding is provided to participate in the review of non-federal hydropower dams license renewals and new hydropower license applications to address fish passage requirements and identify mitigation solutions. (General Fund-State) (Ongoing)

34. Monitor Ocean & PS Salmon Harvest

Ongoing funding is provided for increased monitoring activities on the coast and in the Puget Sound and to inform impacts to wild stock for endangered species act (ESA) compliance as well as helping inform decisions about fishing regulations and seasons. (General Fund-State) (Custom)

35. Monitor Commercial Salmon Harvest

Funding is provided to expand existing commercial monitoring of chum salmon harvest with additional surveys of returning chum salmon and on-board observations of fishing activity. (General Fund-State) (Custom)

36. Marine Fisheries Compliance Liaison

Ongoing funding is provided for a new law enforcement captain position to serve as an external liaison on enforcement of fisheries and work collaboratively with federal, state, Tribal, and other law enforcement partners on large-scale, marine-focused strategies to increase compliance with fisheries regulations. (General Fund-State) (Ongoing)

37. Increase Fisheries Enforcement

Ongoing funding is provided for 15 new Fish and Wildlife officers to provided enforcement of commercial and recreational fisheries. Enforcement officers will be focused on the coast, Straits, and Puget Sound. (General Fund-State) (Custom)

38. Electronic Catch Record Cards

Funding is provided for the development of a mobile-based electronic catch record card system for fisheries management, offering anglers a convenient way to report their catch and allowing the Department to track fisheries in a more timely manner and improve fisheries management. (General Fund-State) (Ongoing)

39. Environmental Prosecution

Funding is provided for pass through to the Attorney General's Office to prosecute environmental crimes pertaining to fish and wildlife regulations that are turned away by county prosecutors each year due to lack of resources. (General Fund-State) (Ongoing)

40. Hatchery Production Evaluation

Ongoing funding is provided for monitoring hatchery survival, adult returns, and average cost of production, helping the hatchery program in western Washington better achieve management goals. (General Fund-State) (Ongoing)

41. Fish Migration Monitoring

Ongoing funding is provided for monitoring salmon migration patterns into and out of stream and river systems. Informing whether progress is made toward salmon recovery goals. Data will be used to set baseline biological functions to help detect landscape and climate changes over time. This includes 18 FTEs to study five key watersheds across the state. (General Fund-State) (Custom)

42. Pittman-Robertson Fund Shift

One-time funding is shifted from the Fish and Wildlife Conservation Account to the state general fund for savings to the dedicated account. The activity associated with this funding is surveying and studying game populations, mitigating wildlife impacts on crops, setting hunting seasons, monitoring hunter opportunities, and providing public access to private lands for hunting purposes. This work was previously funded by federal Pittman-Robertson funds which have declined in recent years, in which the 2021-23 operating budget shifted funds from federal funds to the Fish and Wildlife Conservation Account. (General Fund-State; Fish, Wildlife and Conservation Account-State) (One-Time)

43. Toutle & Skamania Fund Shift

One-time funding is shifted from the Fish and Wildlife Conservation Account to General-Fund State for savings to the dedicated account. (General Fund-State; Fish, Wildlife and Conservation Account-State) (One-Time)

44. Bird Prey On Salmon Study

One-time funding is provided for the Department to study and estimate the number of salmon taken by bird species per year on average from the Columbia River. (General Fund-State) (One-Time)

45. Solar Expansion & Habitat Protectn

Ongoing funding is provided for technical support to inform permitting and mitigation decisions on new solar siting proposals and participate in forums to identify opportunities to promote habitat-friendly development and mitigation for impacts to threatened and endangered species. (General Fund-State) (Ongoing)

46. European Green Crab Control

Ongoing funding is provided for the Department to work with partners in the eradication and control of European Green Crab. (Aquatic Invasive Species Management Account-State) (Custom)

47. Ten Year Salmon Impacts Study

One-time funding is provided for a study of the ten year period from 2010 to 2020 to compare the amount of salmon harvested with the amount of estimated spawning salmon per year. (General Fund-State) (One-Time)

48. Riparian Systems Assessment

One-time funding is provided for an assessment of the current conditions of riparian areas of the state, beginning with areas where sufficient information exists to conduct the assessment. The assessment will include identifying any gaps in vegetated cover relative to a science-based standard for a fully functioning riparian ecosystem and comparing the status and gaps to water temperature impairments, known fish passage barriers, and status of salmonid stocks. (General Fund-State) (One-Time)

49. Water Access Areas Maintenance

One-time funding from dedicated revenue will help to maintain water access areas affected by pandemic crowds and improve signage for educating visitors on how to recreate safely and responsibly. (Limited Fish and Wildlife Account-State) (One-Time)

