17 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. A supplemental capital budget is hereby adopted and, subject to the provisions set forth in this act, the several dollar amounts hereinafter specified, or so much thereof as shall be sufficient to accomplish the purposes designated, are hereby Code Rev/CL:lel 1

- 1 appropriated and authorized to be incurred for capital projects
- 2 during the period beginning with the effective date of this act and
- 3 ending June 30, 2025, out of the several funds specified in this act.

PART :	1
	PART

5 **GENERAL GOVERNMENT**

6 <u>NEW SECTION.</u> **Sec. 1001.** A new section is added to 2023 c 474

7 (uncodified) to read as follows:

FOR THE OFFICE OF THE GOVERNOR

OCO Tenant Improvements (3000001)

10 Appropriation:

8

- 11 State Building Construction Account—State. \$350,000
- Prior Biennia (Expenditures)........ \$0
- 13 Future Biennia (Projected Costs)....... \$(
- 14 TOTAL....\$350,000
- 15 **Sec. 1002.** 2023 c 474 s 1013 (uncodified) is amended to read as
- 16 follows:
- 17 FOR THE DEPARTMENT OF COMMERCE
- 18 2023-25 Broadband Infrastructure Federal Match Projects
- 19 (40000290)

The appropriations in this section are subject to the following

- 21 conditions and limitations:
- (1) (a) ((\$50,000,000)) \$61,390,000 of the state building
- 23 construction account—state appropriation in this section is provided
- 24 solely as match for federal authority allocated under this section
- 25 and section 7017 of this act for the statewide broadband office to
- 20 and begelon for or entrance for the beatewide broadband office to
- 26 administer the broadband equity, access, and deployment state grants
- 27 program in section 60102 of P.L. 117-58 (infrastructure investment
- 28 and jobs act). Expenditure of the amount in this subsection is
- 29 contingent on the receipt of this grant funding.
- 30 (b) To the extent permitted by federal law, the office shall
- 31 provide state match only for projects where the lead applicant is a
- 32 public or tribal government entity. The office must allocate state
- 33 <u>match funds in a manner that prioritizes projects based on</u>
- 34 <u>affordability</u>, fair labor practices, speed to deployment, open
- 35 access, local and tribal coordination, and the provision of digital
- 36 <u>navigation services</u>, as outlined in the scoring criteria contained in

Code Rev/CL:lel 2 H-3301.1/24

- the plan submitted by the office to the national telecommunications
 and information administration.
 - (c) The legislature intends to provide sufficient funds to match federal funds available during the 2025-2027 fiscal biennium.
 - (2) In addition to scoring and weighting criteria established pursuant to the federal broadband equity, access, and deployment program, the state broadband office must establish additional secondary selection criteria, including, but not limited to, criteria that give weight to projects that:
 - (a) Provide open-access wholesale last-mile broadband service for the useful life of the subsidized networks on fair, equal, and neutral terms to all potential retail providers; and
 - (b) Demonstrate support from the local government or any tribal government with oversight over the location or locations to be served.
 - (3) The statewide broadband office must include, in the five-year action plan developed using initial planning funds from the broadband equity, access, and deployment program funded under P.L. 117-58 (infrastructure investment and jobs act):
 - (a) Consideration of broadband infrastructure projects that use wireless technology in order to expand access at the lowest cost to the most unserved or underserved residents; and
 - (b) Steps the office will take to promote: The use of existing infrastructure; dig-once policies; streamlined permitting processes; and cost-effective access to poles, conduits, easements, and rights-of-way. To the extent permitted under federal law, the office must consider creating a pool of grant funds dedicated to pole costs.
 - (4) \$300,000 of the general fund—federal appropriation provided in this section is for a staff position dedicated to advising the statewide broadband office on the availability and feasibility of deploying new and emerging technologies in broadband internet service.
- 33 Appropriation:

1 2 3	Prior Biennia (Expenditures)
4 5	TOTAL
6	Sec. 1003. 2023 c 474 s 1016 (uncodified) is amended to read as
7	follows:
8 9	FOR THE DEPARTMENT OF COMMERCE Capital Pre-Development Funding (40000293)
10	The appropriation in this section is subject to the following
11 12	conditions and limitations: Of the amounts provided in this section,
13	\$2,800,000 is provided solely for the LETI Incubator for Family Success project in Everett.
14 15	Appropriation: State Taxable Building Construction Account—
16	State
17 18	Prior Biennia (Expenditures)
19	TOTAL\$25,000,000
20	Sec. 1004. 2023 c 474 s 1017 (uncodified) is amended to read as
21	follows:
22	FOR THE DEPARTMENT OF COMMERCE
23	2023-25 Clean Energy Fund Program (40000294)
24	The appropriation in this section is subject to the following
25	conditions and limitations:
26	(1)(a) \$500,000 of the appropriation in this section is provided
27	solely for the department to convene a work group to:
28 29	(i) Analyze the financial investments required for owners of tier 1 covered buildings to comply with the state energy performance
30	standard under RCW 19.27A.210; and
31	(ii) Make recommendations to the legislature to assist building
32	owners in attaining compliance, which must include, but are not
33	limited to:
34	(A) Identifying energy efficiency investments or other strategies
35	and related timelines for increasing energy efficiency in the
36	buildings sector;

(B) Providing a cost-benefit analysis of options, including energy efficiency, to meet the goal of reducing greenhouse gas emissions from the buildings sector; and

- (C) Recommendations to balance financial investments while maximizing clean energy benefits for the state, including statutory changes that may be necessary for this purpose.
- (b) The work group membership convened under this section must include, but is not limited to: One representative of the office of the superintendent of public instruction; one representative of a K-12 maintenance and operation administrators association; one representative of each of the state's public four-year institutions of higher education; one representative of the state board for community and technical colleges; one representative of the department of social and health services; one representative of the department of corrections; one representative of the department of enterprise services; one representative of organization; one representative from a local government; one representative from an organization representing privately owned tier 1 covered buildings; one representative from a business specializing in performance contracting for energy services; one representative nonprofit specializing in clean energy; representatives of a national association for industrial and office
- 24 (c) The department must submit to the appropriate committees of the legislature:
 - (i) Analysis of financial investments as required by this section by December 15, 2023; and
 - (ii) A final report with recommendations as required by this section by September 1, 2024.
 - (2) Except as provided in subsections (1) ((and)), (13), and (14) of this section, the appropriation in this section is provided solely for competitive grants to eligible entities for predevelopment, design, and construction of projects that provide a public benefit through research, development, demonstration, or deployment of clean energy technologies that save energy and reduce energy costs, reduce harmful air emissions, or increase energy independence for the state. Priority must be given to projects that benefit vulnerable populations and overburdened communities, including tribes.
- 39 (3) Entities eligible for grant funding under this section 40 include local governments, federally recognized tribal governments Code Rev/CL:lel 5 H-3301.1/24

and tribes' contracted service providers, public and private utilities that serve retail customers in the state, for-profit entities, research institutions, nonprofit organizations, and state agencies.

- (4) To be eligible, a project must be consistent with the state energy strategy adopted under chapter 43.21F RCW and policies under chapter 19.405 RCW. To the extent practicable, the department must prioritize projects that build upon Washington's strengths in aerospace, maritime, information and communications technology, grid modernization, advanced materials, and decarbonizing the built environment.
- (5) The department must invite stakeholders to participate in the design and implementation of grant programs funded under this section. The department must consider equity and environmental justice when developing the program structure and opportunities for applicant participation.
- (6) When soliciting and evaluating proposals, awarding contracts, and monitoring projects under this section, the department must:
- (a) Ensure that competitive processes, rather than sole source contracting processes, are used to select all projects, except as otherwise noted in this section;
- (b) Ensure that a public benefit results from the use of public funds through due diligence and monitoring of contracted projects, including ensuring compliance with all applicable laws related to the project selection process, project monitoring, and contracting; and
- (c) Prioritize projects for funding that leverage the greatest amount of matching funds, such as local levy funding.
 - (7) (a) The department must require project applicants to:
- 29 (i) Disclose all sources of public funding invested in a project; 30 and
 - (ii) Identify by name any former or current state of Washington employees employed by the applicant or its governing body in the 24 months preceding the application submittal. The identification must include the person's separation date and job title or position held. If the department determines that a conflict of interest or other violation of chapter 42.52 RCW exists, the application must be disqualified from further consideration.
- 38 (b) If, after a grant has been awarded, the department finds that
 39 a grantee has violated chapter 42.52 RCW, either in procuring or
 40 performing under the grant, the department in its sole discretion may

 Code Rev/CL:lel 6 H-3301.1/24

terminate the grant funding by written notice. If the grant is terminated, the department must reserve its right to pursue all available remedies under law to address the violation.

- (8) The department must specify the requirements in subsections (6) and (7) of this section in funding contracts entered into by the department under this section.
- (9) \$10,000,000 of the appropriation in this section is provided solely for grants to tribes for clean energy development projects. Eligible uses of grant funding include planning, predesign, design, construction, project predevelopment, and deployment of clean energy projects that contribute to achieving the state's greenhouse gas emissions reduction goals and related policies. The department must collaborate with tribes in the design and development of this grant program.
- (10) \$10,000,000 of the appropriation in this section is provided solely for state match for federal funding that aligns subsection (2) of this section and accelerates meeting state clean energy and climate goals. Funding may be used to match federal grants to the state or nonstate entities for clean energy research, development, and demonstration projects.
- (11) \$12,000,000 of the appropriation in the section is provided grants for strategic research, development, demonstration of new and emerging clean energy generation and storage technologies and climate change mitigation technologies, including greenhouse gas removal. Grants awarded under this subsection must reduce reliance on fossil fuels, reduce risk of irregularities in power supply, offer opportunities for economic and job growth, and strengthen technology supply chains. Grant funds are intended to catalyze diverse new technologies that change production, use, storage, and transportation of energy. The department may provide funding to projects at various stages of readiness, including earlystage research, pilot and demonstration projects, and dual use projects that produce clean energy and additional benefits.
- (12) \$20,000,000 of the appropriation in this section is provided solely for grants for electrical grid integration and innovation projects. To be eligible, a project must develop and demonstrate distributed energy resources, as defined in RCW 19.405.020, and nonwire alternatives that advance community resilience, support implementation of demand response and sustainable microgrids, improve integration of renewable energy and energy storage, and accelerate

- beneficial load integration and demand management for building
 electrification, equipment electrification, and electric vehicle
 charging.
 - (13) \$7,500,000 of the appropriation in this section is provided solely to support regional energy analytics capability at Pacific Northwest national laboratory.
 - (14) \$500,000 of the appropriation in this section is provided solely for the Nooksack Indian tribe to enter into an agreement with a third-party contractor to complete a prefeasibility study of geothermal power generation options in Whatcom county. Power generation options considered must include, at a minimum: Hydrothermal, enhanced geothermal, and high enthalpy enhanced geothermal. The tribe must select the contractor in consultation with the public utility district No. 1. of Whatcom county. The tribe must submit the completed study to the department by June 15, 2025.
 - (15) The department must strive to allocate all of the amounts appropriated in this section within the 2023-2025 fiscal biennium in the manner prescribed in each subsection. However, no sooner than January 1, 2024, if upon review of applications the department determines there are not adequate suitable projects in a category, the department may reallocate funding among the purposes of subsections (9) through (12) of this section. Beginning January 1, 2024, the department must provide quarterly notice of any funding reallocations to the appropriate fiscal committees of the legislature.
- 26 (16) (a) This section takes effect January 1, 2025.
- 27 (b) If the climate commitment account is repealed as of December 28 30, 2024, then this section is null and void on December 31, 2024.
- 29 Appropriation:

30	Climate Commitment Account—State (($$60,000,000$))
31	<u>\$60,500,000</u>
32	Prior Biennia (Expenditures)
33	Future Biennia (Projected Costs) \$240,000,000
34	TOTAL
35	\$300,500,000

- **Sec. 1005.** 2023 c 474 s 1032 (uncodified) is amended to read as follows:

4 <u>NEW SECTION.</u> **Sec. 1007.** A new section is added to 2023 c 474 (uncodified) to read as follows:

FOR THE DEPARTMENT OF COMMERCE

2.1

Communities of Concern (40000603)

The appropriation in this section is subject to the following conditions and limitations:

- (1) The department shall not expend the appropriation in this section unless and until the nonstate share of project costs have been either expended or firmly committed, or both, in an amount sufficient to complete the project or a distinct phase of the project that is useable to the public for the purpose intended by the legislature. This requirement does not apply to projects where a share of the appropriation is for design costs only.
- (2) Prior to receiving funds, project recipients must demonstrate that the project site is under control for a minimum of 10 years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction activities or appropriations in which the sole purpose is to purchase real property that does not include a construction or renovation component.
- (3) Projects funded in this section may be required to comply with Washington's high performance building standards under chapter 39.35D RCW.
- 26 (4) Project funds are available on a reimbursement basis only and 27 may not be advanced under any circumstances.
 - (5) In contracts for grants authorized under this section, the department shall include provisions that require that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.

Code Rev/CL:lel 10 H-3301.1/24

- (6) Projects funded in this section, including those that are owned and operated by nonprofit organizations, are generally required to pay state prevailing wages.
 - (7) The department must comply with the requirements set forth in executive order 21-02 and must consult with the department of archaeology and historic preservation and affected tribes on the potential effects of these projects on cultural resources and historic properties. Consultation with the department of archaeology and historic preservation and affected tribes must be initiated before project funds are made available.
- 11 (8) The appropriation in this section is provided solely for the 12 following list of projects:

13	Addis Village (Seattle)	000
14	FHPM Childcare Project (Bremerton) \$200,0	000
15	FHPM Kitsap Way Village (Bremerton) \$200,0	000
16	Monterey Lofts Renovation - Phase 2 (Seattle)\$987,0	000
17	Nuwe Reis Village at Barker Creek (Bremerton) \$2,900,0	000
18	Seattle Indian Services Commission (Seattle) \$300,0	000
19	Seattle Tibetan Community Center (Seattle) \$432,0	000

20 Appropriation:

- NEW SECTION. Sec. 1008. A new section is added to 2023 c 474 (uncodified) to read as follows:

FOR THE DEPARTMENT OF COMMERCE

Green Jobs and Infrastructure Grants (40000604)

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation in this section is provided solely for grants to eligible entities that help mitigate and reverse the effects of climate change, help communities meet their energy and climate change regulatory requirements, bring increased federal and private investment to the state, help develop the advanced workforce of the future, and ensure Washington state maintains or grows its position as a world leader in developing the projects and processes that are used to fight climate change globally. Eligible activities Code Rev/CL:lel 11 H-3301.1/24

under this section include, but are not limited to, planning predevelopment, design, engineering, and construction of clean technology projects.

- (2) Entities eligible for grants under this section include, but are not limited to, local governments, federally recognized tribal governments and tribes' contracted service providers, public and private utilities, ports, associate development organizations, forprofit entities, academic and research institutions, nonprofit organizations, and state agencies.
- (3) Projects eligible for funding must be physically located in Washington state. Eligible projects must be consistent with the state energy strategy adopted under chapter 43.21F RCW and clean energy policies under chapter 19.405 RCW. Projects must further the goals of the climate commitment act as described in RCW 70A.65.260(1)(j).
- (4) The department must consider equity and environmental justice when developing the program structures and opportunities for applicant participation and must follow principles established in its community engagement plan adopted under RCW 70A.02.050.
- (5) Except for match funds allocated in subsection (7) of this section, when soliciting and evaluating grant application proposals, awarding contracts, and monitoring projects under this section, the department must:
- (a) Use competitive processes to select all projects, except as otherwise noted in this section. The department must design a competitive process to allow provision of grant award to projects in a timely manner and consistent with the project timeline. Applications must be accepted on a rolling basis, and final determination must be made by the department;
- (b) Ensure compliance with all applicable laws related to the project selection process, project monitoring, and contracting; and
- (c) Prioritize projects that leverage the greatest amount of matching funds, such as local levy funding or private investment in advanced manufacturing capability.
- (6) Project applicants must disclose all sources of public funding invested in a project. Grant contracts must provide that if, after a grant has been awarded, the department finds that a grantee has violated chapter 42.52 RCW, either in procuring or performing under the grant, the department in its sole discretion may terminate the grant funding by written notice, and that, if the grant is

terminated, the department will reserve its right to pursue all available remedies under law to address the violation.

- (7) \$26,500,000 of the appropriation in this section is provided solely for grants to be used as state match for competitive federal funding and for formula grants that require state match. To the extent practicable, the department shall prioritize grants that provide benefit to vulnerable populations in overburdened communities, with a goal of directing at least 20 percent of funds to this purpose.
- (8) \$20,000,000 of the appropriation in this section is provided solely for grants to projects that demonstrate high-wage, clean job creation in Washington, provide risk reduction for investments in public and private infrastructure in order to increase a community's capacity for clean manufacturing, or provide investments in workforce development to attract and train the workforce required to grow the clean energy economy.
- (9) \$2,500,000 of the appropriation in this section is provided solely for the department to support access to and to flexibly administer the program. The department may use these funds to hire full-time equivalent positions within the department, as well as contract for additional capacity and subject matter expertise.
- (10) The department must strive to allocate all of the amounts appropriated in subsections (7) and (8) of this section within the 2023-2025 fiscal biennium in the manner prescribed in each subsection. However, no sooner than January 1, 2025, if upon review of applications the department determines there are not adequate suitable projects in a category, the department may reallocate funding among the purposes of subsections (7) and (8) of this section. Beginning January 1, 2025, the department must provide quarterly notice of any funding reallocations to the governor and appropriate fiscal committees of the legislature.
- 32 (11) \$2,500,000 of the appropriation in this section is provided 33 solely for the Myno carbon removal facility.
- 34 (12)(a) Subsections (1) through (10) of this section take effect 35 January 1, 2025.
- 36 (b) If the climate commitment account is repealed as of December 30, 2024, then subsections (1) through (10) of this section are null and void on December 31, 2024, and the amounts provided for subsections (1) through (10) of this section shall lapse.

NEW SECTION. Sec. 1009. A new section is added to 2023 c 474 (uncodified) to read as follows:

FOR THE DEPARTMENT OF COMMERCE

Clean Energy Community Grants (40000606)

The appropriation in this section is subject to the following conditions and limitations:

- \$42,388,000 of the appropriation in this section provided solely for the department to administer noncompetitive grants to nonprofit organizations, local governments, recognized tribal governments and tribal entities, state agencies, housing authorities, ports, transit agencies, research organizations, and eligible third-party administrators for planning, design, and implementation of capital projects and clean energy technologies that reduce greenhouse gas emissions in vulnerable, overburdened, and tribal communities identified by the department. The department must grants providing meaningful benefit to populations in overburdened communities defined under as RCW 70A.02.010.
- (b) Eligible uses of grant funds include, but are not limited to, planning for sustainable communities and predesign work, energy efficiency improvements, renewable energy generation, increasing the supply of affordable, energy efficient housing, developing resilient and sustainable infrastructure systems, zero-emission, active mobility, and micromobility transportation infrastructure, education and engagement, and workforce development.
- (2) \$7,612,000 of the appropriation in this section is provided solely for Lummi Indian business council clean energy projects.
- 33 (3) Up to three percent of the appropriation in this section is 34 for the department to administer the grant program. Administration 35 includes, but is not limited to, identifying eligible communities and 36 third-party administrators, providing technical assistance, managing 37 contracts, reporting, and providing planning and implementation 38 assistance.

- 1 (4) For the purposes of this section, "eligible third-party administrators" means entities that have sufficient expertise and 2 relationships within the identified community to help plan for, 3 design, or implement capital projects that reduce greenhouse gases or 4 develop clean energy resources for the community. 5 6 (5) (a) This section takes effect January 1, 2025. 7 (b) If the climate commitment account is repealed as of December 30, 2024, then this section is null and void on December 31, 2024. 8 9 Appropriation: 10 Climate Commitment Account—State. \$50,000,000 11 Prior Biennia (Expenditures).......... 12 Future Biennia (Projected Costs). \$200,000,000 13 **Sec. 1010.** 2023 c 474 s 1011 (uncodified) is amended to read as 14 15 follows: 16 FOR THE DEPARTMENT OF COMMERCE 17 Pacific Tower Capital Improvements (40000287) 18 Appropriation: 19 State Building Construction Account—State. . . . ((\$6,464,000)) 20 \$6,587,000 21 Prior Biennia (Expenditures)......... Future Biennia (Projected Costs). \$6,061,000 22 23 24 \$12,648,000
- NEW SECTION. Sec. 1011. A new section is added to 2023 c 474 (uncodified) to read as follows:
- 27 FOR THE DEPARTMENT OF COMMERCE
- 28 2025 Local and Community Project (40000614)
- The appropriations in this section are subject to the following conditions and limitations:
- 31 (1) The department shall not expend the appropriation in this 32 section unless and until the nonstate share of project costs have 33 been either expended or firmly committed, or both, in an amount 34 sufficient to complete the project or a distinct phase of the project 35 that is useable to the public for the purpose intended by the

legislature. This requirement does not apply to projects where a share of the appropriation is for design costs only.

- (2) Prior to receiving funds, project recipients must demonstrate that the project site is under control for a minimum of 10 years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction activities or appropriations in which the sole purpose is to purchase real property that does not include a construction or renovation component.
- 9 (3) Projects funded in this section may be required to comply 10 with Washington's high performance building standards under chapter 11 39.35D RCW.
 - (4) Project funds are available on a reimbursement basis only and may not be advanced under any circumstances.
 - (5) In contracts for grants authorized under this section, the department shall include provisions that require that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.
 - (6) Projects funded in this section, including those that are owned and operated by nonprofit organizations, are generally required to pay state prevailing wages.
 - (7) The department must comply with the requirements set forth in executive order 21-02 and must consult with the department of archaeology and historic preservation and affected tribes on the potential effects of these projects on cultural resources and historic properties. Consultation with the department of archaeology and historic preservation and affected tribes must be initiated before project funds are made available.
- 34 (8) The state building construction account—state appropriation 35 in this section is provided solely for the following list of 36 projects:

Code Rev/CL:lel 16 H-3301.1/24

1	Abu Bakr Youth Center Renovation	\$350,000

2023-25 Community Solar Resilience Hubs (40000620)

The appropriation in this section is subject to the following conditions and limitations:

- (1) The appropriation in this section is provided solely for grants to increase solar deployment and installation of battery storage in community buildings to enhance grid resiliency and provide backup power for critical needs, such as plug load and refrigeration for medication, during outages, or to provide incentives to support electric utility demand response programs that include customer-sited solar and battery storage systems. Eligible uses of the amounts provided in this section include, but are not limited to, planning and predevelopment work with vulnerable, highly impacted, and rural communities.
 - (2) The department may:
- (a) Provide information to applicants about available clean energy tax credits and incentives, including elective pay, that may be applicable to the project for which state funding is being sought;
- (b) Inquire, as part of the application, which tax credits and incentives the applicant plans to seek for the project;
- (c) Prioritize projects seeking any applicable clean energy tax credits and incentives when developing and applying competitive criteria for selecting recipients under this section; and
- (d) Consider the availability of any federal tax credits or other federal or nonfederal grants or incentives that the applicant may benefit from in review of the application.
- 29 (3) Funding awards made under this section may not exceed 100 30 percent of the cost of the project.
- 31 (4) For the purposes of this section "community buildings" means
 32 K-12 schools, community colleges, community centers, recreation
 33 centers, libraries, tribal buildings, state and local government
 34 buildings, and other publicly owned infrastructure.
- 35 (5) Up to three percent of the appropriation in this section is 36 for the department to administer the grant program.
- 37 Appropriation:
- Climate Commitment Account—State. \$38,000,000

1	Future Biennia	(Projected	Costs)	\$152,000,000
2	TOTAL			\$190,000,000

2023-25 Community Solar (40000621)

The appropriation in this section is subject to the following conditions and limitations:

- (1) The appropriation in this section is provided solely for a grant program to provide solar and battery storage community solar projects for organizations serving low-income communities. Eligible uses of the amounts provided in this section include, but are not limited to, planning and predevelopment work with vulnerable, highly impacted, and rural communities.
 - (2) The department may:
- (a) Provide information to applicants about available clean energy tax credits and incentives, including elective pay, that may be applicable to the project for which state funding is being sought;
- (b) Inquire, as part of the application, which tax credits and incentives the applicant plans to seek for the project;
- (c) Prioritize projects seeking any applicable clean energy tax credits and incentives when developing and applying competitive criteria for selecting recipients under this section; and
- (d) Consider the availability of any federal tax credits or other federal or nonfederal grants or incentives that the applicant may benefit from in review of the application.
- (3) Funding awards made under this section may not exceed 100 percent of the cost of the project.
- (4) Priority must be given to projects sited on "preferred sites" such as rooftops, structures, existing impervious surfaces, landfills, brownfields, previously developed sites, irrigation canals and ponds, storm water collection ponds, industrial areas, dual-use solar projects that ensure ongoing agricultural operations, and other sites that do not displace critical habitat or productive farmland.
- 35 (5) For the purposes of this section "low-income" has the same meaning as provided in RCW 19.405.020 and "community solar project" means a solar energy system that: Has a direct current nameplate capacity that is greater than 12 kilowatts but no greater than 1,000

Code Rev/CL:lel 21 H-3301.1/24

- 1 kilowatts; and has, at minimum, either two subscribers or one low-2 income service provider subscriber.
- 3 (6) Up to three percent of the appropriation in this section is 4 for the department to administer the grant program.