50. North of Falcon Team Capacity

Ongoing funding is provided for an expanded team involved in the North of Falcon process, a forum where the state negotiates annual salmon allocation with federal and tribal partners. The team will compile increased data from the proposed increased monitoring and analysis to understand impacts on salmon populations and support recreational and commercial fishing opportunities. (General Fund-State) (Ongoing)

51. Increased Turkey Mgmt & Access

Dedicated funds support one-time costs to implement turkey population monitoring surveys, restore habitat to benefit turkeys, review ways to offer mentored turkey hunts, and focus hunter efforts on private lands experiencing damage. (Limited Fish and Wildlife Account-State) (One-Time)

52. Increased Upland Bird Habitat Mgmt

Dedicated funds support one-time costs to develop an enhanced volunteer-based upland game bird monitoring program, research new methods to improve surveying of upland game birds, restore habitat to benefit upland game birds, and increase private lands access agreements. (Limited Fish and Wildlife Account-State) (One-Time)

Comments:

1. Wildfires/Electric Utilities

Funding is provided to implement the provisions of Engrossed Second Substitute Senate Bill 5803 (wildfires/electric utilities). (General Fund-State) (Custom)

2. Activities Supporting AgTrust

One-time expenditure authority of existing fund balance is provided to catch up on land management work that was delayed due to COVID-19. (Agricultural College Trust Management Account-State) (One-Time)

3. Climate Commitment Act Work

Funding is provided to implement small forest landowner work group called for from the 2021 Climate Commitment Act, Chapter 316, Laws of 2021, to identify carbon offset credit projects, carbon market opportunities, and other incentive-based programs. (General Fund-State) (Custom)

4. Drought Prevention

One-time funding is provided to evaluate drought adaptation, improved water rights, storage, and conservation on 5.6 (General Fund-State) (One-Time)

5. Fire Suppression Administration

Funding is provided for administrative and indirect costs associated with emergency wildfire suppression activities. By proviso the administrative and indirect costs are restricted from being charged to the department's emergency wildfire suppression appropriation. This item replaces state general fund for portions of other funds that have been used for administration while the restriction was in place. (General Fund-State; General Fund-Federal; General Fund-Local; other accounts) (Ongoing)

6. Authority Adjustment

Ongoing authority is adjusted for the funds that are impacted by the Fire Suppression Administration item. These impacted fund sources are now available for routine program implementation instead of supporting the agencies administrative functions. (General Fund-Federal; General Fund-Local; Forest Development Account-State; other accounts) (Ongoing)

7. Forest Practices Funding Shift

Ongoing funding for the Department's Forest Practices program is shifted from the Model Toxics Control Operating Account (MTCA) to the state general fund. (General Fund-State; Model Toxics Control Operating Account-State) (Custom)

8. Forestry Riparian Easement Program

One-time funding is provided for helping reduce the backlog of Forestry Riparian Easement Program requests. (General Fund-State) (One-Time)

9. Fire Suppression

Funding is provided for the costs of emergency wildfire suppression that exceeded DNR's existing FY 2022 appropriation. (General Fund-State; General Fund-Federal) (One-Time)

10. Kelp and Eelgrass Conservation

Funding is provided for the development of a kelp and eelgrass conservation plan, including mapping of native and non-native species, pursuant to Second Substitute Senate Bill 5619 (kelp & eelgrass conservation). (General Fund-State) (Custom)

11. Statewide Lidar Acquisition/Refresh

Ongoing funding is provided for a regular cycle of collecting lidar data and keeping the data publicly available. Lidar provides precise, three-dimensional information about land surface characteristics. (General Fund-State) (One-Time)

12. Youth Environmental and Outdoor Ed.

One-time funding is provided for a grant to a non-profit that will offer environmental education and career development skills training in nature for youth and young adults from south King County. (General Fund-State) (One-Time)

13. State Forestland Purchase

One-time funding is provided for DNR to purchase state forest board land to benefit two Olympic Peninsula counties: Clallam and Jefferson. (General Fund-State) (One-Time)

14. Trust Land Transfer Plan

One-time funding is provided for the department to finalize a work group plan and submit a report for improvements to Trust Land Transfer proposals. (General Fund-State) (One-Time)

15. Recreation Maintenance Backlog

Ongoing funding is provided to reduce the maintenance backlog on recreation lands and facilities. (General Fund-State) (Ongoing)

16. State Forestland Purchase SW

One-time funding is provided for DNR to purchase state forest board land to benefit three southwest Washington counties: Skamania, Wahkiakum, and Pacific. (General Fund-State) (One-Time)

17. Weed Control on Natural Areas

One-time funding is provided from a dedicated account for weed control to help protect rare species in DNR managed natural areas statewide. (Nat Res Conserv Areas Stewardship Account-State) (One-Time)

18. Recreation Enforcement & Safety

Funding is provided for law enforcement, education and operations positions to meet the increase recreation occurring on DNR managed lands. (General Fund-State) (Custom)