NEW SECTION. Sec. 1014. A new section is added to 2023 c 474 (uncodified) to read as follows:

FOR THE DEPARTMENT OF COMMERCE

- 2023-25 Community EV Charging (40000622)
- The appropriation in this section is subject to the following conditions and limitations:
 - (1) The appropriation in this section is provided solely for the development of community electric vehicle charging infrastructure.
 - (2) Funding provided in this section must be used for projects that provide a benefit to the public through development, demonstration, and deployment of clean energy technologies that save energy and reduce energy costs, reduce harmful air emissions, or increase energy independence for the state.
 - (3) Projects that receive funding under this section must be implemented by, or include partners from, one or more of the following: Local governments, federally recognized tribal governments, or public and private electrical utilities that serve retail customers in the state.
 - (4) Grant funding must be used for level two or higher charging infrastructure and related costs including, but not limited to, construction and site improvements. Projects may include a robust public and private outreach plan that includes engaging with affected parties in conjunction with the new electric vehicle infrastructure.
- 33 (5) The department must prioritize funding for projects in the 34 following order:
 - (a) Multifamily housing;
 - (b) Publicly available charging at any location;
- 37 (c) Schools and school districts;
- (d) State and local government buildings and office buildings;

- 1 (e) All other eligible projects.
 - (6) The department must coordinate with other electrification programs, including projects developed by the department of transportation, to determine the most effective distribution of the systems. The department must also collaborate with the interagency electric vehicle coordinating council established in RCW 43.392.030 to implement this section and must work to meet benchmarks established in chapter 182, Laws of 2022.
 - (7) The department may:
- 10 (a) Provide information to applicants about available clean 11 energy tax credits and incentives, including elective pay, that may 12 be applicable to the project for which state funding is being sought;
- 13 (b) Inquire, as part of the application, which tax credits and 14 incentives the applicant plans to seek for the project;
 - (c) Prioritize projects seeking any applicable clean energy tax credits and incentives when developing and applying competitive criteria for selecting recipients under this section; and
 - (d) Consider the availability of any federal tax credits or other federal or nonfederal grants or incentives that the applicant may benefit from in review of the application.
- 21 (8) Funding awards made under this section may not exceed 100 22 percent of the cost of the project.
- 23 (9) Up to three percent of the appropriation in this section is 24 for the department to administer the grant program.

- (2) ((\$25,000,000)) \$36,500,000 of the state taxable building construction account—state appropriation ((is)) and \$8,500,000 of the Washington housing trust fund account—state appropriation are provided solely for affordable housing projects that serve and benefit low-income people with developmental or intellectual disabilities. The department must use a separate application form and evaluation criteria for applications under this subsection. The department must coordinate with the department of social and health services regarding any needed supportive services and make efforts to enact the recommendations of the housing needs study for individuals with intellectual and developmental disabilities, as provided in section 1068(6), chapter 332, Laws of 2021.
 - (3) \$100,000,000 of the state taxable building construction account—state appropriation is provided solely for the apple health and homes rapid permanent supportive housing program created in chapter 216, Laws of 2022. Of the amounts provided in this subsection((τ)):
- 23 <u>(a)</u> \$5,000,000 is provided solely for the St. Agnes Haven project in Spokane; and
- 25 (b) \$7,000,000 is provided solely for the CoLead Northgate 26 project in Seattle.
 - (4) ((\$40,000,000)) \$65,000,000 of the state building construction account—state appropriation is provided solely for awards to organizations eligible under RCW 43.185A.040 for the development of homeownership projects affordable to first-time lowincome households throughout the state. Projects serving homebuyers whose income is up to 80 percent of the area median income, adjusted for household size, for the county where the property is located are eligible to apply, except that projects located in rural areas of the state, as defined by the department, serving homebuyers whose income is up to 100 percent of the area median income, adjusted for household size, for the county where the property is located are eligible to apply. Eligible activities include, but are not limited payment assistance, closing costs, acquisition, to, down

Code Rev/CL:lel 25 H-3301.1/24

- rehabilitation costs, and new construction. Eligible organizations include those that plan to provide housing to socially disadvantaged communities as defined in 13 C.F.R. Sec. 124.103. The department shall strive to invest at least 50 percent of these funds with by and for organizations, as defined by the office of equity, and make efforts to enact the recommendations of the homeownership disparities work group created in section 128(100), chapter 297, Laws of 2022. Of the amount provided in this subsection:
- 9 <u>(a) \$1,500,000 is provided solely for the Boulevard Townhomes</u>
 10 <u>project; and</u>

- (b) \$248,000 is provided solely for the Crail Cottages project.
- (5) \$25,000,000 of the state building construction account—state appropriation is provided solely for affordable housing preservation projects, which may include, but are not limited to:
- (a) Projects preserving and extending the affordability commitment period for projects in the housing trust fund portfolio. The funds may be provided for major building improvements, preservation, and system replacements, necessary for the existing housing trust fund portfolio to maintain long-term viability. The department must require a capital needs assessment be provided prior to contract execution. Funds may not be used to add or expand the capacity of the property. When allocating funds, the department must prioritize buildings that are older than 15 years and that serve very low-income and extremely low-income populations.
- (b) Projects preserving affordable multifamily housing at risk of losing its affordability due to expiration of use restrictions that otherwise require affordability including, but not limited to, United States department of agriculture funded multifamily housing. The department must prioritize projects that satisfy the goal of long-term preservation of Washington's affordable multifamily housing stock, particularly in rural areas of the state. Funds may be used for acquisition or for acquisition and rehabilitation of properties to preserve the affordable housing units beyond their existing use restrictions and keep them in Washington's housing portfolio for a minimum of 40 years. If a capital needs assessment is required, the department must work with the applicant to ensure that this does not create an unnecessary impediment to rapidly accessing these funds.
- 38 (c) The funding provided under this subsection (5) is not subject 39 to the 90-day application periods in RCW 43.185.070 or 43.185A.050.

Code Rev/CL:lel 26 H-3301.1/24

1 (d) The amount awarded under this subsection (5) may not be calculated in award limitations for other housing trust fund awards.

- (6) ((\$4,000,000)) \$14,000,000 of the state taxable building construction account—state appropriation is provided solely for a grant to the northwest cooperative development center to provide subgrants for the acquisition and preservation of mobile or manufactured home communities. Funding provided under this subsection may be used to acquire mobile or manufactured home communities for the purpose of avoiding household displacement due to sale or other transactions and ensuring preservation of housing affordability for low-income households for a minimum of 40 years. Of the amount provided in this subsection: \$1,500,000 is provided solely for the Alpine Ridge Utility Upgrades project.
- (7) ((\$2,000,000)) \$7,000,000 of the state taxable building construction account—state appropriation is provided solely for a grant to the northwest cooperative development center to provide subgrants to organizations that are "mobile home park cooperatives" or "manufactured housing cooperatives" under RCW 59.20.030 for completing capital improvement processes. Subgrants provided under this subsection may be used solely for critical improvements, repairs, and infrastructure upgrades to promote the preservation of mobile or manufactured home communities as affordable housing. The grantee must award subgrants based on needs relating to health, safety, and cost.
- (8) ((\$40,337,000)) \$60,052,000 of the state taxable building construction account—state appropriation is provided solely for the following list of projects:

28	African Diaspora Cultural Anchor Village (SeaTac) \$4,000,000
29	Bringing It Home II 24-Hour Domestic Violence Shelter. \$8,720,000
30	Broadway Senior Housing
31	Casa MiA: Supporting Housing for Survivors \$1,030,000
32	<u>Cedar House</u>
33	Gravelly Lake Commons at LASA (Lakewood) \$500,000
34	((Kenmore Supportive Housing (Kenmore)\$1,000,000))
35	<pre>Habitat for Humanity \$2,000,000</pre>
36	Leavenworth Affordable Workforce Rental Housing
37	(Leavenworth)
38	Lewis County Homeless Shelter (Chehalis) \$2,500,000
39	Lincoln District Family Housing (Tacoma) \$5,050,000

1	Mary's Place Shelter Replacement (Burien)\$6,000,000
2	Mount Zion Housing (Seattle) \$1,000,000
3	Mount Baker Housing Association Trenton Apartments \$500,000
4	Multicultural Village Design (Kent) \$550,000
5	New Hope Family Housing (Seattle) \$325,000
6	Peninsula Community Health Housing (Bremerton) \$412,000
7	Redmond Supportive Housing \$3,200,000
8	Shiloh Baptist Church New Life Housing (Tacoma) \$1,000,000
9	Skyway Affordable Housing (Skyway) \$3,000,000
10	Sky Valley Youth Center
11	Tacoma/Pierce County Habitat Affordable Housing
12	(Pierce County)
13	West Klickitat Assisted Living Facility \$3,000,000

- (9) \$30,000,000 of the state taxable building construction account—state appropriation in this section is provided solely for eligible organizations defined under RCW 43.185A.040 to acquire, renovate, and prepare real property for rapid conversion into enhanced emergency shelters, permanent supportive housing, transitional housing, permanent housing, youth housing, tiny homes, or shelter for extremely low-income people, as well as individuals, families, unaccompanied youth, and young people experiencing sheltered and unsheltered homelessness. Acquisitions completed with temporary financing are eligible for funding provided in this section. The department may only approve funding for projects that result in increased shelter or housing capacity.
- (a) Acquisition of multifamily housing is a priority, and the department shall prioritize housing projects that rapidly move people experiencing unsheltered homelessness into housing, including, but not limited to, individuals living in unsanctioned encampments, the public rights-of-way, or other public spaces.
- (b) Amounts provided in this section may not be used for operating or maintenance costs, supportive services, or debt service.
- (c) Awards made to tiny homes under this subsection (9) may be made to noncode compliant structures and may be exempted from the 40-year affordability requirement under RCW 43.185A.060.
- $\underline{(10)}$ In evaluating projects in this section, the department must give preference for applications based on some or all of the criteria in RCW 43.185.070(5).

Code Rev/CL:lel 28 H-3301.1/24

(((10))) (11) The department shall strive to allocate at least 30 percent of the funds provided in this section to projects located in rural areas of the state, as defined by the department.

(((11))) <u>(12)</u> The department must strive to allocate all of the amounts appropriated in this section within the 2023-2025 fiscal biennium in the manner prescribed in each subsection. However, if upon review of applications the department determines there are not adequate suitable projects in a category, the department may allocate funds to other affordable housing projects serving other low-income and special needs populations, provided those projects are located in an area with an identified need for the type of housing proposed.

Sec. 1018. 2023 c 474 s 1022 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF COMMERCE

Transit Oriented Housing Development Partnership Match (40000298)

The appropriations in this section are subject to the following conditions and limitations: The appropriations in this section are provided solely as match to private investment for grants or loans to for-profit and nonprofit housing developers and public entities to carry out projects designed to increase the supply and affordability of transit-oriented housing development. ((Grants)) Awards from this appropriation may only be used for the construction of units affordable at 80 percent of area median income or lower, if a project

- includes a range of affordability levels. The department shall work with the department of transportation to develop and administer a competitive grant or loan program to assist in the financing of housing projects within rapid transit corridors. The department shall implement the program pursuant to the following eligibility criteria and definitions:
 - (1) Entities eligible to receive ((grant)) awards are state agencies, local governments, and nonprofit or for-profit housing developers. Eligible uses of ((grant)) awards include project capital costs and infrastructure costs and addressing gaps in project financing that would prevent ongoing or complete project construction.
- 13 (2) Eligible housing projects must meet the following 14 requirements:
 - (a) Be within a rapid transit corridor. For purposes of this subsection (2), "rapid transit corridor" includes either one-half mile from light rail or commuter rail, or one-quarter mile from bus rapid transit.
 - (b) Produce at least 100 units of housing; and

- (c) Include a covenant on the property requiring at least 10 percent of total housing units in the project remain affordable for households with incomes at or below 60 percent of area median income and at least 10 percent of total housing units in the project remain affordable for households with incomes at or below 80 percent of area median income for at least 99 years.
- (3) The department must prioritize eligible projects by occupancy date, with a target occupancy date of December 31, 2025, or sooner.
- (4) To source project requests, the department may first review the list of housing trust fund applications from the prior two years to determine if any projects not fully funded would meet the criteria listed in subsection (2) of this section and would be able to proceed to construction. If so, the department must conduct outreach to those project owners to discuss the ((grant)) program before soliciting new projects.
- (5) The department must also consider the following criteria when prioritizing all projects:
 - (a) Are comprised of the largest number of affordable units;
- 38 (b) Have the largest total number of units affordable to 39 households with incomes at or below 60 percent area median income;
 - (c) Include land acquired at a reduced price or without cost;

 Code Rev/CL:lel 30 H-3301.1/24

- 1 (d) Abide by any applicable antidisplacement measures;
- 2 (e) Include units with additional bedrooms or intended for 3 occupancy by families with multiple dependents; or
 - (f) Have acquired all necessary permits.
- 5 (6) The department may adopt any necessary guidance or rules to 6 implement the competitive grant <u>or loan</u> program under this section, 7 including any additional project eligibility criteria and 8 prioritization criteria.
 - (7) The department must report a program update and any projects awarded on their website by June 30, 2024. The report must include project award data at the time of award, such as, but not limited to, the awardee, total project cost, amount of the award, number of households being served by household income, project location, and any other relevant information.
 - (8) The department must strive to allocate the amounts appropriated in this section by September 30, 2024, in the manner prescribed in this section. However, if upon review of applications the department determines there are not adequate suitable projects to receive awards, the department may allocate state funding to other affordable housing projects serving other low-income and special needs populations.
- (9) Of the amounts appropriated in this section, \$2,100,000 from the state taxable building construction account—state appropriation and \$2,100,000 from the general fund—private/local appropriation are provided solely for the Redmond Supportive Housing project.

. . . \$250,000,000

36 FOR THE DEPARTMENT OF COMMERCE

TOTAL. . . .

37 2023-25 Behavioral Health Community Capacity Grants (40000299)

Code Rev/CL:lel 31 H-3301.1/24

The appropriation in this section is subject to the following conditions and limitations:

- (1) The appropriation in this section is provided solely for the department to issue grants to community hospitals or other community providers to expand and establish new capacity for behavioral health services in communities. The department must consult an advisory group consisting of representatives from the department of social and health services, the health care authority, one representative from a managed care organization, one representative from an accountable care organization, and one representative from the association of county human services. Amounts provided in this section may be used for construction and equipment costs associated with establishment or preservation of the facilities. The department may approve funding for the acquisition of a facility if the project will result in increased behavioral health capacity. Amounts provided in this section may not be used for operating costs associated with the treatment of patients using these services.
- 18 (2) In awarding funding for projects in subsection (5) of this 19 section, the department must establish criteria for the issuance of 20 the grants, which must include:
 - (a) Evidence that the application was developed in collaboration with one or more regional behavioral health entities that administer the purchasing of services;
 - (b) Evidence that the applicant has assessed and would meet gaps in geographical availability of behavioral health services in their region;
 - (c) Evidence that the applicant is able to meet applicable licensing and certification requirements in the facility that will be used to provide services;
- 30 (d) A commitment by applicants to serve persons who are publicly 31 funded and persons detained for involuntary commitment under chapter 32 71.05 RCW;
- 33 (e) A commitment by the applicant to maintain and operate the 34 beds or facility for a time period commensurate to the state 35 investment, but for at least a 10-year period;
 - (f) The date upon which structural modifications or construction would begin and the anticipated date of completion of the project;
- 38 (g) A detailed estimate of the costs associated with opening the 39 beds;

Code Rev/CL:lel 32 H-3301.1/24

1 (h) A financial plan demonstrating the applicant's ability to 2 maintain and operate the facility; and

- (i) The applicant's commitment to work with local courts and prosecutors to ensure that prosecutors and courts in the area served by the hospital or facility will be available to conduct involuntary commitment hearings and proceedings under chapter 71.05 RCW.
- (3) In awarding funding for projects in subsection (5) of this section, the department, in consultation with the advisory group established in subsection (1) of this section, must strive for geographic distribution and to allocate funding based on population and service needs of an area. The department must consider current services available, anticipated services available based on projects underway, and the service delivery needs of an area.
- (4) The department must prioritize projects that increase capacity in unserved and underserved areas of the state.
- (5) (a) \$28,443,000 of the state building construction account—state appropriation and \$11,664,000 of the capital community assistance account—state appropriation in this section is provided solely for competitive community behavioral health grants to address regional needs. Applicants must provide confirmation that the health care authority, department of social and health services, or a managed care organization plans to contract with the facility sufficient to cover the facility's operating costs. The department must give priority to facilities that:
- (i) Serve individuals on 90-day or 180-day civil commitments as an alternative to treatment in the state hospitals;
- 27 (ii) Serve individuals who will be transitioned from or diverted 28 from the state hospitals;
- 29 (iii) Provide secure withdrawal management and stabilization 30 treatment beds; or
 - (iv) Provide substance use disorder treatment.
 - (b) In awarding this funding to projects under (a)(i) of this subsection (5), the department must coordinate with the department of social and health services, the health care authority, and the department of health and must only select facilities that meet the following conditions:
- 37 (i) The funding must be used to increase capacity related to 38 serving individuals who will be transitioned from or diverted from 39 the state hospitals;

1 (ii) The facility is not subject to federal funding restrictions 2 that apply to institutions of mental diseases;

- (iii) The provider has submitted a proposal for operating the facility to the health care authority;
- (iv) The provider has demonstrated to the department of health and the health care authority that it is able to meet the applicable licensing and certification requirements for the facility that will be used to provide services; and
- (v) The health care authority has confirmed that it intends to contract with the facility for operating costs within funds provided in the operating budget for these purposes.
 - (c) \$24,000,000 of the state building construction account—state appropriation in this section is provided solely for grants to intensive behavioral health treatment facilities for long-term placement of behavioral health patients with complex needs and that are not subject to federal funding restrictions that apply to institutions of mental diseases.
 - (d) \$18,000,000 of the state building construction account—state appropriation in this section is provided solely for grants to community providers to increase behavioral health services and capacity for children and minor youth including, but not limited to, services for youth crisis walk-in intervention, substance use disorder treatment, sexual assault and traumatic stress, anxiety, or depression, children with behavioral health and intellectual or developmental disability needs, and interventions for children exhibiting aggressive or depressive behaviors in facilities that are not subject to federal funding restrictions. Consideration must be given to programs that incorporate outreach and treatment for youth dealing with behavioral health or social isolation issues.
 - (6) The amounts provided in this subsection are subject to the criteria in subsection (1) of this section, except the projects are not required to establish new capacity:
- (a) \$7,500,000 of the state building construction account—state appropriation in this section is provided solely for grants to community providers to prevent the closure of existing behavioral health facilities. For purposes of this subsection (6)(a), the department must implement necessary procedures to enable rapid commitment of funds on a first-come, first-served basis to qualifying

1	project proposals that satisfy the goal of long-term preservation of
2	behavioral health facilities.
3	(b) $((\$133,057,000))$ $\$193,055,000$ of the <u>state building</u>
4	construction account—state appropriation and \$12,038,000 of the

(7) The department shall notify all applicants that they may be required to have a construction review performed by the department of health.

- (8) To accommodate the emergent need for behavioral health services, the department and the department of health, in collaboration with the health care authority and the department of social and health services, must establish a concurrent and expedited process to assist grant applicants in meeting any applicable regulatory requirements necessary to operate inpatient psychiatric beds, freestanding evaluation and treatment facilities, enhanced services facilities, triage facilities, crisis stabilization facilities, or secure detoxification/secure withdrawal management and stabilization facilities.
- (9) The department must strive to allocate all of the amounts provided in this section in the manner prescribed in each subsection. However, if upon review of applications, the department determines, in consultation with the advisory group established in subsection (1) of this section, that there are not adequate suitable projects in a category, the department may allocate funding to other project categories listed in this section, prioritizing projects that support serving individuals who will be transitioned from or diverted from the state hospitals. Underserved areas of the state may also be considered.
- (10) In contracts for grants authorized under this section, the department must include provisions that require that the grantee or successor hold the capital improvements for at least a 10-year

- period. The provisions must require the facility to be used for behavioral health services, but may allow the facility to change ownership or facility type during the commitment period. The department shall monitor the activities of recipients of grants under this program to determine compliance with the terms and conditions set forth in its contract.
- 7 (11) The department must provide a progress report to the 8 appropriate committees of the legislature by September 1, 2024. The 9 report must include:
- 10 (a) The total number of applications and amount of funding 11 requested;
 - (b) A list and description of the projects approved for funding including state funding, total project cost, services anticipated to be provided, bed capacity, and anticipated completion date;
- 15 (c) A statewide map of new capacity since 2018, including 16 projected bed capacity and opening dates;
 - (d) A status report of projects that received funding in prior funding rounds, including details about the project completion and the date the facility began providing services; and
 - (e) Recommendations for statutory language that would codify the grant program on an ongoing basis including:
 - (i) Evaluation and prioritization criteria;
 - (ii) Monitoring and compliance requirements;
 - (iii) Preconstruction and technical assistance services; and
 - (iv) Data needed to determine the service needs by area of the state.
 - (12) The department must coordinate with the health care authority to submit capital budget requests to fund behavioral health community capacity grants for the 2025-2027 biennial budget by the due date established by the office of financial management. Associated state budget operating costs must also be identified and requested.

Code Rev/CL:lel 38 H-3301.1/24

 2023-25 Early Learning Facilities Fund Grant Program (40000300)

The appropriation in this section is subject to the following conditions and limitations:

- (1) ((\$5,000,000)) \$6,000,000 of the Ruth Lecocq Kagi early learning facilities development account—state appropriation in this section is provided solely for minor renovation grants.
- (2) ((\$42,050,000)) \$71,212,000 of the Ruth Lecocq Kagi early learning facilities development account—state appropriation in this section is provided solely for the early learning facility grant and loan program, subject to the provisions of RCW 43.31.573 through 43.31.583 and 43.84.092, to provide state assistance for designing, constructing, purchasing, expanding, or modernizing public or private early learning education facilities for eligible organizations. Up to four percent of the funding in this subsection may be used by the department of children, youth, and families to provide technical assistance to early learning providers interested in applying for the early learning facility grant or loan program.
- (3) The department of children, youth, and families must develop methodology to identify, at the school district boundary level, the geographic locations of where early childhood education and assistance program slots are needed to meet the entitlement specified in RCW 43.216.556. This methodology must be linked to the caseload forecast produced by the caseload forecast council and must include estimates of the number of slots needed at each school district. This methodology must inform any early learning facilities needs assessment conducted by the department and the department of children, youth, and families. This methodology must be included as part of the budget submittal documentation required by RCW 43.88.030.
- (4) When prioritizing areas with the highest unmet need for early childhood education and assistance program slots, the committee of early learning experts convened by the department pursuant to RCW 43.31.581 must first consider those areas at risk of not meeting the entitlement specified in RCW 43.216.556.
- (5) The department must track the number of slots being renovated separately from the number of slots being constructed and, within these categories, must track the number of slots separately by program for the working connections child care program and the early childhood education and assistance program.

1 (6) When prioritizing applications for projects pursuant to RCW 2 43.31.581, the department must award priority points to applications 3 from a rural county or from extreme child care deserts as defined by 4 the department of children, youth, and families.

- (7) For early learning facilities collocated with affordable or supportive housing developments, the department may remit state funding on a reimbursement basis for 100 percent of eligible project costs, regardless of the project's match amount, once the nonstate share of project costs have been either expended or firmly committed in an amount sufficient to complete the entire project or a distinct phase of the project that is useable to the public as an early learning facility. These projects are not subject to section 8015 of this act or RCW 43.88.150.
- (8) It is the intent of the legislature to reappropriate funding in the 2023-2025 omnibus capital appropriations act for early learning facilities appropriated in this section.
- (9) ((\$17,600,000)) \$37,438,000 of the Ruth Lecocq Kagi early learning facilities development account—state appropriation in this section is provided solely for the following list of early learning facility projects:

21	Boys and Girls Club of Lewis County	\$1,950,000
22	Brightonview Childcare Expansion	\$2,305,000
23	Cora Whitley Family Center (Tacoma) $((\$2,500,000))$	\$3,015,000
24	Eastside Early Childhood Center (Bellevue)	\$1,100,000
25	Lions Park Community Center	\$2,550,000
26	Montesano Child Care	\$515 , 000
27	New Tomorrow's Hope Child Development Center	
28	(Everett)	\$1,000,000
29	Northaven Green Space Restoration	\$1,300,000
30	Northgate Jose Marti Early Learning Center	
31	(Seattle) $((\$1,000,000))$	\$2,488,000
32	Rainier Valley Early Learning Center (Seattle)	\$6,000,000
33	ReWA MLK Early Learning Center	\$4,252,000
34	Shore Metro Park District Child Care Expansion	\$773 , 000
35	Skyway Affordable Housing and Early Learning	
36	Center (Seattle)	\$3,000,000
37	Step by Step's Early Learning Center	\$515 , 000
38	Whatcom Meridian Early Learning	\$3,000,000

1	YMCA Early Learning Center (Port Angeles) (($\$2,000,000$))
2	\$2,500,000
3	Young Child & Family Center, North Thurston PS
4	(Olympia)\$1,000,000
5	YWCA Walla Walla Childcare Center \$175,000
6	(10) \$350,000 of the Ruth Lecocq Kagi early learning facilities
7	development account—state appropriation in this section is provided
8	solely for the early learning facilities capital readiness pilot
9	program. The department, in partnership with the department of
10	children, youth, and families, shall administer the program as part
11	of the early learning facilities program. The early learning
12	facilities capital readiness pilot program must support no more than
13	10 licensed early learning providers that will serve children through
14	working connections child care or through the early childhood
15	education and assistance program to study the feasibility of
16	expanding, remodeling, purchasing, or constructing early learning
17	facilities and classrooms. Participants must receive small grants and
18	project support to conduct capital feasibility studies that cover
19	financing, architectural design, construction, business operations,
20	and other relevant topics. Participants must also have access to
21	professional consultation related to financing, architectural design,
22	construction, and business operations.
23	Appropriation:
24	Ruth Lecocq Kagi Early Learning Facilities
25	Development Account—State ((\$65,000,000))
26	\$115,000,000
27	Prior Biennia (Expenditures)\$0
28	Future Biennia (Projected Costs) $((\$260,000,000))$
29	\$460,000,000
30	TOTAL
31	\$575,000,000
32	Sec. 1022. 2023 c 474 s 1025 (uncodified) is amended to read as
33	follows:
34	FOR THE DEPARTMENT OF COMMERCE
35	2024 Local and Community Projects (40000301)
36	The appropriations in this section are subject to the following
27	and appropriations in this section are subject to the rollowing

Code Rev/CL:lel 41 H-3301.1/24

37

conditions and limitations:

(1) The department shall not expend the appropriation in this section unless and until the nonstate share of project costs have been either expended or firmly committed, or both, in an amount sufficient to complete the project or a distinct phase of the project that is useable to the public for the purpose intended by the legislature. This requirement does not apply to projects where a share of the appropriation is for design costs only.

- (2) Prior to receiving funds, project recipients must demonstrate that the project site is under control for a minimum of 10 years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction activities or appropriations in which the sole purpose is to purchase real property that does not include a construction or renovation component.
- (3) Projects funded in this section may be required to comply with Washington's high performance building standards under chapter 39.35D RCW.
- (4) Project funds are available on a reimbursement basis only and may not be advanced under any circumstances.
- (5) In contracts for grants authorized under this section, the department shall include provisions that require that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.
- (6) Projects funded in this section, including those that are owned and operated by nonprofit organizations, are generally required to pay state prevailing wages.
- (7) The department must comply with the requirements set forth in executive order 21-02 and must consult with the department of archaeology and historic preservation and affected tribes on the potential effects of these projects on cultural resources and historic properties. Consultation with the department of archaeology and historic preservation and affected tribes must be initiated before project funds are made available.

Affordable Housing Repair Fund (91002470)

5 The appropriation in this section is subject to the following 6 conditions and limitations:

- (1) The appropriation in this section is provided solely for affordable housing urgent repair grants to be provided on an ongoing basis. Funding is not subject to the 60-day notification requirement in RCW 43.185A.150. The funding may be provided to address nonreoccurring repair projects including repair of units or buildings, abatement of potentially hazardous materials, and safety-related structural improvements of affordable housing. Each repair grant award may not exceed \$200,000 per award. However, the department may not limit the number of awards or amount received per organization.
- (2) For purposes of this section, "affordable housing" means:
- 18 (a) Permanent supportive housing as defined in RCW 36.70A.030; 19 and
- 20 (b) Multifamily affordable housing projects in the housing trust 21 fund portfolio.
- 22 (3) If the department receives application requests that exceed 23 the appropriation level, the department must prioritize projects 24 under subsection (2)(a) of this section.
- 25 Appropriation:
- 30 <u>NEW SECTION.</u> **Sec. 1029.** A new section is added to 2023 c 474 31 (uncodified) to read as follows:
- 32 FOR THE DEPARTMENT OF COMMERCE
- 33 Multifamily Bldg Efficiency Grants (91002449)
- The appropriation in this section is subject to the following conditions and limitations:
- 36 (1) \$55,000,000 of the climate commitment account—state 37 appropriation in this section is provided solely for the department

- to issue grants to affordable multifamily projects within the housing trust fund portfolio to decarbonize and transition off the direct use of fossil fuels.
 - (2) Grants may include, but are not limited to: Conducting benchmarking, technical assistance, energy management, operations and maintenance planning, deep retrofits, energy efficiency upgrades and greenhouse gas emission reductions, renewable energy generation, installation of high-efficiency electric appliances and equipment, including high-efficiency heat pumps, and other decarbonization investments.
- 11 (3) Individual grant awards may not exceed \$10,000,000. The
 12 department must award funding at a sufficient level to complete the
 13 financing package necessary for an applicant to accomplish the
 14 requested scope of work. The department must prioritize providing
 15 meaningful benefits to vulnerable populations in overburdened
 16 communities as defined in RCW 70A.02.010.
 - (4)(a) This section takes effect January 1, 2025.
- 18 (b) If the climate commitment account is repealed as of December 19 30, 2024, then this section is null and void on December 31, 2024.
- 20 Appropriation:

Climate Resilience & Environmental Equity Campus (91002476)

The appropriation in this section is subject to the following conditions and limitations:

- (1) The appropriation in this section is provided solely for the department's office of economic development to contract with an economic development corporation to analyze and provide recommendations related to the creation and implementation of a climate resilience and environmental equity campus to be located in southern King county. The department's analysis must include evaluation of multiple sites in southern King county for their suitability as a campus pursuant to this section.
- The analysis process created in subsection (1) section must include iterative consultation with the following stakeholders: (a) Potential industry partners in the fields climate resilience and environmental equity; (b) the state board of community and technical colleges, including Highline community college; (c) the public four-year institutions of higher education; (d) private institutions of higher education; (e) entities with expertise in the provision of early learning, including outdoor early learning; (f) the office of the superintendent of public instruction; the department of natural resources; (h) an environmental scientist with knowledge of climate resilience; (i) entities in the fields of environmental justice, environmental equity, and community and civic engagement; (j) the city of Auburn; (k) the city of Federal Way; (1) the greater Federal Way chamber of commerce; and (m) members of the house of representatives serving southern King county. The department must also request consultation and participation from local Indian tribes in this process.
- (3) The recommendations provided pursuant to subsection (1) of this section must include identification of: (a) The educational and community engagement programming to be offered on the campus,

Code Rev/CL:lel 66 H-3301.1/24

- 1 including climate resilience and environmental equity programming;
- 2 (b) potential industry partners for development of the campus; and
- 3 (c) potential funding options to support the creation, maintenance,

4 and operations of the campus, including state, federal, and private

5 sources.

Sec. 1041. 2023 c 474 s 1061 (uncodified) is amended to read as 11 follows:

FOR THE DEPARTMENT OF ENTERPRISE SERVICES

Legislative Campus Modernization (92000020)

The appropriations in this section are subject to the following conditions and limitations:

- (1) The reappropriations are subject to the provisions of section 1059, chapter 296, Laws of 2022.
- (2) The department must consult with the senate facilities and operations committee or its designees and the house of representatives' executive rules committee or its designees at least every other month.
- (3) All appropriations must be coded and tracked as separate discrete subprojects in the agency financial reporting system.
- (4) If the department receives information, after value engineering has been performed, that projected costs for any of the subprojects in subsections (5), (6), or (7) of this section will exceed the amount provided in the respective subsections, including projected costs in future biennia, the department must timely notify and provide that information in writing to the project executive team. Prior to proceeding with design or construction, the department must:
- (a) Provide at least three options that do not include square footage reduction to reduce the subproject costs to stay within the amount provided for that subproject and the project schedule;
- (b) Consult with the project executive team on the options offered, prior to proceeding with a reduced cost option; and
- 37 (c) Receive majority consensus from the project executive team to 38 either adopt and move forward with reduced cost options that bring Code Rev/CL:lel 70 H-3301.1/24

- the subproject costs within amounts appropriated or adopt a tentative modified budget for the subproject. If a tentative modified budget is adopted, the department must seek additional funding in the next agency budget submittal.
 - (5) ((\$20,751,000)) \$25,651,000 of the ((amount provided)) state building construction account—state appropriation in this section is provided solely for the Irv Newhouse building replacement design and construction subproject on opportunity site six west. The department must:
 - (a) Start Newhouse building construction by July 1, 2023;
- 11 (b) Complete Newhouse building construction by October 31, 2024; 12 and
 - (c) Consult with the leadership of the senate, or their designees, at least every month, beginning July 1, 2023.
 - building construction account—state appropriation in this section is provided solely for the rehabilitation, design, and construction of the Pritchard building and the renovation of the John L. O'Brien building subproject. The legislature intends to provide funding in the amount of ((\$136,504,000)) \$134,097,000 over the course of the 2023-2025 and the 2025-2027 fiscal biennia for design and construction of this project. Pursuant to RCW 43.88.130, the department may enter into a multibiennium contract for the construction of the subproject. Nothing in this section authorizes the agency to make an expenditure without an appropriation.
 - (7) ((\$4,865,000)) \$11,872,000 of the ((amount provided)) state building construction account—state appropriation and \$1,000,000 of the climate commitment act—state appropriation in this section is provided solely for the legislative campus modernization global subproject that includes, but is not limited to, the visitor lot (opportunity site six east), 15th avenue southwest, the John A. Cherberg parking lot on 15th avenue southwest, the John L. O'Brien parking lot on 15th avenue southwest, Columbia street site work, the legislative modular building, and Water street site work.
- 35 (8) \$1,000,000 of the model toxics control capital account—state 36 appropriation in this section is provided solely for Newhouse parcel 37 soil decontamination.

NEW SECTION. Sec. 3033. A new section is added to 2023 c 474 (uncodified) to read as follows:

FOR THE DEPARTMENT OF AGRICULTURE

State Lands Assessment (91000011)

The appropriations in this section are subject to the following conditions and limitations:

- (1) \$200,000 of the state taxable building construction account—state appropriation is provided solely for the department, in consultation with the department of natural resources, to perform an assessment of unused and underutilized state-owned, unimproved lands to determine the suitability of such lands for agricultural purposes, including grazing. For the purposes of this section, "underutilized state-owned lands" means lands that do not assist in meeting the goals of the state agency that owns or manages the land and that are already being considered for sale or surplus. "Underutilized state-owned lands" does not include state-owned lands held under lease, held in trust, or that are otherwise intended for specific purposes.
- (2) \$100,000 of the climate commitment account—state appropriation is provided solely for the department to incorporate into the assessment an examination of the use of such lands for agrivoltaics. For the purposes of this section, "agrivoltaics" means the use of land that intentionally integrates agriculture and solar photovoltaic energy generation.
- (3) The department must complete the assessment by June 1, 2025, and must submit it to the governor, the commissioner of public lands, the director of the Washington State University energy program, the director of the department of commerce, and the committees of the legislature with jurisdiction over agricultural matters.
- 33 (4)(a) Subsection (2) of this section takes effect January 1, 34 2025.
- 35 (b) If the climate commitment account is repealed as of December 36 30, 2024, then subsection (2) of this section is null and void on December 31, 2024, and the amount appropriated in this section from the climate commitment account—state shall lapse.

FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION

9 School Construction Revised Assistance Program Planning (SCRAPP) 10 (91000535)

The appropriation in this section is subject to the following conditions and limitations:

- (1) The appropriation in this section is provided solely for the office of the superintendent of public instruction for the following purposes: (a) To develop a proposal to replace the school construction assistance program with a new, competitive model for awarding state grants for the construction and modernization of common school facilities; (b) to contract with a consultant to develop the proposal pursuant to (a) of this subsection; and (c) to facilitate the stakeholder process in subsection (2) of this section.
- (2) The proposal development process identified in subsection (1) of this section must include iterative consultation and meetings with the following entities: (a) School districts, including educational service districts; (b) the governor or the governor's designee; (c) the chairs and ranking members of the appropriate fiscal committees of the legislature or their designees; (d) the office of the superintendent of public instruction's technical advisory committee; and (e) other stakeholders deemed appropriate by the stakeholder group in this subsection. The office of the superintendent of public instruction must convene a meeting with the chairs and ranking members of the appropriate fiscal committees of the legislature or their designees to discuss a work plan, a draft request for proposals to hire a consultant pursuant to this section, a facilitation plan that may include professional facilitation, and a schedule pursuant to this subsection no later than April 15, 2024.
- (3) The proposal developed under subsection (1) of this section must include: (a) A process that recognizes the substantial variation

Code Rev/CL:lel 101 H-3301.1/24

1 between district sizes and financial capacities that categorizes reasonably comparable applicants into distinct school district 2 groupings in order to foster a fair and equitable prioritization of 3 projects; (b) a process for prioritizing requests for state funding 4 for school construction that results in ranked project lists, using 5 6 the groupings developed under (a) of this subsection for the governor legislature's consideration during the biennial 7 development process; (c) a formula or formulas for determining the 8 state and school district shares of project cost, which may vary 9 across the groupings established under (a) of this subsection; (d) 10 11 policies regarding allowable space types and quantities to meet 12 current and future instructional requirements and initiatives; (e) a recommendation regarding the appropriate entity, such as an advisory 13 committee, to evaluate and prioritize project applications; (f) 14 recommendations related to the development of prototypical school 15 16 designs intended to enhance the student learning environment and the 17 useful life of facilities, while also reducing design and construction costs; and (g) recommendations for timelines and 18 processes by which the state and school districts can effectively 19 transition from the existing school construction assistance program 20 21 to the proposed program developed pursuant to this section.

(4) The project prioritization process developed under subsection (3) of this section must include consideration of: (a) District incorporation of prototypical designs; (b) projected enrollment; (c) facility condition and age; (d) factors related to school district financial capacity, such as remaining debt capacity and any special circumstances that may impact districts' ability to fund capital projects; (e) natural hazard conditions, including seismic and tsunami risk; and (f) any other factors deemed appropriate by the office of the superintendent of public instruction.

The appropriations in this section are subject to the following conditions and limitations:

- ((\$78,390,000)) \$240,646,000 of the common school construction account—state appropriation ((and \$3,000,000 of the common school construction fund—federal appropriation)) in this section ((are)) is provided solely for modernization grants for small school districts authorized under RCW 28A.525.159. Of this amount, \$135,000,000 is provided solely for small district modernization grants, not to exceed \$6,000,000 per grant, to school districts that were awarded a planning grant during the 2023-2025 fiscal biennium pursuant to LEAP capital document No. OSPI-1-2023, developed April 10, 2023. Small districts awarded a planning grant pursuant to this list that do not receive a modernization grant in the 2023-2025 fiscal biennium are eligible for the maximum state funding level of \$12,000,000 established under subsection (5)(a) of this section. The office of the superintendent of public instruction shall report the status and award amounts of all grants awarded pursuant to this section to the governor and appropriate fiscal committees of the legislature no later than October 15, 2024.
 - (2) ((\$1,496,000)) \$2,307,000 of the common school construction account—state appropriation in this section is provided solely for planning grants for small school districts authorized under RCW 28A.525.159. Planning grants may not exceed \$50,000 per district. Planning grants may only be awarded to school districts with ((an)) estimated total project costs of \$6,000,000 or less or \$12,000,000 or less, as applicable under this section.
 - (3) \$12,145,000 of the state building construction account—state appropriation in this section is provided solely for planning grants and modernization grants to state-tribal compact schools. The superintendent of public instruction may prioritize planning grants for state-tribal compact schools with the most serious building deficiencies and the most limited financial capacity.
- (4) \$5,000,000 of the climate commitment account—state appropriation and \$1,800,000 of the common school construction account—state appropriation in this section ((is)) are provided solely for energy assessment grants for small school districts

Code Rev/CL:lel 105 H-3301.1/24

- eligible under RCW 28A.525.159. Grant funding awarded may be used to perform facility energy assessments of instructional buildings.
 - (5) (a) The superintendent of public instruction shall submit a list of small school district modernization projects, as prioritized by the advisory committee under RCW 28A.525.159, to the legislature and the governor by ((September)) October 15, 2024. The list must include: (((a))) (i) A description of the project; (((b))) (ii) the proposed state funding level, not to exceed ((\$6,000,000)) \$12,000,000 per project; (((c))) (iii) estimated total project costs; and (((d))) (iv) local funding resources.
 - (b) In addition to the standard list required in (a) of this subsection, the superintendent of public instruction shall also submit an alternative list with the agency's request for capital appropriations for the 2025-2027 fiscal biennium that includes small school districts with 3,000 students or less, with a state funding level not to exceed \$12,000,000 per project. This list must include the following information: (i) A description of the project; (ii) the proposed state funding level; (iii) estimated total project costs; and (iv) local funding resources.
 - (6) ((The)) (a) Subject to (b) of this subsection (6), the appropriations in this section may be awarded only to projects approved by the legislature, as identified in LEAP capital document No. OSPI-1-2023, developed April 10, 2023, and in LEAP capital document No. OSPI-1-2024, developed February 1, 2024.
 - (b) To the extent that the amounts appropriated for small districts and state-tribal compact schools specified in the LEAP capital documents in (a) of this subsection exceed the actual costs of funding these projects, the department may reallocate excess funding to eligible projects pursuant to RCW 28A.525.159. However, the total funding appropriated to eligible small district projects must remain allocated to eligible small district projects, and the total funding appropriated to eligible state-tribal compact school projects must remain allocated to eligible state-tribal compact school projects.

2023-25 School District Health and Safety (40000067)

The appropriations in this section $((\frac{is}{is}))$ are subject to the following conditions and limitations:

- (1) \$5,000,000 of the state building construction account—state appropriation and \$6,000,000 of the common school construction account—state appropriation in this section ((is)) are provided solely for emergency repair grants to address unexpected and imminent health and safety hazards at K-12 public schools, including skill centers, that will impact the day-to-day operations of the school facility, and this is the maximum amount that may be spent for this purpose. For emergency repair grants only, an emergency declaration must be signed by the school district board of directors and submitted to the superintendent of public instruction consideration. The emergency declaration must include a description of the imminent health and safety hazard, the possible cause, the proposed scope of emergency repair work and related cost estimate, and identification of local funding to be applied to the project. Grants of emergency repair moneys must be conditioned upon the written commitment and plan of the school district board of directors to repay the grant with any insurance payments or other judgments that may be awarded, if applicable.
- (2) \$11,600,000 of the state building construction account—state appropriation and \$10,000,000 of the common school construction account—state appropriation in this section ((is)) are provided solely for urgent repair grants to address nonreccurring urgent small repair projects at K-12 public schools, excluding skill centers, that could impact the health and safety of students and staff if not

Code Rev/CL:lel 107 H-3301.1/24

1 completed, and this is the maximum amount that may be spent for this purpose. The office of the superintendent of public instruction, 2 3 after consulting with maintenance and operations administrators of school districts, shall develop criteria and assurances for providing 4 funding for specific projects through a competitive grant program. 5 6 The criteria and assurances must include, but are not limited to, the following: (a) Limiting school districts to one grant, not to exceed 7 \$500,000, per three-year period; (b) prioritizing applications based 8 on limited school district financial resources for the project; and 9 (c) requiring any district receiving funding provided in this section 10 11 to demonstrate a consistent commitment to addressing school facility 12 applications must include needs. The grant a comprehensive description of the health and safety issues to be addressed, a 13 detailed description of the remedy, including a detailed cost 14 estimate of the repair or replacement work to be performed, and 15 16 identification of local funding, if any, which will be applied to the 17 project. Grants may be used for, but are not limited to: Repair or 18 replacement of failing building systems, abatement of potentially 19 hazardous materials, and safety-related structural improvements.

(3) \$3,600,000 of the state building construction account—state appropriation and \$2,500,000 of the common school construction account—state appropriation in this section ((is)) are provided solely for equal access grants for facility repairs and alterations K-12 public schools, including skills centers, to compliance with the Americans with disabilities act and individuals with disabilities education act, and this is the maximum amount that may be spent for this purpose. The office of the superintendent of public instruction shall develop criteria and assurances for providing funding for specific projects through a competitive grant program. The criteria and assurances must include, but are not limited to, the following: (a) Limiting districts to one grant, not \$100,000, per three-year period; (b) prioritizing applications based on limited school district financial resources for the project; and (c) requiring recipient districts to demonstrate a consistent commitment to addressing school facility needs. The grant applications must include a description of the Americans with disabilities act or individuals with disabilities education act compliance deficiency, a comprehensive description of the facility accessibility issues to be addressed, a detailed description of the remedy including a detailed cost estimate of the repair

- replacement work to be performed, and identification of local funding, if any, which will be applied to the project. Priority for grant funding must be given to school districts that demonstrate a lack of capital resources to address the compliance deficiencies outlined in the grant application.
 - (4) The superintendent of public instruction must notify the office of financial management, the legislative evaluation and accountability program committee, the house capital budget committee, and the senate ways and means committee as projects described in subsection (1) of this section are approved for funding.

2023-25 Healthy Kids-Healthy Schools (40000068)

The appropriations in this section are subject to the following conditions and limitations:

- (1) (a) ((\$10,000,000)) \$11,500,000 of the common school construction account—state appropriation in this section is provided solely for healthy kids and healthy schools grants for projects that are consistent with the healthiest next generation priorities.
- (b) The appropriation in this subsection (1) is provided solely for grant funding to school districts for the purchase of equipment or to make repairs to existing equipment that is related to improving: (i) Children's physical health, and may include, but is not limited to, fitness playground equipment, covered play areas, and physical education equipment or related structures or renovation; and (ii) children's nutrition, and may include, but is not limited to,

Code Rev/CL:lel 109 H-3301.1/24

- garden related structures and greenhouses to provide students access to fresh produce, and kitchen equipment or upgrades.
 - (c) The office of the superintendent of public instruction shall develop criteria for grant funding under this subsection (1) that include, but are not limited to, the following requirements: (i) Districts may apply for grants, but no single district may receive more than \$200,000 of the appropriation for grants awarded under this section; (ii) any district receiving funding provided in this section must demonstrate a consistent commitment to addressing school facilities' needs; and (iii) applicants with a high percentage of students who are eligible and enrolled in the free and reduced-price meals program may be prioritized.
 - (2) \$1,500,000 of the state building construction account—state appropriation in this section is provided solely for grants to school districts, charter schools, and state-tribal education compact schools for the replacement of lead-contaminated pipes, drinking water fixtures, and the purchase of water filters, including the labor costs of remediation design, installation, and construction.

School District Indoor Air Quality & Energy Efficiency (40000104)

The appropriations in this section are subject to the following conditions and limitations:

- (1) (a) \$6,250,000 of the common school construction account—state appropriation and \$7,500,000 of the climate commitment account—state appropriation in this section are provided solely for grants to school districts with enrollments exceeding 3,000 students for indoor air quality assessment grants.
- (b) Grantees under this subsection may: (i) Seek technical assistance from state funded entities, such as the office of the superintendent of public instruction, the department of commerce, and the department of health; (ii) seek technical assistance from other entities, such as local health jurisdiction school safety programs and the smart buildings center's K-12 ventilation and indoor air quality resource team; and (iii) use funding awarded to seek guidance and technical assistance from commercial entities that have specialized knowledge of troubleshooting modern HVAC or smart building systems.
- 25 (c) Subject to subsection (3) of this section and if applications for assessment grants under this subsection exceed available funding, 26 27 the office of the superintendent of public instruction must first 28 prioritize grants for school districts: (i) Without existing heating, 29 ventilation, and air-conditioning (HVAC) systems; (ii) that have documented proof of indoor air quality performance that does not meet 30 31 current state energy code; (iii) with outdated or underperforming 32 HVAC systems; and (iv) that have the most limited financial capacity. 33 funded under this subsection (1)(c) must 34 professional cost estimates for mitigating the indoor air quality 35 deficiencies identified. The office of the superintendent of public instruction must collect the cost estimate data from school districts 36 receiving a grant under this subsection and report a summary of the 37 38 collected cost data, as well as a list of specific capital projects

Code Rev/CL:lel 111 H-3301.1/24

for school districts developed from this data, to the appropriate fiscal committees of the legislature by January 6, 2025.

- (2) (a) \$18,725,000 of the common school construction account—state appropriation and \$22,500,000 of the climate commitment account—state appropriation in this section are provided solely for grants to school districts with enrollments that are less than or equal to 3,000 students for assessment, installation, repair, or replacement of HVAC, air filtration enhancements, and general air quality improvements that improve student health and safety.
- (b) Grantees under this subsection may: (i) Seek technical assistance from state funded entities, such as the office of the superintendent of public instruction, the department of commerce, and the department of health; (ii) seek technical assistance from other entities, such as local health jurisdiction school safety programs and the smart buildings center's K-12 ventilation and indoor air quality resource team; and (iii) use funding awarded to seek guidance assistance from commercial technical entities that specialized knowledge of troubleshooting modern HVAC or smart building systems.
- (c) Subject to subsection (3) of this section and if applications grants under this subsection exceed available funding, the office of the superintendent of public instruction must first prioritize grants for school districts: (i) Without existing HVAC systems; (ii) that have documented proof of indoor air quality performance that does not meet current state energy code; (iii) with outdated or underperforming HVAC systems; and (iv) that have the most limited financial capacity.
- (3) The office of the superintendent of public instruction must first allocate, to the maximum extent feasible, the funding appropriated under this section to grants prioritized under subsections (1) and (2) of this section. However, as necessary to award grants using the climate commitment account—state appropriation in this section, the superintendent of public instruction may also prioritize grants under this section that will improve compliance with the state's energy-related building standards in chapter 19.27A RCW by reducing energy use intensity.
- (4) \$25,000 of the common school construction account—state appropriation in this section is provided for the office of the superintendent of public instruction to make modifications to its

Code Rev/CL:lel 112 H-3301.1/24

- 1 information and condition of schools system related to implementing 2 this section. (5)(a) The appropriation in this section from the climate 3 commitment account—state takes effect January 1, 2025. 4 5 (b) If the climate commitment account is repealed as of December 30, 2024, the amounts appropriated in this section from the climate 6 7 commitment account—state shall lapse on December 31, 2024. 8 Appropriation: 9 Climate Commitment Account—State. \$30,000,000 Common School Construction Fund—State. \$25,000,000 10 11 12 Prior Biennia (Expenditures).......... Future Biennia (Projected Costs). \$220,000,000 13 14 15 NEW SECTION. Sec. 5009. A new section is added to 2023 c 474 16 (uncodified) to read as follows: FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION 17 18 Capital Assistance to Small School Districts (92001074) 19 The appropriation in this section is subject to the following 20 conditions and limitations: 21 (1) The appropriation in this section is provided solely for 22 preconstruction grants and administrative implementation pursuant to 23 Substitute House Bill No. 1044. (2) If Substitute House Bill No. 1044 (capital assistance/ 24 schools) is not enacted by June 30, 2024, the amount provided in this 25 26 section shall lapse. 27 Appropriation: 28 Common School Construction Account—State. \$4,790,000 Prior Biennia (Expenditures)......... \$0

- 29 30 Future Biennia (Projected Costs). \$1,867,700,000 31
- 32 NEW SECTION. Sec. 5010. A new section is added to 2023 c 474
- 33 (uncodified) to read as follows:
- 35 Energy Assessment Grants to School Districts (91000509)

FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION

The appropriations in this section are subject to the following conditions and limitations:

- (1) \$4,900,000 of the climate commitment account—state appropriation in this section is provided solely for energy assessment grants to school districts for buildings that exceed 220,000 gross square feet pursuant to compliance with the state's energy-related building standards in chapter 19.27A RCW. Assessments funded under this subsection must include professional cost estimates for mitigating the energy use intensity deficiencies identified. The office of the superintendent of public instruction must collect the cost estimate data from school districts receiving a grant under this subsection and report a summary of the collected cost data, as well as a list of specific capital projects for school districts developed from this data, to the appropriate fiscal committees of the legislature by January 6, 2025.
- (2) \$50,000 of the common school construction account—state appropriation in this section is provided for the office of the superintendent of public instruction to make modifications to its information and condition of schools system related to implementing this section.
- (3) If applications for energy assessment grants under this section exceed funds available, the office of the superintendent of public instruction must prioritize grants for school buildings that are likely to require the most substantial improvements related to compliance with chapter 19.27A RCW and for school districts that have the most limited financial capacity. The office of the superintendent of public instruction shall make such prioritizations using facilities data from the information and condition of schools database and through information provided by the school district at the time of application.
 - (4) (a) This section takes effect January 1, 2025.
- 32 (b) If the climate commitment account is repealed as of December 33 30, 2024, then this section is null and void on December 31, 2024.

5 2021-23 Water Banking (91000373)

The appropriations in this section are subject to the following conditions and limitations:

- (1) (a) The appropriations in this section are provided solely for the department to administer a pilot grant program for water banking strategies to meet local water needs.
- 11 (b) ((\$2,000,000)) \$4,000,000 is provided solely for qualified applicants located within the Methow River Basin.
 - (2)(((a))) Grant awards may only be used for:
- 14 $((\frac{1}{2}))$ <u>(a)</u> Development of water banks in rural counties as defined in RCW 82.14.370(5);
- 16 (((ii))) <u>(b)</u> Acquisition of water rights appropriate for use in a 17 water bank including all costs necessary to evaluate the water right 18 for eligibility for its intended use; and
- 19 $((\frac{(iii)}{)})$ (c) Activities necessary to facilitate the creation of 20 a water bank.
 - (((b) For applicants located outside of the Methow River Basin, grant awards may only be used for the development of water banks in rural counties that have the headwaters of a major watershed within their borders and only for water banking strategies within the county of origin. For purposes of this section, "major watershed" has the same meaning as shoreline of statewide significance in RCW 90.58.030(2)(f)(v) (A) and (B).))
- 28 (3) Grant awards may not exceed ((\$2,000,000)) \$4,000,000 per 29 applicant.
- 30 (4) For the purposes of a grant pursuant to this section, a water 31 bank must meet water needs, which include, but are not limited to, 32 agricultural use and instream flow for fish and wildlife. The water 33 bank must preserve water rights for use in the county of origin and 34 for permanent instream flows for fish and wildlife through the 35 primary and secondary reaches of the water right.
- 36 (5) To be eligible to receive a grant under this section, an applicant must:

Code Rev/CL:lel 141 H-3301.1/24

- 1 (a) Be a public entity or a participant in a public-private 2 partnership with a public entity;
 - (b) Exhibit sufficient expertise and capacity to develop and maintain a water bank consistent with the purposes of this appropriation;
 - (c) Secure a valid interest to purchase a water right;
- 7 (d) Show that the water rights appear to be adequate for the 8 intended use; and
 - (e) Agree to have one-third of any water right purchased with the funds appropriated under this section to have its purpose of use changed permanently to instream flow benefiting fish and wildlife.
- 12 (6) In determining whether a grant request is eligible for 13 funding under this section, the department may not disqualify 14 proposals that purchase water rights from an existing water bank.

- 22 **Sec. 7002.** 2022 c 296 s 5009 (uncodified) is amended to read as follows:

FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION

Healthy Kids / Healthy Schools - T-12 Lighting (91000483)

The appropriation in this section is subject to the following conditions and limitations:

(1) Except as provided for under section (3) of this section, \$1,500,000 of the appropriation in this section is provided solely for grants to public schools, including charter schools and state-tribal education compact schools, for the removal, disposal, and replacement of T-12 lighting fixtures and ballasts manufactured in or before 1979 with energy-efficient LED lighting. State grant funding provided under this section may be used for all school district, state-tribal education compact, and charter school buildings, but must be prioritized for buildings that are not under contract to be replaced or modernized. State grant funding provided under this section may only be expended after all applicable funding from Code Rev/CL:lel 142 H-3301.1/24

utility company rebate programs available to schools in the state has been exhausted.

- (2) The office of the superintendent of public instruction must provide information to state grant applicants under this section related to identifying the year of T-12 lighting fixture and ballast manufacture, which may include pertinent information developed by the United States environmental protection agency. In order to receive a state grant under this section, grant applicants must provide, as determined by the office of the superintendent of public instruction, supporting documentation that includes: (a) The number of T-12 lighting fixtures and ballasts manufactured before 1979 and after 1979 in their facilities; and (b) the age and primary use of each facility where the T-12 lighting fixtures and ballasts under (a) of this subsection are located. The office of the superintendent of public instruction may adopt rules to administer this section.
- (3) In the 2023-2025 fiscal biennium, the office of the superintendent of public instruction may contract with an organization of educational facilities and maintenance professionals located in the state for the purpose of assisting school districts with identifying T-12 lighting fixtures and ballasts manufactured in or before 1979. The organization contracted pursuant to this subsection must provide information to school districts, as determined by the office of the superintendent of public instruction, regarding the availability of state grant funding and utility company rebate programs for the replacement of T-12 lighting with energy-efficient LED lighting. The contract awarded under this subsection may not exceed \$100,000.

1 PART 8

MISCELLANEOUS PROVISIONS

3 Sec. 8001. 2023 c 474 s 8001 (uncodified) is amended to read as 4 follows:

RCW 43.88.031 requires the disclosure of the estimated debt service costs associated with new capital bond appropriations. The estimated debt service costs for the appropriations contained in this act are ((\$59,934,000)) \$35,897,928 for the 2023-2025 biennium, ((\$371,683,000)) \$342,236,404 for the 2025-2027 biennium, and ((\$519,454,000)) \$491,366,915 for the 2027-2029 biennium.

NEW SECTION. Sec. 8002. (1) If the following accounts are repealed, agencies may not expend or obligate funds appropriated from the repealed account on or after the effective date of the repeal:

(a) The climate commitment account; (b) the natural climate solutions account; and (c) the air quality and health disparities improvement account.

(2) If the following accounts are repealed, appropriations in chapter 474, Laws of 2023 (2023-2025 biennial capital budget) and this act that are appropriated from the (a) the climate commitment account; (b) the natural climate solutions account; and (c) the air quality and health disparities improvement account shall be paid from the consolidated climate account, created in chapter . . . (Substitute House Bill No. 2104), Laws of 2024 (supplemental operating appropriations act), as if they were appropriated from the consolidated climate account beginning on the date of the repeal of the accounts unless specified otherwise.

Sec. 8003. 2023 c 474 s 8002 (uncodified) is amended to read as follows:

PROPERTIES AND FACILITIES THROUGH ACQUISITION OF The following agencies may enter into financial CONTRACTS. (1) contracts, paid from any funds of an agency, appropriated or nonappropriated, for the purposes indicated and in not more than the principal amounts indicated, plus financing expenses and required reserves pursuant to chapter 39.94 RCW. When securing properties under this section, agencies shall use the most economical financial contract option available, including long-term leases, lease-purchase agreements, lease-development with option to purchase agreements or

Code Rev/CL:lel 144 H-3301.1/24

financial contracts using certificates of participation. Expenditures
made by an agency for one of the indicated purposes before the issue
date of the authorized financial contract and any certificates of
participation therein are intended to be reimbursed from proceeds of
the financial contract and any certificates of participation therein
to the extent provided in the agency's financing plan approved by the
state finance committee.

- (2) Those noninstructional facilities of higher education institutions authorized in this section to enter into financial contracts are not eligible for state funded maintenance and operations. Instructional space that is available for regularly scheduled classes for academic transfer, basic skills, and workforce training programs may be eligible for state funded maintenance and operations.
- (3) Secretary of state: Enter into a financing contract for up to \$119,000,000 plus financing expenses, required reserves, and capitalized interest pursuant to chapter 39.94 RCW to construct a new library-archives building.
- (4) Department of social and health services: Enter into a financing contract for up to \$175,888,000 plus costs and financing expenses, required reserves, and capitalized interest pursuant to chapter 39.94 RCW to construct a nursing facility on the Fircrest residential habilitation center campus. The department may contract to lease develop or lease purchase the facility. Before entering into a contract, the department must consult with the office of financial management and the office of the state treasurer. Should the department of social and health services choose to use a financing contract that does not provide for the issuance of certificates of participation, the financing contract shall be subject to approval by the state finance committee as required by RCW 39.94.010. approving a financing contract not providing for the use certificates of participation, the state finance committee should be reasonably certain that the contract is excluded from the computation of indebtedness, particularly that the contract is not backed by the full faith and credit of the state and the legislature is expressly not obligated to appropriate funds to make payments. For purposes of this subsection, "financing contract" includes but is not limited to a certificate of participation and tax exempt financing similar to that authorized in RCW 47.79.140.

Code Rev/CL:lel 145 H-3301.1/24

1 (5) Western Washington University: Enter into a financing
2 contract for up to \$4,900,000 plus costs and financing expenses,

- 11 (7) The Evergreen State College: Enter into a financing contract
 12 for up to \$4,400,000 plus costs and financing expenses, required
 13 reserves, and capitalized interest pursuant to chapter 39.94 RCW to
 14 reopen unused residence halls.
- 15 **Sec. 8004.** RCW 43.155.050 and 2023 c 475 s 932 and 2023 c 474 s 8037 are each reenacted and amended to read as follows:
 - (1) The public works assistance account is hereby established in the state treasury. Money may be placed in the public works assistance account from the proceeds of bonds when authorized by the legislature or from any other lawful source. Money in the public works assistance account shall be used to make loans and grants and to give financial guarantees to local governments for public works projects. Moneys in the account may also be appropriated or transferred to the water pollution control revolving fund and the drinking water assistance account to provide for state match requirements under federal law. Moneys in the account may be transferred to the move ahead WA account to provide support of public works projects funded in the move ahead WA program. Not more than 20 percent of the biennial capital budget appropriation to the public works board from this account may be expended or obligated for preconstruction loans and grants, emergency loans and grants, or loans and grants for capital facility planning under this chapter. Not more than 10 percent of the biennial capital budget appropriation to the public works board from this account may be expended or obligated as grants for preconstruction, emergency, capital facility planning, and construction projects. During the 2017-2019 and 2019-2021 fiscal biennia, the legislature may appropriate moneys from the account for activities related to rural economic development, the growth management act, the aviation revitalization loan program, the

Code Rev/CL:lel 146 H-3301.1/24

1 community economic revitalization board broadband program, and the voluntary stewardship program. During the 2021-2023 and 2023-2025 2 3 fiscal biennia, the legislature may appropriate moneys from the for activities related to the community aviation 4 revitalization board. During the 2019-2021 fiscal biennia, the 5 6 legislature may direct the state treasurer to make transfers of moneys in the public works assistance account to the education legacy 7 trust account. During the 2019-2021 and 2021-2023 fiscal biennia, the 8 legislature may direct the state treasurer to make transfers of 9 moneys in the public works assistance account to the statewide 10 11 broadband account. The legislature may appropriate moneys from the 12 public works assistance account for activities related to the voluntary stewardship program, rural economic development, and the 13 growth management act. During the 2021-2023 biennium, the legislature 14 may appropriate moneys from the account for projects identified in 15 16 section 1033, chapter 296, Laws of 2022. During the 2023-2025 fiscal 17 biennium, the legislature may appropriate moneys from the public works assistance account for ((an evaluation of the costs of)) 18 projects related to relocating public utilities related to fish 19 barrier removal projects and for an evaluation of the costs. During 20 21 the 2023-2025 fiscal biennium, the legislature may appropriate moneys 22 from the account for activities related to developing a data 23 dashboard to map investments made by the public works board, the department of commerce, the department of health, the department of 24 25 ecology, the department of transportation, the transportation 26 improvement board, and by board partners to the system improvement team created in RCW 43.155.150. 27

(2) For fiscal year 2024 through fiscal year 2038, the state treasurer must transfer from the public works assistance account to the move ahead WA account created in RCW 46.68.510 \$57,000,000 each fiscal year in four equal quarterly transfers.

34 (1) Agencies that allocate funding or administer grant programs
35 appropriated from the climate investment account created in RCW
36 70A.65.250, the climate commitment account created in RCW 70A.65.260,
37 and the natural climate solutions account created in RCW 70A.65.270
38 must offer early, meaningful, and individual consultation with any
39 affected federally recognized tribe on all funding decisions and
Code Rev/CL:lel 147 H-3301.1/24

- funding programs that may impact tribal resources, including tribal cultural resources, archaeological sites, sacred sites, fisheries, or other rights and interests in tribal lands and lands within which a tribe or tribes possess rights reserved or protected by federal treaty, statute, or executive order. The consultation is independent of, and in addition to, any public participation process required by federal or state law, or by a federal or state agency, including the requirements of Executive Order 21-02 related to archaeological and cultural resources, and regardless of whether the agency receives a request for consultation from a federally recognized tribe. The goal of the consultation process is to identify tribal resources or rights potentially affected by the funding decisions and funding programs, assess their effects, and seek ways to avoid, minimize, or mitigate any adverse effects on tribal resources or rights.
 - (2) At the earliest possible date prior to submittal of an application, applicants for funding from the accounts created in RCW 70A.65.250, 70A.65.260, and 70A.65.270 shall engage in a preapplication process with all affected federally recognized tribes within the project area. During the 2023-2025 fiscal biennium, salmon habitat and climate resilience projects funded from the natural climate solutions account created in RCW 70A.65.270 that went through the application and prioritization process before July 1, 2023, are exempt from the preapplication requirements under this subsection.

- (a) The preapplication process must include the applicant notifying the department of archaeology and historic preservation, the department of fish and wildlife, and all affected federally recognized tribes within the project area. The notification must include geographical location, detailed scope of the proposed project, preliminary application details available to federal, state, or local governmental jurisdictions, and all publicly available materials, including public funding sources.
- (b) The applicant must also offer to discuss the project with the department of archaeology and historic preservation, the department of fish and wildlife, and all affected federally recognized tribes within the project area. Discussions may include the project's impact to tribal resources, including tribal cultural resources, archaeological sites, sacred sites, fisheries, or other rights and interests in tribal lands and lands within which a tribe or tribes possess rights reserved or protected by federal treaty, statute, or executive order.

(c) All affected federally recognized tribes may submit to the appropriate agency or agencies a summary of tribal issues, questions, concerns, or other statements regarding the project, which must become part of the official application file. The summary does not limit what issues affected federally recognized tribes may raise in the consultation process identified in subsections (1), (3) through (7), and (9) of this section.

- (d) The notification and offer to initiate discussion must be documented with the application when it is filed, and a copy of the application must be delivered to the department of archaeology and historic preservation, the department of fish and wildlife, and to the affected federally recognized tribe or tribes. If the discussions pursuant to (b) of this subsection do not occur, the applicant must document the reason why the discussion or discussions did not occur.
- (e) Nothing in this section may be interpreted to require the disclosure of information that is exempt from disclosure pursuant to RCW 42.56.300 or federal law, including section 304 of the national historic preservation act of 1966. Any information that is exempt from disclosure pursuant to RCW 42.56.300 or federal law, including section 304 of the national historic preservation act of 1966, shall not become part of the official application file.
- (3) If any funding decision, program, project, or activity that may impact tribal resources, including tribal cultural resources, archaeological sites, sacred sites, fisheries, or other rights and interests in tribal lands and lands within which a tribe or tribes possess rights reserved by federal treaty, statute, or executive order is funded from the accounts created in RCW 70A.65.250, 70A.65.260, and 70A.65.270 without such a consultation with an affected federally recognized tribe, the affected federally recognized tribe may request that all further action on the decision, program, project, or activity cease until meaningful consultation is completed. Upon receipt of such a request by an agency or agencies with the authority to allocate funding or administer grant programs from the accounts listed in subsection (1) of this section in support of the proposed project, further action by the agency or agencies on any decision, program, project, or activity that would result in significant physical disturbance of the tribal resource or resources described in this subsection must cease until the consultation has been completed.

Code Rev/CL:lel 149 H-3301.1/24

(4) Upon completion of agency and tribal consultation, an affected federally recognized tribe may request a formal review of the consultation by submitting a request to the governor's office of Indian affairs and notifying the appropriate agencies and the department of archaeology and historic preservation. The state agencies and tribe must meet to initiate discussion within no more than 20 days of the request. This consultation must be offered and conducted separately with each affected federally recognized tribe, unless the tribes agree to conduct a joint consultation with the state.

- (5) After the state agencies and tribe or tribes have conducted a formal review under subsection (4) of this section, an affected federally recognized tribe or state agency may request that the governor and an elected tribal leader or leaders of a federally recognized tribal government meet to formally consider the recommendations from the parties. If requested, this meeting must occur within 30 days of the request, except that a federally recognized tribe may choose to opt out of the meeting. This timeline may be extended by mutual agreement between the governor and the tribal leaders.
- (6) After the meeting identified in subsection (5) of this section has occurred, the governor or an elected tribal leader of a federally recognized tribe may call for the state and tribe or tribes to enter into formal mediation, except that a federally recognized tribe may choose to opt out of the mediation. If entered into, the mediation must be conducted as a government-to-government proceeding, with each sovereign government retaining their right to a final decision that meets their separate obligations and interests. Mediators must be jointly selected by the parties to the mediation. An agreement between the governor and a tribal leader or leaders resulting from the mediation is formally recognized and binding on the signatory parties. Absent an agreement, participation in mediation does not preclude any additional steps that any party can initiate, including legal review, to resolve a continuing disagreement.
- (7) During the proceedings outlined in subsections (4) through (6) of this section, the agency or agencies with the authority to allocate funding or administer grant programs from the accounts listed in subsection (1) of this section in support of the proposed project may not approve or release funding, or make other formal Code Rev/CL:lel 150 H-3301.1/24

decisions, including permitting, that advance the proposed project except where required by law.

- (8) By June 30, 2023, the governor's office of Indian affairs, in 3 coordination with the department of archaeology and historic 4 preservation and federally recognized tribes, shall develop a state 5 6 agency tribal consultation process, including best practices for early, meaningful, and effective consultation, early notification and 7 engagement by applicants with federally recognized tribes as a part 8 of the preapplication process in subsection (2) of this section, and 9 for communication and collaboration with 10 recognized tribes. The consultation process developed under this 11 12 section must be periodically reviewed and updated in coordination with federally recognized tribes. The governor's office of Indian 13 affairs must provide training and other technical assistance to state 14 they implement the required consultation. 15 16 Notwithstanding the governor's office of Indian affairs' ongoing work 17 pursuant to this subsection, the provisions of subsections (1) through (7) and (9) of this section become effective as of June 9, 18 19 2022.
 - (9) The requirements of this section apply to local governments that receive funding from the accounts created in RCW 70A.65.250, 70A.65.260, and 70A.65.270, where that funding is disbursed to project and program applicants. Where requested, the governor's office of Indian affairs must provide training and other technical assistance to local government agencies as they implement the consultation requirements of this section.
 - (10) Any agency subject to or implementing this section may adopt rules in furtherance of its duties under this section.
 - (11) Subject to the availability of amounts appropriated for this specific purpose, the department must establish a tribal capacity grant program to provide funding to federally recognized tribes for the costs of implementing this section.
 - **Sec. 8006.** RCW 79.64.020 and 2014 c 32 s 3 are each amended to read as follows:

A resource management cost account in the state treasury is created to be used solely for the purpose of defraying the costs and expenses necessarily incurred by the department in managing and administering state lands $((\tau))$ and aquatic lands $((\tau))$ and the making and administering of leases, sales, contracts, licenses, permits,

H-3301.1/24Code Rev/CL:lel 151

easements, and rights-of-way as authorized under the provisions of 1 this title. Appropriations from the resource management cost account 2 to the department shall be expended for no other purposes. Funds in 3 resource management cost account may be appropriated 4 transferred by the legislature for the benefit of all of the trusts 5 6 from which the funds were derived. During the 2013-2015 fiscal 7 biennium, the legislature may transfer from the aquatics revenues in the resources management cost account to the marine resources 8 stewardship trust account for the purposes of chapter 43.372 RCW. 9 During the 2023-2025 fiscal biennium, the legislature may transfer no 10

more than \$5,000,000 from the resource management cost account to the

12 land bank account created in RCW 79.19.120.

NEW SECTION. Sec. 8007. On June 30, 2024, the state treasurer shall transfer \$5,000,000, or as much thereof as is necessary, from the resource management cost account created in RCW 79.64.020 to the land bank account created in RCW 79.19.120. Before June 30, 2024, the office of financial management, in consultation with the department of natural resources, shall provide the state treasurer with the amount necessary to transfer.

20 **Sec. 8008.** RCW 79A.25.210 and 2023 c 475 s 945 are each amended to read as follows:

The firearms range account is hereby created in the state general fund. Moneys in the account shall be subject to legislative appropriation and shall be used for purchase and development of land, construction or improvement of range facilities, including fixed structure construction or remodeling, equipment purchase, safety or environmental improvements, noise abatement, and liability protection for public and nonprofit firearm range training and practice facilities.

Grant funds shall not be used for expendable shooting supplies, or normal operating expenses. In making grants, the board shall give priority to projects for noise abatement or safety improvement. Grant funds shall not supplant funds for other organization programs.

The funds will be available to nonprofit shooting organizations, school districts, and state, county, or local governments on a match basis. All entities receiving matching funds must be open on a regular basis and usable by law enforcement personnel or the general

Code Rev/CL:lel 152 H-3301.1/24

public who possess Washington concealed pistol licenses or Washington hunting licenses or who are enrolled in a firearm safety class.

Applicants for a grant from the firearms range account shall provide matching funds in either cash or in-kind contributions. The match must represent one dollar in value for each one dollar of the grant except that in the case of a grant for noise abatement or safety improvements the match must represent one dollar in value for each two dollars of the grant. In-kind contributions include but are not limited to labor, materials, and new property. Existing assets and existing development may not apply to the match.

Applicants other than school districts or local or state government must be registered as a nonprofit or not-for-profit organization with the Washington secretary of state. The organization's articles of incorporation must contain provisions for the organization's structure, officers, legal address, and registered agent.

Organizations requesting grants must provide the hours of range availability for public and law enforcement use. The fee structure will be submitted with the grant application.

Any nonprofit organization or agency accepting a grant under this program will be required to pay back the entire grant amount to the firearms range account if the use of the range facility is discontinued less than ten years after the grant is accepted.

Entities receiving grants must make the facilities for which grant funding is received open for hunter safety education classes and firearm safety classes on a regular basis for no fee.

Government units or school districts applying for grants must open their range facility on a regular basis for hunter safety education classes and firearm safety classes.

The board shall adopt rules to implement chapter 195, Laws of 1990, pursuant to chapter 34.05 RCW. During the 2017-2019 and 2019-2021 fiscal biennia, expenditures from the firearms range account may be used to implement chapter 74, Laws of 2017 (SHB 1100) (concealed pistol licenses) and chapter 282, Laws of 2017 (SB 5268) (concealed pistol license notices). During the 2021-2023 and 2023-2025 fiscal biennia, expenditures from the firearms range account may be used to implement chapter 74, Laws of 2017 (SHB 1100) (concealed pistol licenses).

During the 2023-2025 fiscal biennium, the legislature may also appropriate moneys in the firearms range account to the department of Code Rev/CL:lel

153

H-3301.1/24

natural resources for recreational target shooting pilot sites as provided in section 3028 of this act.

- During the 2023-2025 fiscal biennium, the application and matching funds requirements of this section do not apply to the recreational target shooting pilot sites in section 3028 of this act.
- NEW SECTION. Sec. 8009. (1) (a) The director of the office of financial management, or the director's designee, shall collect a list of clean energy projects from state agencies that may qualify for elective payment under P.L. 117-169 (inflation reduction act of 2022), such as the purchase of electric vehicle fleets; alternative fuel vehicle refueling and charging; and renewable energy projects including wind, solar, geothermal, electrolytic hydrogen, and energy storage.
 - (b) For tax years 2023 and 2024, the director or director's designee shall work with agencies, including institutions of higher education, to complete all steps necessary to file an annual tax return with the United States internal revenue service on behalf of the state in order to claim elective payments available for state agency clean energy projects that have been placed into service.
 - (2) The office of financial management shall provide a report to the fiscal committees of the legislature by July 1, 2024, and June 30, 2025, that summarizes the state's tax return submitted that year, including the total dollar value of projects included in the tax return and the total dollar amount of direct pay tax credits sought. The report must also include an itemized list of the projects that displays the dollar amounts and types of tax credits sought.
 - (3) Funds received by the state pursuant to this section shall be deposited into the inflation reduction elective pay account created in chapter . . . (Engrossed Senate Bill No. 6098), Laws of 2024 (concerning accounts).
- 31 (4) It is the intent of the legislature that funds received under 32 this section will be allocated to capital projects through omnibus 33 capital appropriations acts.
- NEW SECTION. Sec. 8010. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Code Rev/CL:lel 154 H-3301.1/24

<u>NEW SECTION.</u> **Sec. 8011.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.
